Rockell, The Teen Titans, The Royal Defenders, The Loonatics, Ty the Tasmanian Tiger, Sly the Tasmanian Tiger, Liu Kang, Kitana, Sonya Blade, Jax, Kung Lao, Sub-Zero, Nightwolf, Kotal Kahn, Jade, Kaan Demir-Vanhoof and his family, Solar Man, and Crystal Sunburst are heading to Yokai Academy, and not only is Lincoln going to rescue the seventy girls here and Ets is going to rescue the three girls here, but we got another pervert busting mission.

Our targets are The Fan Club Coalition, the names of the members of this club are Kozo Kasahara, who is a fan of Moka Akashiya, Kubasaki Nagai, who is a fan of Yukari Sendo, and Bosaburo Taira, who is a fan of Kurumu Kurono, but the problem is they idolize these three respective girls too much to the point of obsession, and Lincoln's going to get really angry when he learns about this, especially what Kubasaki Nagai and Bosaburo Taira did: Kubasaki Nagai took a picture of Yukari without her noticing and Bosaburo Taira kept following Kurumu no matter where she went and he observed her all the time, and Lincoln's going to tell Kubasaki Nagai and Bosaburo Taira off for that, and we'll also tell off Kozo Kasahara as well. But, those three aren't going to take that lightly and turn into their monster forms, which are really ridiculous, and it'll be a huge mistake because Lincoln's going to turn into Lincoln the Nocturnal and those two are gonna piss their pants when they see Lincoln in his Lincoln the Nocturnal form, and he's going to let out the biggest and loudest wolf roar and send those two flying into a wall to make them get the point and lay off following Kurumu and Yukari, and we're also going to beat Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira up and make sure they finally get the message.

Lincoln: Ah, we're here in Yokai Academy, and I know what we're going to do here, not only am I going to rescue the seventy girls here and Ets is going to rescue the three girls here, but we got another pervert busting mission.

Nicole: It better not be Ginei at it again, because if it is, I'm gonna...!

Kurumu: No, it's not him, it's The Fan Club Coalition, the names of the members of this club are Kozo Kasahara, who is a fan of Moka, Kubasaki Nagai, who is a fan of Yukari, and Bosaburo Taira, who is a fan of me, but the problem is they idolize us too much to the point of obsession.

Nico: Oh God.

Me: Sheesh.

Kurumu: And here's the thing you're not going to like, Linky. Kubasaki Nagai took a picture of Yukari without her noticing and Bosaburo Taira kept following me no matter where I went and he observed me all the time.

When Lincoln heard it, he growled as his body turned fiery red and steam exploded out of his normal ears and large wolf ears on top of his head!

STEAM WHISTLE!

Solar Man: Oh no.

Lincoln: They...did...WHAT?!

Everyone: Uh...oh.

Lincoln: Those perverts did that to you and Yukari?! That's it, they're not getting away with it!

Shizuka Nekonome: Oh no, now they've done it.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Sea Star, she has a water greatsword in hand and with her are the seventy girls Lincoln is to rescue and the three girls Ets is to rescue.

Lincoln: (GASPS) Marina Westbrook, Gene-Slammer and Avatar of Marincess Sea Star.

Marina Westbrook: That's right, and I got the girls away from those three perverts.

Eli: It's time. Where are they?

Suddenly, we heard the screams of Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira.

Mizore: Uh oh, looks like someone's starting without us.

We rushed out, and we saw Tsukune and Moka throttling Kozo Kasahara and Kubasaki Nagai and Bosaburo Taira were cowering like cowards.

Nicole: Hey, you starting without us?

Moka: Sorry, Nicole. But, those three were at it again.

Nicole: Let me handle Kozo.

Nicole took a deep breath, and she really let him have it!

Nicole: YOU PERVERTED LITTLE SHIT! I CAN'T BELIEVE YOU'D STOOP TO THIS KIND OF LOWDOWN FILTHY

BEHAVIOR! MOKA IS ALREADY TOGETHER WITH TSUKUNE, AND YOU, YOU'RE JUST A CREEP WHO HAS NO MANNERS NOR RESPECT TOWARDS WOMEN!

THEN, NICOLE PUNCHED HIM IN THE FACE AND SENT HIM FLYING INTO A WALL!

Brittney: Nice one, sis!

Lincoln: (To Kubasaki Nagai and Bosaburo Taira) And as for you two...! (WOLF GROWL)

Nico: Oh shrimp!

Suddenly, Lincoln took a deep breath, and he really let those other two perverts have it!

Lincoln: YOU PERVERTED LITTLE SHITS! JUST LIKE KOZO, I CAN'T BELIEVE YOU TWO WOULD ALSO STOOP TO THIS KIND OF LOWDOWN FILTHY BEHAVIOR! YUKARI AND KURUMU ARE ALREADY TOGETHER WITH ME, AND IF YOU THINK THAT I'M GOING TO LET YOU TWO GET AWAY WITH THAT, YOU'RE SADLY MISTAKEN! (SAVAGE WOLF GROWL)

Suddenly, Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira turned into their monster forms, and they looked really ridiculous and we laughed hysterically!

Crash Bandicoot: (LAUGHS HYSTERICALLY) Seriously?! Those are your monster forms?!

Nico: (LAUGHS HYSTERICALLY) Oh brother! Lincoln, I think you should show them what a real monster is!

Lincoln: (Smirks) Gladly.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)

Suddenly, Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira were so horrified of Lincoln's form as Lincoln the Nocturnal, they literally pissed their pants!

Me: Oh shrimp! He made them pee their pants!

Lincoln: (Beastly Voice) I'm about to do much much worse than that, J.D.

SUDDENLY, LINCOLN TOOK AN EVEN DEEPER BREATH, AND THEN...!

Lincoln: (EXTREMELY MASSIVE AND EXTREMELY LOUD WOLF ROAR)

LINCOLN LET OUT THE BIGGEST AND LOUDEST WOLF ROAR EVER, AND HE SENT THOSE THREE PERVERTS FLYING INTO A WALL! THEY GOT OUT, BUT NOW, THEY WERE MADDER THAN HECK!

Then, Lincoln punched Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira hard in the face and sent them flying into another wall and they were knocked out as Lincoln let out a loud victory howl. We cheered as we holstered our weapons and powered down.

Kozo Kasahara: Ah, damn it!

Lincoln: (Beastly Voice) Now, I better not catch you harassing Moka again, Kozo, or Tsukune beating you up will be the least of your worries, and as for you and Taira, Kubasaki, I better not catch you two harassing my future wives again. Because if I find out from Yukari and Kurumu that you three perverts are at it again, I'm gonna publicly slash your crotches off with my claws and burn them in a funeral pyre! You got that?!

Tsukune: Same goes with you, Koso. (Eyes turn crimson red and his fangs grew)

Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira: (SCREAM LIKE LITTLE GIRLS) W-we got it, sir!

Lincoln: (Beastly Voice) Alright, now scram!

Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira ran off like little girls!

Me: Damn, talk about intimidating! Nice one, Lincoln!

Lincoln: (Beastly Voice) I wasn't going to take that behavior around my future wives, so I have to respond with that. (To Tadashi) And Tadashi, if I so much as hear that sentence come out of your mouth one more time, I'm turning you and your pals into lizard-skin boots!

Tadashi and his friends pissed their pants and fled into their classrooms.

Nico: Wow.

Lincoln: (Beastly Voice) Like I said, I'm not gonna tolerate that sort of behavior towards my future wives.

Lincoln changed back.

Lincoln: (To Marina Westbrook) And it's so good to see you again, Marina.

Marina Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Marina Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Marina Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Marina Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Marina Westbrook and hugged her, and Marina Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marina Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really

really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Marina Westbrook, Gene-Slammer and Avatar of Marincess Sea Star, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Sea Star. She's the fifth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Marina Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Marina kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Marina absolutely despises Killjoy Huggins with a blazing passion, because of everything he's done to try and get rid of Lincoln, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if she ever, and I mean, EVER SHOWS HIS BALD TOUPEE WEARING MISERABLE HIDE AGAIN!

Nico: You have no idea of how pissed off we were yesterday when Selene told us.

Me: Same here, if we ever see him again, we'll make him pay.

Lincoln: And like I said, I also intend to make him pay for making my life Hell not only for trying to get rid of me and make my life miserable, but also for turning Lori, Lynn, Lola, Lisa, and Luan into the reprehensible monsters from long ago, and now that you're here, Marina.

Lincoln with his massive muscular arms still wrapped around Marina Westbrook leaned his head down the right side of Marina Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Marina Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Marina Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Marina Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marina Westbrook.

Marina Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Marina Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Marina Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Marina Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Marina Westbrook: (In Heaven) My God.

Then, Ets saw the three girls, and when he did, he recognized them, they are Pinky, Neeta, and Imogen.

Ets: Whoa, that's Pinky, Neeta, and Imogen.

Then, when the girls saw Ets, they ran up to him and kissed him.

Nicole: Talk about a huge reward to Ets for saving them from those perverts.

Marina Westbrook: You said it. Oh, Lincoln, here's a warning: the seventy girls I rescued are extremely voluptuous, beautiful, and extremely sexy.

Me: Uh oh! Time to go!

We left for The World Tree Estate.

Kurumu: And we better get out of here before that perverted werewolf, Ginei, comes back for more.

Lincoln and his harem and Nicole left and went to a secluded area, and when Lincoln saw the seventy girls, his nose wound up gushing blood and he had an atomic red blush on his face, the seventy girls are Ageha, Aimu, Aria, Ashiya, Ayame, Bashō, Chihaya, Chitose, Chiyo, Gekkō, Ginrei, Hanabi, Hibari, Hijikata, Hinata, Hiroko, Hisui, Homura, Hyōki, Ibuki, Ikaruga, Imu, Josui, Kaede, Kafuru, Kagari, Kagura, Kanon, Kanzaki, Karasu, Katsuragi, Kisaragi, Kochō, Kumi, Kurōdo, Kurohoro, Leo, Mai, Maki, Matsuri, Meimei, Miki, Minori, Mirai, Misato, Muramasa, Nachi, Naraku, Ranmaru, Renka, Rin, Sakyō, Seimei, Senkō, Shiki, Sōji, Syuri, Tachibana, Tamaki, Tsubaki, Tsubame, Ukyō, Ushimaru, Yagyū, Yomi, Yoshimitsu, Yozakura, Yūgiri, Yuki, and Yūyaki from Senran Kagura.

Lincoln: Thank goodness we got out of there before that werewolf Ginrei found out. Are you girls okay?

Ageha: Yes, we're okay, thanks to you.

Ageha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made sixty-nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ageha: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seventy Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ageha, Aimu, Aria, Ashiya, Ayame, Bashō, Chihaya, Chitose, Chiyo, Gekkō, Ginrei, Hanabi, Hibari, Hijikata, Hinata, Hiroko, Hisui, Homura, Hyōki, Ibuki, Ikaruga, Imu, Josui, Kaede, Kafuru, Kagari, Kagura, Kanon, Kanzaki, Karasu, Katsuragi, Kisaragi, Kochō, Kumi, Kurōdo, Kurohoro, Leo, Mai, Maki, Matsuri, Meimei, Miki, Minori, Mirai, Misato, Muramasa, Nachi, Naraku, Ranmaru, Renka, Rin, Sakyō, Seimei, Senkō, Shiki, Sōji, Syuri, Tachibana, Tamaki, Tsubaki, Tsubame, Ukyō, Ushimaru, Yagyū, Yomi, Yoshimitsu, Yozakura, Yūgiri, Yuki, and Yūyaki with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, his harem, and Nicole returned home, and everyone was shocked to find out that the villains we went after were none other than Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira, Yokai Academy's perverts who formed The Fan Club Coalition.

But, when Lincoln showed what Nicole did in telling Kozo Kasahara off and Lincoln telling off Kubasaki Nagai and Bosaburo Taira which led to them turning into their ridiculous monster forms, and then, Lincoln transformed into Lincoln the Nocturnal which caused them to piss their pants and we trounced them and finally Lincoln threatening that if they didn't leave Yukari and Kurumu, his two future wives, along with Moka, he and Tsukune are gonna publicly slash their crotches off with his claws and burn them in a funeral pyre which caused them to flee, and he also made his threat to Tadashi and his lizard-skinned goons which also caused them to piss their pants and flee, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Marina Westbrook have a lot of catching up to do, now that she's back in town.

Maria: We heard the whole thing from J.D., you and Nicole really caused those perverts pain to the extreme and you really made them piss their pants especially when you turned into Lincoln The Nocturnal.

Lincoln: They weren't going to go down without a fight though, so we gave them one.

Nico: Which we won and they lost.

Me: Big time.

Caleb Maxwell: I think their club should also be disbanded.

Kurumu: After what Ms. Nekonome and the other female teachers in Linky's harem saw, they're going to hold a meeting to disband that club forever.

Mizore: It's about time too.

Yukari: Same here, I can't stand those perverts anymore!

Here's the second scene

After Lincoln and all of us took down Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira, we were training intensely in the gym, doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marina Westbrook saw Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Marina Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all

bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Marina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Marina Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Marina Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding

Suddenly, Crash Bandicoot got a message.

Crash Bandicoot: Hey, guys, I got a message from Selene and the others, they're saying turn on the TV, something huge is happening.

We turned on the TV and we saw Katherine Mulligan.

Katherine Mulligan: Good afternoon, Gotham Royal York. This is Katherine Mulligan with a special news edition, I am here with Selene Arcangela, the leader of Lincoln Loud's Guardian Angels along with the rest of The Guardian Angels, and they have something to share with us and the rest of the world.

Selene Arcangela: Thank you, Katherine. (Summons the five massive file cabinets and log) What we have here for you all is the evidence that we've gathered in the past seven years concerning the incidents of the constant attacks on Lincoln Loud. Now, you all knew that Chandler, Lori, Lynn, Lola, Lisa, Luan, and Principal Huggins, and Flip and the rest of Lincoln's enemies were behind them all, but last year, we found out something very disturbing.

Selene Arcangela put up the photo of Dark Chase Young.

Selene Arcangela: When we visited Principal Huggins who fell into a depression, he told us all that a man was responsible for why he became like that and the same went with Lori, Lynn, Lola, Lisa, Luan, and Chandler, and that man was none other than Dark Chase Young, the dark side of Chase Young. He was the mastermind behind it all, he was the one who turned Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the monsters who terrorized and tried to kill Lincoln seven years ago, but his sins went even deeper as he was responsible for causing untold pain and suffering to everyone around him for the last 1,500 years. We freed Chase Young from his Dark Side and banished him to The Black Gates, but thanks to Anti-Monitor breaching them, he has returned. Are we going to stand by and let this monster who made the life of Lincoln Loud a living hell seven years ago live?!

We suddenly heard the sounds of outrage and anger and absolute hatred towards Dark Chase Young: Selene Arcangela has rallied the people of Gotham Royal York!

Marina Westbrook: Selene's really done it! She's rallied the people of Gotham Royal York!

Kimiko: This is just like when Lincoln rallied everyone when we finally went after Flip, his brother, and his cousin last year before the final battle with Xehanort.

Jack Spicer: I can hear it, everyone in the city and the world is screaming out for his blood to be spilled and his head ripped off and mounted on a stake and paraded all over town along with his headless corpse.

Nico: Holy shit!

Chase Young: And they're also going to find ways to earn the forgiveness of Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins.

Lincoln: Now that they know your Dark Side was the one to blame for everything, this will finally end the strain everyone else had towards Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins and his other victims.

Selene Arcangela: And are we also going to let the rest of Lincoln's enemies live any longer?!

We also heard the sounds of outrage and anger and absolute hatred towards the rest of Lincoln's enemies echo in the air: they all want their blood spilled!

Lincoln: Now, the rest of my enemies who've also returned have nowhere to run!

Katherine Mulligan: This is indeed huge news, and we will also be finding a way to apologize to Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins for seven years of anger we'd misdirected on. And I just got word that Mayor Davis and The President have gotten together and sent out very massive bounties on the rest of Lincoln's enemies and on Anti-Monitor's lackeys, now they truly have nowhere left to run.

Me: Oh...!

Nico: Shit! Aw yeah! Now, those shitheads truly have nowhere left to run!

Lincoln was stunned after seeing the broadcast. Then, Selene Arcangela and the rest of the Guardian Angels came home.

Lincoln: Selene, you...all did this?!

Selene Arcangela: We had to, this had to be done, Lincoln, this nightmare you've suffered through for seven long years needs to end for good.

Suddenly, Lincoln put the weights down and he ran to Selene Arcangela and the rest of his Guardian Angels and hugged them and kissed them on the lips.

Luna: You just made him that happy, dudes. Now, all that's left is to wait for those losers to make their move and we finally put them all down once and for all.

Cage Blunt: In that case, we should get out the weapons from the weapons vault for this.

Nico: Now, you're talking.

We got a shower, and then, Lincoln, Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer are heading to Gatseau Beach in France.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Porsha Crystal: Wow, so this is Gatseau Beach in France, it sure is beautiful.

Lincoln: It sure is, Porsha, and it's perfect for our first date, shall we?

Lincoln, Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout

area Lincoln created, and Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Diane: (Swooning) I can't believe it, Lynn's little brother went from cute kid to tall, manly, and muscular heartthrob hulking hunk in just seven years. Now, that's a real man.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer and they hugged the girls in their abnormally massive and powerful muscular arms and Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero

Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gatseau Beach in France, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer are in your harem, Linky.

Porsha Crystal, Lois Lane (DC Super Hero Girls 2019), Zatanna (DC Super Hero Girls 2015), Bowsette, Diane, Maya, Amy, Carla, Sophia, Kikki Deltaball, Viola Belle, Opal Arcademeister, Alyssa Broadcaster, Susan Balldodger, Penny Jokelover, and Zoey Soccerballer showed the marks Lincoln made on the right sides of their necks.

Polly Pain: I knew we made the right choice in getting our other friends together with Lincoln.

Jenna: You guys had no trouble at all.

Carla: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Luncheon Kingdom for another round.

Me: Cool!

Nico: Who wants to go with me next?

Mary Knudson: You know I'm gonna go with next.

Cyborg: And me and Sasuke will go.

Sasuke the Android: Yeah!

Nico: Okay.

Lincoln: I'll go too.

Nico: Lets go then.

They went in and the simulator activated and they were in Luncheon Kingdom!

Mary Kingdom: Awesome!

Nico: Yep.

Nicole: And you guys are gonna be shocked to see the next baddy here.

Cyborg: Who is it?

Nicole: She's coming right now.

They saw a woman and it was a nasty looking Chef.

Terrorchef: I WILL KILL THAT ROTTEN TURD CHANDLER!

WE GASPED!

Lincoln: OH MAN! That's Terrorchef - She's The hypothetical Akuma of Mary Knudson and she is a chef with a nasty temper and she will kill anyone that sets her off. She is like a female version of Dark Stanley. She was made when Chandler called her cooking low grade dog food and she vowed to kill him and chop him into bits and eat him in a bowl of soup! YUCK!

WE GASPED AGAIN!

Mary Knudson: My Akuma!? HOLY CRAP! She is someone that has a NASTY Temper!

Me: Chandler of all the rotten things you did you degrade her food!

Chandler: It must be the me from her world that did that!

Camie: Yikes!

Cyborg: Boy no kidding!

Nico: If there is one thing a chef hates above all others it's having their food insulted!

Jackie: Boy she reminds me of the chef that tried to kill me and Mandee!

Sasuke the Android: Mary? Is that really you?

Terrorchef: OF COURSE IT'S ME YOU ONION FREAKS! I WILL KILL YOU ALL IF YOU DON'T GIVE ME CHANDLER!

Nico: SHEESH!

Mary Knudson: I do not have a nasty temper like this!

Cyborg: How about instead, you give me some of your good food?!

Terrorchef: HOW ABOUT I KILL YOU AND EAT YOU FIRST!

Mary Knudson: You are a terrible chef!

She fired waves of energy and blasted Terrorchef all over.

Terrorchef got out some of her food and she fired it at them and Mary used her powers and made Ratatouille omelettes and soup.

Mary Knudson: Bon Appetit!

She fired waves of energy and blasted her.

Nico: Chew on chum!

Nico fired waves of energy and blasted her all over.

Lincoln fired lightning and electrocuted her.

Cyborg ate some of her food. But HE HURLED!

Cyborg: OH MAN THAT IS DISGUSTING!

Nico: WHOA!

Mary Knudson: I am a great chef and you are a TERRIBLE Chef. Sheesh. I never thought I would tell my Akuma that

Sasuke the Android: What did you eat?

Cyborg: Rotten sewage blood sausage.

Me: YUCK!

Qin: That is disgusting!

Nico: PUTRIDVILLE!

Cyborg: Like that'll stop us!

?: Darn tootin!

Fireballs flew in and blasted the Akuma and out came the Gene-slammer of Inferno Spider and the Embodiment of Earthrock Trilobyte!

Nico: Irena Arachnus!

Megan Trilobite: And Megan Trilobite - Embodiment of Earthrock Trilobyte.

Luster Dawn: Wow! Awesome to see you Megan!

Silverstream: Same here!

Megan Trilobite: Same here Luster Dawn and Silverstream. Been a while.

Cyborg: How about instead, you give me some of your good food?!

Terrorchef: NEVER!

Lincoln: Then we have to blast you.

Nico: (gets out Drakken and Gumbald's Ridewatches) Time for this genius to punch you!

He activated the ridewatches and blasted Terrorchef.

They fired waves of fire, earth, lightning and energy and blasted Terrorchef and she was blasted down.

Irena ArachnusL You will be sent to the M.O.E.

Nico: YEAH!

They all high five.

Irena Arachnus: That was true arachnid power.

Nico: Yeah it was!

Lincoln: YEP!

Nico: How did you meet Luster Dawn and Silverstream?

Megan Trilobite: I met them when Luster Dawn and Silverstream were helping Flurry Heart with defeating Chrysalis. It was amazing.

Nico: That is cool!

Megan Trilobite: Yep.

Lincoln: Do you have a favorite memory of Nico, Irena?

Irena Arachnus: I sure do. When me and Nico went to the rainforest and found an awesome spider sword here.

She showed the sword.

Nicole: Whoa! The Sword of Anansi!

Nico: Yep.

Nico and Arena hugged.

Nico: I've missed you.

Irena Arachnus: Same here.

Nico: Would you like to join us?

Megan Trilobite: We would be honored.

They left and we cheered.

Later we were at Hogwarts.

Me: Hogwarts huh?

Nico: Wow.

Lillyvoir: Why did the mascots tell us to meet them here?

Me: Well they said they have a surprise to show us in the main dining hall.

We went in and we saw the mascots dressed in Hogwarts attire!

Mascots: WE GOT ACCEPTED INTO HOGWARTS!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Leia Leaf: Say what?

Me: You guys got accepted? Cool!

Xenia: Yeah!

Nico put his skeleton back in.

Nico: I hate it when that happens.

Poromon: We should explain. When we did that magic show really well we decided to take it to the next level and do magic for real.

Poliwag: So we enrolled in Hogwarts.

Me: That's cool!

Laney: Yeah it sure is!

Me: Yeah. The students here can show you all the ropes and so can I if you get put into a team on Quidditch.

Horsea: We would like that.

Me: First you got to get put into your houses. Gryffindor, Hufflepuff, Ravenclaw and Slytherin.

Xenia: And they do that through the Sorting Hat.

Qin: Just remember that not all the Slytherin students are bad like Malfoy was.

Crumplezone: You should make friends with Fred and George.

Ron Weasley: (British Accent) NO!

Me: Ron calm down he was just kidding. Besides it's about to start.

We sat down.

Professor McGonagall: (British Accent) Poromon?

He went over and sat on the chair and the hat was put on his head.

Sorting Hat: Ah right then. Mmm right. Okay. HUFFLEPUFF!

We cheered!

Me: Hufflepuff for Poromon!

Professor McGonagall: Poliwag?

He went over and the hat was put on him.

Sorting Hat: Ooh this one is good too. HUFFLEPUFF!

WE CHEERED!

Me: Hufflepuff again! Awesome.

Camie: Cool!

Nico: Wow. Way to go guys!

Professor McGonagall: Manaphy?

She went up to the chair and sat down. The hat was put on her.

Sorting Hat: Ooh love the enthusiasm. I know. HUFFLEPUFF!

WE CHEERED!

Poromon: YAY MANAPHY!

May: Wow!

Professor McGonagall: Horsea?

She went up to the chair too.

The hat was put on her.

Sorting Hat: Ahh here we go. HUFFLEPUFF!

We cheered again!

Moonracer: Hufflepuff for all 4?!

Nico: WOW! That is cool!

Qin: It sure is!

Xenia: Way to go guys!

Lola: Yeah!

Susan Bones: (British Accent) I'm more than willing to give you all some pointers.

Poromon: Thanks Susan.

Me: You'll love Hogwarts.

Flich fell to his knees in horror.

Filch: (British Accent) NOOOOO!

Shocker: Seeing you suffer is something we enjoy

Me: Yeah.

Qin: You should consider yourself lucky Filch.

Filch: Why is that?

Me: You're not worth killing. Now Voldemort and his followers? THEY are worth killing.

Nico: Congrats on getting into Hogwarts, guys!

Poromon: Thanks Nico!

Qin: Yeah.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Stacy Bolton's old enemy, Twister's ex-brother, Lars, he's come back from The Black Gates thanks to Anti-Monitor, and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we are none too pleased to see again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Stacy Bolton's old enemy, Twister's ex-brother, Lars, he's come back from prison thanks to Anti-Monitor, and he still wants revenge on us.

WE GASPED!

Qin: What the fuck?!

May: So, that little jerk is back?!

Stacy Bolton: I can't believe him! I thought I was finally rid of Lars for good. Okay, that does it, I tried to be calm and reasonable, but now I'm gonna tear that jerk apart and leave him as fish food for the sharks!

Nico: Wait, we didn't kill him before, so this time, we're throwing him in jail and this time forever.

Me: Good idea. Now, where's he at, Lincoln?

Lincoln: He's back in Ocean Shores.

Me: Where it all began long ago.

Nico: And it's also where it'll end. Alright, team, let's go, this is the last time we ever have to deal with Lars.

Lincoln: The Terror of Ocean Shores is in for another dose of pain and punishment.

Crash Bandicoot: Hold on, he also has some hired thugs with him: many of them are inmates from the local jails in Gotham Royal York. I'll take care of them while you guys take care of Lars.

Nicole: You got it.

The previous group came.

Hydrax: Can me, New Wave, Marluxia, Black Knight Ghost, Xigbar, 10,000 Volt Ghost, Bizarro, Grundy, Dumbbelltron and the Six Gum Gang go woth you guys?

Dixie: Congrats of getting to Hogwarts!

Poromon: Thanks!

Manaphy: It'll be fun!

Qin: Yep.

Nico: And yes you all can come with.

Lola: Yeah.

Junk Man: Nico, which Gene Slammer do you think you'll meet next?

Goof: I hope it's a poweful one!

Nico: WaruMonzaemon next.

Qin: Whoa the Antipode of Monzaemon.

Camie: Oh boy.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Abby Smith, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure we saw was Abby Smith's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Abby Smith: Uh oh, and I know how she's linked to Caleb's nightmares: one night when I was in the morgue, a dark shadow slipped past me and the security system, and then, it went into the nearby holding cells where we kept a few Syndicate thugs. Then, I heard the sound of screams and gunshots, I headed down there with the rest of the squad, but when I opened the door, it was a mess, the thugs were shot dead and blood was all over the place, and we found casings for 15 mm bullets, and I saw someone escaping through the vents and I shot him. When the forensics came back on the bullets and on the person's blood, they were a match to Caleb.

Me: Yikes, he snuck past you and the security systems and murdered the thugs.

Nico: Oh boy.

Caleb Maxwell: My escape didn't go well as Abby said, and she shot me right in the the ass.

Nico: (WINCES) Oh, that's one of the worst places to get shot at. Alright, team, let's go, today shall mark the end of Lars' reign of terror once and for all!

Lincoln: For far too long, that monster has terrorized one too many innocent people and he caused Twist, Stacy, and their friends nothing but grief, he's going away to prison for good, and once we take down Lars, we're confronting the next of Caleb's nightmares.

Abby Smith: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Ocean Shores to finally end Lars' reign of terror once and for all, and after we take down Lars once and for all, Abby Smith is going to face her Demon Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off to Ocean Shores

We arrived.

Me: Here we are.

Otto Rocket: Great to be home again.

Marluxia: We should call Ranamon.

Wilbur: Good idea

We called her.

Ranamon: Hey y'all. Nice day

Me: It sure is.

Ghuul: Has Tony Hawk ever visited here?

Runt: That's a good question

Stacy: Believe it or not yes he has. Several times. He came here to practice from time to time. He's also my hero and inspiration that got me to becoming an X Games champion.

Camie: That's cool Stacy!

Xigbar: I didn't know that.

Lunk: Neither did I

Stacy Bolton: Yeah it's awesome.

Lola: Radical!

Otto Rocket: That is for sure!

Amorpho: Want me to turn into him for you guys?

Nico: Go for it.

He turned into Tony Hawk!

Qin: Oh yeah!

Stacy Bolton: Radical!

Amorpho: It's gonna be fun being Tony Hawk.

Bizarro: You look very ugly as Tony Hawk that Bizarro would not kiss you!

Solar Man: Translation: You look very nice as Tony Hawk that he could kiss you.

Amopho: Thanks.

Qin; That's awesome.

Stacy Bolton: Lets shred at the park.

We went to the Skate Park.

We arrived.

Stacy Bolton: Time for the Lightning Shark to Strike!

THUNDERCLAP!

Air Man: Go Stacy!

Stacy jumped and shredded on the halfpipe and grinded the rails and more.

She did flips and moves and more.

Dumbbelltron: She's got some moves.

Nico: Yeah she does!

Amorpho: Impressive and awesome!

Otto Rocket: That is awesome!

Poliwag: I want to try like last time!

Poliwag went and shredded the rails and more and had awesome moves!

Nico: Go Poliwag!

Then Lincoln had a Premonition!

Lincoln: WHOA! Guys I knew who we're facing for the Akuma. It's Goreshark, The Hypothetical Akuma of Stacy Bolton and she is a skinless shark and has blood dripping from her and she has a ravenous appetite for blood. She was made because of Paradigm turning her into a gene-slammer and vowed to rip him to shreds.

WE GASPED!

Stacy and Poliwag and Amorpho came.

Stacy: So my Akuma is next!

Lincoln showed a sketch of it and it was a gross one! It was a Great White Shark with no skin!

WE GASPED AGAIN!

Me: Oh yuck!

Jack Spicer: Geez, at least your Shredgirl form has legs and skin!

Stacy: I agree there! And it was all because of Paradigm!

Lola: That monster!

Qin: Yeah!

Xenia: I agree there.

Lola: But where are we gonna find it.

Me: (See's Something) Look here.

We saw a trail of blood.

Me: (Wipes blood) It's blood! Still fresh too. She was just here.

Runt: Follow that trail!

We went and followed it and saw in the street, GORESHARK!

WE GASPED!

Qin: WHOA!

Goreshark: (ROARS)

Me: GEEZ!

Goreshark: So you all made it. Time to chomp on Paradigm!

Notacon: Stacy? Is that you?

Goreshark: Yes it's me. I'm going to kill Paradigm.

Me: Save seconds for us. We'll grind that monster into chum. Uh no offense.

Goreshark: None taken.

Nico: We'll face him soon. Probably on your brother John's big day.

Goreshark: I figured.

Roy: You wouldn't hurt your own boyfriend, would you, Stacy?

Goreshark: Absolutely not Roy. I may be a shark with no skin which is gross by the way but I would never hurt you.

Roy: Good.

Goreshark: It's paradigm I want. And also eating some cows for appetizers.

All of us: Huh?

Goreshark: What? I have a taste for beef.

Me: Well that is true. Sharks have been notorious meat eating carnivorous killing machines for over 470 million years.

Lenny (Shark Tale): Except for me. I'm a vegetarian.

Me: Yeah.

Goreshark: Vegetarian Shark!? I never thought I would actually see it happen.

Me: Believe me, Lenny is the only shark that is a vegetarian.

Lenny: And probably not the last.

Qin: We'll find out.

Grundy: Grundy give shark with no skin and legs chance to calm down!

Goreshark: Not until Paradigm is dead and eaten by me!

Me: Then we have no choice. But we are NOT gonna eat you for dinner!

Goreshark: Yeah I don't think a shark with no skin would taste very good.

Me: I agree.

I fired waves of lightning and blasted her.

Ranamon: Sorry we gotta do this then. (to Roy) Might wanna go Razorfist for this

Roy: You got it!

He did so and changed into RAZORFIST!

Ranamon: (Echoing) DARK VAPOR!

She fired a wave of dark mist and blasted Goreshark.

Nico: How are you even gonna fight us with no legs?

Goreshark: Like this!

PROJECTILE VOMIT!

SHE VOMITED BLOOD AND IT DRENCHED MAY!

SPLAT!

Me: OH SICK!

May: OH THIS IS DISGUSTING!

SEAL BARK!

Me: (Sniffs) OH YUCK! AND IT SMELLS HORRIBLE!

Qin: YUCK!

Nico: May when we get home you are going right in the tub.

Goreshark: My turn!

PROJECTILE VOMIT!

She vomited blood and it hit Marina and drenched her!

Marina: (SCREAMS!) YUCK!

Sharko: OH YUCK!

Zig came and opened his mouth to eat Marina. But just as he got close, he smelled the blood and ran away all the way back to the M.O.E.!

Me: That blood acts like a powerful insect repellent. Except for hyenas!

Qin: Yuck!

Goreshark was knocked out.

Venom: Personally, I prefer brains of scumbags over cows and chickens.

Me: YUCK!

Venom: Uh no offense to those that are cows and chickens and love chickens.

Chickens: Eh it's cool.

Ed: None taken.

Cow: None taken.

10,000 Volt Ghost (to Fluttershy): I hope you're not offended by Goreshark wanting to eat cows

Fluttershy: Oh that is scary. But I am not offended.

Me: Good.

Qin: Thank goodness.

Livewire: Hope no one is grossed out by the blood

Lola, Rarity, May and Maria HURLED THEIR GUTS OUT!

VOMIT STORM!

Luna: PUKEVILLE! (FAINTS)

FWOMP!

Lincoln comforted Rarity and Lola.

Sam comforted Luna.

Nico comforted May and Maria.

Livewire: I stand corrected

Me: That is one Akuma that turns your stomach inside out.

Qin: No kidding.

Black Knight Ghost:...shall we go after Lars?

Stacy: Yeah we should before all of us lose our inards.

Eli: He's up ahead.

Nico: Lets go.

Ravage: Entrance time!

We went at him!

Lars was REALLY MAD! But then the spirits of the skateboarder came and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out!

Me: Radical!

Stacy Bolton: Hello mamas boy! Just happened to be in the neighborhood...

Blackarachnia: So we decided to drop in!

She fired a missile and blasted him down.

Stacy Bolton: You've got some nerve showing up again, Lars, I thought we were finally rid of you last year when we destroyed Queen Opaline.

Lars: Shut up, loser! You all ruined my life, and now, I will have my revenge! BOYS, GET IN HERE!

We then saw a massive army of hired thugs come out: inmates from the local jails in Gotham Royal York whom Lars busted out and whom we'd captured in the past seven years.

A figure came out and it was BUCKET SHADOW from episode 5 of ToQgers!

This gluttonous Shadow Monster armed with the Top Lid Big Mouth (上ぶた系ビッグマウス Uebuta-kei Biggu Mausu) was sent by Nero to collect darkness, by eating every scrap of food from Omari Station, which he had taken over into Harapeko Station. Doing so, he had made a considerable amount of darkness, enough to sever the Rainbow Line tracks and make the ToQgers break out the Car Carrier Ressha.

During Bucket Shadow's takeover, a few residents retreated to the mountains, though didn't bring enough supplies with them.

While rounding up some food that the residents had tried to hoard from the glutton, he did battle with the four ToQgers, with Right having been separated from the group when his car from the Car Carrier Ressha flew into the mountains thanks to him overdoing it with Imagination. However, when Bucket Shadow demanded food from the ToQgers, he was dismayed when they had none, so he sent them flying and he fled by power-leaping onto roof-tops.

After devouring the last stash of milk from a household with an infant (and eating the glass bottle it was in), he then smelled cooked fish in the mountains, where the ToQgers happened to be, lead by a vengeful Right who heard about what Bucket Shadow has done to the town.

To satisfy his gluttony, he attacked ToQ 1Gou, who had a stick with one of the cooked fish on him, but deftly avoided the Shadow Monster and bounded him to a tree with some rails from the Rail Slasher, and began taunting Bucket Shadow with the food on a stick until he ate it all to show Bucket Shadow how all his victims had felt. Unrepentant, he finally broke free from his bindings and tried to attack Right, only to be judo thrown away.

ToQ 1Gou then Norikae Changes with Green and Yellow, sticking the Tunnel Axe into Bucket Shadow's mouth and pummeled the Monster with the Shingo Hammer. Once wounded enough, the ToQgers formed the Renketsu Bazooka and destroyed Bucket Shadow with the Rainbow Rush, it turning into a gigantic fish that devoured him.

Bucket Shadow then was enlarged, and did battle with ToQ-Oh, who immediately combined with the Car Carrier Ressha, forming ToQ-Oh Car Carrier. The Ressha Combination then whaled hits on the Shadow Monster, and when the Monster tried to eat the Car Carrier part, ToQ-Oh simply punched him hard in the mouth, then ended Bucket Shadow with the Car Carrier Dash.

Right: Bucket Shadow!

Bucket Shadow: Been a while rangers.

Me: I remember you! You were sent to collect darkness by eating everything in Omari Station!

Bucket Shadow: (BELCH) And it was all good.

Me: Pardon you.

Nico: Did you eat anything on the way here?

Bucket Shadow: All the meats burgers from that burger cart there. It was left here.

We looked.

Me: Someone must not have been running it. But I see a big bag of money there.

Nico: Yeah. Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Alright. Let's do this.

Abby Smith, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Abby Smith, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Abby Smith, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords leaving painful scars on her, and they even scratched her with their gold-plated dragon claws and they smashed her all over the place with their superhuman strength, and it was making Demon Blood Influenced Abby Smith even more enraged.

Demon Blood Influenced Abby Smith: H-how?! How is this even possible?!

Caleb Maxwell: It's because Abby wasn't weighed down by what happened back in the past, and I escaped that night when she and the others came down to the cells, but not without getting shot.

Abby Smith: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Abby Smith saw it and smiled.

Demon Blood Influenced Abby Smith: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Abby Smith faded away, but not before giving Abby Smith a gift: her powers and abilities added to her own.

Abby Smith: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Abby Smith, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Abby Smith's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and blue planets orbiting around her legs and fifteen black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized black and blue planets orbiting around her wrists and ankles, longer light brown tail, and massive light brown angel wings and four sets of larger light brown angel wings underneath her massive light brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Abby.

Abby Smith: That's right, just like Blunt and his old man, the captain, Carter, Jack, Roxy, Jazz, Casey, Cuffs, Buffy, Vessie, and Tackett, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Doris Westbrook, Gene-Slammer and Avatar of Marincess Sleepy Maiden.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Doris Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Sleepy Maiden. She's the sixth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Doris Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Doris kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Doris absolutely despises Frieza with a blazing passion, because of everything he's done, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if he ever, and I mean, EVER SHOWS HIS MISERABLE HIDE AGAIN!

WE GASPED!

Nico: Oh shit!

Me: Oh man!

Eli: Damn!

Lincoln: That's something we all have in common: we all despise Frieza for everything he's done, and if we ever see him again, he will be getting The Black Abyss along with his minions whom Anti-Monitor has also brought back.

Me: BLECH! Goreshark's blood is disgusting!

Qin: That will leave a rotten taste in your mouth!

Xenia: No kidding!

Rita gave me some mouthwash.

Me: Thanks Ms. Rita.

I gargled and spit.

Me: Ahh that's better.

Lincoln: Before we head home I have an awesome idea for Lars.

A few minutes later, we were having smoothies while Lars was stuck on a flagpole hanging bu his underwear.

Lars: Hey! Little help here?! I can't get down!

Whirlwind: This is a satisfying punishment for him.

Cantwell: It sure is.

Wiggum: Before we send him back to prison.

Me: Yep.

Bane: After we're done with our smoothies, let's check out the burger place Bucket Shadow went to

Weather Wizard: Good idea.

Me: Yeah. (Slurps) Ahh! Good smoothies.

Nico: Yep. Great job everyone!

Stacy Bolton: This was radical and awesome dudes.

Me: Yeah!

Stacy Bolton: (To the viewers) Now Lars is going to prison for good. If he behaves it's M.O.E. Job for him.

Eli: You got that right.

Qin: Yep.

We went to the burger cart Bucket Shadow told us about and later enjoyed burgers and went home and went to sleep.

Caleb Maxwell: And so another day ends.

Then, Caleb Maxwell flew out and he went to The Hallowshade Bar, and it's even more livelier now that everyone who he knew was back thanks to Lincoln.

Mabel Jensen: Caleb, you made it.

Junie: This is just like old times, right?

Caleb Maxwell: Even more so, Junie.

Then, memories of the nights before The Hallowshade Bloodbath played in his mind, and he knew he also had friends who're there for him: both mortal and immortal. Then, after that, he went back home and went to bed, but he had a small smile on his face: he was finally back to who he was in the past.

THE END

Another awesome fanfic done.

Alright, and for tomorrow, the next match-up is Leela Salyers VS. Demon Blood Influenced Leela Salyers

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the western part of Gotham Royal York, but we got bad news: apparently we got word that a massive army of clones of Jock Jockerson were sighted and they're causing havoc, and Lincoln's going to absorb them, and he's going to find out they were created by none other than Lincoln's old hated enemy, Dark Lisa, the heartless coldblooded, emotionless Dark Side of Lisa, who was brought back from the dead by Morgana Midnight Sparkle and The Midnight Princesses using the sample of Jock's blood, and her accomplice, Dark Lori, the heartless control freak witch with a 40-ft stick up her ass, who was also brought back from the dead by Morgana Midnight Sparkle and The Midnight Princesses and she'd created a massive cauldron full of muscle growth serums, virility and testosterone booster serums, and bull growth hormones, and with it, they turned the massive army of Jock Jockerson clones into 12'5" massive hulking muscular brutes. The reason why is because they still hate Lincoln and they still want him and his harem, kids, and family and friends to die, but we've had it up to hear with those bitches: after we take care of their massive army of massive hulking muscular Jock Jockerson clones, Lincoln's going to absorb the massive cauldron of muscle growth serums, virility and testosterone booster serums, and bull growth hormones and he's gonna tear those two bitches apart and end them in the bloodiest way imaginable and send them to The Black Abyss forever.

And we're going to meet Doris Westbrook, Gene-Slammer and Avatar of Marincess Sleepy Maiden, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-

Next is Flora's big day and we're going to battle Kamen Rider Ark of Zero One and we're going to destroy him forever!

see you next time.

VIRUS OF ARK RETURNS

This is the sequel to the Kamen Rider Zero One Chapter

In the early morning hours of 3:24 AM, Crash Bandicoot had a dream: a dream that foretold of a dangerous evil from his past returning, that of Uka-Uka, the malevolent twin brother of Aku-Aku. It'd been three years since Gage the Hedgehog defeated Uka-Uka and locked him away, but now with Anti-Monitor running loose, there's without a doubt he's planning to find a way to release Uka-Uka from his prison, and if that happens, the world is in danger. Crash Bandicoot awoke.

Crash Bandicoot: This is bad. If Uka-Uka returns, the world will be in danger.

Then, as morning came, Crash Bandicoot got up and got dressed, and he went to a vault near his bed and typed in a code, and the vault door opened as it revealed all of the crystals and gems he and Coco had collected during their four adventures to stop Cortex. We also came into his room after we'd gotten up and got dressed.

Nico: Crash, we know about the dream you had.

Crash Bandicoot: You all had it too?

Sunset Shimmer: We did, and we also feared Uka-Uka could be planning his escape and also return to get his revenge.

Crash Bandicoot: Knowing Uka-Uka, there's no doubt, Princess Sunset Shimmer. Plus, he's been after all the gems and crystals to harness the planetary energy to enslave the planet, and I won't allow that monster to do as he pleases any longer.

Suddenly, Crash Bandicoot unholstered his massive Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel Justice and the large embedded colored gems of his massive greatsword started to glow, and they reacted to the crystals and gems, and then, the crystals and gems began to enter and merge with Crash Bandicoot's massive greatsword, and then, it was surrounded by a kaleidoscope of rainbow, white and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels, and the power coming off it was incredible.

Me: UNREAL!

Nico: HOLY GUACAMOLE!

Lincoln: INCREDIBLE!

Then, when it emerged, it was transformed into Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God

Archangel Justice, it's a brand-new massive greatsword with embedded colored gems representing Fire, Air, Water, Earth, Life, Light, Dark, Undead, Tech, and Magic and the symbols of Fire, Air, Water, Earth, Life, Light, Dark, Undead, Tech, and Magic in rows and a dragon, bandicoot, phoenix, and angel etched on the 9'5" massive, hulking, wide, double-edged gold blade, large gold dragon heads with rainbow gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large rainbow gems embedded in the foreheads and surrounding the white angel faces are The Elements of Harmony and The Unity Stones on top of The Element of the Magic of Friendship, long midnight black handle measuring at 7'5" in length, four large gold bandicoot heads with rainbow gems for eyes and inside their open mouths and below the bandicoot heads is a gold dragon head with rainbow gems for eyes and rainbow gem in its mouth for the pommel.

Crash Bandicoot: Looks like my greatsword's changed once again.

Nicole: It's doomsday for Uka-Uka if that monster shows his face again.

Suddenly, the excess power from his massive greatsword flowed into Crash Bandicoot, and it also flowed into all of us as well as we gained a massive power boost of planetary proportions.

Me: WHOA! Did you all feel that?!

Nico: We've gained a massive power boost of planetary proportions.

Lincoln: Crash did say the gems and crystals are capable of harnessing planetary energy.

Crash Bandicoot: Sorry about that, guys.

Eli: Don't be. If that Uka-Uka shows up again, he will pay for what he's done.

Spyro: No doubt about that.

Flora woke up to see Mega Meganium staring at her

Mega Meganium: Morning Flora.

Flora: Oh morning Mega Meganium.

Mega Meganium: Time for breakfast.

She went and got dressed and went to the table. We were having pancakes.

Later it was time for the 1st half of the rescues and Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Dragon Knight Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman and his counterparts, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily along with Crescent Grizzly, Doris (X-Squad Universe), Prism, Flarmiglarmi, Sou Fueki and Rainbow Dark Dragon as well as Crystal Man, Tabitha Togemogu, Catherine Kiramager, Yvonne Yodonheim Kiramager, Crystal Crystalia Kiramager and Alicia Vegavonda were heading to the movie theater. The Mascots were with us.

We had Lena Mack and Yang blindfolded.

Qin: I am excited for this

Me: Same here.

Lena Mack: I'm excited too.

Lola: Yep.

Yang: This will be fun.

Nico: Crystal Man, I want to thank you, Crescent Grizzsly and your teams for coming

Crystal Man: Anytime Nico. This will be fun.

Tabitha Togemogu: I'm excited too.

Nico: Tabitha, what do you like to do in your free time?

Tabitha Togemogu: Hmm.

She got to thinking.

Tabitha Togemogu; Boy I haven't given that some thought. But if there is one thing I like to do it's adding some decor to the zoo. I make crystal decorations.

Camie: Cool!

Qin: That is awesome.

Nico: You should apply to that. That's a good job to have.

Tabitha Togemogu: Thanks. I'll look into it.

Qin: Cool.

Me: Woohee! Yesterday was awesome.

May: SPEAK FOR YOURSELF! I still stink from Goreshark's blood vomit!

Nico: But at least we showered the blood off. That's a good thing

Maria: Yeah but that was disgusting.

Me: At least we found an amazing repellent to keep Zig away.

Qin: Yeah.

Varie: And we gave Lars a good thrashing.

Nico: And we gave him a wedgie and hung him by a flagpole

Me: That was funny!

Qin: Yep!

Lola: Yeah!

Nico: It was actually good to see Otto and Reggie's hometown again

Qin: It sure was.

Me: Yep.

Lola: We're here.

We arrived at the movie theater.

Poromon: We're here guys!

They took off the blindfolds.

Yang and Lena saw each other and gasped.

Lena Mack: (GASP) Yang!?

Yang: Lena!?

Both: YOU'RE MY DATE!?

Poromon: It was our idea!

Mascots: YEAH!

Poliwag: What do you think?

Yang: (In his head) We're going to tickle those mascots to death for this!

Me: Tickets for The Boy And The Heron please.

We got tickets for it and went in and got snacks and then went in to see the movie.

Me: This is gonna be interesting.

The movie started.

SPOILER ALERT

During the Pacific War in Tokyo, Mahito Maki loses his mother Hisako in a hospital fire. Mahito's father Shoichi, an air munitions factory owner, marries his late wife's sister, Natsuko, and they evacuate to her rural estate. Mahito, distant to the pregnant Natsuko, encounters a peculiar grey heron leading him to a sealed tower, the last known location of Natsuko's architect granduncle.

After a school fight, Mahito deliberately injures himself. The heron, now speaking, entices Mahito with promises of finding his mother. Mahito is nearly taken by a supernatural swarm of toads but Natsuko saves him with a whistling arrow, inspiring him to craft his own bow and arrow. The arrow is magically imbued with true aim after it is fletched with the heron's feather. Mahito's reading of a book left by Hisako is interrupted when an ill Natsuko disappears into the forest. Leading one of the estate's elderly maids, Kiriko, into the tower, Mahito is deceived by a watery imitation of his mother made by the heron, which dissolves at his touch. Affronted, he pierces the heron's beak with his arrow, revealing a flightless creature, the Birdman, living inside it. A wizard appears, ordering Birdman to guide Mahito and Kiriko as all three sink into the floor.

Mahito descends into an oceanic world. He is rescued from attacking pelicans and a forbidding, megalithic dolmen by a younger Kiriko, an adept fisherwoman who uses fire through a magic wand. They catch and sell a giant fish to bubble-like spirits called Warawara, which fly to the world above to be reborn. A pyrokinetic young woman, Himi, protects Warawara from predation by the pelicans. A dying pelican explains that their species is desperate to survive after being introduced to this world with no other food. Kiriko mediates peace between Mahito and the Birdman, and Mahito plugs Birdman's beak, restoring his flight. The two are separated by anthropomorphic, man-eating parakeets. Himi saves Mahito and shows him a counterpart of the tower which contains doors to many worlds. They enter a door leading back to Natsuko's estate and are spotted by Shoichi, but Mahito returns through the door to continue his search for Natsuko.

Infiltrating the parakeets' kingdom, Mahito finds Natsuko in a delivery room. When Natsuko rebuffs him, he acknowledges her as his mother. Himi incinerates the paper attacking them but all three are rendered unconscious by the encounter. In a dream, Mahito meets the wizard, Natsuko's granduncle. The wizard, preoccupied by a stack of stone toy blocks representing their dimension, requests Mahito, possessing the power of his bloodline, to succeed to custodianship of this world. Mahito notices that the blocks are infused with malice. Waking up, he is freed from captivity by Birdman. They climb the tower to pursue the Parakeet King, who is delivering Himi to the wizard as a political bargaining chip. The wizard has collected replacement blocks free of malice for Mahito, and implores him to build a better world with them, but Mahito states that he himself possesses malice, embodied by his self-inflicted scar. He refuses, saying that he must first embrace those who love him.

The Parakeet King takes the blocks and tries to build a better world himself, but the stack is too unstable and falls. The world begins to collapse and flood, and Mahito, Himi, and Birdman escape, reuniting with Natsuko and young Kiriko. Learning that Himi is his birth mother, Mahito warns her of her fate, but Himi returns to her own time without regrets. Mahito returns with Natsuko, amidst an exodus of animals that revert to non-anthropomorphic forms. Birdman notices Mahito keeping a stone of power, and advises him to forget his experiences. A charm doll carried by Mahito transforms back into the old Kiriko. Two years later, Mahito moves back to Tokyo with Shoichi, Natsuko, and his new half-sibling.

The movie was really cool!

When it was done we cheered wildly.

We came out.

Me: That was awesome!

Qin: Great movie!

By the time we got out, the mascots already fled

Yang: Oh man! Where did they go!?

Me: I think I know where.

I saw them hiding in a prize grabber machine.

Nico: Is that them?

Mascots: NYAH NYAH NANANA!

Me: Yep it's them.

Lily: Oh so that's how you want to play it.

Lily put in a quarter.

Lily: Be the crane.

She then closed her eyes and got all 4 mascots in one quarter!

Machine: YOU ARE A WINNER!

We got the mascots!

Then we tickled them!

Yang: COOCHIE COOCHIE COO!

They fled again!

Me: WHOA! That is fast.

Nico: Yeah. Lily how did you do that?

Lily: It's part of a secret technique I learned from SpongeBob. He taught me the secret on how to win at a prize grabber machine.

Nico: Did he really?

Lily: Yep. Watch. I face the crane. Deposit my quarter. Then I close my eyes. I am being the crane.

Skill Crane: Winner!

She won a Dory stuffed animal.

Qin: That is cool!

Me: WOW! It's that easy?

Nico: Man I can't begin to describe how much I've lost to these things! That is awesome!

Lily: It sure is!

Nico: But now where did they go?!

Eli: (Concentrates) They're hiding in the junkyard!

Lana: Cool!

Rarity: EW! I am not touching that filthy place!

Lincoln picked up Rarity bridal style.

Lincoln: I'll hold on to you so you don't have to Rarity.

Rarity: Oh such a gentleman darling thank you.

Nico: Aww. Lets go!

We were off.

At the junkyard the mascots were hiding in a makeshift bunker they made.

Horsea: They'll never find us here!

Poromon: Shh! Quiet.

Manaphy: That was cool how Lily won us with just 1 quarter.

Poliwag: Yeah. I wonder how she did that.

Horsea: No idea but that was cool.

Manaphy: So far so good!

Me: Hey Mascots!

They saw us!

Me: You here? Come on out and take your lumps like men you babies!

Poliwag: HEY!

Me: AHA!

ZOOM

They fled again.

Nico: Crap! Now where did they go?

Maria: Eli, can you sense them?

Eli: (Concentrates) Oh no! Nicole is not going to like this. They went in there.

He pointed to the abandoned Lolly Den Whorehouse!

Nicole: The Lolly Den Whorehouse! I shut down that spot ages ago.

Me: Lets go!

We went there.

Manaphy: I think we lost them.

Horsea: Wait. Are we in a whorehouse?

Hooker: Someone left their toys on here!

The Hooker hopped on Horsea.

Me: HIYAH!

KRASMASH!

I smashed in and kicked the bitch!

Me: Those are not toys you bimbo!

Lola: YEAH!

Horsea squirted ink at the girl.

Poliwag was squeezed in between a hooker's boobs.

But he squeezed out and slapped her.

WHAP!

Poliwag: Take that!

Nico punched the girl and I kicked a girl.

Nicole: You girls need to be taught some manners!

A hooker puked on Poromon

But he dodged the puke.

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted the bitches!

Me: Hey bitches! The femininity departments called! They want their women back!

I grabbed a hooker and shoved her face in my butt and then...

LOUD NASTY SUPER FART!

The hooker then threw up on the other hookers! They screamed!

Hooker: I need to pee.

The hooker peed on Manaphy

She dodged the pee and headbutt her.

Nicole then shoved a hornets nest down her mouth and it stung her all over and she screamed.

Then police cars came and arrested the hookers.

Sheila: Well I'll be! The Harlia Hookers Gang. We've been after them for years.

Camie: Wow!

Yang: And now this.

Yang and Lena tickled the Mascots!

Yang and Lena: COOCHIE COOCHIE COO!

THEY LAUGHED HYSTERICALLY!

Lena: Say it!

They laughed more!

Sheila: Blind Date chase?

Me: Yeah for Lena and Yang this time.

Sheila: Oh.

The mascots laughed!

Yang: SAY IT!

Mascots: NEVER!

Me: Guys for the love of all things in Humanity Say it!

Lena: SAY IT!

Me: IN THE NAME OF HUMANITY JUST SAY IT!

Mascots: UNCLE!

Nico: Good!

They stopped.

Me: That was fun.

Lena Mack: We had an awesome time though.

Yang: It sure was cool.

Nico: Are we forgetting something?

Me: Nico this was part 1 of the rescue. Now we go for part 2. We're going to Magix.

Nico: Oh right! That must be where the main adventure is for this.

Lola: Yep.

Nico: Lets go.

We were off

We arrived at Magix.

Lola: WOW!

Qin: Magix!

Me: It's awesome as ever.

Camie: Yep.

Nico: Next time you guys encounter hookers, scare them with the trailer

Poromon: That works! We'll do that.

Xenia: Yeah!

Manaphy: Yeah that will be fun.

Camie: It sure will.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Magix, but here is the dangerous part: it appears our old enemy, Valtor, has returned, thanks to Anti-Monitor, and he still wants revenge on us.

WE GASPED!

Me: WHAT?! Valtor's back?!

Nico: Anti-Monitor, you bastard!

Qin: Valtor really doesn't even know when to quit!

Lincoln: No, he doesn't. But, now we're going to finish him off once and for all, and this time, we're sending him to The Black Abyss forever.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and the Midnight Princesses have resurrected Mozenrath from the prime universe, Mirage, Malcho, Nasira, and Amok Mon Ra from the dead, and sent them after us.

Lincoln: Are you kidding me? Morgana, why you little...?

Me: Lincoln, what's wrong? Oh no, who did Morgana bring back now?

Suddenly, Crash Bandicoot appeared.

Crash Bandicoot: I can save you some time and say it right now, Morgana and her minions have resurrected Mozenrath from the prime universe, Mirage, Malcho, Nasira, and Amok Mon Ra from the dead, and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico opened his mouth wide, and his skeleton came out.

Qin: Uh oh, Aladdin's other dangerous enemies other than Jafar have come back from the dead wanting vengeance.

Nico put his skeleton back.

Nico: I hate it when that happens. Lincoln, I hope you absorb them.

Lincoln: That's exactly what I'm going to do to them.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: I can't believe Valtor's back, even after we got rid of him long ago. But, this time, we'll finally get rid of him once and for all.

Lincoln: Without a doubt. He's got a lot to answer for, and this time, he's going to die once and for all.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised

and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Valtor) AHA! There you are, you bastard. I just spotted Valtor, he's 20 yards away and he's causing havoc. (Sensed Mozenrath, Mirage, Malcho, Nasira, and Amok Mon Ra) And I just spotted Morgana's next line of puppets.

Nico: Let's tear them apart.

Lightning heard a Pokemon cry.

Lightning: Look here!

We saw a Hitmonchan!

Me: Cool Hitmonchan!

POW!

I got socked in the face!

Me: OUCH!

Nico: WHOA! Punchy.

Me: Hungry?

We gave it apples.

Hitmonchan: Thank you.

He ate the apples.

Lightning: Wanna come with me?

Hitmonchan: Sure! Sorry about the punch.

Me: No worries there.

Then we heard a screech.

Me: Whoa.

We looked up and saw HO-OH!

Me: WHOA! Ho-Oh!

Xenia: WOW!

Nico: Where did that come from?

Me: It's amazing.

Ash: Thats the Pokemon I saw the first time.

Camie: Cool!

Sunset Shimmer: (GASP)

Her eyes glowed.

Sunset Shimmer: Firestorm!

Me: Firestorm?

Sunset Shimmer: My sister! Firestorm Shimmer!

Nico: Really?!

Sunset Shimmer: YEAH! That's her!

Me: Lets go help her!

Me and Sunset flew up to her.

Sunset Shimmer: Firestorm! It's me Sunset!

She screeched at her.

Me: WHOA!

She then fired a massive blast of Sacred Fire at us and we absorbed it and then...

MASSIVE EXPLOSIVE POWER BOOST!

Me: HOLY MACKERAL!

Nico: WHOA! What a power boost!

Me and Sunset fired waves of fire and blasted her.

Then I snapped my fingers and she reverted back and was a girl with hair like Sunset's and had green eyes, Phoenix Wings and Tail Feathers and had Ho-Oh in the middle of her forehead and had a cutie mark that looked like Princess Celestia and Sunset Shimmer's combined on her arm.

Sunset grabbed her and wrapped her in a blanket.

We landed and brought her over to a bench.

She woke up.

Firestorm Shimmer: (Groans)

Sunset Shimmer: Firestorm? Firestorm?

Firestorm Shimmer: Sunset? (GASP) Sunstorm! It's you!

She and Sunset hugged.

Firestorm Shimmer: I thought I would never see you again.

Sunset Shimmer: Well I'm alive. Firestorm always called me Sunstorm and it was a cute nickname.

Me: I can tell. Awesome to meet you Firestorm. You were turned into the legendary Rainbow Pokemon, Ho-Oh. Dark Gale turned you into that.

Firestorm Shimmer: (GASP) I remember!

FLASHBACK!

She was in an orange suit and injected while strapped to a table and then she busted out and turned into Ho-Oh and flew out.

FLASHBACK ENDS

Firestorm Shimmer: That was awful.

Me: Well we're going to kill Dark Gale soon.

Qin: Yeah.

Me: Also Sunset is part of a band called the Rainbooms.

Firestorm Shimmer: Is she really?

Me: Yeah listen.

I had her listen on my iPod and she heard their songs and it was so awesome.

Firestorm Shimmer: Oh wow! Sunset that is awesome!

Sunset Shimmer: It sure is. The songs we sing were amazing and inspirational.

Qin: Yeah.

Me: I'm part of the Rainbooms too and we all sing great songs.

Firestorm Shimmer: That is cool!

Nico: What's your role in Sonya's Team?

Firestorm Shimmer: I'm the Phoenix Mage of the team and I use Phoenix Powers and Fire Powers to get rid of our enemies.

Nico: Wow!

Firestorm Shimmer: Yeah and outside the team I'm a chef and scientist.

Me: That is cool!

The Trix arrived.

Icy: I hope you weren't starting the party without us!

Stormy: We want in on this too!

Me: Nice to see you girls.

Qin: Yeah just don't cause trouble.

Rarity: First Firestorm lets get you some new clothes darling.

The Fashion brigade gave her awesome orange, red and purple clothes and she had an amazing Phoenix Sword.

Firestorm Shimmer: Wow! I look awesome.

Camie: You sure do.

Me: But Icy I'm glad you came. Valtor is back.

They gasped!

Darcy: We knew we had to come here for a reason!

Me: Yep. Now we can destroy that son of a bitch once and for all!

Stormy: That is for sure!

Me: Yep.

Nico: Lets go get him.

We then took off into the air and we set out to destroy Valtor once and for all, and banish him along with Mozenrath, Mirage, Malcho, Nasira, and Amok Mon Ra to The Black Abyss.

We were flying in the air, and we spotted our target: Valtor, and he was causing havoc by firing blasts of dark fire and dark magic, and he was laughing malevolently.

Lincoln: There you are, you monster.

Lincoln fired many blasts of elements with mythical beasts and creatures from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Valtor and they hit him and him got hit badly, and that pissed him off as we landed, especially when he saw us again.

Nico: You've got some damn nerve showing your ugly face to us again, Valtor.

Me: Of course, there's no way in Hell we're going to let you live a single second further.

Valtor: Then, I'll just kill you all and be on my way.

Me: I don't think so!

Suddenly, Lincoln fired a blast of white and blue heavenly fire which hit Valtor, and he got burned badly as he screamed in pain.

Lincoln: We've gotten much stronger since last time, but you're just as arrogant as ever, not realizing the situation at hand.

Me: That's right. We're more powerful than ever.

Valtor: How did you even find me?!

Darcy: We followed your cologne that you had.

Stormy: Why did you have his cologne?

Darcy: (blushes) For research purposes. (to Valtor) Don't get any ideas! There's nothing between you and I. You're a jerk anyway! Whatever!

Icy: (sarcastically) Well, I'm convinced.

Me: Huh. Didn't think you liked REALLY good cologne.

Allie Maxwell: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Dark Death Harbinger Darkness Demon Phoenix Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Dark Death Harbinger Darkness Demon Phoenix Angel Hope) Eat lead, murderer!

Allie Maxwell fired bullets at Valtor, and he got hit hard, and he went ballistic to the core!

Then, Crash Bandicoot went after Valtor, and he fired extremely powerful blasts of rainbow, white and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit Valtor and exploded, and he slashed at them with his massive greatsword leaving scars on him, and he fired rainbow, white and blue energy slashes from his gold-armored claws which hit Valtor and they exploded, and he brutally pulverized him with his massive immense superhuman strength, and that just made him even angrier.

Flora, I believe you're up.

Flora: Right. Get ready for some serious payback, Valtor.

Suddenly, Flora's jade eyes turned neon jade, and she was surrounded by a pink and green energy aura with stars, flowers, plants, leaves, magic, animals, fairies, phoenixes, and angels, she unholstered her massive Linphea's Guardian Fairy Greatsword of Animal Kingdom Love from her back, and as she approached Valtor, she left pink and green energy, stars, flowers, plants, leaves, magic, animals, fairies, phoenixes, and angels with every step.

Flora: Even after all these years after we got rid of you once and for all, you still refuse to stay dead, Valtor. But, that ends here and now, I'm going to make sure that you never return, and this time, you better stay dead and gone for good.

Suddenly, Flora was surrounded by a massive vortex of pink and green energy with stars, flowers, plants, leaves, and magic surrounding the vortex, there are animals, fairies, phoenixes, and angels flying around the vortex, and in the vortex is a pink phoenix with blood red eyes glaring at Valtor: the blood red eyes of eternal death and eternal judgement.

Nico: WHOA!

Me: This is it!

Lincoln: Valtor's done for now, after everything he's done, this will finally be the last time we ever have to deal with him.

Then, as the vortex faded, Flora emerged, but she was changed forever.

Flora grew from 6'11" to 8'5" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large pink and green planets orbiting around her legs and she has fifteen smaller pink and green planets orbiting around her waist, she has the body of a goddess, she has moderate pink and green highlights in the bangs of her long brown hair and pink and green phoenix fire ombre streaks on the back and she now has a large gold halo in the center with gold angel wings on the bottom behind her head with green leaf-shaped gems embedded in it and four large orbiting gold rings on each corner with embedded green leaf-shaped gems in them, she has neon jade eyes and a pink and green energy aura with stars, flowers, plants, leaves, magic, animals, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all the elements swirling around it, she has a fairy with the Nature Kanji in its hands and surrounded by a phoenix and angel emblazoned on her forehead emblazoned on her forehead and Third Eye with jade green iris, she has on fairy earrings with green gems for eyes and holding the Star, Magic, Nature, God, Xelnaga, and Eternity Kanjis in their hands, she has on her Crystal Necklace of The Buddha with pink gems in the gold leaf-shaped links and green crystal links and pink fairy-shaped Element of Harmony and on the bottom of The Element of Harmony is a fairy with green gems for eyes and holding the Star, Magic, Nature, God, Xelnaga, and Eternity Kanjis in her hands for the pendant and she has on a white and gold accented choker on her neck. Suddenly, Flora felt a sharp pain on her back, and then, her massive brown angel wings with pink and green tips on the large brown feathers grew much larger for her new body with a wingspan of 50'0" and medium sized brown angel wings with pink and green tips grew and sprouted out underneath her massive brown angel wings with a wingspan of 40'0" and small sized brown angel wings with pink and green tips grew and sprouted out underneath her medium sized brown angel wings with a wingspan of 30'0" and another set of brown angel wings with pink and green tips grew and sprouted out underneath the small sized brown angel wings with a wingspan of 20'0" and another set of brown angel wings with pink and green tips grew and sprouted out underneath the new brown angel wings with a wingspan of 10'0". Suddenly, Flora's massive Linphea's Guardian Fairy Greatsword of Animal Kingdom Love and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of pink and green energy, stars, flowers, plants, leaves, magic, animals, fairies, phoenixes, and angels, and when it emerged, it was transformed into Flora's True Cosmic Eternal Harmony Animal Kingdom Nature Magic Linphea Fairy Guardian Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Animal Kingdom Nature Magic Linphea Fairy Guardian Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded pink gems and a fairy, phoenix, and angel etched on the 8'5" massive, wide, double-edged gold blade, large gold phoenix heads with green gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold phoenix heads with pink gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with pink gems for eyes and green gem in its mouth for the pommel, Flora has on his new large gold Bracers of The Champions of The Universe with green gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Elemental Belt of Eternal Bravery with a gold fairy head with green gems for eyes and pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver and Crystal Saber holstered on his left hip. James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Better start praying, you piece of trash.

Lincoln, Flora, Crash Bandicoot, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Valtor, and we fired extremely powerful blasts of rainbow, white, and blue energy, pink and green energy, black and blood red energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Valtor and they exploded with incredible power as they hit him.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot the multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Flora, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really making Valtor even angrier than ever.

Then, Lincoln fired a rainbow, white, and blue energy beam that hits Valtor, and Lincoln sucked out all of Valtor's Strength, Flight, Sorcery, Dark Magic, and his Ability to transform into a giant demon, along with all the magic he'd captured from the planets he attacked in the past, and made them his own, and Valtor was severely weakened. Plus, he also fired a white energy beam that hit The Monitor Orb embedded in his head, and not only did we gain a massive power boost, but Valtor screamed with total agony.

Now, let me take care of Valtor.

Suddenly, Crash Bandicoot's massive red angel wings and four other sets of large red angel wings underneath his massive red angel wings spread out even more as an intricate halo of gold energy with dragons, bandicoots, phoenixes, and angels surrounding the ring appeared above his head along with three sets of gold energy chains around the gold halo and formed into a purifying field that hit Valtor, and we found ourselves in Heaven.

Then, Crash Bandicoot's massive red angel wings and four other sets of large red angel wings underneath his massive red angel wings fired chains of gold energy that bound Valtor.

Then, Crash Bandicoot charged and smashed his rainbow energy infused left fist into the stomach of Valtor and a cluster of rainbow, white, and blue heavenly flames exploded out behind him, then, Crash Bandicoot formed a massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Crash Bandicoot raised his massive greatsword above Valtor's head, and then...!

Everyone cheered wildly as we holstered our weapons and we powered down and Flora's new body, clothes, weapons, jewelry, 28th Century backpack, Third Eye, large gold halo with four orbiting large gold rings behind her head, fifteen large pink and green planets orbiting around her legs, fifteen smaller pink and green planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized pink and green planets orbiting around her wrists and ankles, and massive brown angel wings and four sets of brown angel wings underneath her massive brown angel wings are permanent.

Nico: That was a really really intense battle, but we're finally rid of Valtor for good.

Me: No doubt about that.

Lincoln: And you meant what you said, J.D., this served as a warning to Darkar telling him he's also next.

Me: You bet. No doubt he'll want revenge on me for humiliating him in the past and for also destroying him.

Nico: When that happens, we'll show The Shadow Phoenix no mercy.

Lincoln: That's for sure.

We saw Another Doris (X-Squad Universe), Prism, Flarmiglarmi, Sou Fueki and Rainbow Dark Dragon!

Me: WHOA!

Qin: This is gonna be good.

Another Doris: It sure will.

They merged and reverted back and we saw that it was the gene-slammer of Dire Elk!

Nico: (GASP!) Ellie Elk!

Ellie Elk: Awesome to see you Nico! (DRAGON ROAR)

Nico: YEAH! Ellie is one of my Dungeons & Dragons RPG club members.

Me: Cool!

Qin: Yep.

Nico: Sorry we have to do this

Me: By the way are the Another Crescent Grizzly and Flora friendly or hostile?

KRASPLAT!

A watermelon hit Nico right in his face!

Ellie Elk: Friendly and the another Flora is a prankster.

Me: Oh boy.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup! (TURNS DIAL) GENIUSES OF FIRE!

She summoned Dr. Drakken, Pyrus the Lava Titan, Warclaw, Menardi, Sun Emperor and Damon (Broken Colors)!

Nico: Awesome!

KRASPLAT!

Nico got hit by a huge watermelon into his face!

Nico Licked the watermelon.

Nico: Yummy.

Then out came Another Crescent Grizzly and Flora!

Me: That was funny!

Another Crescent Grizzly: (In a girls vois) It sure was.

She reverted back and it was the gene-slammer of Dire Wolf!

Nico: Laura Lupis! Wow!

Laura Lupis: Awesome to see you Nico! (DRAGON ROAR!

Me: Wow! ANother one of your club members.

Nico: Yep and she is as strong and skilled as a lot of bears and wolves together.

Crescent Grizzly: Just like me.

Lola: Cool!

Another Flora: Like my pranks sis?

Flora: (GASP) That voice!

She reverted back and it was a younger version of Flora.

Flora: Rose!

Rose and Flora hugged.

Rose: Those were funny pranks.

Flora: They sure were. Guys Flora is my younger sister.

Nico: Wow!

Maria: I take it she's the prankster type?

Flora: That's right.

Maria: Oh I see.

KROW!

Maria got kicked in her butt.

Maria: OUCH!

Luan kicked her.

Maria: HEY What's the big idea!?

Luan: You had this on you.

Luan pulled off a sign.

Maria: Kick me, I'm a big dumb buttfaced bedwetting mule. Oh very funny!

Kaito (gets out Zi O gear): Did Swartz promise you anything?

Zocks (gets out Zero One gear): Because we can grant it instead.

Kaito and Zocks got Zero One and Zi O weapons.

Laura Lupis: No he didn't.

Rose: I put a sign that said I Hate Rhinos on Swartz and a rhino came and beat him up and we ran.

Sakura Knudson: That explains why that rhino was insulted and beating him up like that. That is funny!

Nico: Yeah.

Sougo (gets out Zi O II Ridewatch): You should be proud of Flora

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (Gets out Vulcan Ridewatch): She's come a long way.

Sougo became ZI O II while Geiz got VulcanArmor

Rose: Oh I am.

Qin: Awesome.

Lincoln: Lets separate you first.

We did so.

Qin: Yeah!

Me: Lets get it on.

Nico (gets out Crescent Grizzly's Ridewatch) This is gonna be unBEARable!

May: (Gets out Prism's Ridewatch) Feel the Rainbow

Maria: (Gets out Sou Fueki's ridewatch) I am magic!

Tabitha Togemogu: (Gets out Doris (X-Squad) Ridewatch) Hats off!

They used the powers of Crescent Grizzly, Doris (X-Squad Universe), Prism, Flarmiglarmi, Sou Fueki and Rainbow Dark Dragon and blasted the Anothers.

Lola: YEAH!

Then Nruff, Mr. Twister, Another Quiz, Hurricane, Bashmouth and Jolly Joker came.

Nico: Cool! Nice team Nruff.

Nruff: Thanks Nico.

Slash Beast: My team's next

Nico: Yep.

?: This will be awesome.

WaruMonzaemon and Dolphmon came!

Me: Cool! WaruMonzaemon and Dolphmon!

WaruMonzaemon: (In a girls voice) That's right!

Nico: Chedil Adelbai! Wow!

She reverted back and was a girl with blue hair, blue eyes and blue clothes and had yellow angel wings and had a new crest in the middle of her forehead and WaruMonzaemon on her shirt and skirt, the coat of arms of the Islands of Palau on her arm, a blue digivice on her hip and a blue water sword in her hand.

Chedil Adelbai: We got this Nico. HEARTBREAK ATTACK!

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them.

Lola: YEAH!

Me: Awesome!

Qin: Cool!

Me: Yeah! Wow you're one of the Digidestined of the Islands of Palau. Awesome and beautiful place.

Chedil Adelbai: That's right.

Lola: Wow!

Nico: Nice job!

Chedil Adelbai: Thanks Nico.

Lola: Do you have a favorite memory of Nico?

Chedil Adelbai: When me and Nico met. We battled a bunch of Muchomon on the island of Ngerulmud and sent them back to the Digital World.

Xenia: Wow!

Me: Not even the Islands of Palau were safe.

Nico: Nope.

Nico and Chedil hugged.

Nico: I've missed you.

Chedil Adeldal: Me too Nico.

We went back home.

Apparently we got word that a massive army of clones of Jock Jockerson were sighted and they're causing havoc, and Lincoln's going to absorb them, and he's going to find out they were created by none other than Lincoln's old hated enemy, Dark Lisa, the heartless coldblooded, emotionless Dark Side of Lisa, who was brought back from the dead by Morgana Midnight Sparkle and The Midnight Princesses using the sample of Jock's blood, and her accomplice, Dark Lori, the heartless control freak witch with a 40-ft stick up her ass, who was also brought back from the dead by Morgana Midnight Sparkle and The Midnight Princesses and she'd created a massive cauldron full of muscle growth serums, virility and testosterone booster serums, and bull growth hormones, and with it, they turned the massive army of Jock Jockerson clones into 12'5" massive hulking muscular brutes. The reason why is because they still hate Lincoln and they still want him and his harem, kids, and family and friends to die, but we've had it up to hear with those bitches: after we take care of their massive army of massive hulking muscular Jock Jockerson clones, Lincoln's going to absorb the massive cauldron of muscle growth serums, virility and testosterone booster serums, and bull growth hormones and he's gonna tear those two bitches apart and end them in the bloodiest way imaginable and send them to The Black Abyss forever.

Lincoln: Ah, we're here in the western part of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the seventeen girls and Ets is going to rescue the one girl here, but we got bad news. Apparently, we got word that a massive army of clones of Jock Jockerson were sighted and they're causing havoc.

Cage Blunt: Okay, who's the idiot that's been messing with dark magic?

Nico: Actually, this wasn't done with dark magic, Cage. Only a mad scientist would do a dark and despicable thing like this, but who?

Lincoln: There's only one way for me to find out, I'm going to absorb them, and then, we can find out who it was that did this.

Crystal Man: Good idea. Plus, we have the rest of the team out as well.

The rest of the team was indeed with us after we heard the alarm. Suddenly, we felt massive tremors on the ground, and then, we saw one army of Jock Jockerson clones, but they'd been turned into 12'5" massive hulking muscular brutes with extremely massive upper and lower body muscles with veins and ten pack abs and they're dressed only in torn pants.

Lincoln: There they are.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of the army of massive hulking muscular Jock Jockerson clones and he began absorbing them and assimilating their massive superhuman strength, massive levels of virility, and massive amounts of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Suddenly, his deep sapphire eyes, his Third Eye, and the four sets of rainbow eyes on his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings glowed, and vision orbs formed before us, and he and all of us saw who it was that did this: it was none other than Dark Lisa, the heartless coldblooded, emotionless Dark Side of Lisa, who was brought back from the dead by Morgana Midnight Sparkle and The Midnight Princesses using the sample of Jock's blood, and her accomplice, Dark Lori, the heartless control freak witch with a 40-ft stick up her ass, who was also brought back from the dead by Morgana Midnight Sparkle and The Midnight Princesses and she'd created a massive cauldron full of muscle growth serums, virility and testosterone booster serums, and bull growth hormones, and with it, they turned the massive army of Jock Jockerson clones into 12'5" massive hulking muscular brutes.

When Lincoln was done and he retracted his tails and the stingers changed back, nothing was left of the group of clones except for their torn pants.

Lincoln: I can't believe it! It was Dark Lisa and Dark Lori, they did this because they still hate me and they still want me and my harem, kids, and family and friends to die.

Me: I should've known that bitch, Dark Lori, was behind it, along with Dark Lisa.

Maria: When I catch that control freak bitch, I am gonna remove that 40-ft stick she already has up her ass and shove a chainsaw through it!

Luna: That's for sure.

Lincoln: Not yet, we need to take care of the other massive hulking muscular Jock Jockerson clones still running loose.

Suddenly, we felt more massive tremors on the ground, and then, we saw the remaining fifty-five massive armies of 12'5" massive hulking muscular Jock Jockerson clones heading right for us.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of the remaining fifty-five armies of massive hulking muscular Jock Jockerson clones and he began absorbing them and assimilating their massive superhuman strength, massive levels of virility, and massive amounts of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails and the stingers changed back, nothing was left of the group of clones except for their torn pants.

Lincoln: That's much better.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Sleepy Maiden, she has a water greatsword in hand and with her are the seventeen girls Lincoln is to rescue and the one girl Ets is to rescue.

Lincoln: (GASPS) Doris Westbrook, Gene-Slammer and Avatar of Marincess Sleepy Maiden.

Doris Westbrook: That's right, and I got the girls away from those two bitches.

Eli: It's time.

Lincoln: Yes, wow, we can finally go after Dark Lori and Dark Lisa and end them for good, they're hiding at an abandoned lab 20 yards away, and it's scheduled to be demolished. Let's tear them apart.

We flew out, and we found the abandoned lab. But, we also saw the lab has a door made of ten-tons of solid titanium.

Lincoln: A door made of ten-tons of solid titanium, impervious to missiles and bullets, but not from us.

Lincoln grabbed the door with both hands, and he pulled the door off and ripped it right off its hinges and he absorbed the door into his body, and Lincoln's harem blushed madly upon seeing that raw act of manliness.

Lily the Mermaid: Let's get going and take care of those parasites.

We headed in and we saw tons of guards there, but Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of the guards, and he absorbed them. When he was done and he retracted his tails and the stingers changed back, nothing was left of them except for their clothes. Then, we made it to the main room, and we saw Dark Lisa and Dark Lori along with a massive cauldron full of muscle growth serums, virility and testosterone booster serums, and bull growth hormones, and when they saw us, they were pissed.

Dark Lisa: What the?! Dark Firstborn Sibling, you said that they would already be dead!

Dark Lori: SHUT UP! SHUT UP! SHUT UP, WORTHLESS SCIENTIST!

Lincoln: How about the both of you shut up! I should've known you were behind this the whole time, you control freak witch, along with you, you heartless excuse for a prodigy, there's no mistaking the very mixture from anywhere: muscle growth serums, virility and testosterone booster serums, and bull growth hormones, which you all used on hired thugs and tried to send them after me to kill me, but I countered and absorbed them. You really are an idiot, Dark Lori, next time, don't keep that formula in your diary.

Nico: She had it in her diary the whole time?! Bad move!

Me: Not very smart!

Suddenly, Lincoln, Nico, and I along with the rest of the males of the team dipped our eleven massive and long wolf tails, and we then began sucking up and absorbing the muscle growth serums, virility and testosterone booster serums, and bull growth hormones into our bodies, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread

out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, this is really really potent.

Me: (Growls) Way too potent.

Then, when Lincoln and all the males were done and we retracted our tails, the cauldron was drained dry of its contents, and it made Dark Lori and Dark Lisa mega enraged, and Dark Lori tried to punch Lincoln in the stomach, but then...!

CLANG!

DARK LORI BROKE HER RIGHT FIST AND SHE SCREAMED AND SHRIEKED!

Then, Lincoln tied them up in rainbow, white, and blue energy straitjackets and we teleport outside, and Lincoln formed a massive rainbow, white, and blue energy ball and he threw it at the lab as we got back home, and then...!

KABOOM!

THE LAB EXPLODED AND DARK LORI AND DARK LISA DIED IN THE EXPLOSION AND THEY WERE BOTH SENT TO THE BLACK ABYSS FOREVER AS THEY CURSED AT LINCOLN!

We cheered as we holstered our weapons and powered down.

Lincoln: You two are done making my life a living Hell, and I'll also send Dark Lynn, Dark Lola, and Dark Luan to also join you if I ever see their hides again as well. (To Doris Westbrook) And it's so good to see you again, Doris.

Doris Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Doris Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Doris Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Doris Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Doris Westbrook and hugged her, and Doris Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire

Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Doris Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Doris Westbrook, Gene-Slammer and Avatar of Marincess Sleepy Maiden, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Sleepy Maiden. She's the sixth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Doris Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Doris kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Doris absolutely despises Frieza with a blazing passion, because of everything he's done, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if he ever, and I mean, EVER SHOWS HIS MISERABLE HIDE AGAIN!

Nico: You have absolutely no idea of how pissed off we were yesterday when Selene told us.

Me: Same here, if we ever see him again, we'll make him pay.

Lincoln: Frieza caused far too much pain and suffering to too many people for the last time, when we face him, it'll be the end of him forever along with all those loyal to him, and now that you're here, Doris.

Lincoln with his massive muscular arms still wrapped around Doris Westbrook leaned his head down the right side of Doris Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Doris Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Doris Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Doris Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Doris Westbrook.

Doris Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Doris Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Doris Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Doris Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Doris Westbrook: (In Heaven) My God.

Then, Ets saw the girl he was to rescue, and when he did, he recognized her, her name is Simulator Raiko.

Ets: Whoa, that's Simulator Raiko.

Then, when she saw Ets, she ran up to him and kissed him.

Nicole: Ets deserved that reward for saving her from those musclebound clones of Jock and those two heartless bitches.

Doris Westbrook: You said it. Oh, Lincoln, here's a warning: the seventeen girls I rescued are extremely voluptuous, beautiful, and extremely sexy.

Me: Uh oh! Time to go!

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem, as they walked up to the seventeen girls, and when Lincoln saw the seventeen girls, his nose wound up gushing blood and he had an atomic red blush on his face as he recognized them, the seventeen girls are Kana, Rin, and Miuka from Bunny Garden, Cattleya, Lupinus, Daisy, Dahlia, Veronica, Plumeria, and Anzu from Fantasy Tavern Sextet, and Konami Sasagure, Mira Ackerman, Momoko Momozono, Simulator Nanae Hayashi, Simulator Rosa, Simulator Shukuyu, and Touko Hiiragi from Godannar.

Lincoln: Oh whoa, it's Kana, Rin, and Miuka from Bunny Garden, Cattleya, Lupinus, Daisy, Dahlia, Veronica, Plumeria, and Anzu from Fantasy Tavern Sextet, and Konami Sasagure, Mira Ackerman, Momoko Momozono, Simulator Nanae Hayashi, Simulator Rosa, Simulator Shukuyu, and Touko Hiiragi from Godannar.

Nicole: Doris wasn't lying about what she said about them: they're extremely voluptuous, beautiful, and extremely sexy.

Lincoln: And she did an awesome job saving them from Dark Lori and Dark Lisa, those two always enjoyed making me suffer by hurting any girl who's with me. Are you girls okay?

Kana: Yes, we're okay, thanks to you.

Then, when Kana and the other sixteen girls saw who it was that saved them from the massive army of Jock Jockerson clones that got into 12'5" massive hulking muscular brutes by Dark Lori and Dark Lisa, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr.

Kana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made sixteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and

Suddenly, seventeen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kana, Rin, Miuka, Cattleya, Lupinus, Daisy, Dahlia, Veronica, Plumeria, Anzu, Konami Sasagure, Mira Ackerman, Momoko Momozono, Simulator Nanae Hayashi, Simulator Rosa, Simulator Shukuyu, and Touko Hiiragi with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lincoln, his harem, and Nicole returned home.

Maria: I can't believe that Dark Lisa and Dark Lori were the ones who did this dirty deed.

Lincoln: They used the sample of Jock's blood from when we fought him two years ago, and they used it to create fifty-seven massive army of Jock Jockerson clones, and they also got into 12'5" massive hulking muscular brutes thanks to the cauldron full of muscle growth serums, virility and testosterone booster serums, and bull growth hormones, the formula Lori had written in her diary when she still had that "thing" in her.

Nico: Lori's Dark Side really was nothing but a filthy animal, same with Lisa's Dark Side.

Me: You said it. Chase Young's Dark Side and Killjoy Huggins were absolute monsters.

Selene Arcangela: You got that right, and now that we exposed them yesterday on the news, now they along with the rest of Lincoln's enemies are now treated like outcasts times infinity.

Eli: We got to see it for ourselves.

Doris Westbrook: I heard about what Selene and the others did yesterday, I knew that it was just a matter of time before she did this.

Nicholette Torrington: It's been a long time coming though, after getting away with trying to ruin Lincoln's life and destroy him, now they're finally getting their just desserts: now they're going to be treated like outcasts times infinity and also put through the same Hell they put Lincoln through.

After Lincoln absorbed the fifty-seven massive army of Jock Jockerson clones who got turned into 12'5" massive hulking muscular brutes thanks to the cauldron full of muscle growth serums, virility and testosterone booster serums, and bull growth hormones by Dark Lisa and Dark Lori and all of us trashed those two bitches and Lincoln destroyed them and their lab and sent them to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Doris Westbrook saw Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Doris Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Doris, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Doris Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Marina Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Crash Bandicoot got a message.

Crash Bandicoot: Hey, guys, I got a message, everyone is coming here to apologize to Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins.

Then, everyone arrived, and they began to apologize to Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins, and they gave them lots of flowers and fruit baskets.

Man: I can't believe that Chase Young's Dark Side was the very reason for what Lincoln was put through and for all the chaos that happened in the past.

Luna: He was cunning enough to cover his tracks, but when the truth came out, that ratted out that monster.

Laney: And thanks to Selene rallying all of Gotham Royal York yesterday, Chase Young's Dark Side is literally in for a fate far worse than Hell when we do go after him.

Woman: Speaking of, take a look at this.

The woman put something up on the big screen, and when we saw it, we were literally both stunned with shock and surprise! WE SAW EVERYONE IN GOTHAM ROYAL YORK TREATING ALL OF LINCOLN'S ENEMIES WITH UTTER DISDAIN AND HATRED, THEY VICIOUSLY BEAT UP AND TRASHED THE CLONES OF FLIP, FLOP, SLIP, ICKY VICKY, TRINA RIFFINS, DARK AMY, BILLY MCLEAN, PABLO, ANDERSON, MARGIE, AND BRAD UPPERCRUST III, ALONG WITH BUBBLE BASS, LEWIS TRAVOLTA, NO MA'AM, MINDY, MANDY, AND THE PLATYPUS BROTHERS, AND MASSIVE TONS OF GOLD, JEWELS, GEMS, AND MANY CURRENCIES EXPLODED OUT OF THEM, AND WHEN THEY WERE DONE, THE JERKS WERE ALL REALLY REALLY MANGLED UP LIKE HOW ELI AND NICOLE TRASHED THE PLATYPUS BROTHERS AND FLIP WITH BROKEN BONES, MISSING TEETH, TWO BLACK EYES, AND TURNED INTO HUMAN GERMAN PRETZELS!

THEN, THE SCREEN SWITCHES TO ANOTHER VIDEO: IT WAS OF EVERYONE BUILDING THE EFFIGIES OF ALL OF LINCOLN'S ENEMIES, AND THEN, THEY SET THEM ALL ON FIRE AND THEY BURNED TO THE GROUND, AND THEY DANCED ON THEIR ASHES LIKE THERE WAS NO TOMORROW, AND MANY OF THEM SPAT AT, SNEEZED ON, AND EVEN PISSED ON THE ASHES!

MY JAW AND MY FAMILY'S JAWS, NICO'S JAW AND HIS FAMILY'S JAWS, ELI'S, AND THE JAWS OF LINCOLN AND HIS HAREM AND HIS FAMILY'S JAWS DROPPED TO THE FLOOR!

* * *

EVERYONE CLOSED THEM!

Me: Holy...!

Nico: Triple Shit on a Stick! You all unleashed World War III-Style pain on the jerks at Lynn's Table and you even set fire to the effigies of Lincoln's enemies and you even spat on, sneezed on, and even pissed on the ashes after dancing on them! Damn!

Lincoln: Unreal!

Selene Arcangela: Oh man! I can't believe my rallying cry led to that! Jeez!

Selene Emperyous: We just unleashed World War III on Linky's enemies!

Marie MacDougal: We sure did.

Crash Bandicoot: But, it had to be done. We were sick and tired of seeing Lincoln go through Hell because of his enemies and the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins, and I admit, I was that close to sending them flying out of the house and into prison one time.

Luna: I couldn't forget that day. Usually, you're a calm laid-back person, but when someone you know gets hurt, that's when you lose it.

Lana: Thank goodness you didn't, otherwise the house would be in shambles.

Lincoln: That would be a disaster.

We got a shower, and then, Lincoln, Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin are heading to Gelato Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, and later, Vypra's coming over as she and Lincoln worked on something for Mileena.

Skullant: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Skullant, and it's perfect for our first date, shall we?

Lincoln, Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Shulin: (Swooning) Now, that's a real man.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin and they hugged the girls in their abnormally massive and powerful muscular arms and Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin are in your harem, Linky.

Mileena, Skullant, Kayleigh, Alouette, Blanche, Clarice, Elma, Concetta, Queenko, Lily (Kalos), Sara Lee, Amelia, Kazalie, and Shulin showed the marks Lincoln made on the right sides of their necks.

Sebastian Mendez: Wait, Mileena's in your harem now?! WHAT THE HELL, LINCOLN?!

Lincoln: Now, Sebastian, I'm giving Mileena a chance, and Vypra and I were working on a little something to get Mileena's Tarkatan side under control. Plus, she's a victim, she was made with the blood of Kitana and the blood of a Tarkatan.

Sebastian Mendez: ARE YOU COMPLETELY OUT OF YOUR GODDAMN MIND?! THAT'S IT! I'M GONNA KILL HER AND YOU CAN WATCH HELPLESSLY AS I BANISH HER TO THE BLACK ABYSS!

Lincoln: Try that, and it'll be the last thing you do. You know of my reputation of fiercely defending my harem, kids, friends, and family, and I won't tolerate any of your demonic actions towards my future wives, kids, friends, and family! So, go ahead, make my day! (Crosses arms and smirks)

WE WERE STUNNED: LINCOLN MADE A BOLD MANLY STAND AGAINST SEBASTIAN AND CALLED HIM OUT ON HIS DEMONIC ACTIONS!

Nico: Holy...!

Qin: Cow!

Maria: (LAUGHS) Holy damn, you just pissed the wrong man off! Sucks to be you!

Sebastian Mendez: WHAT THE NINE CIRCLES OF HELL?! YOU...! HOW DARE YOU STAND AGAINST ME LIKE THAT!

Lincoln: You know I'm not afraid of you, Sebastian, you've lost your touch long ago. You're no longer the monster who terrorized mankind, along with terrorizing the living and the dead, and all life on Earth and the universes beyond.

My jaw and Nico's dropped.

CLANG!

Eli put our jaws back in.

Me: We got to stop doing that or we're going to catch flies.

Eli: No kidding.

Nico: Holy shit, I can't believe you told him off like that, Lincoln. You'd had to have guts and nerves of steel to face off and tell off someone whose demonic and bloodstained reputation would make even the toughest of men quake with fear.

Then, Vypra arrived, and she had a glowing liquid in a bottle.

Vypra: Ah, good, you're back. We got Mileena's medicine ready.

Lincoln: Nice one, Vypra.

Mileena: You are positive it'll help control my Tarkatan side?

Lincoln: It will work, Mileena.

Mileena: Very well. But, you probably shouldn't look.

We looked away as Mileena took her veil off and drank the serum, and then, she felt a jolt in her veins, and it worked, her Tarkatan side was controlled as her mouth full of razor sharp teeth became normal, and the bouts of insanity were all gone.

Mileena: It...worked.

Vypra: Success. How do you feel, Mileena?

Mileena: I no longer have any desire to kill to slake a hunger for human flesh, nor am I insane.

Lincoln: Yes, it worked.

Sebastian Mendez: WHAT THE HELL?!

Sebastian was marching towards Mileena, Lincoln, and Vypra in a fit of rage only to get hit in the face with a frying pan by Buster Bunny.

CLANG!

Sebastian fell to the floor.

Nico: Nice one, Buster. And Lincoln, how did you and Vypra manage to create a serum to help keep Mileena's Tarkatan side under control?

Kitana: I'd found something from Shang Tsung's books, and one of the books had a formula that can help with controlling Mileena's Tarkatan side, but it only alleviates the effects. So, Vypra and Lincoln worked on it for a few weeks, and then, it was finally perfected.

Nicole: Once that was done, Vypra resurrected Mileena, though she had to be kept in a cage for a month with what happened.

Then, Sindel appeared.

Sindel: Yes, but, we also knew that if Sebastian found out, he was going to kill her again, and this time, send her to The Black Abyss.

Buster Bunny: So, Nicole told me and the others to be ready.

Nico: At least, that sorcerer's books had something good.

Nicholette Torrington: Along with his scrolls, spellbooks, weapons, potions, and artifacts.

Kotal Kahn: I was surprised to know you were working on something to help Mileena with her Tarkatan side, while our enraged friend here wanted to kill her. You did give Tanya and Frost a chance, and now, you're willing to give Mileena a chance. Knowing when to show compassion is important indeed, and I've offered her full amnesty and a full pardon for her crimes.

Mileena: And I accept.

Lincoln: This will no doubt anger Shao Kahn, Quan Chi, and Shang Tsung.

Caleb Maxwell: Let them get angry, they've lived for too long and too many lives have been lost at their hands, when we finally go after them, they will die. But, if D'Vorah comes back, you better be ready, Lincoln.

Kotal Kahn: D'Vorah has also lived for too long, her treachery knew no bounds, and for that, The K'ytinn will die should we dare see her again.

Jenna: You guys had no trouble at all.

Alouette: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Zipp Storm, Lightning Dust and Lena Mack's first mission.

Zick: You guys are gonna love meeting the Ultraman Max team. This will be fun.

Me: We can't wait.

Nico: Anyone else want to go with Zipp Storm, Lightning Dust, and Lena Mack? Besides 1 Rabbid?

Cole: I'll go.

Top: So will I

Me: Okay then.

Rainbow Dash: Me and my friends will go as well.

Nico: Okay then. Lets go.

We were off to Japan

We arrived.

Me: Awesome to be in Japan.

Cole: It sure is.

Kaito Touma: Zick? Is that you?

Zick: Hey Kaito!

They hugged.

Kaito Touma: Awesome to see you and wow! Team Loud Phoenix Storm it's an honor.

Me: You too Shigeru. It's a pleasure.

Zipp Storm: It's a pleasure to meet you. I'm Zipp Storm, Legacy of Rainbow Dash.

Lightning Dust: Name's Lightning Dust.

Lena Mack: And I'm Lena Mack.

Zipp Storm: And we're your ambassadors.

Me: It's part of a special diplomatic mission program we made.

Nico: It's true.

Cole: I'm Cole Evans, leader of the Wild Force Rangers.

Me: You may know them as the Gaorangers.

Top: And I'm Roscoe Dillan but everyone calls me Top.

Kaito Touma Awesome to meet you all.

Rainbow Dash: Same here. I'm Rainbow Dash, and these are my friends.

Twilight Sparkle: I'm Twilight Sparkle.

Sunset Shimmer: I'm Sunset Shimmer.

Applejack: Applejack.

Rarity: Rarity.

Fluttershy: I'm Fluttershy.

Pinkie Pie: I'm Pinkie Pie!

Starlight Glimmer: And I'm Starlight Glimmer.

Kaito Touma: Awesome to meet you all.

Zipp Storm: (sighs) And this is a Rabbid

Rabbid gibbering.

Kaito Touma: Cute little fella.

Me: Yeah but he is not very bright.

Eli: They aren't the brightest lightbulbs in the closet if you know what I mean.

Nico: You have a base?

Kaito Touma: I sure do. Follow me.

We went to DASH HQ.

We arrived.

Kaito Touma: Welcome to DASH HQ.

Nico: Nice!

Me: What does D.A.S.H. Stand for?

Kaito Touma: Stands for Defense Action Squad Heroes.

Me: Wow!

Rainbow Dash: Awesome.

Mizuki Koishikawa: Zick! Welome back!

Zick: Awesome to see you Mizuki!

Mizuki Koishikawa: Team Loud Phoenix Storm it's an honor to have you all here.

Me: Same here Mizuki.

Kaito Touma: How are things against Magnacat?

Zick: We killed him last year. But I think he's gonna make a return appearance

Me: During Zick's big day mission.

Kaito Touma: I see.

Nico: Yeah.

Zick: Elena, my monster friends, and my family are doing great, by the way

Kaito Touma: That's awesome.

Me: Yep and so far things have been good.

Kaito Touma: But wait what do you mean he's gonna make a return appearance?

Me: Oh Zick hasn't told you. We have a new big bad. Xehanort is dead but now Anti-Monitor has taken his place. The Black Gates were compromised and our major enemies are all back.

Nico: But not to worry. He didn't revive Xehanort

Me: Opaline, Rita Repulsa and Thanos just to name a few.

Kaito Touma: What about Dark Eddy?

Me: No he's gone too. But now we have a new threat. The Blackwing Eatos 12 Embodiments. They are easily recognizable because they have pitch black angel wings and piercing red eyes and are the embodiments of the aliens of Ben Tennyson.

Mizuki Koishikawa: Oh my.

Eli: Yeah

Kaito Touma: Also Lena, I can't help but notice something inhuman about you.

Lena Mack: That's because I'm a gene-slammer. Paradigm.

Mizuki Koishikawa: (GASP) You mean Dr. Luther Paradigm the Mad Scientist?

Me: That's him.

Nico: Nasty story.

Mizuki Koishikawa: Yeah. But you guys killed him right?

Me: Yes we did. But he may be back.

Lena Mack: Yeah. I was turned into a Greenland Shark.

Nico: Has there been any bad guy sightings recently?

Me: Nico we need to know about who our main target is.

Kaito Touma: Well believe it or not I think you guys already killed him. Dark Lugiel.

Me: Yeah we did kill him! With the Ginga Team.

The Rabbid licked the wall

Me: Hey cut that out.

The Rabbid bit me.

CHOMP!

Me: OUCH!

Eli: See what we mean?

Then the Alarm went off and we saw Halen!

Me: Halen!

Kaito Touma: Halen!

Nico: Who's Halen?

He went over his history.

When DASH was testing their Bird Beta fighter, Halen appeared and attacked the fighter, agitated by the super sonic noises that the fighter gave off. The Kaiju later appeared at Shibuya City, drawn to the music of a new band known as "Bad Scanners" which had a similar frequency as the DASH Bird Beta. After causing destruction in Shibuya City Halen retreated before DASH could attack it. DASH member Kaito Touma concluded that Halen attack the city because of Bad Scanners music, which the Kaiju found threading due to having a frequency so close to the Bird Beta. Realizing this DASH hurried to the Bad Scanners concert to avoid Halen attacking another public area.

However DASH was unable to stop Bad Scanners from playing their music in time and Halen soon arrived at their concert. DASH tried using DASH Birds 1 and 2 against Halen but the Kaiju speed gave it the advantage. Ultraman Max then appeared, and taunted Halen in battle son that the Kaiju would forget about attacking the concert, but after Halen almost destroyed the concert building Max took the air to lead the Kaiju away. Halen was able to easily over power Max when airborne, so DASH captain Shingeru Hijikata ordered for Bad Scanner to play their music again to distract the kaiju, which gave Max enough time to charge his Maxium Cannon attack and destroy Halen.

* * *

We gasped.

Eli: WHOA!

Me: This is gonna be ugly

Cole Evans: WILD ACCESS!

He transformed!

Cole: BLAZING LION! WILD FORCE RED!

Me: Oh yeah!

Eli: YEAH! And we're going to need someone that uses fast speed like him.

Me: Right.

Nico: Lets go.

We were off

We were flying.

Nico: Keep a close eye out.

Me: Right.

Eli: Look!

We saw HALEN!

Me: There he is!

Eli: RODAN!

Out of the sky came RODAN!

Rodan: (ROARS)

Kaito Touma: Is that Rodan!?

Eli: Yep.

Me: Eli is friends with Godzilla and all the Kaiju.

Eli: It's true.

Eli got on Rodan.

Rodan: So Halen is here. This will be interesting.

Zick: Lets go get him!

Kaito Touma: MAX IT UP!

He transformed into ULTRAMAN MAX!

Me: WHOA! YEAH!

Eli: COOL!

Zipp Storm got out her Fullbottle

Zipp Storm: Lets bring the speed!

ZIPP STORM! ROLLER GHOSTER! BEST MATCH!

Zipp fired waves of energy and blasted Halen all over and Rodan fired a fire ray and blasted him.

MASSIVE NUMEROUS FIERY EXPLOSIONS!

Eli: YEAH!

Me: So Fullbottles for this one. Nice!

Nico: Yep.

Lightning Dust got out her Fullbottle.

LIGHTNING DUST OF THUNDER! LEAP FROG! BEST MATCH!

Lightning Dust: Time for some lightning to strike!

She fired waves of lightning and blasted Halen all over.

Rodan fired waves of fire rays and blasted him.

NUMEROUS FIERY EXPLOSIONS!

Me: Match this stink!

J.D. KNUDSON OF THE PHOENIX! STINKY BUTT THE FOUL! BEST MATCH!

LOUD NASTY MASSIVE FART!

I farted and blasted Halen all over and he was really in pain from that.

Nico: NICE ONE!

Kaito fired waves of energy and blasted him.

Lena got out her Fullbottle.

LENA MACK OF THE GREENLAND SHARK! OSIRUS! BEST MATCH!

Lena: Time for this shark to strike!

She fired waves of energy and blasted him all over.

Cole: ANIMARIUM ARMOR!

He donned his awesome armor!

He fired a blast from his chest and blasted Halen.

Then massive fire blasts hit Halen and blasted him and we saw the Embodiment of Moyo appear! She had red hair, red eyes, black clothes and wings and a tiara with Moyo in it.

Me: (GASP) Arlene Moyo!

Nico: Moyo's Embodiment! Whoa!

Arlene Moyo: (GRUNTS) Yeah! (CLUTCHES HEAD) NO! I GOT TO STAY IN CONTROL!

Arlene lost control and launched fire blasts at Top

Top spun and deflected them back.

I fired the Antidote Ray and injected her.

Halen fired fireballs and Rodan blocked them with his wings and the blasts hit the ground and exploded!

MASSIVE FIERY EXPLOSIONS!

Rodan: Nice try!

Top charged at her and kicked her down.

?: ULTRA GEED FLARE BLAST!

Massive fire blasts blasted Arlene down.

Out came the Embodiment of Ultraman Geed!

Me: (GASP) Tara Geed!

Nico: Ultraman Geed's Embodiment!?

Kaito Touma: WOW!

Cole charged at her and kicked her down.

Tara Geed: I'll help hold her!

Tara Geed slashed and blasted her with fire blasts.

Tara fired laser blasts from the middle of her forehead and blasted Arlene all over.

Tara fired a lightning blast and electrocuted her all over.

Cole got out his Fullbottle.

COLE OF WILD FORCE! WOLF O DONNELL! BEST MATCH!

He fired a wave of energy and blasted Arlene all over.

Tara Geed: DIFFUSION SHOWER!

She rained down a powerful shower of energy and blasted Arlene all over and blasted her down. The Antidote took effect and she was cured!

Arlene Moyo: (Groans) What hit me?

Nico: Long story

Arlene Moyo: Oh man.

Tara Geed: Lets finish off this monster so we can talk more.

Nico: Okay.

We focused on Halen.

Tara Geed: J.D. lets finish him!

Me: You ready my mind Tara! GINGA THUNDERSTRIKE!

Tara Geed: BELIAL BREAKER!

Me, Tara and Kaito and Rodan fired powers energy blasts and the blasts hit Halen and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: YEAH!

Halen was back to a Spark Doll and I picked it up.

Me: Halen you have failed this world!

Nico: That was epic!

Me: YEAH!

Nico: Now, Kaito, you were telling us about who you think is the main target?

Kaito: Oh right. It's gonna be Giga Basark.

WE GASPED!

He went over what it is.

Berserkes (バーサーク, Bāsāku) are robots created by the Delos civilization. They were created to watch over and protect the ancient civilization. When global warming caused the sun's rays to reach even their underground home, threatening the stasis pods, the Berserkes followed their programming and launched an attack on the surface world, knowing about the surface world's protector they made plans to deal with the alien warrior.

Subtitle: Mechanical Beast (機械獣, Kikai-Ju)

One night the underground robot monster Scout Berserke (スカウトバーサーク, Sukauto Bāsāku) came to the surface to record the planet's attacks. As DASH failed to stop it Kaito turned into Ultraman Max, but before could be done the hero told his host he would be leaving Earth soon. Max quickly assaulted Scout Berserke and finished it off with the Max Galaxy, but not before Scout Berserke could record Ultraman Max's attack.

Later, Kaito and Mizuki journeyed underground via DASH Alpha 3 driller to deal with the Delos civilization. But no response as they only started to go to the surface. Furious, he tried to transform into Ultraman Max but the Ultra refused, since an Ultras' interference in a war is strictly restricted. Satellite Berserke (サテライトバーサーク, Sateraito Bāsāku) approached him, strangling Kaito and lift him up.

Mizuki ordered it to stop and threatened that she will set the DASH Alpha 3 to self destruct and due to the Delos civilization is an airtight location, the whole city will be destroyed. Satellite Berserke explained the reason behind Delos' plan at the same time viewing humanity's ugly side causing her to die due to depression. Kaito succesfully rescued Mizuki by giving her a CPR aid, causing the Delos to change their minds towards humanity and call off the war. But due to Giga Berserke has no shutdown system, they warned Max to be careful as the robot had all of Max's data. Satellite Berserke and several Automatons watched Kaito transforming into Max flying towards the surface.

Me: WHOA!

Tara Geed: This is gonna be brutal.

Zipp Storm: I agree there.

Twilight Sparkle: It sure will be bad.

Tara Geed: But we'll gladly face it.

Nico: Is anyone else with you, Tara?

Tara Geed: No. But I got this for you Nico.

She gave him a message.

Nico: Meet you during the battle with the Akuma on the main mission. Signed the Nymph Gene-slammer.

Me: Wow!

Tara Geed: Oh J.D. I have a message for you from Laiha Toba. She says that she thanks you for killing her parents killer.

Me: Tell her I'm glad I can help.

We later arrived back home.

May: How did it go guys?

Me: Really awesome!

We told everyone about what happened.

May: WHOA!

Qin: So now we have the Ultraman Geed Embodiment with us too! That is awesome!

Camie: It sure is.

Nico: Next time, Jack Landers, Legion Superman, and Sheila should come.

Me: Good idea.

Jack Landors: Awesome.

Sheila: Yeah!

Later we were taking Nico and Astrid someplace fun for a blind date.

Barley Barrel: You guys are gonna love this.

Me: Yep.

Astrid Wolner: Looking forward to it.

We arrived.

Me: Tadah!

We took off their blindfolds.

They saw that they were at the theater and gasped when they saw each other.

Nico: Astrid!?

Astrid Wolner: Nico!

Both: YOU'RE MY BLIND DATE!?

Me: Tickets for Power Rangers please.

We were gonna see Mighty Morphin Power Rangers Movie from 1995.

Claire Suh: Hope this brings back memories.

Me: Oh it will.

We got snacks and went into the theater.

The movie started

The Mighty Morphin Power Rangers participate with Bulk and Skull in a charity skydive for the Angel Grove observatory, in anticipation of Ryan's Comet which is scheduled to pass by in two days. Bulk and Skull miss the target landing zone and accidentally land at a construction site where a giant purple egg has been unearthed. Zordon then summons the Rangers, and tells them of Ivan Ooze, an evil morphological being who ruled Earth 6,000 years ago, before he was lured into a hyper-lock chamber and buried deep underground by Zordon and a group of young warriors. Zordon sends the Rangers to the construction site to return the egg to its chamber, before it is opened. However, Lord Zedd, Rita Repulsa, Goldar and Mordant arrive at the construction site first, and crack open the egg, releasing Ivan Ooze. The Rangers confront Ivan, who unleashes Oozemen on them. While the Rangers defeat the Oozemen, Ivan escapes and lays siege to the Command Center, incapacitating Zordon, and robbing the Rangers of their powers. At the destroyed Command Center, Zordon, being outside his time warp, starts aging and dying.

Zordon's assistant Alpha 5 sends the Rangers on a quest to the planet Phaedos to obtain the Great Power and save Zordon. On the Moon, Rita is initially dismayed that the Rangers escaped Ivan unharmed. However, Ivan usurps her and Zedd, shrinking and trapping them in a snow globe, and forces Goldar and Mordant to be his servants. He then sends his Tengu warriors to Phaedos and begins building an army. He uses children to bring his ooze to their parents, and it hypnotizes them into becoming his workforce to dig up his Ecto-Morphicons, twin war machines built during his reign. After finding his father working at the construction site, Fred Kelman, a friend of the Rangers, figures out Ivan's plans.

On Phaedos, the Rangers are almost killed by the Tengu but are rescued by Dulcea, the planet's Master Warrior. Dulcea initially tells the Rangers to leave for their safety, but after hearing of Zordon's plight, she agrees to help and takes them to an ancient temple where they will have to overcome obstacles to acquire the power of the Ninjetti. Dulcea awakens each Rangers' animal spirit; Aisha is the bear, Rocky is the ape, Billy is the wolf, Kimberly is the crane, Adam is the frog, and Tommy is the falcon. Upon being asked if she could join them, Dulcea reveals that she would begin to age as rapidly as Zordon is if she leaves the temple. She then shapeshifts into an owl to preserve her age. The Rangers make their way to the Monolith housing the Great Power, using their wits to defeat a live fossilized dinosaur skeleton and the temple's Stone Gargoyle guardians. They retrieve the Great Power, restoring their Ranger suits.

On Earth, Ivan's Ecto-Morphicons are completely unearthed, and he unleashes them on Angel Grove, ordering the parents to walk off a cliff at the construction site. Fred recruits Bulk, Skull, and the other kids, who head to the construction site to save their parents. The Rangers return with their new animal-themed Ninja Zords and, after a struggle, destroy one of Ivan's Ecto-Morphicons, Scorpitron. Ivan takes control of Hornitor and battles the Rangers, who combine their Zords to form the Ninja Megazord and later the Ninja Mega Falconzord. Meanwhile, the kids push the parents back while Fred, with help from Bulk and Skull, sprays them with water. The Rangers lure Ivan into space and knock him into the path of Ryan's Comet, which destroys him. Ivan's death breaks his spell on the parents, who are reunited with their children. At the Command Center, the Rangers are distraught to find Zordon has died. Without giving up hope, they use the Great Power to restore the Command Center and resurrect Zordon, returning him to his time warp. Everything returns to normal as a celebration is held at Angel Grove's Harbor in honor of the Power Rangers.

In a mid-credits scene, Goldar lounges on Zedd's throne, being served by Mordant, only to panic when Zedd and Rita appear, having been released after Ivan's death.

When the movie was done we cheered!

Tommy Oliver: (LAUGHS) That was awesome!

Qin: Yeah it was!

Xenia: Yeah!

Me: Boy just like old times.

Nico: Boy that was epic!

Me: Yeah!

Razorclaw: J.D., I think you should run

POOF!

I was already gone.

Razorclaw: Oh nevermind.

Nico: Lets get him!

I was hiding out in the ocean. I was in Bikini Bottom. I was in a cave in Jellyfish Fields. It was guarded by NUMEROUS Jellyfish.

Me: I would like to see them get me here.

LOUD ZAPPING!

Nico: (SCREAMING IN PAIN)

Me: Found me already? Wow.

I teleported and got out of there.

Nico: Ouch.

I wasn't there.

Horsea: Where'd he go now?!

I was on Sand Mountain.

Me: I know they will come.

They arrived.

Nico: AHA! You're mine!

Me: YOU'LL NEVER TAKE ME ALIVE COPPERS!

I went sanding down the mountain!

They went after me!

Patrick: [screaming while flying on his sandboard, then bashes his body on sand mountain in pieces. The red word "DEAD" flashes, also making a ¨death¨ sound effect]

[Screen zooms out, revealing that Patrick is only playing a video game with his character while sandboarding down Sand Mountain]

Patrick: Aww, I got dead again! This game stinks! [hits a rock and screams again while flying, then bashes his body in pieces on sand mountain just like on his video game]

SMASH!

Qin: OUCH!

I got to the bottom and teleported.

Nico: He got away again!

Poromon: Where is he now?!

I was hiding in an abandoned ship in the Flying Dutchman's Graveyard.

Me: I would like to see them get me now. Barnacle Buttheads.

They arrived and saw me in the ship.

Poliwag: THERE HE IS!

But then HUGE GUNS APPEARED AND LOCKED ON THEM!

Nico: Uh oh.

May: Mommy!

Manaphy: DUCK AND COVER!

They ducked and the guns fired and blasted at them and I used that cover to get away.

SUCKERS!

Nico: Where is he now?!

I was hiding in Goo Lagoon in a huge sandcastle.

Me: I would like to see those Chumlickers get me now.

Nico: OKAY NOW I'M PISSED!

They found me.

Poromon: FOUND YOU!

Me: And so has this!

I pressed a button and catapults fired cactus balls and bashed them all over and they got MANGLED UP BAD! They screamed in huge pain1

Nico: OW!

May: OKAY I'M HURT NOW!

Maria: ME TOO!

I teleported away as they were in pain.

Nico: Let's see where he went this time

I was in the Mermalair with Mermaidman and Barnacle Boy.

Me: Uh oh did you lose the remote again Mermaidman?

Mermaidman: I sure did.

I got under the sofa and found it.

Me: Here you go.

Mermaidman: Thanks J.D.

I sat with them and watched TV.

Barnacle Boy: Blind Date chase J.D.

Me: Yep.

Barnacle Boy: I wonder when Spongebob's gonna get a time to shine.

Me: Probably soon.

Nico and everyone came.

Nico: AHA! Found you!

Mascots: CUTIE JUMP AND HOLD!

They jumped me and held me down!

Nico and Astrid then tickled me!

Nico: COOCHIE COOCHIE COO!

Astrid Wolner: COOCHIE COOCHIE COO!

I WAS LAUGHING HYSTERICALLY!

Poliwag tickled me with his tail.

Me: (LAUGHING)

Nico: SAY IT!

Me: (LAUGHING) NEVER!

Horsea tickled me!

Horaea: SAY IT!

Me: (LAUGHING) NEVER!

Nico: IN THE NAME OF ALL OF HUMANITY JUST SAY IT!

Me: NO! I'M NOT EVEN HERE!

Nico: Huh?

But then...

KRABOOOM! SPLAT! I EXPLODED! IN A MASSIVE WAVE OF GORESHARK BLOOD AND SPLATTERED EVERYONE ALL OVER!

Nico: HE WAS A CLONE! An Exploding Blood Clone. Very crafty.

The real me was back at the estate. I got back with groceries for everyone.

Me: (LAUGHS) That was funny.

?: It sure was.

I saw the Embodiment of Dark Necrobat.

Me: Oh hello there.

Dana Necrobat: Sorry to come in like this. Dana Necrobat, Embodiment of Dark Necrobat.

Me: Awesome to meet you.

Me and Dana sat down and watched TV

Dana Necrobat: So, that wasn't even you that was being chased?

Me: Nope. It was an exploding blood clone. I invented it.

Dana Necrobat: That was cool.

Everyone came back mangled up.

FWOMP!

Nico: (Groans) That was brutal.

Me: What took you guys so long?

Dana Necrobat: Have a nice time underwater?

Supergirl: Dana? Wow!

Nikiya: Awesome to see you.

Dana Necrobat: Same here. (Sniffs) HOOWEE! Man you smell horrible!

Nico: (Sarcastically) Thanks a lot!

Grimlock: How did you Dark Necrobat Girl meet Supergirl and Saiyan Girl?

Dana Necrobat: I met Supergirl while she was helping in battling Lex Luthor and we kicked his butt. And I met Nikiya when she was battling some of Frieza's men. They were pathetic.

Nico: Nice. Would you like to join us?

Dana Necrobat: I would be honored. But you guys need to take a bath and shower.

Nico: Right. (To me) WE'LL DEAL WITH YOU LATER!

Everyone came back clean and in new clothes.

Dusk: You led us on quite the chase!

Me: (LAUGHS) Yeah but it was fun.

Laney: It was.

Nico: Me and Astrid had a really awesome time.

Astrid Wolner: We sure did.

Me: I'm glad.

Nico: I wonder why the Nymph Gene Slammer wants to meet me later.

Tara Geed: Oh it's because she wanted me to get in on some of the action first. We decided to swap this time.

Camie: Oh I get it.

Xenia: Yeah!

Nico: But J.D. we're still going to get you for this.

Poromon (gets out water balloon): Like this!

He threw it and it hit me.

SPLAT!

Me: Thanks.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Kamen Rider Ark, he's come back from the dead thanks to Anti-Monitor, and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we are none too pleased to see again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Kamen Rider Ark, he's come back from the dead thanks to Anti-Monitor, and he wants revenge on us.

WE GASPED!

Qin: What the fuck?!

May: Oh God.

Flora: This is not good.

?: So, Ark has come back, has he? Finally, the time has come.

Suddenly, we saw a girl with green-yellow hair, green-yellow clothes, green eyes, green angel wings, she has the Zero-One symbol on her forehead, crop top, and skirt, she has on a necklace with the Zero-One symbol for the pendant, and she has an Attache Calibur sword in hand.

Lincoln: (GASPS) Aria Yamamoto Zero-One, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Zero-One Team.

Aruto: Aria? Oh man!

Nico: Whoa!

Flora: Aruto, Lincoln, you guys know her?

Lincoln: I do, Flora.

Aruto: And so do I and the team. This is Aria Yamamoto Zero-One, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Zero-One Team, she's Lincoln's Guardian Angel from Japan, and she's a very powerful force of good and technology, she has all of the powers of all the Zero-One Riders and she's a deadly and powerful force of technology, artificial intelligence, and The Matrix, and she's a master of all things technological. She's an absolute genius and also a great engineer of all things advanced and scientifical. She has a really powerful and amazingly high IQ of 100,000, and she also hates all of the forces of the Ark Program and she destroyed THOUSANDS of robots with her power. She is stronger than Ark times 500,000,000,000 and all of Ark's forces times 500,000,000,000,000,000. She invented a powerful computer virus program that was designed to destroy Ark permanently and she was going to use it on Ark. She moved to Michigan, and she really trained Lincoln with mastering the powers of technology, artificial intelligence, and The Matrix. Lincoln made her a Kamen Rider Zero-One-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem. Plus, she hates all of his enemies with a vengeance, mostly S.U.S.P.E.N.S.E. and the Miller Family including Dr. Linnaeus and she dug up intense dirt that Dr. Linnaeus is part of S.U.S.P.E.N.S.E. and was doing INHUMANE EXPERIMENTS! She vowed to bring down all of S.U.S.P.E.N.S.E. and bring them to justice and executed for unethical experiments.

WE GASPED!

Nico: What the Hell? So, Dr. Linnaeus is also part of S.U.S.P.E.N.S.E. Wait, I do remember reading the reports about the performing of inhumane experiments, so she was...?!

Lisa Loud: Why, that inhuman monster! She's a disgrace to all scientists and the fields of science everywhere!

Nico: This is beyond serious. Aria, if we ever go after The Millers again along with all of S.U.S.P.E.N.S.E., we'll bring them all of them to justice.

Aria Yamamoto Zero-One: Thanks, Nico. Plus, Aruto's right, take a look.

Aria Yamamoto Zero-One took out a thumb drive with an Anti-Ark symbol on it.

Lincoln: This'll kill Ark once and for all and send him to The Black Abyss, just like what we did to X.A.N.A.

Aria Yamamoto Zero-One: Exactly.

The previous group came.

Wiggum: Can me, Electro, Moonstone, Mysterio, Villamax, Whirlwind, Cantwell, Bane, Weather Wizard, and U Foes go with you guys?

Ironclad: How was the date?

Nico: It was awesome and fun and yes you all can come with.

Camie: Awesome.

Lola: Yeah!

Lois Griffin: Nico, which Gene Slammer do you think you'll meet next?

Nico: Piedmon next.

Qin: WHOA!

Kurumu: This will be awesome.

Camie: Yep.

Then, Lincoln pinned Aria Yamamoto Zero-One to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with green-yellow gems on the gold lightning bolts and green-yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Aria Yamamoto Zero-One: That was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln: Sorry about that. Anyways, I also found out that Ark is back in Japan.

Aruto: Where it all began long ago.

Flora: And where it'll end for good.

Me: That's right.

Nico: He's done for now. Alright, team, let's go, this is the last time we ever have to deal with Ark.

Lincoln: Ark has caused us enough trouble to last an eternity, this is where he dies here and now.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Leela Salyers, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure we saw was Leela Salyers' Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Leela Salyers: No way, I don't remember any encounters with Allie's brother after he came back from the dead.

Allie Maxwell: Oh really. Well, do I remind you of the school dance at high school, and one of the blowhard jocks on the football team and his girlfriend tried to hurt you and Travis not only came to help you, but also, they got scared when they saw Caleb appear, and he terrified everyone there.

Leela Salyers: Oh, now I remember.

Peace Salyers: Honestly, Caleb, you terrifying The Syndicate at night was bad enough, but you terrifying everyone during the school dance was worse. Thank goodness Travis got Leela out of there before you really did something horrific.

Crash Bandicoot: I hate to find out what other things Caleb did to terrify The Syndicate.

Caleb Maxwell: Not unless you want to wind up in the nuthouse driven mad by what you find.

Nico: (Shudders) Good point, we'll take your word for it. Alright, team, let's go, this is the last and final time we ever have to deal with Ark.

Lincoln: For far too long, Ark has terrorized the world in his desire to wipe mankind from the face of the earth. This time, we'll see to it that he finally dies here and now, and once we are done with Ark, we're confronting the next of Caleb's nightmares.

Leela Salyers: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to finally put an end to Ark once and for all, and once we get done with that monster for good, Leela Salyers is going to face her Demon Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off.

* * *

We arrived.

Me: Ah Japan.

Qin: Yep.

Camie: Awesome.

Moonstone: Here we are.

Vapor: Let's call Man Boy for this

Me: Good idea.

Man Boy was called and he came.

Man Boy: i'm here guys!

Xenia: Awesome.

Cynder: Aruto, I like that your form is based off of a grasshopper

Aruto: Me too. It makes me HOP into action!

Luan: (LAUGHS) Good one Aruto!

Qin: (LAUGHS) Yeah!

Villamax (laughs): Haven't heard a joke like that in a while.

X Ray: You should do more of those

Aruto: I know! It has been a while!

Me: But yeah I agree there.

Lola: Yep.

Eli: Yeah that is fun.

Camie: Yep.

Philip: By the way, I was very impressed that there are Fullbottles and Ridebooks based off of Core TLPS members that I've made Gaia Memories based on those.

Slugslinger: Really?

Me: Cool!

Philip gave us Gaia Memories of us.

Qin: Cool!

Cantwell: That's very interesting.

Lisa Loud: indeed it is.

Qin: Yeah.

Me: It sure is.

Helga: So, Aria. What's your plan to destroy Ark?

Aria Yamamoto Zero-One: We're going to weaken him with our battle and then we're going to stick this Flashdrive containing the virus into his Kamen Rider Belt.

Me: Whoa.

Lola: Easier said than done.

Camie: Yeah

Lincoln then had a premonition.

Lincoln: (GASP) WHOA! This Akuma is gonna be brutal! We're going to face Flora's Akuma, Frightflora! The Hypothetica Akuma of Flora and she is a horrifying and scary plant monster and each of the heads can fire elemental lasers. She can regenerate and is nearly impossible to defeat. She is as powerful as Undergrowth Times 20. She was made because of the Trix destroying her entire home planet and she vowed to kill them all

WE GASPED!

Lincoln showed us a sketch of her and we saw that she was a horrifying plant monster!

Vector: She reminds me of Undergrowth.

Me: More like a scarier version of the monster from Little Shop of Horrors.

Xenia: Yeah!

Qin: Brutal!

Manterror: She could be anywhere in the plant life!

Me: Yeah!

ROOOOOOOAAAARRR!

We saw a huge figure appear and it was FRIGHTFLORA!

WE GASPED!

Nico: WHOA!

Lola: Oh boy!

Camie: Not good!

Frightflora roared ferociously!

Me: ANYONE GOT A WEED WHACKER!?

Frightflora: There you are!

Weather Wizard: Flora? Is that you?!

Frightflora: Yes it's me. Where are the Trix? I must destroy those bitches for killing my planet.

Me: The Trix of your world went too far!

Nico: You need to calm down, The Trix of this world have changed for the better!

Frightflora: It doesn't matter! They will die!

I fired a wave of fire and blasted her all over!

Xenia: Take that you horticultural monster!

Man Boy: Sorry we gotta do this then.

He blasted her all over.

Frightflora fired elemental laser blasts of fire, lightning, poison acid and ice and we dodged them.

I fired waves of energy and blasted her.

Danny: Take this then!

He used Cryokinesis and blasted her all over with ice.

I blasted her all over with fire and ice.

She was regenerating.

Frightflora: My turn!

She ired waves of fire and lightning and we dodged them.

I fired waves of ice and froze her.

?: I'll finish her!

Out came the Nymph Gene-slammer!

Nico: (GASP) Aurora Nymph!

Aurora Nymph: Awesome to see you Nico! I got this.

She fired a wave of energy and blasted her into a million pieces and we beamed her to the M.O.E.

Aurora Nymph: That was awesome!

Eye Five: You gave Nico that message?

Aurora Nymph: I sure did. Sorry I didn't show up during the Ultraman Mission. Tara incisted that she meet you there.

Tara Geed: Oh thanks for Reminding me. I have these for you.

She pulled out a box and in it was a bunch of Ultraman Geed King Swords and M.O.E. and Core 310 Ultra Capsules.

Me: Whoa! Ultraman Geed Weapons and Ultra Capsules for us and our archenemies.

Qin: Cool!

Xenia: That is awesome.

Tara Geed: Yeah that was for when we meet the Geed Team later.

Camie: Awesome!

Bane: (Spanish Accent) Bettle late than never.

Me: Yeah. Thanks Tara. We'll have to see what these can do later.

Tara Geed: No problem.

Me: Oh Aurora do you have a favorite memory of Nico?

Aurora Nymph: I sure do. When me and Nico rescued mermaids in our Dungeons & Dragons game with the club and it was fun. (DRAGON ROAR)

Me: YEAH! Wow!

Qin: Boy that was fun.

Nico: It was.

Nico and Aurora hugged.

Nico: I've missed you.

Aurora Nymph: Same here.

Me: Aww. Now we can go find Ark.

Burner Man: That was one bad plant!

Me: Boy no shit!

Flora: And all because the Trix of her world destroyed Linphea.

Me: That really crossed the Moral Event Horizon.

Icy: We were pure evil monsters!

Darcy: Yeah no kidding.

Me: If we face dark versions of you girls I'm going to make sure they suffer big time.

Whirlwind: It makes Audrey II look cute.

Nico: Yeah.

Lola: That is for sure.

Me: Yeah.

Nico: Lets go after Ark now.

Camie: By the way J.D. didn't you want to kill the Prime Universe's version of Dr. Doom?

Me: Yes I do.

Camie: Why?

Me: I didn't get the chance to deliver the final blow. He blew himself up before I could do so. I have an old score to settle with him.

Nico: And this was before I joined the team.

Me: Yeah.

Camie: By the way J.D. didn't you want to kill the Prime Universe's version of Dr. Doom?

Me: Yes I do.

Camie: Why?

Me: I didn't get the chance to deliver the final blow. He blew himself up before I could do so. I have an old score to settle with him.

Nico: And this was after I joined the team.

Me: Yeah.

Nico: I remember that.

Thing: I'll no doubt face him on my big day.

Me: Yep.

Stormy Weather: Where is he?

Eli: (Concentrates) In the sight where we battled Ark before.

Me: I remember that.

Mysterio: Which robots should I summon for this?

Nico: Sköll Heartless this time

Mysterio: Awesome choice.

Nico: Lets do it.

We were off.

We arrived at the sight where we fought Ark before.

We saw Ark in the middle of the destroyed satellite from before. We saw that he looked like Horobi!

Plitheon: There he is!

Jesse Glenn: Time for our opening performance!

Me: Yep. But he looks like Horobi.

Horobi: Not good.

We went at him.

Ark was waiting. Then the spirits of the cybernetics appeared and swirled around him and converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Me: Okay Ark!

Ark turned and faced us with eyes glowing red!

Me: Long time no Punch Ark. And fitting that you would be assuming the very rider that betrayed you.

Electro: Oh, you're in a bad position against my powers!

Ark: Well if it isn't the obsolete lifeforms.

Me: We are not the same as we were when we fought the last time Ark. We've gotten more powerful than ever before.

Lola: You will pay for your crimes agaunst Humagears!

Me: Yeah! Humagears are people too! They may be machines but they are humans in every way like us!

Ark: Yes. People to bend to my will.

Me: Not on our watch you twisted pile of scrap metal!

Nico: That's right!

Lola: Yeah!

Ark: We'll see.

Me: Yes we will. Now how about turning into Ark.

Ark: As you wish. (ACTIVATES BELT) Hen-shin.

HE TURNED INTO KAMEN RIDER ARK!

Optimus Prime: Humans and Machines can coexist and work together! Just like it is with humans and Cybertronians.

Ark: Fool.

He unsheathed his sword and then I clashed with him and sparks flew all over the place and fire blasted out all over.

Me: WE DO DESERVE TO EXIST! YOU DON'T!

Mysterio charged at him and blasted him all over.

Android 16: You have no right to say that to anyone.

Mysterio and Android 16: BLASTERS OF MAYHEM!

They fired waves of energy and blasted Ark all over the place.

Nico: NOW You're going to see the TRUE POWER of the Saiyan Race!

Nico flared up his power and went Ultra Super Saiyan!

LIGHTNING STRUCK ALL OVER AS STORM CLOUDS FORMED ALL OVER THE PLACE!

Nico flew and punched Ark in the face and bashed him all over.

Nico: You can't win Ark!

Villamax charged at him and kicked him in the face.

Trunks: We will make sure that you are destroyed forever! (FLARES UP POWER!)

Firestorm Shimmer: No I control the power. It doesn't control me.

She concentrated and reigned in the power and she turned into Ho-oh and flew at him and blasted Ark all over with Sacred Fire.

Lola: YEAH!

She reverted back.

Nico: YEAH!

Flora: You've got some nerve showing up again, Ark, I thought we were finally rid of you two years ago.

Ark: Banishing me to The Black Gates didn't even help in the slightest. Now, I will finally have my revenge on you all, Team Loud Phoenix Storm, along with you and your team, Aruto. MAGIA!

Suddenly, we saw a huge army of Magia heading right for us, but then, Caleb Maxwell stood in their way. Then, he loosened the grip on his twin pistols until he let go as they were about to fall to the ground only to see them levitating as it caught our attention.

Caleb Maxwell: So, you decide to send your grunts after us? That's rather low, I didn't want to do this, but you left me no choice.

Suddenly, Caleb Maxwell clenched his fingers tightly in a clawed up position, and then, we saw he drew blood as it fell onto the ground and formed into a large pool of blood, and then, we saw black and blood red energy come out of the large pool of blood.

Then, the army of Magia were caught in a dark magic circle that appeared below their feet and they couldn't move.

Caleb Maxwell: It's over. (ECHOING VOICE) RAIN OF BLOOD!

Then, a massive geyser of blood shot up into the sky, and blood came raining down from the sky and the blood rain hit the Magia soldiers, and then, we saw them start to dissolve into a bloody mess, and the blood rain ended and Caleb's twin pistols went back into his hands.

Nico: Whoa! What the?! What on Earth was that?!

Lincoln: (GASPS) I'd recognize that technique from anywhere, it's known as Rain of Blood, but it's one of the most lethal of all vampiric techniques, not only does it means using your own blood to perform the attack, but any caught in its path are turned into a bloody mess.

Me: Jeez.

But, then, Caleb's wounds on his hands healed and the white gloves repaired themselves.

Caleb Maxwell: Normally, that's true, but if used correctly, it'll only be the targeted group that feels the effects of the rain of blood.

Travis Tackett: (Wolf Whistles)

Peace Salyers: Oh, he approves, sis.

Demon Blood Influenced Leela Salyers: Whatever, you can't do anything against me on your own, we're both one and the same, Leela.

But, you're also a ghost of the past, and where another of Caleb's nightmare's ends here and now.

Leela Salyers: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Cat True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Cat True Immortal Phoenix God Angel Love) Travis...?

Caleb Maxwell: Just trust him, Leela, you've never dealt with someone under the influence of Demon Blood before, so you're gonna need the help of a vampire to accomplish that task.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) He's right, we've dealt with this before, since we were the ones who made the dumb mistake drinking demon blood.

Leela Salyers: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Cat True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Cat True Immortal Phoenix God Angel Love) Alright. Let's do this.

Leela Salyers and Travis Tackett went after Demon Blood Influenced Leela Salyers, and they fired extremely powerful blasts of black and blood red energy, black and purple energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Leela Salyers, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords leaving painful scars on her, and they even scratched her with their gold-plated dragon claws and they smashed her all over the place with their superhuman strength, and it was making Demon Blood Influenced Leela Salyers even more enraged.

Demon Blood Influenced Leela Salyers: H-how?! How is this even possible?!

Caleb Maxwell: It's because Leela wasn't weighed down by what happened back in the past, and I escaped that night when she and the others came down to the cells, but not without getting shot.

Leela Salyers: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Cat True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Cat True Immortal Phoenix God Angel Love) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my life, and I'm also together with Travis Tackett, and I don't even care that he's a vampire, I love him for who he is, and I'm sticking with him forever.

Travis Tackett had a blush on his muzzle and Demon Blood Influenced Leela Salyers saw it and smiled.

Demon Blood Influenced Leela Salyers: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Leela Salyers faded away, but not before giving Leela Salyers a gift: her powers and abilities added to her own.

Leela Salyers: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Cat True Immortal Phoenix God

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Leela.

Leela Salyers: That's right, just like Cage and his old man, the captain, Carter, Jack, Roxy, Jazz, Casey, Cuffs, Buffy, Vessie, Abby, and Travis, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Baia Westbrook, Gene-Slammer and Avatar of Marincess Springirl.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Baia Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Springirl. She's the seventh youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Baia Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Baia kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Baia absolutely despises Danzo Shimura with a blazing passion, because of everything he's done, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if he ever, and I mean, EVER SHOWS HIS MISERABLE HIDE AGAIN!

WE GASPED!

Nico: Oh shit!

Me: Oh man!

Eli: Damn!

Lincoln: That's something we all have in common: we all despise Danzo for everything he's done, and if we ever see him again, he will be getting The Black Abyss along with his minions whom Anti-Monitor has also brought back.

Me: WHEW! That's number 2 of the Riders major enemies done for.

Spymaster: Good thing I got all of Ark's Data before this.

Unicorn: It IS what you do

Pyros: It sure is.

Me: We can reprogram it and use it for good from now on.

Spymaster: Good idea.

Beautiful Gorgeous: Now, Ark's done for

Kite Man: Let's celebrate!

Nico: Yeah! Great job today everyone.

Aruto: (To the viewers) This was an awesome adventure that packs the Bytes! (LAUGHS)

WE LAUGHED!

We went to Lynn's Table and had a great meal and went home and went to sleep.

Caleb Maxwell was looking out into the sky as the sun set and night had fallen.

Caleb Maxwell: And so, another day ends and night falls on the city. First, Sou Fueki A.K.A. Kamen Rider Wiseman returned, then, The Checkmate Four, and now, Ark returned. I'll need to keep a closer eye on more of the Kamen Riders' old enemies, there's no telling which of them will strike next.

Caleb Maxwell summoned an army of vampire bats and sent them out into Japan and all over the world to monitor the activities of the other Kamen Riders' old enemies who've returned from The Black Gates thanks to Anti-Monitor. Then, after that, he went back home and went to bed.

Caleb Maxwell: You all can run, but you can't hide, my army of vampire bats will find you all, and when you do make your move, it'll soon be the last move you'll ever make.

THE END

Alright, and for tomorrow, the next match-up is Peace Salyers VS. Demon Blood Influenced Peace Salyers

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the eastern part of Gotham Royal York, but we got bad news: another of Lincoln's old enemies is on the loose, and she is one mega bad girl and a callous thug with a love for hatred, her name is Carla Thomas, once she was a girl who had a good upbringing and was a bright and smart student, but when she was eleven, her father went to prison for life for killing a man in broad daylight. Eventually, she went off the rails and she became a ticking time bomb full of hatred, and she also became a notorious Hellraiser by the age of sixteen causing trouble on the streets, drinking alcohol, disobeying school rules: one of which her inappropriate school attire had gotten her expelled, and she'd gotten together with a group of other fellow Hellraisers, and together, they began causing trouble and bringing hell to all of Michigan and Royal Woods. But, their life of causing trouble to others and raising Hell came to an end when Carla and her friends beat a man and woman to death one night after they spat on the couple and harassed them with rude obscenities and called them pigs and cows, and she and her friends posted what they did on social media, and they had absolutely zero remorse at all! WHAT A DESPICABLE BITCH! But, the bad news: that couple Carla and her friends beat to death were the parents of Rurika Matsumoto, Gene-Slammer of Ultra-Miximum Max and Princess of The Mixels, and her sister, Rangiku Matsumoto. After Rurika found out on the social media posts and from The Mixels and the other Guardian Angels, Rurika became extremely enraged at that callous thug and bully, so she called the cops and Carla and her friends were arrested, and after a short trial, Carla Thomas and her friends were found guilty of the murders of Rurika and Rangiku's parents, but while her friends got sent to juvie for their roles in the murders, Carla Thomas being the ringleader was sentenced to life in prison with no chance for parole.

Now, years later, we got word from the warden that Carla Thomas had broken out of prison thanks to help from her Hellraiser friends, and they want revenge on Rurika and Rangiku for for sending them to prison. But, we're going to trash that bitch and her Hellraiser friends, and instead of killing them and sending them to The Black Abyss, we are sending them to a brand-new prison Lincoln created: it's called The Iapetus Prison for Irredeemable Hellraising Teens, it's a brand-new prison Lincoln created on Iapetus, the third-largest and outermost of Saturn's large moons, and it's a top-notch state-of-the-art Supermax Security Prison equipped with top-notch state-of-the-art security systems and the toughest security officers employed and built for one reason: to house irredeemable hellraising teens with a penchant for raising hell and causing mayhem to others, and it's where that despicable bitch and her friends are going after we take them down, and they'll stay there for all eternity.

And we're going to meet Baia Westbrook, Gene-Slammer and Avatar of Marincess Springirl, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Springirl. She's the seventh youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Baia Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Baia kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Baia absolutely despises Danzo Shimura with a blazing passion, because of everything he's done, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if he ever, and I mean, EVER SHOWS HIS MISERABLE HIDE AGAIN!

Carol's day to shine is next and we're going to battle her evil persona Morgan.

See you all next time.

DARK SIDE OF CAROL RETURNS

Carol's evil persona Morgan is back!

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one wasn't a good one, apparently, his dream took him to the last place none of us would ever want to see or hear of ever again: the ruins of Chamberlain, Maine. He was still flying in the skies, but he saw three figures emerge from the darkness, and they're three figures whom we hoped never to see again, they're none other than our old enemy, Carrie's bully and the absolutely monstrous and evil bitch, Christina Hargensen, her asshole boyfriend, Billy Nolan, and Carrie's former mother, the abusive religious fanatic Margaret White, and they were back for revenge on Carrie again. Lincoln woke up, but so did his harem too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow, Lily. Christina Hargensen, Billy Nolan, and Margaret White have returned.

Mira Michaels: My God. Anti-Monitor, you've got some nerve.

Lincoln: I know, Mira. Tomorrow, everyone's gonna hear the truth, and knowing Crash, he's gonna spill the beans, but it's best that I be the one to tell them tomorrow.

Girl Jordan: Good idea.

Lincoln went back to sleep with his harem. Then, morning came, and Lincoln and his harem got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, I had a dream, but this one isn't good, my dream took me to the last place none of us would ever want to see or hear of ever again: the ruins of Chamberlain, Maine. While I was still flying in the skies, I saw three figures emerge from the darkness, and they're three figures who we hoped never to see ever again, they're none other than our old enemies, Carrie's bully and the absolutely monstrous and evil bitch, Christina Hargensen, her asshole boyfriend, Billy Nolan, and Carrie's former mother, the abusive religious fanatic Margaret White, and they were back for revenge on Carrie and us again.

WE GASPED!

Eli: What?!

Me: You've got to be kidding me, I thought we were finally done with that bitch, her asshole of a boyfriend, and that abusive religious fanatic! Anti-Monitor, you bastard.

Nico: Well, now we know who were facing on my rescue.

Lincoln: It's obvious that we're sending Chris and Billy Nolan to The Black Abyss, but as for Margaret White, we're sending her back to the nuthouse, this time forever, but this time, she's going to be hit with a special kind of curse I made for a religious fanatic like her.

Laney: Uh oh, if this is one that's born from her religious fanaticism, I can tell it's really going to be a very nasty one!

Nico: We'll have to wait and see.

Caleb Maxwell: Oh God. (Thinking) If he's planning on using a curse born from the inspiration of the powers of Hell, Margaret White is so done for.

But, we heard Caleb Maxwell's thoughts.

Lincoln: (Thinking) Caleb, you worrywart.

Caleb Maxwell: Shoot.

We laughed.

Nico: Hey, you also happen to have knowledge of dark demonic curses yourself, Caleb, you did drink some demon blood in the past.

Cage Blunt: That doesn't work that way, Nico.

Eli: At least, he didn't get possessed by any demons!

Travis Tackett: That also doesn't work that way, Eli.

Lincoln: They're right, it doesn't, but we vampires know to stay away from that stuff. However, only a few powerful vampires can have demon blood and our bodies can cleanse it of any horrible effects.

Cage Blunt, Travis Tackett, and James Blunt: (Smirks) And when were you going to tell us that?

Lincoln realized he failed to mention that.

Lincoln: Dang it.

We shared another laugh.

Carol woke up to see Mew staring at her.

Mew: Morning Carol. Time for breakfast.

Carol: Oh be right down.

Carol went and got dressed and went to the table and we were having chicken eggs benedict and man was it delicious!

Later it was time for the rescue and Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build

Carrie White was with us. And we were there for a good rescue.

Qin: Chamberlain.

Camie: Wow.

Lola: This place has lots of bad memories.

Eli: No kidding there.

Lola: Yeah.

Carrie White: Man this place is empty.

Ace Ukiyo: Where is everyone?

Me: It's a ghost town. The people moved out and left this whole place to rot. The reason? A horrifying event called the Black Prom.

Nico: Yeah. Slash Beast, I want to thank you, Nruff, and your teams for coming.

Slash Beast: No problem Nico.

Kaarina Heikkinen: (Finnish Accent) It'll be fun to help you all out in this.

Nico: Kaarina, remember when we first met?

Kaarina: I sure do. At my family's Finnish Lapphund farm and it was awesome.

Nico: Yep.

Laney: That is awesome.

Me: Yeah.

Nico: How do you like your dog form?

Kaarina: It's perfect and really fitting for me too.

Me: It sure is.

Lana: Yep.

Qin: Finnish Lapphunds are so cute. They are awesome dogs.

Camie: Yep.

Aruto: I agree.

Me: WHEW! Man we really destroyed Ark forever.

Nico: Thanks to the Zero One Embodiment

Lincoln: Yeah that was awesome. There are many more Embodiments of the riders coming. You're in for a real fun treat.

Xenia: Yeah.

Nico: Looking forward to it.

Camie: Yep.

Nico: I'm really looking forward to seeing the rest of them

Me: Me too.

Qin: Same here.

Camie: Me too as well.

Lola: Yeah.

Nico: But that virus really worked.

Me: Just like the virus I made to destroy XANA.

Qin: Yeah.

Nico: Yep. Now we have 2 Renegade Artificial Intelligence Systems destroyed forever.

Lola: Yep.

We walked around.

Ace Ukiyo: Geez, was there a terrorist attack here or something?

Me: No. Worse.

Nico: It was the result of one girls abuse at the hands of Bullies and her insane mother that reached the breaking point.

Me: Carrie went on a terrible rampage that left 250 people dead and destroyed much of this entire town.

Ace Ukiyo: I'm afraid to ask but...what happened?

Me: Well it wasn't pretty.

I went over what happened with Carrie.

When I was later done everyone that hadn't heard about it was shocked and horrified!

Ace Ukiyo: Oh man! Carrie, I'm so sorry!

Neon: (CRYING) HOW CAN PEOPLE BE SO EVIL TOWARDS YOU!?

Michinaga: (hugs her) I'm sorry, Carrie

Carrie White: Thank you Michinaga.

Me: I called a press conference in Washington D.C. and told the country about what happened.

I showed it from chapter 156 of Loud House Revamped.

Me: Good morning everyone. I'm sorry to interupt all your activities but a major tragedy has befallen the small town of Chamberlain in Maine. Due to bullying that got completely out of control, young Carrie White here went on a ballistic rampage and completely destroyed the town. Christina Harginson and her boyfriend Billy Nolan were responsible for this whole tragedy that left 260 men, women and children dead. Carrie White's own mother Margeret White is also responsible for this horrific event. Margeret is insane. She has Post Traumatic Stress Syndrome and Schizophrenia. She also has delusions that cause Religious Ideation and it made her into an insane Christian Fanatic. All three people were arrested. Margeret White will no doubt be found completely incompetent to stand trial and will be considered an extreme danger to everyone around her and to herself. Carrie White has been through a nasty and terrible ordeal at the hands at these three people. No, these monsters and they deserve to be punished at the maximum extent of the law. The President of The United States of America has ruled last nights horrific tragedy as an act of genocide.

The press and the country were horrified. The whole world saw the press conference and it was horrifying. Margeret was indeed incompetent to stand trial for her crimes and she was declared criminally insane. They call her a female John Hinckley Jr. to the 10th power. She was commited to the Los Angeles County Jail in the Twin Towers Maximum Security Mental Hospital for the Criminally Insane. Chris and Billy were found guilty on numerous counts of Arson, Assault and Battery and domestic terrorism and 260 counts of Capital Murder. Billy Nolan was sentenced to death and Chris because she was 17 at the time of the crime, she was sentenced to 660 consecutive terms of life without parole plus 30,874,837 years in federal prison. The Guinness Book of World Records made her prison sentence the Longest

Prison Sentence ever recorded in the history of man and also the youngest person to serve said sentence. Her case is so high profile that she can't even serve it on Earth. So a special prison was recently built on the place they least expected it, THE MOON. The Moon prison was also known as the Alcatraz of Space because an escape attempt is 150% impossible. The reason for this is because if they escape, the endless vacuum of space will kill them in seconds. It's the ultimate supermaximum security prison. Chris was disowned by her family and stripped of her reputation, and more. I also placed a terrible curse on Chris, Eternal life as a Spoiled Brat Child of 6 years old. That was considered a much bigger fate that's worse than death. Chris was also forever bound to the prison and she can never leave the facility. Billy was executed the next morning after his sentence was announced. Chris was now forever labeled as a "Female Charles Manson" and a "Female Devil Incarnate".

When it was done they were shocked more.

Nico: I wasn't there when that happened but I did see that on the news.

Lincoln: Yeah.

Zuria: Oh Carrie that is horrible! I can't believe you had to endure all that!

Ace Ukiyo: Yeah how can a bunch of people do all that to you!?

Me: Yeah!

Camie: Man what a bunch of heartless morons!

Keiwa: It's bad for the pig too. It got killed for this!

Me: Yeah! No kidding!

Laney: To make matters worse, her own mother was insane.

Nico: She got attached to religion a little too much.

Me: Yeah. She was diagnosed with schizophrenia. She should have been committed to a maximum security insane asylum before the prom incident.

Lincoln: Yeah that was horrible.

Qin: It was.

Lola: But that bully Chris got what was coming to her!

Nico: She sure did.

Me: Because of Carrie's mother and out of control bullying this entire town's future was extinguished. Now it's sitting here to rot away.

Qin: Yep.

Carrie White: I can never forgive Chris, Billy and my mother for what they did to me. My mom views me as a Spawn of Satan.

Nico: No you're not!

Me: Chris, Billy and Margaret are the TRUE spawns of Satan and they got what they deserved.

Qin: Yeah!

Camie: Hell times Infinity!

Carrie: I know. Chris has hated my guts since 6th grade and made my life a living nightmare.

Nico: You guys don't want to know what they did to her in the shower

Neon: (GULPS) What did they do?

Me: Humiliated her as she had her period!

THEY GASPED IN SHOCK!

Neon: That's sick!

Me: Yeah. Horrible.

Lola: They should have expelled that monster Chris and sent her to a far away school!

Qin: I agree!

Xenia: What she did was inhumane!

Nico: I'm going to give Chris the Worst ever torture she ever endured before we send her to the Black Abyss.

Me: And I believe that Lincoln had a dream that confirmed who it is we're facing.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Chamberlain, Maine, but like my dream had told me last night, our old enemies, Carrie's bully and the absolutely monstrous and evil bitch, Christina Hargensen, her asshole boyfriend, Billy Nolan, and Carrie's former mother, the abusive religious fanatic Margaret White, and they were back for revenge on Carrie and us again, thanks to Anti-Monitor.

Me: As you said to us this morning. Man, I thought we were done with them.

Nico: Same here, but Anti-Monitor's blasphemous action in compromising The Black Gates led to them returning, but we're finally going to put them down once and for all by sending that bitch and her asshole boyfriend to The Black Abyss and Margaret White back to the nuthouse forever and with a curse Lincoln has for her.

Anna Anyanova: Honestly, Mira really wanted to kill her and send her to The Black Abyss as well, but having Linky curse that religious fanatic and throw her back in the nuthouse where she truly belongs is much better.

Lincoln: That's right, Anna.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and the Midnight Princesses have resurrected Seth, Gill, Necalli, and Urien from Street Fighter, and sent them after us.

Lincoln: Are you kidding me? Morgana, why you little...?

Me: Lincoln, what's wrong? Oh no, who did Morgana bring back now?

Lincoln: It's not good at all, Morgana Midnight Sparkle and the Midnight Princesses have resurrected Seth, Gill, Necalli, and Urien from Street Fighter, and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico opened his mouth wide, and his skeleton came out.

Qin: Oh, that's not good at all.

Nico put his skeleton back.

Nico: I hate it when that happens. Lincoln, I hope you absorb them like you did two years ago.

Lincoln: That's exactly what I'm going to do to them.

Suddenly, Crash Bandicoot appeared and the rest of the team also arrived thanks to Lincoln's telepathic message, and they were loaded up with weapons.

Ed Cowart: We got here as soon as possible.

Lori: We're ready for those three once again, they are not getting out of it.

Lincoln: You said it, Lori.

Crash Bandicoot: After everything they've done, I'm not surprised they'd return for revenge once again, but this is the last time we ever have to deal with them, today we get rid of them for good.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread

out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Christina Hargensen, Billy Nolan, and Margaret White) AHA! Gotcha! I just spotted Chris and Billy, they're 20 yards away and they're coming right at us in Billy's truck again, and Margaret's hiding in the shadows, we'll force her out and smash Billy's truck to pieces again. (Sensed Seth, Gill, Necalli, and Urien) And I just spotted Morgana's next line of puppets.

Nico: Let's tear them apart.

Lola heard a Pokemon cry

Lola: Guys look!

We saw 4 Oricorio! One for each type.

Me: Cool! 4 Oricorio.

Lily: One for each type.

Nico: Perfect for you and your ribbon dancing performances.

Lola: Yeah.

Senzu Oricorio: Yeah!

Pom Pom Oricorio: We're hungry.

We gave them apples and food.

Baile Oricorio: Thanks!

They got to eating.

Lola: I'm keeping all 4 of you!

They cheered!

Lola: Yeah!

Nico: You guys won't regret being with us

Senzu Oricorio: We know we won't.

Me: Hey look!

We saw Celebi come and it flew around us.

Me: Cool a Celebi.

Nico: What's that doing here?

Fluttershy: Oh it's so adorable.

Celebi sang a song and Fluttershy sang with it. NUMEROUS Butterflies and birds came and they sang and danced with them.

Xenia: Wow!

Twilight Sparkle: Oh wow! That is amazing!

Fluttershy: Oh I feel like I... (Uses telepathy) (GASP) Daffodil Bloom!? It is you! And you look so adorable as a Celebi.

Me: You know her Fluttershy?

Fluttershy: She's my twin sister.

She giggled and flew away to a hiding spot.

Nico: Oh, she's one of THOSE Dark Gale victims. And she wants to play hide and seek!

Me: (LAUGHS) That is funny.

Eli: Yeah.

Fluttershy: Oh I think this will be fun.

Eli: You can run but can't hide.

We looked for her.

Fluttershy: (Singing)

She then had birds fly in and they found her and she was hiding in an alley.

Me: There you are.

Camie: Awesome.

Me: Lets get you back to normal. (SNAPS FINGERS)

I snapped my fingers and she reverted back and was a girl with green blue hair, green eyes and had green butterfly wings and had Celebi on her forehead and had a green version of Fluttershy's Cutie Mark on her arm.

Fluttershy and me Wrapped her in a blanket and we brought her over to a bench.

Me: She sure loves nature as much as you do Fluttershy.

Fluttershy: She absolutely adores nature more than anything.

She woke up.

Fluttershy: Daffodil? Are you okay?

Daffodil Bloom: (Groans) Fluttershy? (Gasp) Fluttershy!

They hugged.

Daffodil Bloom: I'm so glad to see you.

Fluttershy: I am too sister. It's great to see you.

Zephyr Breeze: Well hello big sis! Awesome to see you.

Daffodil Bloom: Hello little brother. Great to see you too.

Me: You were turned into a Celebi because of Dark Gale.

Daffodil Bloom: (GASP) I remember! That was horrible.

She was in a spring green suit and strapped to the table and injected. Then she shrunk and her clothes fell off and was turned into a Celebi and flew out.

FLASHBACK ENDS

Daffodil Bloom: I can't believe that Dark Gale did that.

Me: Well we promised that we would kill them later on.

Nico: You know how dangerous it is to play hide and seek here?!

Me: Nico easy. She's just as sensitive as Fluttershy is no doubt.

Nico: Sorry.

Daffodil Bloom: Oh my I'm sorry. I didn't know. But what happened here?

Me: Well it's a very dark story and it involves our teammate Carrie here.

Laney: Yeah.

Carrie White: It was a nightmare.

Daffodil Bloom: Oh my. Carrie I'm sorry.

Me: Lets just say it was the result of out of control bullying and parental abuse due to mental illness.

Daffodil Bloom: Oh my. I'm so sorry.

Carrie White: It's okay. But thank you.

Nico: You're actually one of those victims who was playful to us

Me: Yeah. And Celebi is perfect for you because she sings amazingly well.

Camie: Yeah.

Daffodil Bloom: I can agree there.

Me: And you have a great voice yourself too and have all sorts of animal friends like your sister.

Lilja: (Icelandic Accent) And like me as well. Oh I'm sorry I'm Lilja. I was adopted by Fluttershy.

Daffodil Bloom: Oh wow! It's a pleasure to meet you. I guess that makes me your aunt too.

Lilja: It does.

Me: Yep.

Nico: What's your role in Sonya's team?

Daffodil Bloom: I'm the ecomancer and nature sage of the group.

She formed a flower in her hand and butterflies came to it..

Daffodil Bloom: All of nature and life is very precious to me and I love all things great and small.

Me: Wow. You are totally one with the powers of nature.

Daffodil Bloom: Oh yes. My sister has her animal friends and I have both plants and animals.

Laney: Wow that is amazing.

Syd Chang: Boy it sure is.

Me: What do you do outside the team?

Daffodil Bloom: I'm a gardener and I also work at the zoo to nurse animals and help them.

Me: That is cool.

Nico: All I'm saying is that this place is dangerous.

Nico was unaware of a car about to hit him

Me: NICO LOOK OUT!

Nico saw the car and we jumped out of the way and saw that it was CHRIS AND BILLY.

Me: There's our unpleasant duo!

The car turned around and was aimed at us.

Chris Hargensen: Kill her, Billy! RUN THAT UGLY BITCH INTO THE GROUND!

Billy Nolan gunned it and he was speeding right at Carrie to run her over, but Lincoln steps forward and he punched the car hard and it exploded into nothing but scrap metal, and all that's left was Chris and Billy in their seats.

Me: WHOA! Nice one!

Billy Nolan: YOU FUCKER! YOU DESTROYED MY CAR! I'LL FUCKING KILL YOU!

Billy Nolan charged at Lincoln with a knife in his right hand, but Lincoln grabbed him with his left hand and applied more than enough pressure that caused Billy Nolan to scream in pain as he dropped the knife, then, Lincoln slammed that asshole right into the ground and he threw him into a nearby tree. That pissed off Chris Hargensen and she came running towards us in a fit of rage to kill us, but Lincoln kicked Chris hard and she crashed into a tree, and when they got up, that really pissed that bitch and asshole off really bad!

Suddenly, Lincoln felt a presence and fired a rainbow, white, and blue energy blast that hit its target and forced out our third target: Margaret White, and she still harbored hatred towards Carrie.

Me: If it isn't our least favorite trio of assholes.

Nico: You three have got some goddamn nerve coming back from The Black Gates, you just don't even know when to quit, do you?!

Chris Hargensen: (NTH-DEGREE FUCKED-UP ENRAGED SCREAM) I'LL FUCKING KILL ALL OF YOU!

Anna Anyanova: Fuck you, bitch! And your boyfriend and that religious fanatic too!

Nico: And you got some nerve trying to turn me into roadkill!

Anna Anyanova fired three blasts of light and darkness at Chris Hargensen, Billy Nolan, and Margaret White, and they got burned bad.

Lincoln: Nice one, Anna!

Me: That was brutal!

Nico: And well-deserved, but they're not out yet.

Lincoln: No, they're not.

Chris: Now that we're free, we're going to show you the same kindness you all showed us! We're going to take years of YOUR lives!

Margaret: Or just take it all!

Me: SHUT YOUR FUCKING HOLES!

Chris: WHAT DID YOU JUST SAY TO ME!?

Me: You heard me you bitch! Or is your stupid brain fried from hurting and hating Carrie so much that you need a brain transplant!?

She growled!

Me: And also here's this! (SNAPS FINGERS)

KRASPLASH!

A massive waterfall of pigs blood drenched Chris all over.

She was drenched from head to toe in blood!

Chris: (SCREAMS) I'VE BEEN BLOODIED!

Nico: (LAUGHS) Poetic. Let's kill Billy first. It's Chris and Margaret who are the true targets

Me: All of them are our targets Nico. But Chris, That's what you get for all the years of pain and humiliation you put Carrie through! Also I don't see daddy dearest coming to back you up this time. Don't you remember? He kicked you out of the house!

POW! KROW!

Carrie punched Chris in her mouth and kicked her in her face!

Carrie: That was for humiliating me in the shower when I had my period!

Chris: I HATE YOU MORE THAN LIFE ITSELF WHITE!

Carrie White: You hate me because I've always been better than you! You have no right to call yourself a human being after all the pain and hurt you put me through!

Margaret: YOU SHUT UP DEMON! YOU ARE A SPAWN OF SATAN AND DESERVE TO GO BACK TO HELL!

Me: The only demon here is you Margaret! You are fucking insane and you are the only one that deserves to go back to hell!

Nico then grabbed his knife and slit his throat.

SLASH!

Me: Okay have it your way. Let him choke on his own blood.

Camie: Yep.

But then his head fell off and he was fully decapitated.

Me: Or let him cut his head off.

Nico: One down. Two to go

Me: Yep.

Carrie kicked Chris in the face and broke her nose.

Me: You make me sick Chris! I know! Lets play dentist. Nico hold her mouth!

Nico: With pleasure!

Nico held her mouth open. I used my psychic powers and then ripped out her teeth one by one!

She was bleeding profusely from her mouth.

Lincoln: And Seth, Gill, Necalli, and Urien, you better get out here, there's no use hiding.

We then saw our secondary targets: Seth, Gill, Necalli, and Urien, and they have the demonic Alicorn on their foreheads.

Urien: You will all pay for the humiliation you've dealt unto us!

Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Gill and Urien, and he began absorbing them and he and all of us assimilated Gill's Pyrokinesis, Cryokinesis, Chakra mastery, Meteor strike, Spiritual tapping, Physical and mental perfection, Genius intelligence, Superb leadership, and Mastery over the Sixty-Six Secret Arts and Urien's Genetic research, Pankration, and Illuminati Secret Arts: Metallic Sphere, Chariot Tackle, Violence Knee Drop, Dangerous Headbutt, Tyrant Slaughter, Temporal Thunder, Aegis Reflector, Break Rush, Killer Straight, Terrible Smash, Quarrel Punch and Kick, Anger Snap Fist, and Dominant Crush, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails, nothing was left of them except for their clothes. Then, Lincoln turned the stinger into a large sucker and he latched it onto Seth's head and he couldn't get out and Lincoln sucked him into his body, and he assimilated Seth's Superhuman strength, ability to Shoot projectiles, Usage of attacks from other fighters, and Built-in Tanden Engine, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Finally, when Lincoln was done and the stingers changed back, he fired an orange slime blast which overwhelmed Necalli and Lincoln called the slime back and it merged with him and he absorbed Necalli into his body, and he assimilated Necalli's Sufficient intelligence, Obsessed tenacity, Intimidation, Nigh-immortality added to his true immortality, Spiritual absorption, Sharp claws, Animalistic fighting skills, Possession, Clairvoyance, Telepathy, Smoke manipulation and corruption, Oneirokinesis, Corporikinesis, Rage empowerment, Enhanced strength, Enhanced durability, Enhanced endurance, Enhanced agility, Enhanced speed, Teleportation, Transformation, and Organic manipulation in his normal form, and in his Torrent of Power form: his Energy projection and manipulation, Superhuman strength, Superhuman durability, Superhuman endurance, Superhuman agility, and Superhuman speed, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, we saw as Lincoln drained Seth, Gill, Necalli, and Urien's souls of all their energy, and when that was done, he sent them to The Black Abyss forever.

Carrie?

Carrie White-Loud: Right, it's high-time that we deliver unto the black hearts and souls of Christina Hargensen, Billy Nolan, and Margaret White their punishment for their crimes and for all the lives lost.

Eli: Your days of eternal damnation has arrived, you monsters!

Sabrina Lorelai summoned tentacles of darkness that restrained Chris Hargensen, Billy Nolan, and Margaret White, so they couldn't even escape.

Sabrina Lorelai: Don't you dare think you three are getting out of this, you must pay for the lives lost!

Suddenly, Carrie's eyes turned neon golden yellow and she was surrounded by a white, blue, and golden yellow energy aura with stars, aura energy, white and blue heavenly flames, rainbow crystals, light, heavenly lights, phoenixes, and angels, and as she approached Chris Hargensen, Billy Nolan, and Margaret White, she left white, blue and golden yellow energy, stars, aura energy, white and blue heavenly flames, rainbow crystals, light, heavenly lights, phoenixes, and angels with every step.

Carrie White-Loud: Even after all this time, you're still nothing more than a monster through and through. You bullied, tortured, and tormented me and made my hellish life even worse than before, Chris, and despite the repeated warnings you'd gotten from Miss. Desjardin, you refused to listen, and because of that stupid prank you and Billy pulled and the homicidal religious fanaticism of Margaret White, over 250 people lost their lives. I will never forgive you for what you've done, and now, you and your boyfriend from Hell are heading for a place far worse than The Black Gates. And as for you, Mom, you are heading back to the nuthouse, but you will be given a terrible curse for your misdeeds: one that'll drag you into Hell itself for your misdeeds

Suddenly, Carrie White-Loud was surrounded by a massive vortex of white, blue, and golden yellow energy with stars, aura energy, white and blue heavenly flames, rainbow crystals, light, and heavenly lights surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a golden yellow phoenix with blood red eyes glaring at Chris Hargensen and Margaret White: the blood red eyes of eternal death and eternal judgement, and we saw heavenly lights shining down on the vortex.

We were truly amazed by Carrie's transformation: she unlocked the same form as Crash Bandicoot and she looks like a true goddess angel from Heaven. But, when Chris Hargensen and Margaret White saw it, they flew into a ballistic rage and went at her to kill her, but Carrie fired a massive barrage of white, blue and golden yellow energy, stars, aura energy, white and blue heavenly flames, rainbow crystals, light, heavenly lights, phoenixes, and angels which hit Chris Hargensen, Billy Nolan, and Margaret White, and they were sent flying into a tree and they got burned by the heavenly lights and flames and cut by the rainbow crystals, they got back up, but they were beyond furious now.

Nico: Ooh! Man, that burns!

Chris Hargensen: YOU LITTLE BITCH!

Lincoln: You shut your trap, Chris!

Lincoln blasted her with another rainbow, white, and blue energy blast again and she was sent flying into a nearby tree again, she got back up, but now, she was even angrier than ever and her eyes turned blood red, murderous, and super crazy, and she was foaming at the mouth!

Lincoln, Carrie White-Loud, Crash Bandicoot, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Chris Hargensen, Billy Nolan, and Margaret White, and we fired extremely powerful blasts of rainbow, white, and blue energy, white, blue, and golden yellow energy, black and blood red energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Chris Hargensen and Margaret White and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot them multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Carrie White-Loud, Crash Bandicoot, Caleb Maxwell, Allie

Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this really made Chris Hargensen and Margaret White even angrier than ever.

Then, Lincoln fired three rainbow, white, and blue energy beams that hits The Monitor Orbs embedded in the heads of Chris Hargensen, Billy Nolan, and Margaret White and not only did we gain a massive power boost, but Chris Hargensen and Margaret White screamed with total agony.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Chris Hargensen and Margaret White, and we found ourselves in Heaven.

Your heartless cruelty towards Carrie ends here and now!

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Chris Hargensen and Margaret White.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Chris Hargensen, Billy Nolan, and Margaret White's stomachs and a cluster of white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Everyone cheered wildly as we holstered our weapons and we powered down and Carrie White-Loud's new body, clothes, weapons, jewelry, 28th Century backpack, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large white and golden yellow planets orbiting around her legs, twenty smaller white and golden yellow planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized white and golden yellow planets orbiting around her wrists and ankles, and massive brown angel wings and four sets of brown angel wings underneath her massive brown angel wings are permanent.

Nico: That was a really really intense battle, but we're finally rid of that bitch and her asshole criminal boyfriend for good.

Me: No doubt about that.

Lincoln: Now for Margaret White.

We turned our attention to Margaret White who went ballistic and insane with homicidal rage and tried to kill Carrie with a knife she had. But, Lincoln fired chains of gold energy which wrapped around her arm and he tightened his hand and the chains tightened her arm even more and then...!

CRACK!

The chains broke Margaret's arm as she screamed in agonizing pain and she dropped the knife. Then, Lincoln bound her with more gold energy chains as she was suspended in the air and chained to a cross.

Margaret: Go on. Kill me.

Nico: By the time we're done, you'll be wishing we did.

Me: You're heading to Hell. But it's in the nuthouse.

Lincoln: Now, to give you my brand-new curse and send you to the nuthouse forever.

Lincoln drew a pentagram on Margaret White's forehead with black ink, and then suddenly, it glowed, and then, we saw a pentagram form below her feet. Then, we saw Lincoln levitate off the ground as he then flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings and his four sets of larger white angel wings underneath his massive white angel wings spread out as well, and they suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Margaret White, Now, the future is a cold nightmare!

Nico and me and most of us had shivers of ice and fear go down our spines as Lincoln sang that, and Lincoln fired waves of darkness from his massive angel wings and four sets of large angel wings underneath his massive angel wings and they hit Margaret White, and she felt like her soul was sent through the Nine Circles of Hell: enduring the torments of the darkness of Limbo and Purgatory, battered by the storms and winds of Lust, drowned in the mud of Gluttony, burned by the molten gold of Greed, burned by the fires of Anger, burned by the eternal flames of Heresy, burned by the Abominable Sands of Violence, burned by the darkness of Fraud, and finally, frozen by the icy chills of Treachery, as she let out the most horrid and bloodcurdling scream ever, and that really sent more chills of ice and fear down our spines.

Then, Lincoln tied her up in a rainbow, white, and blue energy straitjacket and beamed her to The Saturn Insane Asylum's newly expanded Supermax Security Solitary Confinement Wing and he had her chained to the wall of her doorless windowless and soundproof cell with Neutronium Chains lined with rainbow energy as her bloodcurdling screams continued to echo inside her cell only.

Me: (SHOCKED) HOLY FUCKING SHIT!

Nico: (Gulps) Lincoln..., what the actual Hell was that curse?!

Lincoln: That was my darkest and most terrible curse I've ever created: it's called Dante's Inferno's Vengeance of The Nine Circles of Hell, this very deadly and terrible curse is made for only the worst kind of people ever: mothers who break the sacred bond and abuse their daughters along with religious fanatics. Once this curse is cast upon the chosen target, that person will suffer the pains of the Nine Circles of Hell: enduring the torments of the darkness of Limbo and Purgatory, battered by the storms and winds of Lust, drowned in the mud of Gluttony, burned by the molten gold of Greed, burned by the fires of Anger, burned by the eternal flames of Heresy, burned by the Abominable Sands of Violence, burned by the darkness of Fraud, and finally, frozen by the icy chills of Treachery, activated by drawing a glowing pentagram on their forehead and singing the song Luna's Future.

WE GASPED IN HORROR AND SHOCK AS THE SOUND OF DEMONIC LAUGHTER ECHOED IN THE AIR FOLLOWED BY LIGHTNING CRASHING FROM THE HEAVENS!

Eli: Oh God, that really is one of the darkest and most terrible curses you've ever created.

Selene Arcangela: That's not even the worst! He's come up with even more of the darkest and most terrible curses ever, and many of them are inspired by Hell itself!

Crash Bandicoot: No doubt Mara and her other friends taught him about The Satanic Curses, and he came up with his own.

Suddenly, Crash Bandicoot spotted something right where Billy's truck was smashed to bits by Lincoln. He looked under the car seat, and he spotted a mysterious box: an ornate metal box with a dragon's head on it and embedded gems of different colors. He grabbed it and brought it to us.

Nico: What's that box you found, Crash?

Me: Only one way to find out.

Crash Bandicoot opened the box, and inside them were eight large jewels of the colors of the rainbow with dragon heads on them.

Lincoln 2: (Through his crest) Oh, no way. Crash, do you know what you just found? Those are The Dragon Jewels, hundreds of thousands of years ago, these eight jewels were crafted from the crystals and imbued with the powers of eight ancient dragons and the elemental forces, and they were then scattered around the world to protect them from those who sought to use them for evil. It's no surprise that you would be the one to find them, you have a strong bond of friendship with Spyro and the other dragons of the Skylands, plus, you also did kill Malefor years ago.

Then, The Dragon Jewels were given to Spyro, Cynder, and the other Dragon Skylanders as we saw them embedded in gold collars on their necks, and his massive greatsword glowed and it also had The Dragon Jewels embedded in the 9'5" massive, wide, double-edged gold blade.

Cynder: Ooh, nice.

Lincoln 2: (Through his crest) There's more of those boxes scattered all over the world, but, they can only be found after we get rid of the one causing trouble on Nico's rescues.

Nico: That's true.

Lincoln: There's always a catch, but this is one we know all too well.

Nico: This town is now avenged

Me: Yep. Whew.

Carrie White: Thank you guys. Thank you.

Camie: It was our pleasure.

Xenia: Yeah.

Nico: And nice job to the Oricorios.

Oricorio Quartet: Thanks Nico!

Poromon: Want some beer?

Senzu Oricorio: Oh no thanks. We don't drink.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Fluttershy: I'm glad this town was avenged.

Daffodil Bloom: Same here.

Laval: No kidding there.

Daffodil: You must be Laval

Laval: That's right. Prince Laval of Chima.

Me: It was a great story there.

Camie: Yep.

Fluttershy: He's my brother in everything but blood.

Me: Yep.

Nice: He's from a Lego world.

Daffodil Bloom: That is amazing.

Me: It sure is.

Fluttershy: And it was an amazing place to learn about the powers and secrets of Chi.

Nico: It's true.

Qin: And it was awesome.

Daffodil Bloom: Wow. Can you teach me about how to use Chi?

Laval: Sure.

Nico: Awesome.

Poromon whispered something into my ear.

Me: Oh sure Poromon.

I winked.

Laval: This makes me your brother.

Daffodil Bloom: It sure does.

Lilja: And it's gonna be awesome having my aunt too.

Camie: It sure does.

Nico: Something on your mind, Poromon?

Poromon: A surprise.

Me: Yeah.

Poromon: I'll tell you later.

Nico: Okay.

Qin: Looking forward to it.

Nico: Yeah.

Maria: Is it a beer pyramid?

Poromon: No way! We learned our lesson from that.

Maria: Good.

Lynn: Yeah.

Poromon: Just be patient

We nodded.

Me: Okay.

Camie: Now it's time for the Anothers.

Eli: (CONCENTRATES) And we have Another Nruff, Carol, Mr. Twister, Another Quiz, Hurricane, Bashmouth and Jolly Joker.

WE GASPED!

Me: Uh oh. So Slash Beast, Kaarina Heikkinen, Ingrid Vollenenshikova, Csilla Almassy, Beatrix Amerhauser and

Iris Ice.

Qin: Yep.

Eli: I sense that the Another Mr. Twister, Another Quiz, Hurricane, Bashmouth and Jolly Joker are 2 people.

Qin: Cool.

Me: More of Nico's Dungeons And Dragons club members no doubt.

Nico: There they are!

We saw Another Mr. Twister, Another Quiz, Hurricane, Bashmouth and Jolly Joker!

Me: Whoa!

Nico: This will be fun.

Another Quiz: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Glitterfire and Living Blasphemy.

Nico: (GASP) Gaia Glitter and Varya Blood!

Me: Whoa! Glitterfire and Living Blasphemy.

Varya Blood: That's right and awesome to see you again Nico.

They did a dragon roar!

Me: WHOA YEAH!

Daffodil Bloom: That is scary!

Me: It's okay Daffodil. That's their greeting they did. It's a dragon roar.

Daffodill Bloom: Oh.

Me: By the way girls are the Another Nruff and Carol friendly or hostile?

Gaia Glitter: One is friendly but the other is hostile.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: A hostile one? Oh boy.

Me: Yeah. Well here they come!

We saw Another Nruff and Carol!

Me: Whoa!

Nico: Oh boy.

Another Nruff: (In a girls voice) It will be fun though.

She reverted and it was the gene-slammer of Prismatic Golem!

Nico: (GASP) Penelope Prism!

Penelope Prism: Awesome to see you Nico.

Nico: Same here.

She did a Dragon Roar.

Me: Awesome!

Penelope Prism: Yep. And I lived on a pig farm too.

Nruff: Close enough for my connection.

Me: Yep.

Nico: And who is the Another Carol?

Me: I was about to ask that.

Another Carol: (In a man's voice) You should know!?

Me: (GASP) That voice!

Carol: It can't be!

He reverted back and it was CAROL'S DAD!

Me: (GASP) Mr. Pingrey!?

Ace: That's your dad?!

Carol had a nasty glare on her face and went up to him.

Carol: You have a lot of nerve doing what you did to me dad and I made it clear that I never wanted to see you again!

Nico: What did her dad do?

Me: He disowned her because of Carol's Evil Persona Morgan.

Laney: And Susan Vandom castrated him hence why he is still wearing a diaper.

Some of us snickered.

Will: I'm proud of Mom for that!

Me: Yeah!

Carol: You have no idea the kind of hell you put me through! If you knew about the kind of demon inside me you would have understood me!

Mr. Pingrey: I had no idea that monster was in you!

Carol: BECAUSE YOU DIDN'T CARE! I lost everything because of Morgan and you! Including my mom and my brother! I HATE YOU DAD! I HATE YOU MORE THAN LIFE ITSELF! I WANT YOU TO DIE!

WE GASPED!

Vince: Carol honey calm down!

Vince grabbed Carol.

Vince: Carol calm down. He's not worth it.

Carol: VINCE LOOK WHAT HE DID TO ME! He ruined my...

Vince: I know Carol I know. And I'm sorry but right now it's time to move on. He was punished more than enough.

Me: Yeah.

Nico: He's not worth it anymore.

Vince: I agree. Carol you got to let it go. That happened 7 years ago. It's time to move on.

Carol then broke down crying and hugged Vince.

Me: Mr. Pingrey you didn't know about this but at least let Carol give you a chance to prove yourself like we did to her. We did and you can too.

Mr. Pingrey: You're right. Oh I'm a terrible father.

Kaito (gets out Geats gear): Did Swartz promise you anything?

Zocks (gets out King Ohger gear): Because we can grant it instead

Kaito and Zocks got Geats and King Ohger Weapons.

Penelope Prism: No he didn't. I used a light blast and ran.

Mr. Pingrey: I was promised reconciliation with Carol.

Me: Easier said than done.

Camie: Yeah.

Sougo: (gets out Geats Ridewatch) It's going to take Carol and most of us time to forgive you. If ever

Geiz:(gets out King Ohger Ridewatch) For now, you should stay away from us

Geiz got KuwagataOhgerArmor while Sougo got GeatsArmor

Me: I agree there. Carol is gonna take a long time to forgive you. But if you don't believe Carol on seeing Morgan there's a possibility you may see her later today. Long story.

Mr. Pingrey: I understand.

Me: Good.

Lincoln: Lets separate you.

We did so and got it underway.

Nico (gets out Nruff's Ridewatch): Time for this pig to squeal!

May: What is the most popular kind of cheese ever?

Another Nruff: I don't know. Cheddar?

Another Carol: Limburger?

May: (Gets out Another Quiz's Ridewatch) Cheddar!

Maria: (Gets out Bashmouth's ridewatch) I'll bash your face in!

Kaarina: (Gets out Mr. Twister's Ridewatch) Time to spin!

They used the powers of Nruff, Mr. Twister, Another Quiz, Hurricane, Bashmouth and Jolly Joker and blasted the Anothers.

Then Vampire, Mr. Noodman, Scorpius Rex, Arachnitor, Samukai and Disney Infinity Green Goblin came.

Me: Whoa! Andrew Bennett A.K.A. Vampire!?

Vampire: That's right.

Me: Awesome to meet you.

Nico: Same here. Nice team.

Vampire: Thanks.

Robo Knight: I believe my team is next

Nico: Yep that's right!

Muchomon then came.

Me: Cool Muchomon!

Qin: Awesome!

?: Don't forget me!

Out came Piedmon!

Kurumu: WHOA! Piedmon!

Piedmon: (In a girls voice) (Brazilian Accent) Looks like we're ready to party!

Nico: Adriana Lima! Wow!

She reverted back and was a girl with black hair, green eyes, green clothes and green angel wings and had Piedmon on her forehead, shirt and skirt and had Brazil's Coat of Arms on her arm and had a green Digivice and had a magenta sword.

Adriana Lima: Si Nico! We got this.

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them.

Me: OH YEAH!

Qin: Arrriba!

Nico: Oh, Slash Beast. Almost forgot. What do you like to do in your free time?

Slash Beast: I like to study about animals and all that and try to find new ones.

Me: Nice.

Nico: Awesome job.

Me: Yep. And Adriana I noticed that you're Brazil's Digidestined.

Adriana Lima: I sure am.

Me: Party all night in Carnival baby!

Nico: YEAH!

Laney: Do you have a favorite memory of Nico?

Adriana Lima: I sure do. When we first met. Rio was being attacked by a bunch of Triceramon and we sent them back home.

Me: Not even Brazil was safe!

Nico: Nope.

Me: Wow.

Nico and Adriana hugged.

Nico: I've missed you.

Adriana Lima: Same here.

We went back home.

It appears another of Lincoln's old enemies is on the loose, and she is one mega bad girl and a callous thug with a love for hatred, her name is Carla Thomas, once she was a girl who had a good upbringing and was a bright and smart student, but when she was eleven, her father went to prison for life for killing a man in broad daylight. Eventually, she went off the rails and she became a ticking time bomb full of hatred, and she also became a notorious Hellraiser by the age of sixteen causing trouble on the streets, drinking alcohol, disobeying school rules: one of which her inappropriate school attire had gotten her expelled, and she'd gotten together with a group of other fellow Hellraisers, and together, they began causing trouble and bringing hell to all of Michigan and Royal Woods. But, their life of causing trouble to others and raising Hell came to an end when Carla and her friends beat a man and woman to death one night after they spat on the couple and harassed them with rude obscenities and called them pigs and cows, and she and her friends posted what they did on social media, and they had absolutely zero remorse at all! WHAT A DESPICABLE BITCH!

But, the bad news: that couple Carla and her friends beat to death were the parents of Rurika Matsumoto, Gene-Slammer of Ultra-Miximum Max and Princess of The Mixels, and her sister, Rangiku Matsumoto. After Rurika found out on the social media posts and from The Mixels and the other Guardian Angels, Rurika became extremely enraged at that callous thug and bully, so she called the cops and Carla and her friends were arrested, and after a short trial, Carla Thomas and her friends were found guilty of the murders of Rurika and Rangiku's parents, but while her friends got sent to juvie for their roles in the murders, Carla Thomas being the ringleader was sentenced to life in prison with no chance for parole.

Now, years later, we got word from the warden that Carla Thomas had broken out of prison thanks to help from her Hellraiser friends, and they want revenge on Rurika and Rangiku for sending them to prison. But, Lincoln, Twilight, and her friends are going to try and redeem Carla after find out that she still has some good in her, but as for her Hellraiser friends, we're going to trash them, and instead of killing them and sending them to The Black Abyss, we're going to be sending them to a brand-new prison Lincoln created: it's called The Iapetus Prison for Irredeemable Hellraising Teens, it's a brand-new prison Lincoln created on Iapetus, the third-largest and outermost of Saturn's large moons, and it's a top-notch state-of-the-art Supermax Security Prison equipped with top-notch state-of-the-art security systems and the toughest security officers employed and built for one reason: to house irredeemable hellraising teens with a penchant for raising hell and causing mayhem to others, and it's where they're going after we take them down, and they'll stay there for all eternity.

Lincoln: Ah, we're here in the eastern part of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the twelve girls and Ets is going to rescue the one girl here, but we got bad news.

Rurika Matsumoto: And I believe what that bad news is, Linky: it appears that another of your old enemies is on the loose, and she is one mega bad girl and a callous thug with a love for hatred, her name is Carla Thomas, once she was a girl who had a good upbringing and was a bright and smart student, but when she was eleven, her father went to prison for life for killing a man in broad daylight. Eventually, she went off the rails and she became a ticking time bomb full of hatred, and she also became a notorious Hellraiser by the age of sixteen causing trouble on the streets, drinking alcohol, disobeying school rules: one of which her inappropriate school attire had gotten her expelled, and she'd gotten together with a group of other fellow Hellraisers, and together, they began causing trouble and bringing hell to all of Michigan and Royal Woods. WE GASPED!

Me: OH MY GOD, WHAT A DESPICABLE BITCH!

Nico: We've dealt with despicable girls before, but not on the same level as her.

Lincoln: But, here's the equally bad part: apparently, that couple Carla and her friends beat to death were the parents of Rurika Matsumoto and Rangiku Matsumoto.

WE GASPED IN HORROR!

Me: They did what?!

Rangiku Matsumoto: You heard it. After Rurika found out on the social media posts and from The Mixels and the other Guardian Angels, Rurika became extremely enraged at that callous thug and bully along with her friends, and so was I. But, before I could beat the shit out of them, Rurika called the cops and Carla and her friends were arrested, and after a short trial, Carla Thomas and her friends were found guilty of the murders of Mom and Dad, but while her friends got sent to juvie for their roles in the murders, Carla Thomas being the ringleader was sentenced to life in prison with no chance for parole.

Slash Beast: Good riddance.

Lincoln: That's what we thought. But, we got word from the warden that Carla Thomas had broken out of prison thanks to help from her Hellraiser friends, and they want revenge on Rurika and Rangiku for sending them to prison.

Suddenly, Lincoln felt something in Carla: it turns out she still has some good.

Lincoln: Oh God, this just took a turn. Twilight, everyone, I just found out Carla still has some good in her.

Twilight Sparkle: That means, we have to try and redeem Carla.

Lincoln: Right, Twilight. But, as for Carla's Hellraiser friends, we're going to trash them, and instead of killing them and sending them to The Black Abyss, we're going to be sending them to a brand-new prison I created.

Lincoln created a miniature moon with a prison complex on it in his hand.

Me: That's Iapetus, the third-largest and outermost of Saturn's large moons.

Lincoln: This is what I built for those Hellraisers, this new prison is called The Iapetus Prison for Irredeemable Hellraising Teens, it's a brand-new prison I created on Iapetus, the third-largest and outermost of Saturn's large moons, and it's a top-notch state-of-the-art Supermax Security Prison equipped with top-notch state-of-the-art security systems and the toughest security officers employed and built for one reason: to house irredeemable hellraising teens with a penchant for raising hell and causing mayhem to others, and it's where they're going after we take them down, and they'll stay there for all eternity.

Qin: Ooh, now that's perfect.

Nico: We've also got a few Hellraiser assholes we know from the past that also need to be sent there.

Me: Same here.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Springirl, she has a water greatsword in hand and with her are the twelve girls Lincoln is to rescue and the one girl Ets is to rescue.

Lincoln: (GASPS) Baia Westbrook, Gene-Slammer and Avatar of Marincess Springirl.

Baia Westbrook: That's right, and I got the girls away from Carla and her Hellraiser friends who were going to kill them to satisfy their thrill.

Eli: It's time.

Lincoln: Yes, now we can redeem Carla Thomas.

Suddenly, we heard Sebastian's malevolent laughter and we saw a black shadow with black angel wings race across the skies.

Nico: Before Sebastian can kill her and them. Ugh, we should've also told you all this, but he also lacks compassion!

Eli: Jeez, your old friend really is someone who shows no mercy at all, but for the darkest of reasons.

We flew out, and we saw a girl with long black hair and dressed in punk clothes: it was Carla Thomas, and her friends, Joshua Fairbrook, Eliza Stanton, and David Morris, and they had knives in their hands.

Rurika Matsumoto: Carla, you little Hellraising bitch.

Carla Thomas: SHUT UP, BITCH! NOW PREPARE TO DIE!

Rangiku Matsumoto: Jeez, she's still as bad as ever.

Suddenly, we heard the familiar malevolent laughter and we saw a dark mist descend, and as it descended, Sebastian emerged, and he was here to kill Carla Thomas, Joshua Fairbrook, Eliza Stanton, and David Morris.

Nico: Shit, it's Sebastian!

But then, Buster Bunny, Babs Bunny, Plucky Duck, Hampton Pig, Fifi La Fume, Shirley the Loon, Furrball, Lil Beeper, and Calamity Coyote arrived and got in Sebastian's way.

Buster Bunny: You guys take care of redeeming Carla and taking down her friends, we'll take care of Sebastian and drive him back to The World Tree Estate.

Lincoln: Right, Buster. But, just to make sure you three don't get in the way.

Lincoln fired three gravity blasts that forced Joshua Fairbrook, Eliza Stanton, and David Morris down to the ground.

Lincoln: Now, Carla, stand down, we're only here to help you. Even though you're still out to kill Rurika and Rangiku and they want you dead for what you and those dumb Hellraisers did in killing their parents years ago and Sebastian's out to kill you and them to undermine my efforts to help you and slake his bloodlust. But, this needs to stop, Carla. You were once a good person who had a good upbringing and was a bright and smart student.

Carla Thomas: Until my dad went to prison for life for killing someone in broad daylight. I hate the world and I want to destroy it!

Twilight Sparkle: That's not the right answer, Carla. Your dad was a bad person, but didn't someone try to help raise you right?

Suddenly, Carla Thomas remembered.

Carla Thomas: (Gasps) My mom. What am I even doing? Mom tried to raise me right after Dad went to prison, but I went off the rails and because of it, I just became a ticking time bomb of hatred and by the time I turned sixteen, I became a notorious Hellraiser causing trouble on the streets, drinking alcohol, and disobeying school rules which got me expelled.

Joshua Fairbrook, Eliza Stanton, and David Morris: WHAT THE FUCK?! CARLA, DON'T LISTEN TO THEM! KILL THEM!

Rurika Matsumoto: Shut it, you Hellraising assholes!

Starlight Glimmer: You have a choice, Carla, you have the choice to seek redemption and start fresh.

Carla Thomas: Please..., help.

Suddenly, Lincoln, Twilight, and her friends had heard the call, and they fired beams of magic and redeeming light at Carla Thomas, and it removed all of the darkness from within her, and she went to our side, and that angered Joshua Fairbrook, Eliza Stanton, and David Morris.

Joshua Fairbrook: WHAT THE FUCK?!

Eliza Stanton: DAMN IT! IF YOU ALL HADN'T GOTTEN IN OUR WAY, WE WOULD'VE FINALLY WROUGHT TERROR ON THIS PATHETIC CITY AND KILLED EVERYONE IN OUR WAY!

David Morris: WHEN WE GET OUT OF THIS, WE'LL KILL YOU ALL AND DRINK YOUR BLOOD, FUCKING PIGS!

Then, Lincoln tied them up in rainbow, white, and blue energy straitjackets and he beamed them to The Iapetus Prison for Irredeemable Hellraising Teens where they were placed in Supermax Security Solitary Confinement and in separate doorless windowless cells and chained to the walls with Neutronium Chains lined with rainbow energy as they let out screams of rage. We cheered as we holstered our weapons and powered down.

Lincoln: Your Hellraising days are finally over.

Then, Buster Bunny punched Sebastian hard in the face and sent him flying into a tree, he was about to get back up, but Buster Bunny and his friends glare at him with a glare of justice.

Buster Bunny: You have lost this round in your attempt to slake your bloodthirst and to also undermine Lincoln and his efforts, Sebastian. For as long as we're here, your schemes will always end in failure. (DRAMATIC VOICE) Now, back to your lair, Foul Creature of Darkness!

SEBASTIAN LET OUT A DEMONIC SHRIEK AND HE HISSED AT BUSTER BUNNY AND HIS FRIENDS SHOWING HIS RAZOR SHARP FANGS AND HE RAN BACK TO THE WORLD TREE ESTATE!

Nico: That was a little dramatic, don't you think?

Babs Bunny: Hey, we have to maintain our reputation for always foiling Sebastian whenever he cooks up something like this. Sure, he's no longer that monster from nine years ago. (Spin changes into a gangster) But, the boys and I still don't trust him one bit, see? He's crazy, a loose cannon, I tell youse! (Spin changes back to normal)

Qin: (SNICKERS) If he gets loose, we'll warn you guys.

Lincoln: But, at least, we got Carla redeemed and Joshua Fairbrook, Eliza Stanton, and David Morris are in my newly built prison. (To Baia Westbrook) And it's so good to see you again, Baia.

Baia Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Baia Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Baia Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Baia Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Baia Westbrook and hugged her, and Baia Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Baia Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln,

you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Baia Westbrook, Gene-Slammer and Avatar of Marincess Springirl, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Springirl. She's the seventh youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Baia Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Baia kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Baia absolutely despises Danzo Shimura with a blazing passion, because of everything he's done, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if he ever, and I mean, EVER SHOWS HIS MISERABLE HIDE AGAIN!

Nico: You have absolutely no idea of how pissed off we were yesterday when Selene told us.

Me: Same here, if we ever see him again, we'll make him pay.

Lincoln: After all the trouble Danzo's caused to the world of Shinobi, if we see that miserable unscrupulous warhawk, he's really in for Hell, and now that you're here, Baia.

Lincoln with his massive muscular arms still wrapped around Baia Westbrook leaned his head down the right side of Baia Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Baia Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Baia Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Baia Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Baia Westbrook.

Baia Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Baia Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Baia Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Baia Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Baia Westbrook: (In Heaven) My God.

Then, Ets saw the girl he was to rescue, and when he did, he recognized her, she's the Simulator version of Margaret the Undead Plague Doctor.

Ets: Whoa, that's Simulator Margaret the Undead Plague Doctor.

Then, when she saw Ets, she ran up to him and kissed him.

Nicole: Ets definitely deserved that reward for saving her from Carla's Hellraiser ex-friends.

Baia Westbrook: You said it.

Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them, the twelve girls are Margaret the Undead Plague Doctor and Arina Nonomiya, Fuyuno Kurokawa, Kaon Akama, Kukuri Hanamure, Mitsuha Amagaya, Remi Mitake, Shoko Kumano, Surt, Toka Akiba, Utaha Shirasagi, and Yui Atago from Enjou Gakuen ~[Enjou Joshi] o Shidou Seyo!~.

Lincoln: Oh wow, it's Margaret the Undead Plague Doctor and Arina Nonomiya, Fuyuno Kurokawa, Kaon Akama, Kukuri Hanamure, Mitsuha Amagaya, Remi Mitake, Shoko Kumano, Surt, Toka Akiba, Utaha Shirasagi, and Yui Atago from Enjou Gakuen ~[Enjou Joshi] o Shidou Seyo!~.

Nicole: Baia did an awesome job saving them from Carla's Hellraiser ex-friends before they could kill them to slake their bloodthirst.

Lincoln: Unlike with Carla, those three are truly irredeemable. Are you girls okay?

Arina Nonomiya: Yes, we're okay, thanks to you.

Then, when Arina Nonomiya and the other eleven girls saw who it was that saved them from Joshua Fairbrook, Eliza Stanton, and David Morris, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored Fuyuno Kurokawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kaon Akama: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Margaret the Undead Plague Doctor, Arina Nonomiya, Fuyuno Kurokawa, Kaon Akama, Kukuri Hanamure, Mitsuha Amagaya, Remi Mitake, Shoko Kumano, Surt, Toka Akiba, Utaha Shirasagi, and Yui Atago with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and everyone was shocked to find out the villains we went after were local callous bully and thug and Hellraiser, Carla Thomas, and her Hellraising friends, Joshua Fairbrook, Eliza Stanton, and David Morris.

But, when Lincoln showed what he, Twilight Sparkle, and her friends did in redeeming Carla Thomas after finding out there was still some good in her and beating down her Hellraiser ex-friends and throwing them in Lincoln's newly built Iapetus Prison for Irredeemable Hellraising Teens, everyone cheered as they hugged us and Lincoln's harem kissed him on the lips. Lincoln and Baia Westbrook have a lot of catching up to do, now that she's back in town and Carla Thomas was put in The Redemption Squad.

Maria: Oh man, Lincoln, you, Twilight, and her friends did awesome redeeming Carla. She really went down the wrong path after her dad got thrown in prison.

Lincoln: We did, and we threw her Hellraiser ex-friends, Joshua Fairbrook, Eliza Stanton, and David Morris, in my new prison on Iapetus.

Nico: Plus, Buster Bunny, Babs Bunny, Plucky Duck, Hampton Pig, Fifi La Fume, Shirley the Loon, Furrball, Lil Beeper, and Calamity Coyote really laid quite the beatdown on Sebastian.

Me: That they did.

Buster Bunny: We have to maintain our powerful reputation as warriors against Sebastian's bloodthirst.

Gohan: Well, that's only the first time it happened, but knowing how unpredictable he is, it's only a matter of time before he tries again. But, for now, he's back to normal.

Plucky Duck: (To Sebastian Mendez) And you better remain that way, you dirty dog!

Sebastian Mendez: And you are a dirty duck.

Plucky Duck: WHY, YOU LOATHESOME, SADISTIC, DUPICITOUS, INSIDIOUS LITTLE...!

BLAM!

SEBASTIAN HIT PLUCKY DUCK ON THE HEAD WITH A SHOVEL AND HE HAS A HUGE LUMP ON HIS HEAD!

Sebastian Mendez: That'll teach you to stand against me! (LAUGHING MALEVOLENTLY)

Babs Bunny: (Spin Changes into an 80s tough biker girl outfit) You best keep that malevolent nature of yours in check, or the girls and I will hogtie you to a lamppost and run you down like the filthy animal that you are.

Sebastian Mendez: (THREATENING MALEVOLENT VOICE) You wouldn't dare!

Fifi La Fume: (Spin Changes into an 80s tough biker girl outfit) Ya wanna find out, punk?!

Shirley the Loon: (Spin Changes into an 80s tough biker girl outfit) We'll take it outside right here and right now, if you, like, push it any further.

The girls cracked their knuckles, and Sebastian growled like a malevolent demon and fled back to his room as the girls changed back to their regular outfits and high-fived.

Nico: Dang, next time, keep the 80s tough biker girl outfits on, that was really good.

After Lincoln, Twilight Sparkle, and her friends redeemed Carla Thomas and we beat down Joshua Fairbrook, Eliza Stanton, and David Morris and threw them in The Iapetus Prison for Irredeemable Hellraising Teens forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Baia Westbrook saw Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Baia Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Baia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Baia Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Baia Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, James Blunt took out a video.

Lincoln: Say, Mr. Blunt, what's that memory about?

James Blunt: This one was from two years before Cage and Travis were brought back by the council, but by that time, Caleb Maxwell had returned from the dead eight years later lost and confused and looking like he awakened to a living nightmare, and I was the first one to run into him, and he eventually bonded with me. Though it was due to him worrying about what his mom and sister would think seeing him return from the dead.

James Blunt put the video in as it played on the big screen, and it showed James Blunt walking in the streets of New York one night before he heads back home to Mingo County, West Virginia. Suddenly, he caught sight of someone: a young man with long dark brown hair, but he was dressed in a dark red shirt but it was riddled with bullets and stained with his own blood, black pants, and black boots, but he was walking with a horrified look on his face: it was like he was in a living nightmare. It was Caleb Maxwell, but he'd returned from the dead after dying eight years ago.

Past James Blunt: This kid seems rather out of sorts, he's not drunk, but something's got him spooked. Just don't interfere too much, James.

Suddenly, James Blunt approached the stranger, and put his left hand on his right shoulder.

Past James Blunt: Hey, kid, it's not safe walking out here at night by yourself.

Past Caleb Maxwell: I...I don't know where I am, or who I am. I don't even know where I'm supposed to go to.

Suddenly, Caleb's cross tattoo reacted and it started bleeding as he winced in pain and he panicked and backed into a wall.

Past Caleb Maxwell: Get back, get away, I already know what you are,..., vampire!

Then, James Blunt's dark brown eyes turn bright red and his fangs grew longer.

Past James Blunt: How did you easily find out what I am?

Suddenly, James Blunt caught sight of the vampiric cross tattooed on Caleb's right arm with blood running down from it.

Past James Blunt: That tattoo, you're a Maxwell. It's not safe for you out here especially at night. Come on.

Caleb Maxwell followed James Blunt who drove him to Mingo County, West Virginia, and he had him sit in bed.

Past James Blunt: (Thinking) This poor kid's all alone and lost, I'm glad I got to him before someone could hurt him. I need to find out who he is. (Out Loud) Do you have any form of Identification?

Caleb Maxwell took out his wallet and gave it to James Blunt.

Past James Blunt: Alright, let's see who you are and get some answers.

James Blunt examines the wallet, but when he saw the driver's license ID, his eyes went wide.

Past James Blunt: It can't be, you're Caleb Maxwell. But, that's impossible, you...

Past Caleb Maxwell: I what?

Past James Blunt: You died eight years ago in The Hallowshade Bloodbath. You were shot dead by Drake Maxwell, your own brother.

Past Caleb Maxwell: I died?

When Caleb Maxwell saw the bullet holes in his shirt, suddenly, a memory flashed back to him: it was the night of

The Hallowshade Bloodbath eight years ago, and he did get killed. Caleb flashed back, and he gripped his head in pain.

Past Caleb Maxwell: So, it's true, I did die there. Yet, I can't remember anything else, it hurts.

Past James Blunt: You should get some rest, Caleb, we'll talk in the morning.

Past Caleb Maxwell: Yes, perhaps some rest should help.

Caleb Maxwell decided to get some sleep as James Blunt left him. Then, the next day, Caleb Maxwell was up and was in a red shirt James Blunt got for him, his black pants, and his black boots that were cleaned of blood, and some time passed, as some of his memories came back to him but a bit slowly, and as time went on, he began bonding with James Blunt as we saw him helping the vampire out in the field.

Cage Blunt: I don't know whether to feel happy or jealous.

James Blunt: Heh, you did help me out many times before, Cage.

Suddenly, a month later, as night fell, James Blunt saw eight bite marks on Caleb's neck and arms: he'd recognized them as vampire bite marks.

Past James Blunt: Caleb, I've been meaning to ask, where did you get those bite marks and how did you get that tattoo?

Past Caleb Maxwell: (Sighs and turns to James Blunt) It was on the day I first ran into your son, Cage, and his vampire blood brother, Travis Tackett, eight years ago. The sclera of their eyes were black and the iris of their eyes were bright red, and they...they were out for blood due to drinking Demon Blood, and every night for a month and a half, I've had to run from them.

Past James Blunt: Cage, you really messed up.

Past Caleb Maxwell: And the bite marks, they attacked me on separate other night and drank some of my blood and left me alone bleeding. I had help in treating the marks, but I still felt the burning sensation of fangs sinking into my neck and arms, and my mark warns me of their presence. But, that's not the worst: I accidentally drank demon blood after I knocked your son off to escape his grasp and kicked the bottle Travis opened, and it turned me into an animal out for blood.

Past James Blunt: My God. You know, blood isn't exactly safe for human consumption, and just one drop of Demon Blood in a human's system drives them mad.

Suddenly, James Blunt wrapped his arms around Caleb Maxwell and hugged him, and Caleb in turn hugged him back. Suddenly, the feeling of comfort from someone during that time of despair caused him to break down and cry into James Blunt's shoulder.

Past James Blunt: (Thinking) Cage, when you get back, you and Travis both have got a lot to make up for. This kid didn't deserve to get caught up in it, I've got to talk to someone in Yuridia about this tomorrow, but for now, Caleb really needs a lot of help.

James Blunt continued comforting Caleb Maxwell as the video ended.

Christa: James, you really helped Caleb out in a time like that.

Cage Blunt: Caleb really suffered a lot thanks to me and Travis terrifying him, and Dad had to help with easing the trauma he had.

Marlene Maxwell: And I understand why you didn't try and come back home to us, you thought we would be afraid of what we would see.

Caleb Maxwell: Yes, that's correct, Mom. You would've freaked out along with Allie if you both saw me.

Nico: I get it though. You feared of that consequence, and you had to go with James to West Virginia.

Me: The country would've helped you out in a time like that.

Caleb Maxwell: It did for two years, but then, something called out to me, and I went back to New York, and by then, Cage and Travis were back in New York and Cage was already working for the NYPD, and the day that I ran into Cage was when the last bit of my memory came back: the memory of Drake and the four senior members of The Syndicate shooting me dead.

Lincoln: And the call you heard, it was that last bit of your memory calling you back to New York.

Caleb Maxwell: And back to where it all began. James helped me a lot during those two years I spent with him, and over time, my memories returned. But, when the call of my last memory came to me, I had to move back home and where I eventually began my journey.

Buster Bunny: Hmm, you hadn't made any moves to try anything, Sebastian, but you better not try anything or it'll be a repeat of today, mister.

Sebastian Mendez: (HISSES)

Babs Bunny: Unpredictable psychopath, always have been and doomed to be forever.

Jenna: You guys had no trouble at all.

Asami: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis

Travolta, NO MA'AM, Mandy, Mindy, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Luncheon Kingdom for another round.

Me: Nice!

Nico: Anyone want to come with me this time?

Me: I'll go.

Konan: And me too.

Chazz: And me and Kaiba too.

Me: Cool!

Nico: Okay then lets go.

We went into the simulator and it activated and we were at LUNCHEON KINGDOM!

Me: Cool!

Nico: Awesome.

Nicole: You guys are gonna love the next baddie.

Chazz: Who is it?

Me: (Senses Something) WHOA! There's something here that has a huge power!

Nico: WOW! Whoever it is has amazing power.

Nicole: That is the baddie and she's coming now.

We saw the baddie and she looked like Konan but with angel wings made of pure storms and she was in a smoking hot bikini.

Me: (GASP)!

Lincoln: That's AmeArashi. She is the Akuma of Konan. The Hypothetical Akuma of Konan and a deadly master of lightning and all things thunder. She has INTENSELY Strong lightning powers that rivaled all the powers of the Akatsuki combined! And she is a Triple Z-Rank Shinobi. She was made because of Obito's plans that were going to destroy the entire planet and she vowed to kill him and join Naruto and bring the world to peace with him the right way

WE WERE SHOCKED!

Me: WHOA! Her power is that strong!?

Nico: Incredible!

Me: Yeah. (To AmeArashi) I will say this though you are really smoking hot in that.

AmeArashi: (Giggles) Thank you.

Nico: I don't know how to feel about that

Me: But it's amazing that you hate Obito as much as we all do especially after how he was going to try and destroy the entire planet all in the name of peace! But that is not peace!

Konan: Yeah that is total annihilation!

AmeArashi: I agree there! That was horrible!

Me: It was. And he played the Akatsuki all for a bunch of fucking patsies!

AmeArashi: I agree there too! What he did was beyond all forms of forgiveness.

Me: I know. What he did was horrible.

Kaiba: I agree.

Me: Yeah. Konan I'm sorry you went through all that.

AmeArashi: I know J.D. I know. But you destroyed the Akatsuki and I will always be grateful to you for that.

Me: I know and to make sure their plan never came into being I had to do a REALLY desperate and absolutely reprehensible move to make sure it never happens.

AmeArashi: What did you have to do?

Me: I had to destroy the moon.

AmeArashi: That is crazy but it worked.

Me: It did. But I will say this though, you would REALLY Give the Akatsuki in its entirety a run for their money.

AmeArashi: (Giggles) I sure would. Now I want to do what's right and help Naruto and all the world earn peace the right way.

Me: That is good. So you want to be in the Redemption Squad and the M.O.E.

AmeArashi: That's right.

Me: Awesome.

Nico: Yeah.

Konan: That is truly noble there.

AmeArashi: It sure is.

Nico: But for now, we have to fight.

Me: Lets go for it! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

AmeArashi: Lets dance.

THUNDERCLAP!

She flew into the air and I flew after her.

She fired a massive blast of lightning and I fired a powerful blast of blue fire and the blasts collided and exploded with incredible power.

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion was powerful enough to obliterate a massive village!

Nico: WHOA! What power!

I flew out of the explosion and AmeArashi fired more lightning blasts and I dodged them.

Me: WOLF MOON THUNDERSTORM STYLE NINJA ART: JANUARY NEBULA THUNDERCLAP WOLFPACK!

I formed the Wolf Moon in the Orion Nebula and fired massive blasts of lightning and they formed into wolves and blasted AmeArashi all over the place!

Nico: YEAH!

Chazz: Don't leave us out!

Me: Wouldn't dream of it Chazz!

Chazz: I summon INFERNAL INCINERATOR!

He summoned said monster and Chazz fired waves of fire and blasted her.

Kaiba: I summon my almighty BLUE-EYES WHITE DRAGON!

He summoned his signature monster!

Blue-Eyes Roared!

Kaiba: Lets do this! Blue-Eyes attack with WHITE LIGHTNING!

Chazz: Infernal Incinerator attack with CHTHONIAN INFERNO BLAST!

They fired waves of lightning and fire and blasted AmeArashi all over!

Me: Konan lets use a combo on her.

Konan: With pleasure. Sacred Paper Emissary Jutsu!

Konan disguises six hundred billion explosive tags as the surrounding scenery, be it earth or water, with enough sophistication that even the Sharingan cannot see through it. When the target is in position, Konan causes the scenery to split in half, resulting in the rapid creation of a huge abyss beneath the target. Due to the sudden lack of any available foothold, the target inevitably descends ever deeper into the depths of the chasm. As the target falls, Konan guides the explosive tags to stick to their body and detonate, with six hundred billion being enough for ten minutes of consecutive explosions — more than enough to counter the five minute time limit on Obito Uchiha's intangibility

---

Me: KAAAAAAAAA MEEEEEEEEEE HAAAAAAAAAAA MEEEEEEEEEE HAAAAAAAAAAAAAAAAAA!

Me and Konan: SACRED ENERGY EMISSARY OF 600,000,000,000,000 BLASTS!

I FIRED A POWERFUL KAMEHAMEHA WAVE AND IT HAD THE PAPER BOMBS FORM INTO HUGE KAMEHAMEHA WAVES

AND THEY ALL WENT AT AMEARASHI AND THEY HIT HER AND EXPLODED ALL OVER THE PLACE WITH INCREDIBLY AND INDISCRIMINATE FORCE AND BLASTED HER ALL OVER THE PLACE!

NUMEROUS AND INCREDIBLY POWERFUL MASSIVE FIERY EXPLOSIONS OF INCREDIBLE POWER!

When the smoke cleared AmeArashi was down but not out!

Me: WHOA!

Eli: THAT WAS POWERFUL!

Nico: HOLY FUCKING SHIT! THAT WAS EPIC!

Chazz: This is intense!

Me: Boy I would hate to see how Obito would stand up to that one!

Nico: No kidding!

Konan: That was awesome! Just like old times huh J.D.

Me: You said it.

Nico: Wow!

AmeArashi: That was an amazing Collaboration Jutsu! But how did you do that blast?

Me: That was the Kamehameha Wave. It's a Ki blast.

AmeArashi: KI! That's impossible! No one can use the Physical Component of Chakra.

Me: That's what everyone else thought too. Ki is much more powerful and much more destructive than Chakra and it possesses enough power to destroy an entire planet.

Nico: Yep. I should know.

Me: Also Nico I helped Konan with Naruto and Sakura and Fu in 150,000 years and we battled Obito before the 4th Great War broke out and we severely wounded him with that very same and powerful combo.

Nico: WHOA! That is amazing!

Konan: Yep.

Me: Obito was VERY MASSIVELY Mangled up after that and it's how we exposed him to the world and showed everyone that he was alive and well and out to destroy everyone.

Nico: WHOA! Kakashi must've been horrified to hear about that.

Me: He was not only horrified but he was absolutely bewildered.

Nico: Geez!

AmeArashi: I don't blame him. To find out that his own best friend was out to kill everyone? That would leave a huge wound on you.

Me: It would.

Kaiba: Yeah that is shocking.

Chazz: It sure is.

Nico: Yeah.

?: That is crazy!

Out came the Tiamat Gene-slammer and the Embodiment of Dark Mantis.

Nico: (GASP) Jayna Tiamat!

Maya Mantis: And Maya Mantis, embodiment of Dark Mantis at your service.

Noah: Maya! Wow!

Orion: Awesome to see you!

Maya Mantis: You too Noah and Orion! Been a while.

Nico: (gets out Nruff and Crescent Grizzly's Ridewatch) Time for pig and bear power!

Nico activated them and fired waves of energy and blasted AmeArashi all over.

Konan: SHIKIGAMI DANCE!

She fired a swirl of paper blades.

Chazz, Kaiba and their monsters fired fire and lightning blasts and Jayna fired waves of fire, lightning, poison gas, acid and ice and Maya Mantis fired blasts of energy and I fired waves of blue fire and blasted her all over and she was down!

We won!

WE CHEERED!

Nico: YEAH!

We high five!

Nico: How did you meet Noah and Orion?

Maya Mantis: I met them both when they were fighting with all the rangers from over the course of 20 years against the Armada. I helped them all out during that.

Me: WOW! That still was so epic even after 11 years. That gives me goosebumps seeing and remembering that.

Nico: That was so awesome to see all the rangers there.

Maya Mantis: It sure was.

Me: And Jayna what's your favorite memory of Nico?

Jayna Tiamat: When me and Nico were in our Dungeons & Dragons club and we battled the mighty Tiamat there.

Me: Wow! Tiamat is a really powerful and amazing 5-Headed Dragon there.

Konan: I agree.

Nico: Yep.

Nico and Jayna hugged.

Nico: I've missed you.

Jayna Tiamat: Same here.

Me: Would you like to join us?

Maya Mantis: We would be honored.

Me: Awesome.

We left the Simulator and we cheered wildly.

Everyone was at the stadium. The entire stadium was packed!

Nikki Tora: Okay. Let me guess what the announcement is. You made robots made of beer.

Homer: Ooh, beer robots! I wanna see!

Poromon: No it's not that.

Lola: You'll see.

Manaphy was coming.

Me: Here she comes.

Manaphy: Okay what's all this about Poromon?

Homer: Poromon made beer robots and he doesn't want to show us!

Nico: Homer shh.

Homer: Sorry.

Poromon: Manaphy I want to ask you this. I knew you since we first met when Nico joined up and we were dating and all that. So my question is this.

ON A JUMBOTRON SCREEN WAS "MANAPHY WILL YOU MARRY ME?!"

WE GASPED AND CHEERED!

Poromon had a ring and it was a beautiful blue ring.

Manaphy: OH POROMON OF COURSE I WILL!

She jumped and hugged and kissed him!

Sunburn: Yay, Poromon!

Homer: Aw. So, no beer robots?

Me: Homer.

Homer: Sorry.

Bart: Even if there were beer Robots, Homer would drink them.

Homer: WHY YOU LITTLE!?

Homer strangled Bart.

Lily tased Homer.

Jiraiya: You should include strippers in your wedding!

Rippersnapper:...no. Just no

KRABLAM!

Nicole punched Jiraiya in his face and bashed out some of his teeth!

Me: Ouch. But congratulations to Poromon and Manaphy!

Xenia: YEAH!

Nico: Okay. For your wedding, you should include something special

Poromon: Okay then!

Qin: Good idea!

Sludge: Where will wedding take place?

Poromon: Hogwarts!

Me: Awesome!

William: Nico, remember when I asked you if Poromon and Manaphy are expecting children?

Nico: I do. Why?

William: This might be a step in the right direction.

Teresa: It sure is!

Nico: Hey yeah! You're right!

Nicole: Yep. And Jiraiya-sensei no strippers! Or else I'll make sure you NEVER walk again!

Nico: (GULPS)

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Morgan, Carol's evil persona, she's come back from the dead thanks to Anti-Monitor, and she still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we are none too pleased to see again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Morgan, Carol's evil persona, she's come back from the dead thanks to Anti-Monitor, and she still wants revenge on us.

WE GASPED!

Qin: What the fuck?!

May: Oh God.

Carol and Lori: That poisonous miserable little viper! She's going to pay for coming back from the dead again!

?: And this time, she's staying dead and gone forever.

Suddenly, we saw a girl with green hair, green clothes, green eyes, green angel wings, she has the Kuuga symbol on her forehead, crop top, and skirt, she has on a necklace with the Kuuga symbol for the pendant, and she has a Titan Sword sword in hand.

Lincoln: (GASPS) Kate Kuuga, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Kuuga Team.

Nico: Whoa! Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Kate Kuuga, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Kuuga Team, she's Lincoln's Guardian Angel from Japan, and she's a deadly powerful master of good and a very powerful master of all the powers of the titans and the powers of the Kuuga Riders and the Gurongi and she is a deadly force to be reckoned with, and she's also stronger than all the Kuuga Riders and the Gurongi times 500,000,000,000,000,000 and vowed to kill N-Daguva-Zeba no matter what. Plus, she's also the emissary of the Gods of

Olympus. She moved to Michigan, and she trained Lincoln in all the powers of the titans and the powers of the Kuuga Riders and the Gurongi. Plus, she also helped him with getting stronger and faster, and because of that, Lincoln became as strong as all the Kuuga Riders and the Gurongi combined times 500,000,000,000,000,000,000,000, and she also taught Lincoln all about the history of Olympus. Lincoln made her a Kamen Rider Kuuga-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and she specifically hates Lori.

Nico: Whoa! I hate to even ask just how strong are you really, Lincoln, because if I did, it'll lead to my head exploding. But, Lori, what did you do to piss her off?

Crash Bandicoot: Lori was pissed off because of Morgan forcing Carol to sabotage her golf game, and it led to Lori trying to kill Lincoln, but Kate smashed her into the dirt hard and she got grounded.

Me: I remembered that all too well.

Nico: She really is such a bitch obsessed with status and making Lori suffer.

Maria: Morgan really is such a bitch.

Lincoln: Well, she's in for a world of pain, only this time, we're getting rid of her permanently.

Kate Kuuga: You said it.

The previous group came.

Metal Sonic: Can me, Marionette Shadow, Riddler, Wrecking Crew, Sportsmaster, Spymaster, Unicorn, Pyros, Beautiful Gorgeoud, and Kite Man go with you guys?

Thunderball: Nice job on the proposal

Poromon: Thanks! It was fun.

Nico: And yes you all can come with.

Lola: Awesome!

Camie: YEAH!

Riddler: Nico, Riddle Me this: Which Gene Slammer do you think you'll meet next?

Piledriver: I hope it's a powerful one

Nico: Oh it is but Kari and Gatomon are not going to like this one. LadyDevimon.

THEY GASPED!

Kari: Whoa man!

Gatomon: That one was powerful.

Xenia: Yeah.

Me: And she appeared twice before from what I remember.

Lola: Yeah.

Nico: Yep. 1st time in the Digital World with the Dark Masters and the 2nd time when the Daemon Corps appeared.

Camie: Whoa!

Suddenly, Lincoln pinned Kate Kuuga to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Kate Kuuga: That was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln: Sorry about that. Anyways, I also found out that Morgan is here in Gotham Royal York, and she's planning on launching a massive attack on the city with a massive army of convicts she busted out of prison.

Me: I can't believe her, that bitch!

Nico: Okay, now she's really done it!

Lincoln: I just sent out an alert to the city, and warned them of Morgan's return. Now, we can get after her and kill her.

Nico: Along with her thugs. Alright, team, let's go, this is the absolute last time we ever have to deal with Morgan.

Lincoln: After everything Morgan forced Carol to do and tried to ruin her life and kill her to take her place and finally kill Lori, this is where her poisonous schemes end here and now.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Peace Salyers, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure we saw was Peace Salyers' Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Peace Salyers: No way, I don't remember any encounters with Allie's brother after he came back from the dead.

Allie Maxwell: Oh really, Peace. Well, do I remind you of one incident near the diner, and one of the blowhard jocks on the football team and his girlfriend tried to hurt you and Cage not only came to help you, but also, they got scared when they saw Caleb appear, and he terrified everyone there.

Peace Salyers: Oh, now I remember.

Leela Salyers: Honestly, Caleb, you terrifying The Syndicate at night was bad enough, but you terrifying everyone during the school dance was worse. Thank goodness Cage got Peace out of there before you really did something horrific.

Crash Bandicoot: I hate to find out what other things Caleb did to terrify The Syndicate.

Caleb Maxwell: Not unless you want to wind up in the nuthouse driven mad by what you find.

Nico: (Shudders) Good point, we'll take your word for it. Alright, team, let's go, this is the last and final time we ever have to deal with Morgan.

Lincoln: For far too long, Morgan has terrorized Carol, Lori, and all of Michigan. This time, we'll see to it that poisonous viper finally dies here and now, and once we are done with Morgan, we're confronting the next of Caleb's nightmares.

Peace Salyers: The demons that haunted me since that night are coming to an end here and now.

Me: Yep.

Lincoln: Before we head out, J.D. should tell you all about what happened and Mr. Pingrey you need to hear this.

Mr. Pingrey: Okay.

Me: It was back in 2016.

I went over what happened in Chapter 77 of Loud House Revamped

FLASHBACK - Chapter 77: Carol's Redemption

It was a rainy day and it starts out with me, Lincoln, Linka and Lily playing video games and Varie, Aylene, Gabrielle, Lucy and Laney are reading books.

Me: I've got you now!

Lily: I don't think so J.D.!

Linka: I'm coming in!

Lincoln: We'll see about that!

We were playing a racing game and Lily beat us.

Lily: Yes I won!

Me: Oh man! Lily you are awesome!

Lily: They don't call me the Queen of Games for nothing.

Linka: I can't argue with that.

The doorbell rang.

Laney: I'll get that.

Laney walked up to the door and opened it and on the porch stood Carol Pingrey and she was wet, cold, shivering and crying. Her clothes were shredded and her hair was a mess.

Laney: Carol!? Why are you here?

Carol: (Crying) I got disowned by my parents and I have no where to go!

Laney: Oh man.

Me: You got disowned? That's horrible!

Varie: Come on.

We took her to the kitchen and brought her some food and water.

I made her some spaghetti and meatballs. She was eating and we decided to talk to her.

Me: What drove your parents to kick you out?

Carol: I got back from reform school 3 days ago and I got into a horrible argument with my father and they kicked me out of the house. When I was living on the streets, I discovered that I had another version of me inside of me.

Varie: Another you?

Laney: Like a split personality?

Carol: Yes Laney. She comes out when I get angry. I call her Morgan. She made me do all sorts of terrible things as her. How did you know about that?

Laney: I want to become a forensic and criminal psychologist when I grow up. It's always been one of my key interests.

Carol: I can believe it. Morgan is very ruthless and I can't control her. Now she's appearing whenever she wants.

Carol's eyes turned red.

Carol: I can do anything I want. I've always been better than Lori!

Carol comes back.

Carol: See? That was Morgan.

Lucy: Wicked. I've read that book "The Strange Case of Dr. Jekyll and Mr. Hyde" and it was very interesting. Split Personalities have caused alot of problems for alot of people around the world.

Aylene: This is very serious.

Laney: I thought you like Vampires, Lucy.

Lucy: I'm actually into all the monsters and themes of Horror.

Lincoln: I can believe it.

Gabrielle: [British Accent] This Morgan persona is a very dangerous creature and we have to stop it.

Lisa comes in.

Lisa: I believe I have the solution friends and siblings. Follow me please.

We all follow Lisa into her laboratory and she shows us a strange machine.

Lisa: This is my prototype Persona Remover. I just finished it 5 days ago.

Aylene: Cool.

Laney: I don't know Lisa. Are you sure this is safe?

Lisa: It is elder sister. I tested it on a person with Dissociative Identity Disorder, Street Name: Split Personality, and removed 4 personas from that person and cured him.

Me: Wow!

Varie: That's amazing Lisa.

Gabrielle: Incredible! This could be a new giant step in the fields of mental medicine.

Lisa: It is.

Carol: Well if this will help me get rid of Morgan then I'll do it. I want to redeem myself and rebuild my friendship with Lori and rebuild my life.

Me: I want to see this in action. This looks really cool. Plus Luan got Light Powers because her evil persona got out of her on its own.

Carol: I've heard about that.

We put Carol in the machine and turn it on. A red smoke covered her. In the recesses of her mind it went in and grabbed Morgan. On the outside in the second pod the red smoke manifested into Morgan. When it was done, Carol was forever changed and the machine opened up.

Me: How do you feel Carol?

Carol: I feel great. I can't hear her anymore! I'm cured!

Me: It really worked!

Varie: I can't believe it!

Laney: Incredible!

Lucy: Wicked.

Lily: That is cool!

Lincoln: This is amazing!

Linka: No kidding!

Gabrielle: Wait! Look!

We all see in the second pod and it opened up and revealed Morgan. She was a red haired Carol and she had red eyes and red clothes.

Morgan: Where the crud am I?

Me: So we finally meet on the physical plane Morgan.

Lisa: This is exactly what has happened when I tested it. My machine separates the evil personalities of a person with a Split Personality from the original host. It creates a physical manifestation of that persona and makes them a separate being. Their life energy is not linked and we can destroy them without any fatal repercussions to the original host.

Varie: So we can fight her without causing any harm to Carol?

Carol: That's great. Now I can make this low life pay for ruining my life!

Lisa: I will gladly assist you Carol.

Morgan: I will kill you both and take over as Carol forever!

Me: Wait! Lets have you fight in the simulator. I know just the scenario too.

Carol: Simulator? What's that?

Varie: We'll show you. Aylene, you go get Lori. She's gonna want to know about this.

Aylene: Okay. [Aylene leaves to get Lori]

Lori's Room

Lori was texting Bobby on her phone when her door opened.

Aylene: Lori! I'm sorry to come in like this but we have a big problem. I'll explain on the way to the Simulator. Come on.

Lori got up and grabbed her sword and joined Aylene as they ran.

Lori: So what's up Aylene?

Aylene: You're gonna think I'm crazy, but Carol Pingrey has a Split Personality that made her do all sorts of terrible things.

Lori: That viper Carol is a monster that deserved what she got!

Aylene: I'm not kidding Lori. It made her do all that. It made her destroy your friendship with her and it made her into someone she's not.

Lori: Are you serious Aylene!?

Aylene: Yes. Carol told us and Lisa just removed Carol's evil persona who she calls Morgan with her new Persona Remover machine and Carol and Lisa are going to fight her.

Lori: I won't believe it until I see it, but I have a feeling you're right.

Aylene: It also made her parents disown her 3 days ago and made her homeless.

Lori: What!? Are you serious!?

Aylene: Yes I am.

They entered the Simulator Control Room and Lori saw Carol looking at Morgan with intense rage and vengeful hatred.

Lori: Is that red haired girl Morgan?

Aylene: Yes. She's a physical embodiment of Carol's rage, arrogance, narcissism, pride and sociopathic nature. She's extremely ruthless.

Lori went into the Simulator.

Lori: Carol!

Carol: Lori! [Hugs Lori and cries] Lori! I'm so sorry I broke off our friendship! It was because I had a split personality. [Points to Morgan] She made me do all those horrible things to you and ruined my life!

Lori: Carol, I can now see that it all wasn't your fault.

Carol gets better.

Carol: Yeah.

Lori: Now lets destroy this demon!

Carol: Yeah! [Lori and Carol High Five]

In the control room I punched in the scenario.

Me: Coming online girls.

THE SIMULATOR

The Simulator activated and Lori, Carol and Lisa found themselves in the movie Dragonheart from 1996.

Lori: I remember this. It's the final fight from the movie "Dragonheart". I used to watch this movie all the time when I was growing up.

Carol: Me too. I love dragons.

Lisa: Great minds do think alike for some people even though dragons are mythological beings.

Lori: Well. Lets show this monster what the power of friendship can do.

Lori spreads her blue wings and unsheathes her Scottish Claymore.

Carol: Lets get her.

Lori, Carol and Lisa charged and Carol punched Morgan in the face and Lisa kicked her in the stomach. Lori then slashed Morgan in the face with one swing of her sword and fired a blast of wind that sent her crashing into the wall of the fortress they were in. Morgan got up and charged toward them in a blind rage. Lori kicked Morgan in the chin and Carol punched her in the mouth and knocked out some of her teeth. Lisa kicked Morgan in the back and sent her flying up into the air. Lori flew up and dealt an axe kick and sent her crashing through the castle floor. Morgan got up and she was enraged beyond all forms of human comprehension.

Morgan: I WILL KILL YOU ALL!

Lori: You brought all this on yourself Morgan. You destroyed my friendship with Carol, got her in alot of trouble at school, ruined her social status, and you even destroyed her family and made her homeless! It's over for you!

Suddenly out of the blue, a strange blue cloud appeared out of nowhere and it enveloped Carol.

The geiger counter in the control room showed that it was radiation.

Me: That's Cosmic Radiation!

Carol suddenly started glowing and she was in a blinding flash of blue light. When it died down, Carol was on the ground.

Carol: I feel really weird. What happened?

Lori: I think you have powers like me Carol.

Carol: I do? Let me see here.

Carol held out her hand and she fired an orange heat ray and it hit the wall and exploded into a huge inferno.

Lori: WHOA!

The explosion caused some of the castle to collapse as Bowen and Einon were swordfighting and the rubble collapsed onto Einon. Burying him under a pile of stones. The explosion blew Morgan into another wall.

Me: Jumping Fireballs!

Lincoln: What power!

Linka: Incredible!

Laney: Wow!

Aylene: Wait! I've seen that heat ray before. It was from the Godzilla Franchise.

Me: Godzilla!? [I remember a scene from one of my favorite Godzilla movies and it was from "Godzilla VS Space Godzilla". Godzilla had an enhanced atomic breath ray that was orange and it destroyed Space Godzilla] I saw that heat ray too. It was awesome. That Cosmic Radiation must've given Carol some of the powers of some of the Godzilla Monsters.

Varie: It must have.

Gabrielle: Unbelievable!

Back in the Simulator, Carol was shocked.

Carol: Incredible! I now have powers like you Lori.

Lori: J.D. will have to look this up when we get back.

Lisa: Precisely. Lets finish our fight.

Bowen: Let me help you all.

Lori: Sir Bowen. We greatly appreciate it.

Bowen: You're welcome.

?: Let me assist you too.

Kara came out.

Carol: Kara. Thank you.

Kara: You're welcome.

Lori: Bowen, Einon will not die that easily. As long as Draco lives he is immortal. That explosion may have slowed Einon down, but it was not enough to kill him.

Bowen: I realise that now. But I can't kill Draco. He's my friend.

Lori: I know a way around it. But first let's destroy this wretch.

Bowen: We heard your fight up here and you've done a good job.

Lori: Thank you. Lets go.

Morgan got up and she has a sword now.

It was a claymore.

Morgan: Now you all die!

Morgan charged and Lori and Morgan clashed. Sparks were flying everywhere and setting the whole castle on fire.

But Lori caught Morgan off guard and stabbed her in the heart and killed her.

Lori: That was for Carol.

Morgan exploded into a cloud of red glitter.

Einon showed up and he was mangled up really bad.

Einon: You have not beaten me yet. I'm immortal.

Lori: Not anymore you're not. [Chants an incantation] **Jastestiga Nomleqmin Edxeuyp Krynsega Solomeras Nor!**

The soul of Draco exited Einon and went back to Draco and he was whole again.

Einon: What happened?

Lori: You're mortal again. You've lost Einon.

Bowen: We've won Einon. Your reign of terror is finished forever.

Draco suddenly broke out of the chains that were holding him down and he flew up and landed behind Bowen, Kara, Lori, Carol and Lisa and roared.

Draco: I am now whole again and it's over for you. Our link has been severed and I can now do this.

Draco blew a stream of fire out from his nose and it set Einon on fire and he was screaming in excruciating pain. Carol fired a heat ray and the castle exploded from underneath him and incinerated him.

Carol: That's it for him.

Lisa: Affirmative.

Lori: I hope he has a nice time in the Netherworld along with Morgan.

Carol: Yep. Lori, Lisa, thank you. I am now free.

Bowen: We couldn't have done all this without you.

Lori: It was our pleasure Sir Bowen. We come from another time and it's complicated.

Bowen: I see. Thank you all.

The simulator deactivated and Lori, Carol and Lisa went into the living room with all of us.

I looked up how Carol got powers but surprisingly it was not in my book.

Me: Weird. It's not in my book. Carol, you got your powers from Cosmic Radiation. It's effects are completely unpredictable.

Carol: Weird. I don't even know what else I can do.

Carol suddenly felt a sharp pain in her back and she suddenly sprouted purple angel wings and we all gasped.

Carol: Whoa. That was weird. But why does my back feel so heavy?

Lori: You've sprouted wings Carol.

Carol saw the wings and gasped.

Carol: I have! I have a lot to learn now that I've got powers like some of you. But I have nowhere to go now that I've been disowned by my parents.

Me: Lets talk to Mr. Lynn and Ms. Rita then.

We called Lynn Sr. and Rita in to the Living Room.

Lynn Sr.: So what's up guys?

Lori: Mom, Dad, we found out that Carol had been disowned by her mother and father after having a terrible argument. Carol is here with us.

Carol stood before them.

Carol: Hello Mr. and Mrs. Loud.

Lynn Sr.: Why would your own family disown you?

Carol: It's a complicated story.

Me: I've called in the Principal Mr. Livingston and our teacher Mrs. Harrington so we can tell them too.

When they arrived we explained everything and Principal Livingston, Mrs. Harrington, Lynn Sr. and Rita were shocked.

Rita: Carol that is horrible. We had no idea.

Me: Nobody knew about it until it was too late.

Principal Livingston: Carol we had no idea you were going through all of that.

Carol: I didn't even know about it myself Mr. Principal.

Principal Livingston: I can tell. [to Me] Thank you for calling us over J.D. We can now help Carol deal with this evil personality problem of hers.

Mrs. Harrington: Yes. I can tell she's also been through a terrible ordeal.

Me: Yes and you're welcome. But that won't be necessary. Lisa here invented a machine that removed this evil personality and we fought it and destroyed it.

Mrs. Harrington: Interesting. May we see this machine please?

Lisa: Certainly. This way please.

We all show them the Persona Remover machine and Lisa explained how it worked.

Mrs. Harrington: This is an amazing piece of machinery.

Principal Livingston: Indeed. Lisa you are a great inventor.

Lisa: Thank you Principal Livingston. I am always available whenever my siblings, friends, and parental units require my help.

Principal Livingston: I can believe it. School starts next Monday everyone.

Me: Understood sir. See you then.

Principal Livingston and Mrs. Harrington left and Lynn Sr. and Rita decided to have Carol be part of the family. She now lives in Lori's room as a roommate and after 2 and a half years they've finally reconciled their friendship.

FLASHBACK ENDS

When it was done everyone was shocked!

Twilight Sparkle: Oh man!

Nico: That still is shocking to me but amazing.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to defend the city and destroy our old enemy, Morgan, once and for all, and this time, we'll make sure she never ever comes back, and once we get done with that poisonous viper for good, Peace Salyers is going to face her Demon Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off to the park

* * *

We arrived.

Xion: Here we are.

Bulldozer: Should we call Saix?

Me: Good idea.

We called Saix.

Saix: I'm here guys.

Me: Awesome.

Nico: Oh right J.D. I forgot to ask you. How did you help Laiha avenge her parents?

Tara Geed: Oh right we never told you all about that.

Me: Well it was back in 2017 when I was still getting the team together. It's how I met the Ultraman Geed team.

It showed me and Laiha clashing with a man wearing all black and he had glowing red eyes and his power was incredible!

Me: (Voiceover) Me and Laiha were battling Kei Fukuide who was known as the Skull Gomora and he was also the most loyal servant of Ultraman Belial, he was putting up a really powerful fight.

I kicked him in the face and fired a massive blast of energy and blasted off his arm.

Laiha then slashed him in his face.

Past me: You are nothing but a monster and a snake Kei! You had this coming for a long time!

Laiha: That's right!

Kei laughed malevolently.

Me: But that provided the key to us winning. We went and stabbed him through his black heart!

SKEWER!

We killed him instantly.

Me: After that we banished Ultraman Belial to another dimension where he would be imprisoned until sometime in the future.

Laiha then broke down and cried and I comforted her.

FLASHBACK ENDS

Me: Laiha got her revenge on him and I helped her.

Nico: Wow! That is incredible.

Tara Geed: It sure was. And that was also when J.D. and me first met and we became good friends.

Nico: That's amazing. What dimension did you banish Ultraman Belial to?

Me: The Dark Dimension. I locked him in there until the day we face him.

Nico: Good thinking there.

Dr. Strange: That will give us plenty of time to be ready to face him.

Qin: Yeah it sure will.

Me: Yep.

Tara Geed: And with how powerful you guys have all gotten over the years he will never know what hit him.

Me: Yep that is for sure.

Lily: Who has the missions for Ultraman Geed?

Nico: Lincoln, Octavia Melody and Stacy Bolton.

Lincoln: Oh wow! This is gonna be fun!

Octavia Melody: (British Accent) This will certainly be a most amazing adventure indeed for us.

Stacy Bolton: Radical!

Me: Yeah!

Bai Tza: Let's not get too hasty. We still have ways to go

Lynn: Yeah! But we have a while to go before that. First we have my missions with the Orb team.

Ophelia Orb: That's right! That is gonna be fun.

Me: Yep and that series commemorates 50 years of Ultraman.

Hikaru Raido: Wow! That is so cool.

Me: I know. Since 1966 Ultraman has been popular. But yeah I just wanted to get that off my chest.

Sportsmaster: Belial reminds me of Darkseid

Me: Yeah come to think of it he sure does.

Qin: I agree.

Lola: He looks like it.

Ben: More like a dark version of Way Big.

Me: That is true. Like something Dark would turn into.

Nico: No kidding

Shego: I hope we stab Morgan with a nuclear blade

Me: That I can do with this.

I pulled out Nuclear Man's Ridewatch.

Shego: Now you're talking!

Me: Yep.

Vince: Oh Carol honey I don't know the full story but how did Morgan come into being?

Me: Oh right every Evil Persona has to have an origin story.

Carol: Oh right. I think I know what went down with that. It was because of when my dad was drunk and when he came home he accidentally hit me and I got a nasty concussion.

Me: Ooh ouch!

Carol: Yeah I don't remember what happened after that but it was bad.

Nico: When did this happen?

Lori: It was about 3 weeks before J.D. moved to Michigan.

Pyros: Keep the story coming

Me: Well I think the rest is history from there.

Lori: Yeah. After that, Carol became different. She became this monster that I literally didn't know and we became bitter enemies. She sabotaged my golf game and more.

Carol: Then I became rebellious, I would get into these terrible fights, I was sent to a reform school, banned from social media, disowned and all that.

Me: Yeah like we said, the rest is history.

Sandman: Until you freed her, right?

Me: Mm-hmm. Thanks to Lisa's amazing invention.

Dexter: I was impressed myself hearing about the invention Lisa made that freed her from Morgan.

Lisa Loud: It was a good invention.

Me: Yeah.

Nico: Wow! I wasn't there when it all went down but that is amazing all that happened.

Mr. Pingrey: Oh Carol what have I done? I can't believe that I came home drunk. (Crying) It's all my fault!

Stewie: You keep moving. Me, Lisa, and Bowser Jr are still pissed at you.

Nico: Stewie stand down. He's already regretting everything he did because of Morgan. He just needs to see the monster Morgan with his own eyes to believe it.

Me: Yeah.

Stewie: Oh right.

Nico: Besides Mr. Pingrey has been punished more than enough as it is.

Lincoln then had a premonition!

Lincoln: OH MAN! I saw the Akuma we're going to face. Her name is Queen Terrorkaiju. The Hypothetical Akuma of Carol and a deadly and ruthless master queen of the Kaiju including the Ultraman Kaiju. She has all their powers and abilities and is a deadly force to be feared. She was made when Morgan destroyed her entire family and vowed to kill that monster

WE GASPED!

Me: WHOA! So we're not the only ones that are after Morgan.

Lincoln showed us a sketch of her and she looked like a queen girl with Battra's wings and had a terrifying red energy sword!

Me: WHOA!

Nico: Whoa that is a scary one.

Carol: That shows how I look as the TRUE QUEEN of the Kaiju.

Camie: It sure does.

Lola: Yeah.

Kite Man: May, are you proud of Manaphy?

May: I sure am and I am so excited for this.

Lola: We all are.

Demona: Are we talking about ALL the Kaiju

Me: Yeah. Including the Ultraman Kaiju.

Qin: WHOA!

Lola: This is gonna be intense.

Camie: Yeah!

Beautiful Gorgeous: Where is she right now?

Eli: (Concentrates) Coming this way fast!

Me: I think she's already here! LOOK!

We saw her! It was QUEEN TERRORKAIJU!

Me: WHOA!

Carol: Oh wow!

Queen Terrorkaiju: Pleasure to meet all of you and Lori I see you are doing great as always.

Lori: You literally look incredible.

Queen Terrorkaiju: Indeed and Carol it's good to see what I looked like before. I missed my normal self.

Carol: I can tell but I look awesome.

Rhino: Carol? Is that you?

Queen Terrorkaiju: Yes it's me. But before we fight I just want to tell Carol something.

Carol: What is it?

Queen Terrorkaiju: Carol, I know our dad did you wrong before but it wasn't his fault. He was undergoing a huge amount of anger because he lost his business partner to a rival company. He loved his friend like a brother and because of that he took it out on you with alcohol and all that. So please don't be mad at him forever.

Carol: I had no idea.

Queen Terrorkaiju: Our dad was punished more than enough just like Nico said. So please give him another chance.

Me: Wait I think Becky told me about what happened with Carol's dad's company.

Becky: Yeah that's right!

Me: I completely forgot about that.

Nico: Oh man.

Applejack: Just don't expect me and my group in the usual battles today to warm up to him right away!

Me: Applejack calm down.

Applejack: Sorry.

Queen Terrorkaiju: No promises there.

Me: But that is good advice.

Queen Terrorkaiju: Indeed. Now lets do this.

She fired a blast of Gravity Lightning and it hit the ground by us and exploded!

KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOMMM!

Me: Whoa! My turn!

I fired laser blasts and blasted her all over.

Unicorn: Didn't expect you to give advice to your own self

Queen Terrorkaiju: I know but it was the least I could do to help Carol give him another chance. I know it will take some time but it's the least I could do.

Me: True.

I fired waves of fire and blasted her all over.

Lola: Yeah!

Saix: Do you feel it? The Moon's power.

He fired blades of moon blasts and blasted her all over.

Me: I feel the moon's power!

I fired blades of moonlight and blasted her all over.

Saix: Moon, shine down!

HE WENT BERSERK AND BLASTED AND BASHED HER ALL OVER!

Queen Terrorkaiju: My turn!

She fired a wave of Microoxygen energy and I blasted the beam back at her.

I fired waves of energy and blasted her.

She was knocked out.

Killer Frost: Didn't expect your Akuma to be so wise

Carol: That is awesome though.

Me: Like we knew from the start, every Akuma has their own personality.

Camie: Yep.

Nico: Yeah. Now to find Morgan.

Lola: Yeah! Lets teach that jerk some manners!

Eli: She's 500 meters to the north.

Spymaster: Is she alone?

Eli: Yes she is.

Qin: Good.

Camie: Makes things easier.

Celica: I agree there.

Me: Time to end this scourge onto the Pingrey's once and for all!

We went to face her.

Francis: Think there might be traps around?

Nico: Doubt it.

Eli: There.

We saw our target: MORGAN!

Carol: (GROWLS)

Nico: Entrance time.

We went at her.

Morgan was REALLY PISSED!

Morgan: THOSE MEDDLING FOOLS! THEY RUINED EVERYTHING! I HATE THEM SO MUCH!

Then the spirits of justice came and swirled around her and converged and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

A massive fiery explosion blasted off above her and a phoenix cry was heard and we came out and landed.

Carol: MORGAN! Your time has come!

Morgan: (GROWLS)

They glared at each other with blazing hate!

Mr. Pingrey was absolutely flabbergasted! A red-haired, red-eyed, evil red clothing version of Carol was in front of us!

Mr. Pingrey: I can't believe it! This monster is my daughter's evil persona!?

Wrecker: We're gonna enjoy pounding your face!

Me: And it's gonna hurt REALLY BAD!

I punched Morgan in her face and kicked her.

I fired a blast of energy and blasted her.

Carol fired Atomic energy and the blasts her and exploded all over.

MASSIVE FIERY EXPLOSIONS!

Stewie: (to Mr. Pingrey) Remember, we're doing this for Carol, not you.

Mr. Pingrey realized that everything he did was hurting Carol! Now with a fierce look of determination he got up on his feet.

Mr. Pingrey: You're right! THIS IS FOR MY DAUGHTER CAROL! NOT THIS MONSTER!

He ran and kicked Morgan in her face!

KROW!

He sent her flying and she crashed into a tree and it broke in half and crashed onto her!

SMASH!

Stewie (sighs): Not what I meant!

Nico: At least it did some damage!

Stewie: True that.

Carol: Wow nice one!

Marionette Shadow: Have some of this!

He fired waves of energy and blasted Morgan all over.

Morgan: I HATE YOU CAROL! I SHOULD HAVE KILLED YOU THE MOMENT I WAS INSIDE YOU!

Qin: And what good would that have done!? You and Carol were connected and you both would have died!

Me: Like how Kami and Piccolo were one before!

Metal Sonic charged at her and bashed her all over.

Scratch: Now it's time for some robot power! HAHAHAHA!

Grounder: What robots?

BLANG!

Scratch bashed Grounder on the head.

Grounder: OUCH!

Scratch: We're the robots you dumbbot!

Metal Sonic and Scratch and Grounder: ROBOTNIK FURY BLAST!

They fired waves of energy and blasted Morgan all over.

Marionette Shadow charged at her and fired energy blasts.

Lady Ninja Yae: Lets make her feel pain!

They fired blades of energy and smashed her all over.

Fluttershy fired waves of leaves and blasted her.

Daffodil Burst fired beams of light and blasted Morgan.

Riddler charged at her and fired energy beams.

Kamen Rider Quiz: Lets bring the pain.

Riddler and Kamen Rider Quiz: FLAMING QUESTION BLAST!

They fired waves of energy and blasted Morgan all over.

Carol punched Morgan and really let her have it! SHE WAS REALLY BASHING AND SMASHING HER ALL OVER!

The Wrecking Crew charged at her and bashed her all over and really pulverized her into pulp!

SMASH WHAM BIFF CRASH SMASH WHAM!

Monster Flame Kirby: Take this!

Monster Flame Kirby and Wrecking Crew: DRAGON FLAME WRECKER!

They fired waves of dragon fire and blasted her all over.

Spymaster charged at her and kicked her in the face.

Hitoshi: Lets bring the sound of pain.

Han Solo: Time to unleash the pain.

Unicorn and Han Solo: DARK LASER BURST STORM!

They fired lasers and blasted her.

Qin fired lightning blasts and blasted her all over.

Pyros charged at her and fired globs of lava and burned her.

Volcana: Feel the fire!

SMASH SMASH SMASH SMASH!

Vambre: (British Accent) Time to unleash some pain!

BOULDER MAGISWORD!

Kite Man and Vambre: BOULDER FURY STORM!

They fired boulders and more and it hurt Morgan all over!

Daffodil was surprised as her body started trembling. She yelled out in surprise as her body started shrinking

Daffodil Bloom: Oh no. I control the power. It doesn't control me.

She concentrated and reigned in the power. She then turned into Celebi and fired a time blast. It hit Morgan and blasted her..

She reverted back and had full mastery over the power.

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

MORGAN SCREAMED IN FRIGHT!

Morgan: WHAT IS THAT HORRIBLE MOVIE!?

Manaphy: YOU LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

MORGAN SCREAMED IN FRIGHT!

Nico: (to Daffodil) Was it easy to control because Celebi is small?

Daffodil Bloom: I guess. But its power was too strong.

Nico: Yeah.

Marina bashed Morgan all over her face with a frying pan!

Sharko: YEAH! Take that you jerky girl!

Xenia: YEAH!

Carol: You really don't even know when to give up, do you, Morgan?

Vince: It can't be helped though because you are the bitch who ruined my wife's life and tried to kill her, and now, we're gonna see to it that you never come back from the dead again!

Morgan: FUCK YOU! FUCK YOU ALL! I WILL DESTROY YOU ALL AND REDUCE THIS CITY TO RUIN!

Suddenly, we saw a massive army of convicts Morgan busted out of prison to help her in her attack on the city. Suddenly, Lincoln turned the tips of his tails into Cell's stingers, and one by one, he stabbed them into the chests of the thugs, and he began absorbing them and he was growing stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes, and that really really pissed Morgan off as she screamed and bellowed like a rage-crazy demon.

Carol: Oh man, that was really a nice blow you dealt to her, Lincoln. Now, it's my turn to deal mine.

Suddenly, Carol's eyes turned neon purple, and she was surrounded by a rainbow, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Gravity Lightning from King Ghidorah, atomic radiation, the elemental forces of the Kaiju, Kaiju, phoenixes, and angels, she unholstered her massive Carol Pusateri's Cosmic Eternal Atomic Element Kaiju Queen Greatsword of Cosmic Eternal Atomic Elemental Kaiju Queen Justice from her back, and as she approached Morgan, she left rainbow, white, and blue energy, stars, aura energy, white and blue heavenly flames, Gravity Lightning from King Ghidorah, atomic radiation, the elemental forces of the Kaiju, Kaiju, phoenixes, and angels with every step.

Carol: I would've thought I was finally done with you once and for all, Morgan, but it looks like I was wrong. Thanks to Anti-Monitor freeing you, you decided to come back to our city to try and get revenge on us again. But, your plan to attack the city failed and your thugs are gone. It's time we ended this once and for all, this time, I'm putting you down once and for all, and I'm going to make absolutely sure you never rise ever again.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CAROL WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF MORGAN TO NO END! NOW, THE BATTLE TO DESTROY ARK WAS ON!

Lincoln, Crash Bandicoot, Vince, Carol, Nico, and I and the rest of us went after Morgan, and we fired extremely powerful blasts of rainbow, white, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Morgan and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Crash Bandicoot also did the same by firing rainbow, white and blue energy slashes from his massive greatsword and gold-plated claws, and Lincoln, Crash Bandicoot, Vince, Carol, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Morgan even angrier than ever.

Lori: Hey, there's the Monitor Orb, it's embedded in that viper's head!

Crash Bandicoot fired a ricocheting rainbow, white, and blue energy as it hit The Monitor Orb embedded in Morgan's head and it shattered, and not only did we get a massive power boost, but Morgan was screaming in agony and holding her bleeding head.

Lori: Hah, serves you right, you ugly viper!

---

Leonard was first.

Leonard (to Lori): Nico's rescue was in Chamberlain. He battled Chris Hargensen, Billy Nolan and Margaret White

Lori: We literally sure did and we destroyed both Chris and Billy and also sent Margaret to the nuthouse forever.

Lily Lace: But Linky literally surprised us by putting a nasty curse on her.

Bisca Mulan: It was called Dante's Inferno's Vengeance of The Nine Circles of Hell, this very deadly and terrible curse is made for only the worst kind of people ever: mothers who break the sacred bond and abuse their daughters along with religious fanatics. Once this curse is cast upon the chosen target, that person will suffer the pains of the Nine Circles of Hell: enduring the torments of the darkness of Limbo and Purgatory, battered by the storms and winds of Lust, drowned in the mud of Gluttony, burned by the molten gold of Greed, burned by the fires of Anger, burned by the eternal flames of Heresy, burned by the Abominable Sands of Violence, burned by the darkness of Fraud, and finally, frozen by the icy chills of Treachery, activated by drawing a glowing pentagram on their forehead and singing the song Luna's Future.

Leonard: WHOA MAN! That is a horrific curse! That sounds like something out of your most horrifying nightmares!

Mr. Krabs: Oh it sure was lads!

Applejack: But it was really fitting for her too.

Apple Star: It sure was. That sidewinder had it coming.

Apple Bloom: Yeah no kidding.

Flashwing: Yeah that was cool though.

Leonard: WHOA MAN! Margaret definitely had it coming for a long time. Especially for what she did to Carrie and Chamberlain. But I'm glad that Carrie is now permanently free of her demons forever. Lets do it!

LORI LOUD! AIR MAN!

Lori: And here's my book.

It was called Lori Loud the Winds of The Louds

They fired waves of wind and blew them all over and blasted them with wind, earth, rock, mud, boulders, lava, crystal and apples and smashed them down.

Shou Ronpo: It was amazing. And it was the right call. We set her on the road to redemption. We sent the three Hellraisers to a new prison. It's called The Iapetus Prison for Irredeemable Hellraising Teens.

Starlight Glimmer: It's located on the 3rd largest moon of Saturn and the farthest ever to orbit around it.

Firefly was next.

Firefly (to Lola): Morgan REALLY Caused Carol too many problems. I think you personally know what those problems are

Lola: Yeah we sure do. Morgan turned Carol into a horrible human being. She made Carol and Lori turn into brutal enemies, Morgan got Carol sent to reform school and had her banned from Social Media, and also her dad became an abusing monster and disowned her and made her homeless! That was evil!

Meramon: That was awful for her! It's hard to imagine she went through all that back then.

Chunk: No kidding there! And we had no idea that Carol had an evil personality in her back then.

Princess Luna: Yeah that was crazy awful.

Moondust: Yeah no one got her the help she needed back then until Lisa invented that really cool machine that did it.

Snowdrop: Yeah and they battled Morgan in the world of DragonHeart and also that was when Carol got her powers.

Gari: By the very same source that J.D. got his powers from.

Blackout: Cosmic Radiation.

Firefly: That is amazing! But I can't believe that all that happened because of Morgan! Lets do it!

Sandy Cheeks: Boy that sidewinder had it coming.

Rika Noralenshikov: (Russian Accent) That was a most well played and funny thing there.

Caleb Maxwell: Just trust him, Peace, you've never dealt with someone under the influence of Demon Blood before, so you're gonna need the help of a vampire to accomplish that task.

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) He's right, we've dealt with this before, since we were the ones who made the dumb mistake drinking demon blood.

Let's do this.

Peace Salyers and Cage Blunt went after Demon Blood Influenced Peace Salyers, and they fired extremely powerful blasts of black and blood red energy, black and green energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Peace Salyers, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords leaving painful scars on her, and they even scratched her with their gold-plated dragon claws and they smashed her all over the place with their superhuman strength, and it was making Demon Blood Influenced Peace Salyers even more enraged.

Demon Blood Influenced Peace Salyers: H-how?! How is this even possible?!

Caleb Maxwell: It's because Peace wasn't weighed down by what happened back in the past, and I escaped that night when she and the others came down to the cells, but not without getting shot.

Cage Blunt had a blush on his muzzle and Demon Blood Influenced Leela Salyers saw it and smiled.

Demon Blood Influenced Peace Salyers: You made the right step in the direction you chose.

Peace Salyers and Cage Blunt holstered their massive greatswords on their backs and powered down, and Peace Salyers' new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and green planets orbiting around her legs and fifteen black and green smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized black and green planets orbiting around her wrists and ankles, longer brown tail, and massive brown angel wings and four sets of larger brown angel wings underneath her massive brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Peace.

Peace Salyers: That's right, just like Cage and his old man, the captain, Carter, Jack, Roxy, Jazz, Casey, Cuffs, Buffy, Vessie, Abby, Leela, and Travis, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Eyre Westbrook, Gene-Slammer and Avatar of Marincess Wonder Heart, the last of The Gene-Slammers and Avatar of The Marincess Duel Monsters.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Eyre Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Wonder Heart. She's the eighth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Eyre Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Eyre kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Eyre absolutely despises Madara Uchiha with a blazing passion, because of everything he's done, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if he ever, and I mean, EVER SHOWS HIS MISERABLE HIDE AGAIN!

WE GASPED!

Nico: Oh shit!

Me: Oh man!

Eli: Damn!

Lincoln: That's something we all have in common: we all despise Madara for everything he's done, and if we ever see him again, he will be getting The Black Abyss along with his minions whom Anti-Monitor has also brought back.

Shiv: Morgan's gone for good.

Webstor: And she's done hurting Carol.

Bane: Thank goodness.

Vexen: What now?

Carol: I'm hungry.

Calamitous: Anyone for pizza?

Me: Sure. We could go for some.

Qin: Good idea.

Nico: Great job everyone.

Carol: (to the viewers) This was awesome and amazing.

Lola: Yep.

We went to Lynn's Table for some grub and had awesome pizza.

We returned home, and Caleb Maxwell was looking out into the sky as the sun set and night had fallen.

Caleb Maxwell: And so, another day ends and night falls on the city. And I know what tomorrow is.

Cronus Chase then came in.

Cronus Chase: The fight with my Demon Blood Influenced self, I knew that was coming. Tomorrow, we better show my secret to everyone as to how I became a vampire. Cage and Travis knew of my secret because of what they did to me.

Caleb Maxwell: I know, Cronus. I still can't believe what your dad did, I know you had problems with him, but this was a little much.

Cage Blunt and Travis Tackett then came in.

Cage Blunt: I almost wanted to kill your dad, but instead, I decided to have him cuffed and sent to jail to cool off.

Travis Tackett: My dad was a drunk, but your dad was a rich jerk who always just threatened to cut all ties with you on the slightest whim and caused you a lot of trouble and you also had the same issues like me.

Caleb Maxwell: Just be glad Cage had him cuffed and thrown in jail to cool off, but that of course led to a court case and he wound up getting put in prison for years.

We went to sleep.

Next up is where we face Apocalypse from the Prime Universe and it's Squirrel Girl's time to shine.

see you all next time.

PHOENIX VS APOCALYPSE

This is where we face the prime universe version of Apocalypse.

In the early morning hours at 12:20 AM, Lincoln had a dream, and he saw three figures hiding out and living on the streets of Omsk, Russia. But, there were no ordinary three figures, they were Polly Loud, daughter of Lincoln's future wife, Parasoul. Filial Loud, daughter of Lincoln's future wife, Filia (Skullgirls). and Mercy Loud, daughter of Lincoln's future wife, Marie (Skullgirls). Lincoln woke up from the dream, but he wasn't the only one, Parasoul, Filia (Skullgirls), Marie (Skullgirls), Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Parasoul : And it also means that we found out where our kids are at.

Me: They're at Omsk, Russia.

Nico: Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to Omsk, Russia, to rescue Polly Loud, Filial Loud, and Mercy Loud, then suddenly, there was a knock at the door.

Marie (Skullgirls): (Groans and went to the door) Who would that be in the middle of the night? We have an important mission to do.

Marie (Skullgirls) opened the door and saw a tall and muscular humanoid Rhino who has tan and silver skin, a long gold horn, and red eyes. He wears a gray robe with white and gold undercoat. He wields his Mountain War Hammer and his Chaingun of Doom. and a athletic and slender build humanoid falcon who has black feathers, red spots around his blue eyes, yellow beak and long bird-like wings on his back. He wears red G-suit, a red bandana, blue flight jacket and red boots. He wields two electric whips. They were Steel Rhino and Electric Bird.

Steel Rhino: Are you Parasoul, Filia, and Maire, of the Skullgirls?

Filia (Skullgirls): Well, yeah.

Parasoul: Who are you guys?

Steel Rhino: We're the heroic Elemental Wielders. Livin' large for the wielder of the Earth Element like me, Steel Rhino.

Electric Bird: I'm Electric Bird, by the way. The wielder of the Air Element. Oh, and do these kids belong to you three?

The three kids were with Steel Rhino and Electric Bird, was a tall and slender 14 years old girl who has fair skin, carrot orange and blue mismatched eyes, and straight lower back-length red and white hair. She wears a long sleeved black shirt, black skirt with light purple undies underneath, and black ballet flats. A slender and curvy 12 years old girl who has pale skin, red and blue mismatched eyes, and black and white demon-like hair named Spade who has razor shrap teeth and yellow eyes. She wears a white button-down collared shirt, a short black necktie, a pleated black skirt, black thigh-length leggings, and dark brown loafers. And a young 11 years old girl who has pale white skin, red and blue mismatched eyes, and white hair in high twin-tails. She wears a black and white maid outfit, white thigh-high stockings, and black mary jane flats. They were Polly Loud, Filial Loud, and Mercy Loud.

When Parasoul, Filia (Skullgirls), and Marie (Skullgirls) saw them, they were stunned.

Filia (Skullgirls): (Stunned) How is that possible?

Electric Bird: Oh, me and Steel Rhino found them in Omsk, Russia.

Parasoul, Filia (Skullgirls), and Marie (Skullgirls) ran up to Polly Loud, Filial Loud, and Mercy Loud, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Steel Rhino and Electric Bird.

Electric Bird: Aw shucks! You fellers you're gonna make me blush.

Steel Rhino: (to Lincoln) Do you have something to say to the girls?

Lincoln: Of course. (to Polly Loud, Filial Loud, and Mercy Loud) There's something you should know, Parasoul, Filia, Marie, your mothers are one of my many future wives.

Polly Loud, Filial Loud, and Mercy Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Polly Loud, Filial Loud, and Mercy Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes. We webt back to sleep

---

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Polly Loud, Filial Loud, and Mercy Loud to the rest of his siblings, who are now her aunts. We were proud of what Lincoln, Steel Rhino, and Electric Bird did in reuniting Parasoul, Filia (Skullgirls), and Marie (Skullgirls) with their kids, and Polly Loud, Filial Loud, and Mercy Loud now has a loving, strong, brave, and caring father in their life. As well as Steel Rhino and Electric Bird join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes.

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to his rescue after Nico's rescue, apparently, his dream took him to the land of Deltora which merged with Earth three years ago, and he saw a figure emerge from the shadows: it was The Shadow Lord, the archenemy of Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda, our friends whom we'd met since the world of Deltora merged with Earth three years ago, but he also saw that The Shadow Lord had become even more powerful because of the darkness of Sebastian who'd been driven to madness by the karmic curses his Guardian Angels put on him after his attack on Acme Acres nine years ago and earning their eternal hatred. Lincoln woke up, but so did his harem too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow, Lily. We've got to help Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda finally destroy The Shadow Lord for good.

Lily the Mermaid: It's been three years since that day, and now, we're going to make sure he dies here and now.

Lincoln: But, that's not the worst part: it appears The Shadow Lord has become even more powerful because of the darkness of Sebastian who'd been driven to madness by the karmic curses his Guardian Angels put on him after his attack on Acme Acres nine years ago and earning their eternal hatred.

Lincoln's harem gasped.

Selene Arcangela: Oh God, it's because of our anger towards Sebastian and his insane utter madness and malice that we put the karmic curses on him nine years ago, and now, he's been driven to madness. I knew we should've removed them after we ran into him last year, but now, we're gonna fix that mistake.

Lincoln: And I'll also help too, Selene. I know we were angry due to him being that monster nine years ago, but that's going to be fixed.

Paige: Right. But, we got to also tell everyone tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear the truth, and knowing Crash, he's gonna spill the beans, but it's best that I be the one to tell them tomorrow.

Girl Jordan: Good idea.

Lincoln went back to sleep with his harem. Then, morning came, and Lincoln and his harem got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, I had a dream, but this one is a premonition to my rescue later on today, my dream took me to the land of Deltora which merged with Earth three years ago, and I saw a figure emerge from the shadows: it was The Shadow Lord, the archenemy of Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda, our friends whom we'd met since the world of Deltora merged with Earth three years ago, but he also saw that The Shadow Lord had become even more powerful because of the darkness of Sebastian who'd been driven to madness by the karmic curses my Guardian Angels put on him after his attack on Acme Acres nine years ago and earning their eternal hatred.

WE GASPED!

Eli: What?!

Me: Oh man, we've got to help Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda destroy The Shadow Lord forever.

Nico: No doubt about it, J.D., and during my rescue today, we got to remove the karmic curses that were on Sebastian since nine years ago to the day of his attack on Acme Acres.

Lincoln: That'll be left to me and my Guardian Angels, Nico. We know of the karmic curses, and we know how to break them, but it's gonna be painful for him.

And when Buster Bunny and his friends heard it, they were so enraged, we saw their energy auras flare up.

Buster Bunny: I can't believe he did that, he's absolutely worse than dead. SEBASTIAN, GET YOUR LYING TWO-FACED INSANE BLOOD-CRAZED OUT HERE NOW!

Lana: Uh oh.

Then, Sebastian came out, and Buster Bunny and his friends had mallets out.

Babs Bunny: Lincoln told us everything, you two-faced blood-crazed deranged psychopath! You used your darkness to make The Shadow Lord even more powerful, do you have any idea of what you've done?!

Then, we saw Sebastian's midnight blue eyes turn red and the sclera of his eyes turn dark red.

Sebastian Mendez: It's revenge for all of the humiliation that you all dealt to me, you utterly humiliated me far too many times to count for the past nine years and drove me even further into madness!

Goten: Hold on, even though it was all the doing of Chase Young's Dark Side that you got turned into that murderous psychopath, the humiliation was all your doing from the start, and even now, you still continue to blame us?

Trunks: I guess there's still some part of you that's still the monster from all those years ago.

Sebastian Mendez: SHUT UP! YOU MAKE ME SICK! (BARFS OUT A TORRENT OF BLOOD)

Sebastian barfed out blood at Goten and Trunks, along with Buster Bunny and his friends, but they dodged it.

Buster Bunny: Hah, you missed us!

Sebastian Mendez: (BARFS OUT ANOTHER TORRENT OF BLOOD)

Sebastian barfed out another torrent of blood, and this time, it hits Goten and Trunks, along with Buster Bunny and his friends, and he had an insane psychotic grin on his face.

Qin: THAT IS DISGUSTING!

May: How revolting!

Nico: That's still as gross as ever!

Valese: Why, you vulgar hideous serpent of Hades.

Valase punched Sebastian right in the jaw and sent him flying up into the ceiling head first!

Shirley the Loon: Ooh! Like nice shot, Valase.

Goten: That's my girlfriend.

Sebastian got his head out of the ceiling, but boy, was he mega enraged, as he let out a loud cacophony of demonic shrieks, screams, and swears and curses at us, but then, Lincoln tied him up with gold energy chains and he couldn't get out.

Caleb Maxwell: Oh God. I hope your plan works, Lincoln, otherwise we're gonna be stuck with that monster again, and who knows what he'll do!

Cage Blunt: And throwing up blood on our teammates like that, that's just wrong on so many levels.

Travis Tackett: Not to mention disgusting. You guys might need to get another shower.

They did so, and came out fresh and clean and had fresh clean clothes.

Pan: And let this be a lesson, Sebastian: you don't ever mess with my Uncle Goten and our friends and gets away with it.

Babs Bunny: He unfortunately never learns his lesson, Pan.

Gohan: She's right, no matter how many times we take him down and send him running back into the darkness, he never learns. He was pretty persistent though, I'll give him that.

Goku: Still, what that dark side of Chase Young did to him can never be forgiven, nor can that monster, Dustin Keystone.

Squirrel Girl woke up to see Pachirisu staring at her

Pachirisu: Morning Doreen!

Squirrel Girl: Morning Pachirisu.

Pachirisu: Time for breakfast.

Squirrel Girl: Oh boy!

She ran and got dressed and went to the table and we were having pancakes and french toast with nuts and bananas.

Qin: Yeah.

Nico: Robo Knight, I want to thank you, Vampire, and your teams for coming

Robo-Knight: It was my pleasure Nico.

Me: It's awesome.

Takamichi Crystalia: I agree there too

Rarity: Takamichi, I will never regret meeting you and the others

Takamchi: Me neither Rarity. That was so much fun.

Qin: It sure was.

Me: Yep. Yodon will soon pay for his crimes later on.

Camie: Yeah.

Me: Yep. Man Carol I bet you're glad Morgan is gone right?

Carol: I sure am!

Me: Me too.

Laney: That monster had it coming.

Lincoln: Good riddance! And I'm going to kill Killjoy Huggins!

Nico: Geez, you're still on that?

Me: Nico this is personal to him. You kill someone Lincoln loves and you signed your own death warrant. Killjoy Huggins is going to the Black Abyss for his crimes.

Nico: You're right.

Carol: Yeah.

Juran: I still don't trust Carol's Dad.

Nico: Opinion noted. But we got to give him a chance. He showed good promise.

Carol: You're right.

Vroon: How do we know he won't stab us in the back?

Me: Vroon calm down. We have measures in place for that just in case.

Nico: Lisa put shock bracelets on him.

Lisa Loud: It's my security measure to make sure.

Me: Clever.

Maria: If he falls out of line, we're using him as bait for Killjoy Huggins!

Nico: Maria calm down. That won't be necessary. Besides he is still getting through the shock about what he had to go through because of Morgan. She played him for a patsy.

Maria: I know. But you know Carol's my sister

Ace Ukiyo: Is she really?

Me: Not by blood. They have known each other since they were in kindergarten and were best friends since. They have a huge sister bond.

Ace Ukiyo: Oh I get it.

Maria: And I worry about her. I just don't want her to get hurt.

Lola: That's actually understandable

Nico: It is.

Me: But he won't hurt her.

Qin: Good.

Camie: Yeah.

Maria: He better not.

Me: Lets just eat now.

Maria: Yeah I'm hungry.

Maria ate some food.

Maria: (eating banana pudding) Mmm! Delicious.

Me: It sure is.

Lola: (Eating Cajun Crawfish) It's so awesome.

Nico: It is, isn't it?

Me: Yep.

Qin: I'll say!

Homer: I agree there too.

We were eating and it was filling. We cleaned our plates and we were stuffed.

Camie: Ahh.

Me: Man that was delicious. (LOUD BELCH) Oh pardon me.

Maria burped.

Maria: Pardon.

May burped too.

May: Oh pardon

Nico burped as well.

LOUD BELCH!

Nico: Oh excuse me.

Lola: Boy we are stuffed.

Camie: We sure are.

Lincoln: You said it. Okay, gang, we're in for a huge battle for this rescue, we're here in New Orleans, but we are in for one hot and spicy battle: we got word that Pepperdance's Akuma is here.

We gasped.

Nico: Whoa! And who is she, Lincoln?

Lincoln: Her name is Cajun Atomic Reaper, the Hypothetical Akuma of Pepperdance and this one is THERMONUCLEAR NOVA HOT! She is a master of fire and all things involving hot sauces and nuclear hot food. She was made when someone said she hates her hot sauces and that set her off and she vowed to burn them by shoving hot sauces and hot peppers down her throat!

WE GASPED!

Then, Lincoln showed his sketchpad, and we saw her hypothetical Akuma: she was a red-cloaked Grim Reaper with a thermonuclear nova hot pepper in her hand!

Me: WHOA! Lincoln, hope you saved some room, we're gonna be eating thermonuclear nova hot peppers!

Lincoln: You bet I did, I've suddenly got a craving for thermonuclear nova hot peppers!

Helena Knudson: When J.D. told me of how you beat Lynn in a hot pepper eating challenge and how you got that immunity from that pepper Gina gave you and have a love for eating spicy peppers and drinking hot sauces, I was speechless.

Pepperdance: Hoowee! This is gonna be one spicy battle!

Maria: This is not gonna end well for those with really sensitive stomachs.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and the Midnight Princesses have resurrected Malefor, Gaul the Ape King, Ripto, Gulp, and Crush, and sent them after us.

Lincoln: Are you kidding me? Morgana, why you little...?

Me: Lincoln, what's wrong? Oh no, who did Morgana bring back now?

Lincoln: It's not good at all, Morgana Midnight Sparkle and the Midnight Princesses have resurrected Malefor, Gaul the Ape King, Ripto, Gulp, and Crush, and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico opened his mouth wide, and his skeleton came out.

Qin: Oh, that's not good at all.

Nico put his skeleton back.

Nico: I hate it when that happens. If Spyro and Cynder find out Malefor's back, along with Gaul the Ape King, Ripto, Gulp, and Crush...!

Suddenly, Crash Bandicoot appeared along with Spyro, Cynder, and all the dragons, and the rest of the team also arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, we got to deal with Pepperdance's Akuma, and to also find out Malefor's back, along with Gaul the Ape King, Ripto, Gulp, and Crush, Morgana really went too far.

Crash Bandicoot: After everything they've done, I'm not surprised they'd return for revenge once again, but this is the last time we ever have to deal with them, today we get rid of them for good.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Cajun Atomic Reaper) AHA! Gotcha! I just spotted Cajun Atomic Reaper, she's 20 yards away. (Sensed Malefor, Gaul the Ape King, Ripto, Gulp, and Crush) And I just spotted Morgana's next line of puppets.

Nico: Let's tear them apart.

Leif heard a Pokemon cry.

Leif: Look guys!

We saw a Heatmor!

Me: Cool! Heatmor!

Leif: And the poor guy is hungry.

Heatmor: Yeah got any peppers?

Me: Lots of them.

I grew some of my own peppers and gave them to her.

Heatmor: Thank you.

She ate them and fire exploded out of her mouth and we absorbed it.

Me: Wow! That is what I call a Pokemon with a powerful love of spice.

Leif: I'll say! Wanna come with me?

Heatmor: I would be honored.

Nico: You're going to love who we're facing.

Heatmor: Cool!

But then...

CRASH!

We heard thunderous footfalls!

Nico: What was that?

Lola: Look!

We saw a REGIROCK!

Me: Whoa! Regirock!

Nico: What's that doing there?

Me: No idea.

It then fired a Hyper beam blast!

I fired a powerful blast of energy and the blasts collided and exploded!

MASSIVE FIERY EXPLOSION!

Me: WHOA! This one has really intense power.

Vinyl Scratch: Lets see. (Uses telepathy) (GASP) That's my sister Rave Laser!

Me: Whoa!

Nico: Oh man!

Maria: Now we're doing Regis!

Me: Yep. Lets go!

Me and Vinyl went over to her.

Vinyl Scratch: Rave it's me Vinyl!

All she did was punch her and Vinyl dodged it.

Me: WHOA! This one really is strong.

Vinyl Scratch: NO kidding.

I fired waves of energy and blasted her all over.

Me: This will stop her.

I snapped my fingers and she reverted back and was a girl with red and orange hair and magenta eyes and had a purple version of Vinyl's cutie mark on her arm and had Regirock on her forehead and had rainbow angel wings.

We wrapped her in a blanket and brought her over.

Me: That was close.

Vinyl Scratch: No kidding. That punch almost took my head off.

Camie: Yeah.

She woke up.

Rave Laser: (Groans)

Vinyl Scratch: Rave? Rave Laser?

Rave Laser: Vinyl? (GASP) Vinyl it is you and you have your voice back.

She hugged Vinyl.

Vinyl Scratch: Thanks to this voice choker Lisa made me.

Rave Laser: Wow that is cool.

Me: It sure is. You were turned into a Regirock by Dark Gale.

Rave Laser: (GASP) I remember!

She was in a brown body suit and strapped to a table and injected and she busted out and turned into Regirock and ran out.

FLASHBACK ENDS

Rave Laser: That was awful.

Me: Well we're going to kill Dark Gale soon.

Nico: What's your role in Sonya's team?

Rave Laser: Well as my name says I'm the laser master. I fire lasers and blast the enemies of us.

Me: Cool.

Nico: And outside you're a D.J.?

Rave Laser: That's right.

Me: Cool

Nico: HA! Guess it right.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her orange and red and purple clothes.

Rave Laser: Cool! These are awesome threads.

Vinyl Scratch: They sure are.

Rave Laser: Yeah!

Maria: Glad you like them.

Nico: Yep.

But then PEPPER BOMBS FLEW IN!

They hit the ground and exploded around us!

MASSIVE FIERY EXPLOSIONS OF INCREDIBLE POWER!

Me: WHOA!

Laney: Lets go find Pepperdance's Akuma.

We then took off into the air and we set out to take down Cajun Atomic Reaper and send her to The M.O.E. and destroy Malefor, Gaul the Ape King, Ripto, Gulp, and Crush, and send them to The Black Abyss.

We were flying in the air, and we spotted our first target: Cajun Atomic Reaper, the hypothetical Akuma of Pepperdance.

Lincoln: And there she is.

Me: WHOA! She is spicy and potent.

Lincoln fired orbs of fire and hot peppers from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Cajun Atomic Reaper and they hit her and exploded, and we landed.

Cajun Atomic Reaper: (Cajun Accent) You guys made it.

Me: We always do, and especially when there's thermonuclear nova hot food involved.

Suddenly, Cajun Atomic Reaper fired massive waves of thermonuclear nova hot peppers and hot sauce at Lincoln, Nico, and I, but we opened our mouths and then, we all devoured the thermonuclear hot peppers and hot sauce, and then...!

MASSIVE SERIES OF EXPLOSIONS!

A MASSIVE SERIES OF POWERFUL EXPLOSIONS ERUPTED AND LINCOLN, NICO, AND I WERE SUDDENLY SURROUNDED BY MASSIVE VORTEXES OF THERMONUCLEAR NOVA HOT RAINBOW FIRE WITH THERMONUCLEAR NOVA HOT RAINBOW FLAMES!

When the vortexes faded, Lincoln, Nico, and I emerged infinite-times stronger than ever due to us gaining an astronomical power boost, and our pepper tattoos were leaking out neon red hot blood, and that got the attention of James Blunt, Cage Blunt, and Travis Tackett.

Lincoln: WHOO! Now, that was really good!

Me: Yeah! Wow!

Cajun Atomic Reaper: Ooowee! You have a good taste in spicy food!

Me: Bring on the fire!

Nico: Pepperdance, is that you?

Cajun Atomic Reaper: It sure is Nico. I still love all that spicy goodness.

Me: You sure do. (BELCHES OUT FIRE)

Nico: Yeah!

Poromon: You wouldn't hurt us, would you?

Cajun Atomic Reaper: Not anyone that doesn't love spice.

Qin: Well we love spice.

Varie: Oh yeah!

Me: Oh yeah!

Lynn: All about converting fire into fuel!

Me: You know how Lynn is with Spicy Subs.

Nico: I guess we'll never know

Me: Yep.

Cajun Atomic Reaper fired hot sauce and it went into my mouth and I guzzled it down and then MASSIVELY POWERFUL FIERY EXPLOSIONS BLASTED OUT AROUND ME AND I WAS ENVELOPED IN A VORTEX OF FIRE AND GOT STRONGER!

Heatmor charged at her and fired waves of fire and blasted her all over.

Heatmor: Oh yeah!

Qin: Take that!

Lana: YEAH! (Sees something) YOU LITTLE FLEABAG!

She jumped and smashed Zig who was going after Marina again!

Horsea squirted ink at her and blinded her.

Horsea: Take that!

Lincoln: And Malefor, Gaul the Ape King, Ripto, Gulp, and Crush, you better get out here, there's no use hiding.

We then saw our secondary targets: Malefor, Gaul the Ape King, Ripto, Gulp, and Crush, and they have the demonic Alicorn on their foreheads.

Malefor: You will all pay for the humiliation you've dealt unto us!

Spyro: The only one who will pay are you and the rest of those monsters, Malefor.

Pepperdance, you're up.

Pepperdance: On it! This is gonna be good.

Suddenly, Pepperdance's green eyes turned neon green and she was surrounded by a neon red energy aura with stars, fire, flames, spicy peppers, hot sauces, magic, Alicorns, phoenixes, and angels, she unholstered her massive Pepperdance's Cajun Alicorn Eternal Magical Firestorm Nuclear Spicy Pepper Friendship Greatsword of Eternal Cajun Fire Pepper Love and Cajun Fire Pepper Harmony from her back, and as she approached Cajun Atomic Reaper, she left neon red energy, stars, fire, flames, spicy peppers, hot sauces, magic, Alicorns, phoenixes, and angels with every step.

Pepperdance: I honestly was surprised to find out that an Akuma of myself was sighted, and right here in New Orleans, home of spicy Cajun food. But, we still need to stop you and send you over to Vypra, prepare yourself.

Suddenly, Pepperdance was surrounded by a massive vortex of neon red energy with stars, fire, flames, spicy peppers, hot sauces, and magic surrounding the vortex, there are Alicorns, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Cajun Atomic Reaper: the blood red eyes of eternal judgement.

Nico: Oh man! Now, things have really gone beyond Full Heat Nirvana!

Me: In a huge way!

Lincoln: This is really going to end badly for her hypothetical Akuma!

Then, as the vortex faded, Pepperdance emerged, but she was changed forever.

Pepperdance grew from 7'9" to 8'5" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large chili pepper red planets orbiting around her legs and fifteen smaller chili pepper red planets orbiting around her waist, she has the body of a goddess, she has red highlights in the bangs of her long flowing chili pepper red hair with light red streaks with bright red phoenix fire ombre streaks on the back and she has a large golden halo in the center with embedded red fire-shaped gems and gold angel wings on the bottom and four orbiting golden rings with embedded red fire-shaped gems on each corner behind her head, she has neon green eyes and a neon red energy aura with stars, fire, flames, spicy peppers, hot sauces, magic, Alicorns, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has an Alicorn with a chili pepper in its hooves surrounded by a phoenix and angel emblazoned on her forehead and Third Eye with red iris, she has on Alicorn earrings with red gems for eyes and holding the Star, Fire, Pepper, Magic, God, Xelnaga, and Eternity Kanjis in its hooves, she also has an Alicorn with red gems for eyes and holding the Star, Fire, Pepper, Magic, God, Xelnaga, and Eternity Kanjis in its hooves for the second pendant on the bottom of her red Alicorn-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and red gems embedded on the gold flame links, and she also has on her white and gold accented Elemental Dragon Choker Necklace of Eternal Love on her neck. Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) That's obviously the case, Caleb.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) We'll have a quick bite later, first we take down this Cajun Reaper of Hot Pepper Death and also rid Sebastian of the karmic curses.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) And like Lincoln said, before he does something else that crosses another line.

Lincoln, Pepperdance, Crash Bandicoot, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Cajun Atomic Reaper, and we fired extremely powerful blasts of rainbow, white, and blue energy, chili pepper energy, black and blood red energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Cajun Atomic Reaper and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Pepperdance, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Cajun Atomic Reaper, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship

We're stopping your thermonuclear nova rampage right here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Cajun Atomic Reaper.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We already know of who's to blame for hating your hot sauces, and we will make her answer for that.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Cajun Atomic Reaper's stomach and a cluster of white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now...!

Lincoln attacked them with two powerful energy slashes, and then...!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) THIS IS THE END!

Lincoln did one final powerful energy slash that hit Cajun Atomic Reaper hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Cajun Atomic Reaper was now on her last legs and she was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) JUMPING JACKRABBITS!

Nico: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid Saiyan Great Ape Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid Saiyan Great Ape Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) UNREAL!

Then, Lincoln tied her up in a rainbow, white, and blue energy straitjacket and sent her to The M.O.E. We cheered wildly as we holstered our weapons and we powered down and Pepperdance's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, fifteen large chili pepper red planets orbiting around her legs and fifteen smaller chili pepper red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized chili pepper red planets orbiting around her wrists and ankles, longer chili pepper red tail, longer light red horn, and massive chili pepper red angel wings and four sets of large chili pepper red angel wings underneath her massive chili pepper red angel wings are permanent.

Nico: That was a really fiery battle, but we did it!

Me: You said it.

Lincoln: Now, for Sebastian.

We turned to Sebastian driven mad by the karmic curses and turned into a monster and he was out for blood. Suddenly, Lincoln and his Guardian Angels chanted an incantation and fired beams of white energy that hit Sebastian, and that undid the karmic curses, but he was still out for blood.

Then, Lincoln's massive white angel wings and his four sets of larger white angel wings underneath his massive white angel wings spread out as well and heavenly lights shined down on the sky.

Me: Whoa!

Suddenly, Sebastian let out a scream and we saw steam coming off him, and that made him really enraged, but before he could charge at us, he out another scream of pain as black fires exploded out of his back and his screams got louder and more horrific.

Buster Bunny: You rotten blood-crazed monster! Now, burn!

Sebastian let out one last scream as more black flames erupted out of him and the final part of the darkness that still remained inside him: the part chained to him by the karmic curses put on him, was destroyed forever and sent to The Black Abyss.

Sebastian Mendez: (Groans) What on Earth? Wait, the karmic curses?! They're gone, thank God it's all over!

Nico: So, all this time, it was due to the karmic curses Selene Arcangela and the others put on you in a fit of anger towards your madness nine years ago that you still had darkness inside you? Yikes!

Caleb Maxwell: Thank goodness that's done. (Sees Cage Blunt behind J.D., Travis Tackett behind Nico, and James Blunt behind Lincoln) Oh shit, guys, look out!

But, then, as we turned around, Cage Blunt sank his fangs into my right trapezius, Travis Tackett sank his fangs into Nico's right trapezius, and James Blunt sank his fangs into Lincoln's right trapezius, and they drank our blood. Then, they were full and our marks healed and sealed up.

Travis Tackett: Oh man, that was so good!

Cage Blunt: Way too good!

Suddenly, Cage Blunt, Travis Tackett, and James Blunt's red eyes turned neon red, and then...!

MASSIVE SERIES OF EXPLOSIONS!

A MASSIVE SERIES OF POWERFUL EXPLOSIONS ERUPTED AND CAGE BLUNT, TRAVIS TACKETT, AND JAMES BLUNT WERE SUDDENLY SURROUNDED BY MASSIVE VORTEXES OF THERMONUCLEAR NOVA HOT RAINBOW FIRE WITH THERMONUCLEAR NOVA HOT RAINBOW FLAMES!

When the vortexes faded, Cage Blunt, Travis Tackett, and James Blunt emerged infinite-times stronger than ever due to them gaining an astronomical power boost, and they also gained pepper tattoos on their right shoulders and were leaking out neon red hot blood, and then...!

THEY BELCHED OUT STREAMS OF RAINBOW FIRE WHICH HIT A NEARBY TREE AND THE TREE TURNED TO ASHES!

Cage Blunt: Whew! Okay, now that was way too spicy!

James Blunt: Actually, it's not bad.

Lincoln: Next time, give us some warning, boys.

Travis Tackett: Sorry about that.

Nico: That was spicy!

LOUD BELCH!

I BELCHED A STREAM OF FIRE AND IT hIT NICO!

Me: (COUGHS)

Nico: Ouch.

Poromon: Want a beer?

Heatmor: Oh no thanks. Got any hot sauce?

Me: Sure.

I gave her hot sauce bottles.

She drank them down.

Heatmor: (LOUD BELCH!) Oops. Sorry.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough

Jun: That was awesome.

Me: It sure was.

Rave Laser: You must be Jun.

Jun: I sure am.

Vinyl Scratch: Jun has a very dark and unpleasant background. It was during my ambassador missions we found out some dark stories about her.

Me: Yeah it's not pretty.

Rave Laser: What happened?

Me: Well it's really ugly.

Ace Ukiyo: I want to know too.

Me: Well okay if you think you can handle it.

I went over what happened to Jun and how it was all because of Satoru and more. Her life was absolute hell

Rave Laser: Geez!

Vinyl Scratch: Yeah it was awful.

Me: Satoru made her life a living nightmare.

Vinyl Scratch: Yeah and I'm going to make sure he pays big time for his crimes.

Brittney: Save seconds for me. The Spirits of the Netherworld want to make sure he pays for it all too.

Camie: Yeah! That jerk!

Nico: We fought a few Devil Beasts on Vinyl's missions

Me: And many of them have terrible stories. Satoru brainwashed them and turned them into horrible monsters of destruction out to kill Jun.

Camie: Yeah.

Me: Asuka Lan was brainwashed too.

Camie: Yeah that was terrible!

Sakura Knudson: I was there when we battled Satoru. I got some good shots on him too.

Me: I remember sis.

Jun: Yeah.

Rave Laser: I'm so sorry Jun!

Jun: It's okay. But I'm glad everyone came and helped me.

Qin: We never gave up on her.

Camie: Yeah.

Nico: We sure didn't.

Me: Yeah.

Jun: Yeah it's true. What happened to me was awful.

Lola: Yeah it was.

Nico: But we'll be ready in case Satoru appears.

Me: Yep.

Horsea: Maria, can I take a nap later?

Maria: Sure Horsea

Horsea: Okay.

Nico: Now we have the Anothers.

Poromon: Which are?

Kira Ginkaku: Friendly and they are powerful and cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Another Squirrel Girl: Sorry! I can't help it.

She reverted back and it was a mini version of Squirrel girl but she had a Pine Marten Tail and ears.

Squirrel Girl: (GASP) Marlene!

She and Marlene hugged.

Squirrel Girl: I'm so glad you're okay!

Marlene: Me too.

Nico: You know each other?

Squirrel Girl: This is my sister Marlene. She is known as Marten Lass.

Me: She's part Pine Marten. The natural predator of the squirrel. That is cool.

xenia: It sure is.

Marlene: Yeah it sure is. I have nuts powers.

She formed a coconut in her hand and threw it and hit me!

BONK!

Me: OW!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Me: That guy was me Patrick!

Takamichi: (Gets out Mr. Noodman's ridewatch) Lets do it!

They used the powers of Vampire, Mr. Noodman, Scorpios Rex, Arachnitor, Samukai and Disney Infinity Green Goblin and blasted the anothers.

Then Mr. Compress, Black Velvet (Loonatics), Hans Gruber, Seryu Ubiquitous, Doomsnake and Yost Ulysses Klaw came.

Me: WHOA!

Nico: Nice team Mr. Compress!

Mr. Compress: Thanks Nico.

Billy: My team's next!

Me: Yep.

Then LadyDevimon came!

Me: WHOA! LadyDevimon!

Nico: Wow!

Then Another LadyDevimon came!

Me: 2 LadyDevimon!

Qin: WHOA!

LadyDevimon 1: This is an awesome adventure.

Nico: (GASP) Carrie Calvart!?

She reverted back and was a girl with black hair, purple eyes, black clothes, had black angel wings, a new crest in the middle of her forehead, LadyDevimon on her shirt and skirt and had the Colorado Coat of Arms on her arm and had a Black Digivice as well as a darkness Sword in her hand.

Carrie Calvart: Awesome to see you again Nico. We got this!

LadyDevimon and Carrie: (ECHOING) DARKNESS WAVE!

They fired waves of darkness and bats and blasted the Anothers and I caught the ridewatches and purified them.

Me: Oh yeah!

Nico: Nice job!

Carrie Calvart: Thanks Nico.

Me: Awesome to meet a fellow Colorado Native.

Carrie Calvart: Thanks J.D.

Me: So Colorado was having Digimon problems too.

Carrie Calvart: Yep. Even in Blackhawk.

Me: Not Blackhawk!

Carrie Calvart: I'm afraid so.

Takamichi: Do you have any favorite memories of Nico?

Carrie Calvart: When me and Nico were battling a swarm of Bakemon in Blackhawk.

Me: Geez!

Nico: Yeah that was crazy huh?

Me: Yeah.

Nico and Carrie hugged.

Nico: I've missed you.

Carrie Calvart: same here.

We went back home.

Lincoln: Ah, we're here in Deltora, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to help Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda, our friends whom we'd met since the world of Deltora merged with our world three years ago, and we are going to finally destroy The Shadow Lord and send him to The Black Abyss forever.

Nico: We'll make sure he never ever returns to hurt any of Deltora's inhabitants again.

Sebastian Mendez: This is also my fault for making him stronger, if infernal darkness made him stronger, then, just like with my Universe 666 self, Divine Darkness will hurt him.

Sebastian fired blasts of Divine Darkness which hit The Shadow Lord, and he screamed in agonizing pain as the extra strength and power he'd been given was removed forever.

Me: That'll weaken him.

Robo Knight: We must hurry at once.

Lincoln: Right, that won't stop The Shadow Lord for long.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Wonder Heart, she has a water greatsword in hand and with her are the eight girls, along with our friends, Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda.

Lincoln: (GASPS) Eyre Westbrook, Gene-Slammer and Avatar of Marincess Wonder Heart, and Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda.

Eyre Westbrook: That's right, and we got the girls away from The Shadow Lord.

Then, the rest of the team arrived.

Eli: It's time.

Lief: That's right, Eli. And you guys have changed a lot and the team's expanded even more.

Lincoln: We've been quite busy. Alright, get ready, Shadow Lord, your reign ends here!

We flew off to The Shadow Lord's castle, and towards the final battle with that monster.

We arrived at The Shadow Lord's castle, but right there, we were confronted by the minions of The Shadow Lord, The Shadow Army. Lincoln fired waves of energy at the Shadow Army's agents, and he sucked out all their powers, abilities, and magic, along with their energy, and he sent them all to The Black Abyss.

Lincoln: And now, for The Shadow Lord.

Suddenly, we saw a massive, demonic entity with glowing red eyes, and a body made out of darkness appear: it was The Shadow Lord.

Lief: The Shadow Lord.

Shadow Lord: You fools! Deltora will soon be mine, and all shall fall into darkness!

Then, Lief activated the belt, and he transformed into a glowing mystical giant and took on the Shadow Lord head on, and then, Lief's avatar drew forth a mystical sword and used it to slice through the Shadow Lord's head, killing him and ending his reign of terror, and we all banished him to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lief: We did it, it's finally over.

Lincoln: The Shadow Lord's finally gone forever along with his minions. Now, all of Deltora is finally at peace. (To Eyre Westbrook) And it's so good to see you again, Eyre.

Eyre Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Eyre Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Eyre Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Eyre Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Eyre Westbrook and hugged her, and Eyre Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit

Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Eyre Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Eyre Westbrook, Gene-Slammer and Avatar of Marincess Wonder Heart, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Wonder Heart. She's the eighth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Eyre Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Eyre kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Eyre absolutely despises Madara Uchiha with a blazing passion, because of everything he's done, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if he ever, and I mean, EVER SHOWS HIS MISERABLE HIDE AGAIN!

Nico: You have absolutely no idea of how pissed off we were yesterday when Selene told us.

Me: Same here, if we ever see him again, we'll make him pay.

Lincoln: After all the trouble Madara's caused to the world of Shinobi, if we see that evil world destroying monster, he's really in for Hell, and now that you're here, Eyre.

Lincoln with his massive muscular arms still wrapped around Eyre Westbrook leaned his head down the right side of Eyre Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Eyre Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Eyre Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal

Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Eyre Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Eyre Westbrook.

Eyre Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Eyre Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Eyre Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Eyre Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Eyre Westbrook: (In Heaven) My God.

Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them, the eight girls are Anri Jounozono, Doris Yudate, Isuka Minami, Kazuko Muroyama, Kyouka Kurobane, Mana Takizawa, Shirase, and Tomomi Amagase from The Seven Witches of St. Estella Academy.

Lincoln: Oh wow, it's Anri Jounozono, Doris Yudate, Isuka Minami, Kazuko Muroyama, Kyouka Kurobane, Mana Takizawa, Shirase, and Tomomi Amagase from The Seven Witches of St. Estella Academy.

Nicole: Eyre did an awesome job saving them from The Shadow Lord.

Lincoln: Along with saving Lief and the others from him. Are you girls okay?

Anri Jounozono: Yes, we're okay, thanks to you.

Anri Jounozono: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Anri Jounozono: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anri Jounozono, Doris Yudate, Isuka Minami, Kazuko Muroyama, Kyouka Kurobane, Mana Takizawa, Shirase, and Tomomi Amagase with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental

Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and we were finally rid of The Shadow Lord once and for all.

Maria: It's finally over, The Shadow Lord's finally gone.

Lincoln: Now, the lands of Deltora are finally at peace.

Nico: And The Shadow Lord and his minions are finally gone for good, and they will never return.

Me: You got that right.

Caleb Maxwell: With the land of Deltora at peace, this means everyone's going to rebuild after the rampage of that shadow monster.

Eli: It'll take time though, but it's a good start.

Lincoln: Many lands and worlds that were ravaged by war and chaos take time to recover and rebuild, but that time and effort is worth it in the end as the lands and worlds ravaged by war and chaos are fully recovered and the scars are finally healed.

We'd finally done it: The Shadow Lord, the monster who had terrorized the land of Deltora is finally gone for good, and now, the land and its inhabitants will finally be able to recover and rebuild from the ravages of The Shadow Lord's army. It will take time for that, but soon, the land will finally be back to its original pristine state.

After Lincoln and all of us helped Lief, Annoltis, Eldannen, Adin, Jasmine, and Barda finally destroy The Shadow Lord and send him and his minions to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Eyre Westbrook saw Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Eyre Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Eyre, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Eyre Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Eyre Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Cage Blunt took out a video.

Caleb Maxwell: Okay, guys, now this video we're going to show you concerns Cronus Chase, but be forewarned, it's also a preview to the final battle with the last of Morana Desdemona's creations.

Cage Blunt put the video in as it played on the screen, and it showed Cage Blunt, along with Jack Howard on patrol at night. Suddenly, Jack Howard got a call, and it's not good.

Past Jack Howard: Oh no. We got to move, there's been a shooting at the Chase Mansion, Cronus Chase has been shot by his dad in the stomach.

Past Cage Blunt: What? (Thinking) Aw, damn it. Travis, you better get to Cronus' place and fast, we got to get Cronus to a hospital, and if I know Caleb, he's gonna come for Cronus' dad.

They headed over to the Chase Mansion, and when they got inside, they saw Cronus Chase on the floor holding his stomach, and he was really bleeding, and his dad was there and he still had his gun on him. Jack Howard and Cage Blunt unholstered their guns.

Past Jack Howard: Mr. Chase, drop the gun now!

Past Cronus' Dad: Fuck you! And fuck my own son! You're all going to die!

Cronus' Dad kept shooting, and Jack Howard got out of the way and Cage Blunt fired a shot into Cronus' Dad's shoulder and he fell to the floor in pain.

Past Cage Blunt: Jack, call an ambulance!

Past Jack Howard: Right.

Jack Howard called an ambulance, and they took Cronus' dad to the hospital, and another ambulance arrived to take Cronus Chase to another hospital, but this one was bound for Yuridia. Cage Blunt headed there, and he met up with Travis Tackett.

Past Travis Tackett: I don't believe it, Cronus got shot by his asshole dad. That was really messed up.

Past Cage Blunt: He really messed up big time, now he's gonna be in legal trouble.

Then, a female vampire nurse came in.

Vampire Nurse: He's stabilized, we got the bullet removed, but he needs a transfusion. I need his blood type.

Cage Blunt and Travis Tackett then bit Cronus Chase on his right arm and found out the type his blood is.

Past Cage Blunt: Got it, it's O Positive.

The nurse got out a bag of O Positive blood, and put it into an IV and inserted it into Cronus Chase's left arm and the blood was pumped into him, and he recovered some strength.

Vampire Nurse: Caleb explained the whole thing, which is weird. Normally, he would've shot the man dead.

Past Cage Blunt: He would've, but something's changed him.

Past Travis Tackett: Cronus is gonna find out, Cage.

Then, the council entered.

Vampire Elder: I'm sure you know of everything, right? So, what do you intend to do?

Past Cage Blunt: (Thought about it) (Sighs) Obviously, Cronus can't go back to his normal life, his dad tried to kill him, and if we hadn't intervened, he would've died. I'm not making the same mistake again, I'm going to turn Cronus and teach him everything he needs to know.

Past Travis Tackett: I'll also help, Cage. He's had it rough like me despite growing up rich, so he needs a lot of help.

The elders smiled.

Vampire Elder: Caleb, you really changed them.

Then, Caleb Maxwell entered.

Past Caleb Maxwell: Yes, it did.

Then, Cage Blunt bit his left arm first and he let Cronus Chase drink from his blood first, then, Travis Tackett bit his left arm and he let Cronus Chase drink his blood.

Past Travis Tackett: Hey, I feel it.

Past Cage Blunt: Me too.

Past Cronus Chase: (Groans) I don't feel so well.

Suddenly, Cronus Chase convulsed in pain, and his fingernails grew into long sharp black claws and his teeth grew into vampire fangs. Then, Cronus Chase opened his eyes, but they were now bright red.

Past Cronus Chase: What on Earth hit me? (Sees Cage Blunt and Travis Tackett) Cage? Travis?

Past Cage Blunt: Are you okay?

Past Cronus Chase: I don't know. Last thing I remembered was...(Gasps) Getting shot at by my dad. Oh God, now I remember. But, where am I?

Past Caleb Maxwell: You are here in The Supreme Yuridia Authority, but you're no longer the same person you once were.

Caleb Maxwell showed him in the mirror, and Cronus Chase was stunned.

Past Cronus Chase: W-what am I?

Past Cage Blunt: You're now a vampire just like me and Travis.

Past Travis Tackett: We're now responsible for you, and if the ambulance hadn't gotten you to here, you would've died.

Past Cronus Chase: I almost died at...? Dad, you're unbelievable. (Groans) I feel hungry.

Past Caleb Maxwell got him a blood bag.

Past Caleb Maxwell: Now that you're a vampire, you need to feed on blood, it's the only thing you can feed on from now on.

Cronus Chase sank his fangs into the blood bag and drained it dry as the video ended.

Nico: Oh man!

Cronus Chase: Yes, what you saw is true, I was turned into a vampire.

Cronus Chase's light green eyes turned bright red, his fangs lengthened, and his claws became sharper.

Lincoln: I can't believe your dad shot you like that, unbelievable. So, what happened after you got turned?

Cronus Chase: Cage told Jack that I was going to be okay, and they filed charges of attempted murder on Dad, and he got a few decades behind bars. But, now Dad has a criminal record for what he tried to do. Cage, Travis, Leela, and Peace helped me get over the stress of college life, but my life changed even more. I also had gotten training on being a vampire, and I had learned very quickly.

Brittney: And I can guess you fed on a few rapists and murderers, right?

Cronus Chase: And killed them, yes. But, I made sure I didn't harm any innocent people, and I couldn't go after The Syndicate members.

Me: Aw, why not?

Marcus Mackenzie: They were Caleb's targets, and he doesn't take kindly to any who go after them.

Nico: Yeesh, talk about territorial.

Cage Blunt: I know.

Casey Antonio: We already had problems with The Big Claw Gang, we didn't need The Syndicate adding on to it already.

Suddenly, The Big Claw Gang appeared.

Caleb Maxwell: Oh God, Allie, did you call them here?

Allie Maxwell: Nope.

Panther: Relax, we're not here to cause trouble.

Carla Claw: I knew I was right that Cage wasn't human, he's a vampire. Between having to deal with Caleb or Blunt, I'd rather stick with dodging the vampire than get attacked by your brother, Allie.

Caleb Maxwell: Watch the insults, Carla.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to

The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Margo: They thought he was cute back then, but when they saw him like this, boy did they go crazy.

Jenna: You guys had no trouble at all.

Carol: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie,

and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Zipp Storm, Lightning Dust and Lena's 2nd mission

Nico: Anyone else want to go with Lena, Zipp Storm, and Lightning Dust? Besidse Jack Landers, Legion Superman, and Sheila?

Zak: I'll go.

Wrecker: So will me and my boys.

Tara Geed: And I will go too.

Me: Good idea Tara.

Cheese: I like cereal!

Kaito Touma: Good for fucking you! Do you want a cookie?!

Cheese: I LIKE CEREAL!

Me: Oh Cheese is always like that. Cheese that's enough. Cheese has a brain the size of an amoeba but he does a really good job of driving our enemies bonkers.

Tara Geed: Yeah he sure does.

Kaito Touma: Oh I get it! Oh J.D. I have someone here to see you.

Out came a fgure ant it was LAIHA TOBA!

Me: (Gasp) Laiha!

Laiha Toba: J.D.!

Me and Laiha hugged.

Nico: Wow! Laiha Toba.

Tara Geed: Laiha it's great to see you again.

Laiha Toba: You too Tara.

Wrecker: You know her?

Nico: Oh right. J.D. told us during yesterday's mission.

Tara Geed: J.D. helped Laiha kill Kei Fukuide back in 2017. He helped the Geed team banish Ultraman Belial to the Dark Dimension.

Me: It's true.

Rainbow Dash: That was really awesome!

Nico: Yep.

Wrecker: Oh wow!

Zak: I remember!

Nico: Yep.

Laiha Toba: And it's an honor to meet you all Nico.

Nico: You too Laiha. J.D. told us so much about you.

Me: WHOA!

Nico: Uh oh!

Kaito Touma: Lets go to base so we can talk more.

Me: Good idea.

We went to the D.A.S.H. Base.

Jack Landers: Your base reminds me of the SPD base

Kaito Touma: Yeah it sure does.

Me: It actually reminds us of G-Force base.

Nico: Yep.

Kaito: So Zak what kind of creatures do you protect?

Zak: Legendary creatures of all kinds.

Me: We saw many of them. The Loch Ness Monster in Scotland, The Mothman in West Virginia, Atmospheric Jellyfish, the Jersey Devil, all sorts of legendary creatures. And we killed all of Zak and his family's enemies.

Nico: Heck, some Cryptids are in his family

Me: Yep. Like the legendary Fiskerton Phantom.

Zak: We call him Fisk and he is awesome.

Me: It's true.

Kaito Touma: That is amazing! So all those creatures are all real? That is incredible.

Me: It sure is.

Legion Superman: Yeah we were amazed too.

Kaito Touma: Wow! So what is your team like? The Legion of Superheroes?

Legion Superman: Well it's like the Justice League of the 31st Century. We go all over the galaxy and battle all sorts of bad guys.

Me: One of them is Alexis Luthor, the Descendant of our old enemy Lex Luthor.

Kaito Touma: Whoa! That is crazy!

Me: Yep. Many of their enemies are now in the M.O.E.

Eli: You'll see them soon and they are amazing.

Kaito Touma: Wow!

Twilight Sparkle: Yeah it was amazing.

Kaito: (to Wrecker) What's your story?

Wrecker: Well, my crowbar gave me the power of the gods

Kaito Touma: Really?

Wrecker: Yep. It's that strong.

Me: It sure is.

Thunderball: Then he passed down those powers to us

Me: It's true.

Thunderball: The Wrecker Crew are all like brothers.

Piledriver: It's true and we love it.

Me: Yep and it's awesome.

Laiha Toba: That is amazing.

Nico: Yes it sure is. Laiha on behalf of Team Loud Phoenix Storm we're really sorry about what happened to your parents.

Laiha Toba: It's okay. I just know they are at peace thanks to J.D.

Me: Thanks to both of us working together to bring down Kei Fukuide.

Nico: Any trouble lately?

Kaito Touma: Well as a matter of fact yes. We got these for you and Tara.

He pulled out cool blasters that were made from torn apart playground equipment.

Me: These look like Ultra Capsule Blasters.

Kaito Touma: They were made from the next embodiment.

Me: Really?

Kaito Touma: Yeah playground equipment was torn apart and rebuilt into these.

Me: Sounds like the work of the Jury Rigg Embodiment and I might know who it is. We'll definitely use these and make more of them later on

Then the Alarm sounded and we saw Natsunomeryu attacking!

Natsunomeryu was a peaceful dragon that slept in Lake Natsukawa for centuries until his shrine was disturbed by greedy businessmen who wished to transform his land and village into that of a resort for tourism. A girl who had guarded Natsunomeryu's land refused to allow them, informing them of the dragon's legend. Using her stories as bait, the businessmen used her words as rumor, transforming Natsunomeryu's legend into a Loch-Ness Monster-esque manhunt, with DASH as one of the searchers. These action inadvertently transformed the girl and Natsunomeryu's land into the tourist nightmare she feared.

Now with his land ravaged with greed and blind ambition, Natsunomeryu awoke and furiously attacked the village he once protected, which was now populated with tourists. Not wanting to see anyone harmed, Kaito transformed into Ultraman Max and quickly put out the dragon's flames with the Icing Wave shortly after incapacitating Natsunomeryu. The dragon and the Ultra then locked in battle with Max having the upper hand. However just as it seemed Max was about to finish off Natsunomeryu with his Maxium Cannon, he was stopped by the girl whom had protected the dragon's land. Realizing that Natsunomeryu was just an angry monster after the vandalization of his land, Max fired his Purifying Beam at him and allowed Natsunomeryu to return to the lake peacefully, where it slept once again.

Me: WHOA! Natsunomeryu!

Eli: I remember that one! He was a peaceful dragon!

Me: But this one looks evil.

Nico: Oh boy.

Kaito Touma: Lets go get him then.

Jack Landers: READY! SPD! EMERGENCY!

He transformed!

Jack Landers: 1! SPD RED!

Me: Oh man look!

We saw Kei too!

Me: Kei is there too!

Nico: Time to head out!

We were off.

We were flying.

Tara Geed: This is gonna be good!

Nico: Keep your eyes peeled.

Me: There!

We saw Natsunomeryu and Kei!

Me: There they are!

I fired an energy blast and Key saw it coming and he dodged it and it hit Natsunomeryu and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

Kei Fukuide: WHAT!? What was that!?

We landed and I was transformed and ready!

Kei Fukuide: YOU!

Me: That's right! Been a long time Kei. 7 years hasn't been too kind on you has it?

Kei Fukuide: You still are as weak as ever J.D.

Me: Ha! Your arrogance will be your undoing. I see you haven't watched all my adventures. I'm not the same as I was when we fought before. I'm more powerful than ever and I've changed tremendously over the years.

Tara Geed: That's right Kei!

Laiha: You killed my parents!

Eli: And also we're summoning some Kaiju Power. GHIDORAH!

He held his hand up and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive fiery explosion exploded up into the sky and exploded numerous times and then formed into KING GHIDORAH!

He called and landed and Eli got on his middle head.

King Ghidorah: Natsunomeryu. So this is the next one. This will be interesting.

Lena: Time to get into my jumpsuit.

She snapped her fingers and was in a green jumpsuit!

Kaito Touma: Jumpsuit?

Me: You'll see.

Kaito Touma: Better get ready too. ULTRAMAN MAX!

He turned into ULTRAMAN MAX!

Nico: YEAH!

King Ghidorah fired waves of Gravity Beams and blasted Natsunomeryu all over and massive fiery explosions blasted off.

KRABBBBBOOOOOOOOMMM!

Kei Fukuide: YOU WRETCH!

Me: You are the wretch!

I pulled out my Ultra Capsule for Lord Drakkon.

Me: Lets see what these can do.

I activated it and loaded it in my blaster and fired and then a massive energy blast fired and I was blown back from the intense recoil and the blast hit Kei and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: HOLY SHIT!

I flew back!

Me: WHOA! That was powerful! That was 1,000 times more powerful than the Noisy Cricket!

Tara Geed: The Ultra Capsules enhance the powers of the M.O.E. Members and you guys 10,000 fold. More powerful than the Cyber Planet Keys.

We were amazed!

Me: WHOA! That is amazing!

Nico: WOW!

Eli: WOW!

King Ghidorah: Wow! That was amazing!

Lena Mack concentrated and groaned as her teeth were lost in her gums. She tried to say something to us

Lena: (Mumbling) I always hate this part!

She then turned into her Greenland Shark form!

Nico: YEAH!

Laiha Toba: Wow! That is awesome!

Me: It sure is!

I got my sword of Geed ready.

Me: Lets see how he liks this one.

I used the Electro Capsule and activated it and loaded it into the sword.

Kei Fukuide: I'M NOT SCARED OF YOU!

Me: You should be!

I swung the blade and fired a massive blast of lightning and it hit the ground by Kei and exploded with intense power and fiery force!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
OOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He was blown back by the blast!

Nico: WHOA! That was awesome!

Tara Geed: WOW! Well done!

Laiha Toba: That is amazing!

Me: It sure is!

Kei got up and he was infuriated!

Kei Fukuide: THIS CAN'T BE HAPPENING! (SCREAMS IN EXPLOSIVE RAGE)

HE RAN AT US AND FORMED A SWORD OF DARKNESS AND WE CLASHED FEROCIOUSLY! SPARKS FLEW EVERYWHERE! MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER!

KRABBBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOMMMMM!

KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOMMMM! KRABBBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOMMMMM!

KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOMMMM! KRABBBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOOMMMM!

Me, Laiha and Tara clashed all over with him as massive fiery explosions were blasting everything all over.

Twilight Sparkle: Lets see you like this!

She got out her fullbottle.

TWILIGHT SPARKLE! KAOS! BEST MATCH!

Kei was really enraged now!

Kei Fukuide; (ENRAGED SCREAMING) I HAAAAAATTTTTEEEE YOU!

OUR AURAS FLARED UP WITH INTENSE POWER! AND WE WERE STRONGER THAN EVER!

Kaito Touma; WHOA! I suddenly feel so powerful! How!?

Tara and Laiha clashed with kei and sparks flew all over.

Jack got out his Fullbottle.

Jack Landers: Try this on!

JACK LANDERS! CAD BANE! BEST MATCH!

He fired blasts of energy and blasted Natsunomeryu all over.

Nico: YEAH!

Then massive energy beams hit Natsunomeryu and blasted him all over.

Nico: WHOA!

Me: (GASP) Janna Juryrigg!

Nico: Jury Rigg's Embodiment! Wow!

Janna Juryrigg: (Grunts) That's right! Let me help!

She fired energy beams and blasted Natsunomeryu alll over.

Out came the gene-slammer for Omnimental!

Nico: Orla Omnimental! Wow!

Orla Omnimental: I'll hold off Janna here.

Nico: Okay.

I clashed with Kei more.

Janna threw more grenades at the Wrecking Crew

They dodged them and fired energy blasts and smashed Janna all over.

Me and Kei clashed more.

I kicked him and then me, Tara and Laiha cut him.

Me, Laiha and Tara then stabbed him all the way through his black heart!

Me: GO TO HELL AND TAKE YOUR EVIL MASTER WITH YOU!

We banished him to the Black Abyss forever!

Laiha Toba: Good riddance!

Nico: 1 down 2 to go.

The Wrecking Crew charged at Janna and smashed her down.

Orla fired elemental blasts and blasted her and Lena fired energy blasts and smashed her down.

Zak charged at her and fired energy blasts and blasted her down.

The Antidote took effect and she was cured.

Janna Juryrigg: (Groans) What hit me?

Eli helped her up.

Nico: Now for the last one.

Natsunomeryu roared.

Zak got out his Fullbottle.

ZAK SATURDAY! RED GHOST! BEST MATCH!

EXTREMELY MASSIVE FIERY EXPLOSION!

HE WAS DEAD!

Me: OH YEAH! Natsunomeryu You have failed this world.

He was turned into a spark doll and I caught it.

Me: Nice.

Lena Mack snapped her fingers and reverted back and she was in her normal cloth

Nico: That was awesome!

Me: It sure was. Orla what's your favorite memory of Nico?

Orla Omnimental: My favorite is when me and Nico were in our Dungeons And Dragons club and we battled the forces of Damodor the sorcerer.

Me: Oh yeah I remember him from the movies! He was nasty.

Orla Omnimental: He was.

Nico: Yep.

Nico and Orla hugged.

Nico: I've missed you.

Orla Omnimental: Me too Nico.

Laiha Toba: Thank you so much for helping me J.D. All of you.

Me: Anytime Laiha.

Nico: It was fun.

Laiha Toba: Oh I have this from Riku.

She gave me a note from him and it said that Laiha is gonna be hanging with us till the Geed missions.

Me: Awesome!

Kaito Touma: Lena, how did you spend your first week of being Gene Slammed?

Lena: I can't remember. I was trying to figure out how to change back.

But Lena then remembered.

Lena: Wait I remember! I was trying to adjust to it by workng out at the gym to test my strength and more. The Bolton Siblings helped me out.

We later came back home.

May: Hey guys! How did it go?

Me: Really awesome!

We told everyone what happened and it was intense.

May: WHOA! So you guys killed Kei.

Me: Yep.

Nico: Good riddance.

May: It's awesome having you with us Laiha.

Maria: Boy it sure is.

Laiha Toba: It's an honor.

Nico: Next time, Osirus, Leap Frog, Roller Ghoster, Yang, Sento, Ace Bunny, and Pohatu should come

Me: Cool!

Qin: Yeah!

Sento: It'll be awesome.

Horsea was taking a nap.

?: Horsea, wake up!

Horsea woke up to see Lincoln with an angry look on his face.

Horsea: Lincoln, why did you wake me up?

Lincoln: Sorry Horsea, It's payback time on a murderer.

Horsea: Oh right! Lets do it!

Sam Sharp Loud: Lincoln, did you wake Horsea up?!

Lincoln: Yes I did Sam and I'm sorry. But it's personal for me.

Me: Uh oh. Payback on Killjoy Huggins

Sam Sharp Loud: Go get him.

Lincoln: With pleasure.

They went to Lynn's Table.

At Lynn's Table, Lincoln was REALLY PISSED!

KRASMASH!

Lincoln bashed Killjoy Huggins with a metal pole!

SMASH SMASH SMASH SMASH!

Luna put the volume of her guitar on max volume.

Luna: Cover your ears, dudes!

SHE PLAYED A GUITAR RIFF AND IT BLOCKED OUT THE NOISE FROM LINCOLN REALLY TEARING KILLJOY HUGGINS TO SHREDS!

KRASMASH KRASMASH!

HIS SCREAMS OF TORTURE AND AGONY WERE BRUTAL!

IT ALSO HURT HIS EARS!

WE HAD EARMUFFS ON TOO!

Camie: WHOA! THAT IS LOUD AND AWESOME!

WE WERE TEARING APART KILLJOY HUGGINS!

MOUNTAINS OF GOLD AND JEWELS SHOWERED OUT

Me: Better remove the curse.

Lincoln did so.

Deadshot: Don't mind me dropping by. (shoots him in the throat)

BANG!

Nico: Nice one!

Superintendent Chen: And I've been wanting to say this for a long time! Wilbur Huggins YOU'RE FIRED!

G1 Rampage (to Deadshot): Floyd, please tell me that shot killed him

Deadshot: Nope Lincoln has something else for him.

Lincoln: Learned this one from Blade. Remember this you jerk! You obviously do not know WHO YOU ARE FUCKING WITH!

He stabbed Killjoy Huggins with an auto injector and it injected a powerful poison in him. Then he inflated like a balloon and screamed in pain and then...

KRABBBBOOOOOOOOOOOOOOOOOMMMMM!

HE EXPLODED AND BLOOD AND GUTS AND INNARDS WERE SPLATTERED EVERYWHERE AND HE WAS DISINTEGRATED AND BANISHED TO THE BLACK ABYSS!

Me: WHOA!

Nico wiped off the blood.

Me: YUCK! What was that?

Lincoln: Norwegian Blowfish Venom Exploder Serum. It makes you inflate like a Vampire injected with EDTA and explode in a pile of blood and guts.

Me: WHOA That is brutal!

Qin: YEAH!

Nico: Where did you get that?

Lisa Loud: I made it for him Nico. Lincoln requested that he make it for this moment should one of his Guardian Angel units get slaughtered.

Me: Very genius! Well done Lincoln and you too Lisa.

?: That was a grueson way to die but it suits him big tim.

Out came the embodiment of Gravity Beetle!

Gira Beetle: Gira Beetle, Embodiment of Gravity Beetle.

Pyrrha: Been a while Gira.

Weiss: I'll say.

Gira: Been a while Pyrrha and Weiss.

Slug: How did you Gravity Beetle girl meet Invincible Girl and Schnee Company Heiress

Gira Beetle: I met them when they were on Remnant and we battled Tyrian Callows the first time and I helped them slash off his arm.

Me: OUCH! That explains why he had an arm missing back then.

Camie: Nice one.

Gira Beetle: Yep.

Me: Would you like to join us?

Gira Beetle: I would be honored.

Me: That's one less jerk gone.

Lincoln then broke down crying.

Indigo Zap: Poor Lincoln

Kaara Koaki Meiru Comforted him.

Kaara Koaki Meiru: I'm here Lincoln. It's all right.

We later went back home.

Poromon: Great! Who's gonna tell us about the main target now?!

Me: Poromon calm down. Just let Lincoln rest for a bit. He avenged one of his angels.

Qin: Yeah.

Poromon: Okay.

French Narrator: (French Accent) 1 hour later

Lincoln was calmed down

Lincoln: Okay I'm better.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our shock, it was none other than Apocalypse of the Prime Universe, he's come to Earth to conquer it. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: OH MAN, WE'VE GOT SERIOUS TROUBLE!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone The X-Men aren't going to like seeing again: I just had a vision and I saw who it was that we're going to confront today: to our shock, it was none other than Apocalypse of the Prime Universe, he's come to Earth to conquer it.

WE GASPED!

Qin: Apocalypse of the Prime Universe?! Oh shit!

May: Oh God.

The X-Men came in.

Professor X: I knew this day would come, and your premonition was correct, Lincoln.

Storm: We've been preparing for this very day, and now, we shall see to it that Apocalypse pays for all of his crimes.

Me: He's got over 3,000 years worth of crimes that he has to pay for going back to Ancient Egypt.

Nico: No doubt about that.

Lincoln: I've already put the city and the world on high alert for Apocalypse, now everyone is safe.

Me: Nice work, Lincoln.

Nico: Now, no one will be put in danger.

?: You're still the Man With A Plan as always, Lincoln.

Suddenly, we saw a girl with golden yellow hair, golden yellow clothes, golden yellow eyes, golden yellow angel wings, she has the Agito symbol on her forehead, crop top, and skirt, she has on a necklace with the Agito symbol for the pendant, and she has a Flame Saber in hand.

Lincoln: (GASPS) Akira Agito, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Agito Team.

Shoichi: Akira's here? Awesome!

Nico: Whoa!

Kadma: Lincoln, Shoichi, you know her?

Lincoln: Indeed I do, Kadma.

Shoichi: And so do I, everyone, this is Akira Agito, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Agito Team, she's Lincoln's Guardian Angel from Japan, and she's a deadly powerful master of good and a very powerful master of all the powers of the Lords and the Agito Riders and more and she is a powerful fighter. She's also stronger than the Lords and the Agito riders combined times 500,000,000,000,000,000 and she vowed to also kill the Overlord and make him pay for his crimes. She moved to Michigan, and she trained Lincoln in the powers of the Lords and Agito Riders. Plus, she also helped him with getting stronger and faster, and because of that, Lincoln became as strong as all the Agito Riders and the Lords combined times 500,000,000,000,000,000,000,000, and she also taught him all about the spirits of the animals and what they mean and more. Lincoln made her a Kamen Rider

Agito-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip and Scoots with a vengeance.

Nico: Whoa! I hate to even ask just how strong are you really, Lincoln, because if I did, it'll lead to my head exploding. But, I already know that Scoots and Flip did something to piss her off in a huge way.

Me: You have no idea, those two morons tried to kill Lincoln by throwing bombs at him while he was at the gym his Guardian Angels built.

Selene Arcangela: But, our security system triggered the warning, and Lincoln and Akira came out, trashed them, and sent Scoots flying back to The Lansing Maximum Security Nuthouse and Flip flying back to prison.

Nico: Jeez, thank goodness we sent them to The Black Abyss.

Lincoln: You said it, good riddance.

Akira Agito: I'm glad we're rid of them forever.

The previous group came.

Firefly: Can me, Leonard, King Hiss, Hydro Man, Vypra, Shiv, Webstor, Bane, Vexen, and Calamitous go with you guys?

Nico: Yes you all can come with.

Firefly: Awesome!

Crystal Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: You guys aren't gonna like this one. Apocalymon next.

WE GASPED!

Me: Whoa! This is gonna be rough!

Qin: Yep.

Suddenly, Lincoln pinned Akira Agito to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with golden yellow gems on the gold lightning bolts and golden yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Akira Agito: That was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln: Sorry about that. Anyways, I also found out that Apocalypse is in Egypt.

Me: Where he was born those 3,000 years ago.

Nico: And where he will die once and for all. Alright, team, let's move out, Apocalypse's time is up, he will pay for all of his crimes.

Lincoln: We've got over 3,000 years of payback to unleash on him, just like what we did unleashing 5,000 years of payback on Yami Bakura. Let's make sure he never lives to see another day.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the last of the nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Cronus Chase, and he's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure we saw was the last of the nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Cronus Chase, and he's coming after us.

Cronus Chase: I knew he'd be the last to come after us, and what you saw, that's how he's linked to Caleb.

Me: Whoa.

Nico: So, that's what you meant when you said that it was a preview to the final battle with the last of Morana Desdemona's creations.

Caleb Maxwell: That's right.

Nico: I know it's gonna end the same though. Alright, team, let's go, the time to destroy Apocalypse of the Prime Universe has finally come.

Lincoln: He has lived for far too long, and now, 3,000 years of payback for all his victims has come at long last, and once we get done with Apocalypse, we're confronting the last of Caleb's nightmares.

Cronus Chase: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Egypt to destroy Apocalypse and make him pay for 3,000 years of pain and suffering he'd brought unto others, and once we got done with Apocalypse, Cronus Chase is going to face his Demon Blood Influenced self: the demons from the night he encountered Caleb Maxwell.

We were off.

We arrived in Egypt.

Me: Here we are.

Eli: Egypt. This is where I Was born eons ago.

Me: Yep.

Leonard: We should call Whiteout

Me: Good idea.

We did so.

Whiteout came.

Whiteout: I'm here guys.

Sugarcoat: Wait. Doesn't Apocalypse usually have his trusty Horsemen?

Eli: Yes he does. But I sense that he doesn't have them this time.

Me: That's good. That will make this easier to bring that monster down.

Hydro Man: For those who don't know, I can explain who said Horsemen are.

Gambit: I should know. I was one of them.

Angel: Same here.

Storm: And me.

Me: There were several incarnations of the Horsemen in the comic books.

Nico: You're right on that.

Centaur Man: And the names of said Horsemen?

Hydro Man: Death, Famine, Pestilence, and War.

Me: Just like in the Book of Revelations in the bible.

Hydro Man: Yep. That's right.

Me: Yeah.

Shiv: Wonder why the dirtbag hasn't made any Horsemen by now?

Professor X: I can answer that. J.D. has boosted my telepathic powers so I could protect everyone on Earth from Apocalypse's influence

Me: He's right I did do that for him.

Nico: Wow! Nice thinking J.D.

Me: Thanks and the more our powers evolve the stronger we ALL Get.

Nico: Very cool.

Brawl: The dirtbag's still powerful on his own though

Me: He sure is.

Qin: Yep.

But then we smelled something good.

Me: (Sniffs) Oh boy do you smell that?

Lily: (Sniffs) That smells like Texas Nut Loaf Bread.

Me: Wow!

Lincoln then had a premonition.

Lincoln: WHOA! I know who we're facing for the Akuma. Her name is Blazesquirrel! The Hypothetical Akuma of Squirrel Girl and she is a fire squirrel and burns anything with nuts of fire and Texas BBQ Flavor. She was made because of Vambre fearing squirrels and vowed to make sure she is never afraid of them again or burn her butt to where she needs pants.

WE GASPED!

Vambre: (British Accent) (GASP) OH NO YOU DID NOT SIR!

Me: Uh oh!

Lincoln showed a sketch of it and it was a squirrel made of pure fire!

Me: Squirrel Girl's Akuma is a Squirrel made of fire!

Bane: (Spanish Accent0 That is one hot squirrel!

Me: No kidding!

Camie: Yeah!

Vambre: AND THIS SQUIRREL WANTS TO BURN MY BUTT TILL I WEAR PANTS!?

Me: Geez!

Matoombo: Where is she right now?

Eli: Coming this way. 600 meters north.

Nico: Lets go.

We walked and saw BLAZESQUIRREL! She was in the town square making Texas BBQ Nutbread and everyone was loving it.

Me: Wow she is quite a cook.

We went over.

Blazesquirrel: You all made it. Here try some of my nut bread.

Lily: Sure!

Lily tried some and it was delicious! Then...

LOUD BELCH!

She belched out fire.

Lily: WHOA! Texas Hickory Flavor. Delicious!

Blazesquirrel: Thank you.

Lily: Sandy made some nuts with this flavor and we added them to the Krusty Krab menu. It's a really huge hit.

Camie: That is so cool!

Mr. Krabs: (LAUGHS) It sure is lass!

Blazesquirrel: I'm glad you all like it.

Calamitous: Squirrel Girl? Is that you?

Blazesquirrel: Yes Calamitous. It's me.

Me: A squirrel made of pure fire is awesome for you Doreen.

Blazesquirrel: It sure is.

Nico: Wait. You're still yourself?

Blazesquirrel: Yeah but I like giving Texas Nut Bread to everyone. They all love it.

Me: It's really good stuff. (Eating) Mmm! (BELCHES FIRE) Oh sorry. Texas flavor.

Vambre: And you want me to wear pants!? (GROWLS)

Nico: Um...can you please calm down?

Blazesquirrel: Me or Vambre?

Me: He means you.

Blazesquirrel: After this.

She fired a wave of fire from her mouth and blasted Vambre in her butt!

Me: WHOA! Spicy!

Whiteout: Sorry we have to do this then.

She fired waves of light and blasted her.

Qin: Whoa! Yeah!

Whiteout charged at her and fired light blasts and smashed her all over.

Camie: Take that!

Lola: Yeah!

Blazesquirrel: My turn!

She fired a blast of fire and burned Vambre on her butt!

I fired a wave of water and blasted her and a cloud of steam came out.

Kickback: That was one of the more tamer ones

Me: Yep.

Qin: Now to go after Apocalypse.

Xenia: Yep.

Vexen: That nutbread was tasty though

Me: It sure was.

Lola: I agree.

Camie: Yeah.

Hagger: I didn't know Vambre was still afraid of squirrels.

Me: Yeah she still is.

Vambre: ACh!

Nico: Lets worry about that later. Right now lets go after Apocalypse

Webstor: He can't be far behind.

Eli: I sense him. He's out in the desert 1,000 meters.

Nico: Lets go.

We were off.

Shrapnel: Anyone got water?

Me: We got plenty. But Look!

We saw him! APOCALYPSE!

Me: Target sighted.

Nico: Entrance time!

We went at him.

Apocalypse was getting close. But then the spirits of the X-Men came and swirled around him and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive fiery explosion blasted out above him and a phoenix cry was heard.

We landed.

Me: Apocalypse you will pay for your crimes!

Apocalypse: Thanks to you fools, I was unable to claim new Horsemen. No matter. I will crush you all the same.

Vypra: Not going to happen!

Me: We'll see about that jerk!

I then powered up and released my aura and then in a massive vortex of energy I transformed! Marah: We'll face your Yost counterpart in the future after we kill you here!

Me: **That's right!**

I teleported and kicked him in the stomach with devatating force and elbowed his face and punched him in his face.

I kicked him in his face and kicked him down.

He got up and I dodged his punches and kicks and blocked them and fired an energy blast and blasted him.

Me: **You are just pathetic!**

Apocalypse then used shapeshifting and turned into CARNAGE!

Me: WHOA!

Xenia: Uh oh!

Apocalypse/Carnage: You know how I spent my endless days? I spent them thinking about how you only told ONE side of the story. You didn't write about the part where Cletus was abused by MOMMY, DADDY, AND GRANNY! You didn't tell the world how he was a scared little boy that no one cared about and NO ONE CAME TO SAVE! You never asked yourself why, THAT'S BAD JOURNALISM! I'm not a crazy man, but I am a vengeful one.

Me: **Do I look like I give a flying fuck!? I got 4 words for you Carnage! I! FUCKING! HATE! YOU! I HAVE HATED YOUR FUCKING GUTS AND YOUR KIND SINCE DAY ONE OF MY LIFE! Leonard: Wait. Apocalypse can shapeshift?

Lola: He has ALL of their powers remember?

Lincoln: He's right.

Leonard: Oh right.

I kicked Apocalypse and kicked him in his face and blasted him all over with energy blasts.

He got up and turned into Menma from the RTN Universe.

Apocalypse/Menma: Unbelievable. To think that you are so strong. That must be why I CAN'T STAND YOU! YOUR VERY EXISTENCE MAKES EVERY HAIR ON MY BODY STAND UP!

Me: **AND YOUR VERY FUCKING EXISTENCE MAKES EVERY OUNCE OF MY BLOOD BOIL!**

He went at me!

Apocalypse/Menma: DIE!

He went at me and I punched him square in the face with devastating force and kicked him down and fired an energy blast and blasted him all over.

Nico: Wait. All of whose powers specifically?

Me: **All of the mutants powers.**

Professor X: He has all the powers of the Mutants entirely.

Nico: WHOA!

Apocalypse grabbed Cyclops by the throat.

Apocalypse: Any last words, fool?

Cyclops: Just these. (grins) To me, My X Men!

The X-Men came and bashed him down and I kicked Apocalypse in the face.

Me: **NO MORE APOCALYPSE!**

I teleported.

It hit him and he screamed in pain.

Me: **Scott here!**

I teleported and grabbed his head and concentrated and his eyes reverted back to blue.

Cyclops: (GASP) What did you do!?

Me: **I gave you the power to control your laser vision you can now fire your blast from your eyes at will without having to lose control.**

Cyclops: WOW! Thanks J.D.!

Nico fired energy blasts and blasted him all over.

I fired waves of energy and blasted him all over.

He was standing in front of us.

Apocalypse: Well well you all have amazing power. I can see why my Yost Counterpart had such a hard time fighting you. It's because he was weak. You definitely have exceeded all my expectations in killing a god. But as you know, Humans and Mutants can never get along.

Me: **You are wrong on that completely Apocalypse. Humans hated mutants because of their own fear! They let their own fear over them control them and that's what lead to such biased hate towards them. Mutants are just like everyone else and they are people too just like us. We are still human ourselves and we have amazing power. Mutants are people too and they have amazing power too. They are in every way like us. They are protectors of the world! Just like we are! But there is one person that we will never accept into our universe! MONSTERS LIKE YOU!**

Wolverine: Mutants and humans buried the hatchet years ago. Only thing threatening it is you, bub!

Me: **That's right!**

Nico: YEAH!

Izuku: I was once human too!

Cronus Chase has transformed into SUPER ANGEL-VAMPIRE-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL DEMON SHADOW

BLOODY DARKNESS ALMIGHTY VAMPIRE TRUE IMMORTAL PHOENIX GOD ANGEL OF DIVINE TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL DEMON SHADOW BLOODY DARKNESS ALMIGHTY VAMPIRE TRUE IMMORTAL PHOENIX GOD ANGEL JUSTICE AND DIVINE TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL DEMON SHADOW BLOODY DARKNESS ALMIGHTY VAMPIRE TRUE IMMORTAL PHOENIX GOD ANGEL HOPE!

Cronus Chase: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Alright, let's do this, this is where it ends here and now.

Demon Blood Influenced Cronus Chase: Heh, you can't do anything against me on your own, we're both one and the same, Cronus.

Cronus Chase: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Yes, it's true you're a manifestation of the night I met Caleb and when Cage and Travis turned me into a vampire to save my life. But, you're also a ghost of the past, and this is where the last of Caleb's nightmares ends here and now.

Cronus Chase went after Demon Blood Influenced Cronus Chase, and he fired extremely powerful blasts of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Cronus Chase, and they exploded with incredible power as they hit him. Then, he attacked him with their massive greatswords leaving painful scars on him, and he even scratched him with their gold-plated dragon claws and he smashed him all over the place with his superhuman strength, and it was making Demon Blood Influenced Cronus Chase even more enraged.

Demon Blood Influenced Cronus Chase: H-how?! How is this even possible?!

Caleb Maxwell: It's because Cronus wasn't weighed down by what happened back in the past, and he accepted what'd happened to him.

Cronus Chase: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Yes, that's right. I know that my life would no longer be the same the day I met Cage, Travis, Leela, and Peace, and on the night I got shot by Dad and I got turned by Cage and Travis, but I accepted being turned into a vampire, and I have no regrets.

Demon Blood Influenced Cronus Chase saw it and smiled.

Demon Blood Influenced Cronus Chase: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Cronus Chase faded away, but not before giving Cronus Chase a gift: his powers and abilities added to his own.

Cronus Chase: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon

Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Rest in peace.

Cronus Chase holstered his massive greatsword on his back and powered down and Cronus Chase's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blood red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blood red planets orbiting around his wrists and ankles, Third Eye, longer blonde tail, and massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Cronus.

Cronus Chase: That's right, just like Cage and his old man, the captain, Carter, Jack, Roxy, Jazz, Casey, Cuffs, Buffy, Vessie, Abby, Leela, Peace, and Travis, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: It's finally over, the last of my nightmares are gone forever.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

SATANIC MUSIC PLAYS!

Suddenly, we heard Satanic music playing in the air, and we saw an inverted pentagram appear on the ground along with the Sigil of Beelzebub.

Selene Arcangela: (GASPS) Lincoln, the sign...!

Lincoln: I know. The Sigil of Beelzebub appearing means we are running into the next of The Seven Queens of The Netherworld: Claudia Beelzebub, Avatar of Beelzebub, Demon Lord of Gluttony and Gene-Slammer of Beelzemon Blast Mode.

Nico: Oh man. So, what can you tell us about her?

Selene Arcangela: Oh right, Claudia Beelzebub, Avatar of Beelzebub, Demon Lord of Gluttony and Gene-Slammer of Beelzemon Blast Mode, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Beelzebub, Demon Prince of Gluttony and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Beelzebub himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of a powerful group called The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Beelzebub himself, and Claudia Beelzebub is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of

Brittney Knudson. Lincoln made Claudia Beelzebub a very powerful demonic greatsword of hellfire, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Me: So, we're not the only ones who want to make Lucifer pay for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Lincoln: Yep.

Mammoth: Glad that dirtbag's gone.

Me: Good fucking riddance.

Raven Branwen: But I wonder if we'll fight Sentinels in the future.

2016 Morbucks: Don't jinx it.

Me: If we do they are as good as scrap metal.

Artie Ziff: Let's celebrate at an Egyptian restaurant.

Qin: Yeah!

Professor XXXL: I'll make snow cones!

Nico: Good idea. Great job today everyone! Man this was explosive.

Me: Yeah it was!

Princess Luna: (To the Viewers) Never underestimate the power of humans and mutants working together.

Me: That is for sure.

We went to a great Egyptian Restaurant and had an awesome meal too.

We returned home, and Caleb Maxwell was looking out into the sky as the sun set and night had fallen.

Caleb Maxwell: And so, another day ends and night falls on the city, and my nightmares have finally been brought to an end once and for all.

Suddenly, he saw police sirens in the distance, and like a call from when he was brought back from the dead, he went out on the hunt.

Caleb Maxwell: Even though my nightmares are over and The Syndicate is gone forever, I still can't ignore the call of the police sirens, and as long as there are gangs running loose, I'll always be there to put them down for good.

Caleb Maxwell flew out and right at the gangsters with his twin guns in his hand and started firing at them.

We then went to sleep.

UNDERWORLD TRAITOR FURY

This is where we battle Van Bloot and make him pay

In the early morning hours at 1:21 AM, Qin was asleep and she had an amazing and interesting dream.

She was swimming in the ocean and then she saw a cave that lead somewhere And she swam into it and then saw a light at the end of a huge tunnel. She came up to the surface and saw that it lead into an amazing SUBTERRANEAN WORLD! It was a world of mermaids in a cave! She saw a young girl that looked like a younger version of herself being pampered and trained by mermaid warriors in their magic and powers and Qin recognized her.

Qin: (GASP) Ling?

She later woke up at 1:35 AM and gasped!

She got up and got dressed.

Qin: (In her head) I know where my sister is.

She went and got her pack and ran into me as I was coming downstairs.

Me: Qin? What are you doing up so early?

Qin: I know where my sister Ling is. She vanished after mom and dad were murdered.

Me: (Gasp) I'll go with you to help you find her.

Qin: Okay.

I snapped my fingers and got dressed and left a note for Nico.

Me and Qin were off.

We were swimming underwater in the ocean by the Hawaiian Islands.

Qin: It should be here.

Me: You sure this is where you saw it?

Qin: Yeah. There!

We saw the cave.

Me: Whoa.

We swam in and like Qin said we saw a light and we came out of a pool and I gasped with what we saw! We saw a subterranean world! IT WAS A MERMAID KINGDOM!

Me: (GASP) Oh wow! The Kingdom of Aqualanda! I thought it was just a myth!

Qin: Wow!

We went and walked around.

Me: Wow!

We saw amazing and beautiful mermaids and saw many warriors.

Me: Amazing! It's an Amazon Mermaid World like Themiscyra!

Qin: This is incredible!

?: HALT!

We saw Ling Chen! She was a black hair girl with blue eyes and had pink warrior clothes and a water sword in her hand.

Qin: (GASP) Ling! Is that you?

Ling: My name is Aurora! I'm not Ling. You must have me mistaken for someone else. Who are you?

Qin: Ling don't you remember? I'm Qin your big sister. I lost you when our mom and dad were murdered by Russian Mafia Men.

Me: She must've lost her memory somehow.

Ling: I have no memory of my parents.

Qin: Maybe this will hlp you.

(SLEEPSONG BY SECRET GARDEN PLAYS)

Qin: (SINGING DIVINELY)

Loo-li, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li lai-lay

Lay down your head and I'll sing you a lullaby

Back to the years of loo-li lai-lay

And I'll sing you to sleep and I'll sing you tomorrow

Bless you with love for the road that you go

May you sail far to the far fields of fortune

With diamonds and pearls at your head and your feet

And may you need never to banish misfortune

May you find kindness in all that you meet

May there always be angels to watch over you

To guide you each step of the way

To guard you and keep you safe from all harm

Loo-li, loo-li, lai-lay

May you bring love and may you bring happiness

Be loved in return to the end of your days

Now fall off to sleep, I'm not meaning to keep you

I'll just sit for a while and sing loo-li, lai-lay

May there always be angels to watch over you

To guide you each step of the way

To guard you and keep you safe from all harm

Loo-li, loo-li, lai-lay, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, lai-lay

Ling then had a memory relapse when she heard that song and all her memories of Qin and everyone came flooding back to her.

Ling: (Groans) Wait Qin? (GASP) QIN!

Qin hugged Ling for the first time in a long time and Qin cried in happy tears.

Qin: Oh sis I'm so happy you're safe!

Ling: How did you find me?

Qin: A Dream told me. Me and my friend J.D. here found you.

Me: We're so happy you're okay.

Ling: I am too. I learned so much since I was here in this world.

Me: That is awesome.

Qin: Lets get you back home. I have so much to tell Nico and everyone.

We later went back home.

We came back home and Nico wasn heading down to get some water.

Nico: (YAWN)

He saw us come back.

Nico: What are you guys doing up so early?

Me: We have an amazing story to tell you.

Qin: We found my sister Ling.

Nico: (GASP) Little Ling?

Ling: Nico? Is that you?

Nico: Little Ling? Oh wow you have grown a lot. I remember when you were just in preschool the last time I saw you.

Ling: I know.

Qin: We have an amazing story to tell you.

We told him everything and it was amazing.

Nico: Whoa so Qin's dream lead her to Ling in the kingdom of Aqualanda? That's incredible. And they taught her all sorts of powers and more?

Qin: They sure did.

Nico: Oh my gosh. Ling we're so glad you're alright.

Ling: I am too. Qin's song gave me back my memory.

Me: Yeah.

Nico: Wow.

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue, apparently, his dream took him to Universe 666 Earth, and as he was flying, he saw something and it's not good: it appears Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell have double-crossed Good Luthor, and are coming after us for revenge for the death of Universe 666 Sebastian. Lincoln woke up, but so did his harem too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow, Lily. Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell have double-crossed Good Luthor, and are coming after us for revenge for the death of Universe 666 Sebastian.

Lincoln's harem gasped.

Selene Arcangela: It's been a year since Buster freed them from that bastard's poisonous evil, and now, they decide to double cross Good Luthor. That's it, they're going to be absorbed by you, Lincoln.

Lincoln: No doubt about it.

Paige: But, we got to also tell everyone tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear the truth, and knowing Crash, he's gonna spill the beans, but it's best that I be the one to tell them tomorrow.

Girl Jordan: Good idea.

Lincoln went back to sleep with his harem. Then, morning came, and Lincoln and his harem got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, I had a dream, but this one is a premonition to what's gonna happen on Nico's rescue today, my dream took me to Universe 666 Earth, and as I was flying, I saw something and it's not good: it appears Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell have double-crossed Good Luthor, and are coming after us for revenge for the death of Universe 666 Sebastian.

EVERYONE GASPED IN HORROR!

Nikiya: What the?! It's been a year since Buster freed them from that bastard's poisonous evil, and now, they decide to double cross Good Luthor.

Paragus: At least, the Universe 666 versions of Raditz and Nappa didn't take part in that act of rebellion.

Nico: Thank God. But, the rest of them, they are done for.

Lincoln: We already talked about that last night, Nico. I'm going to absorb them and send them all on a one-way trip to The Black Abyss.

Me: Good idea.

King Kai: (Telepathically) Lincoln, can you hear me?

Lincoln: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) It's not good, there's reports of citizens in the western part of Gotham Royal York who've been getting viciously beaten up and the buildings and street lights were badly beaten and trashed, it's like some sort of wild animal was on the rampage.

THE LOUD FAMILY GASPED!

Lynn Sr.: What the ding dang?!

Lincoln: This is something that we've got to check out, but that'll be during my rescue.

Nico: Right, but I don't know why, but I feel like we know this wild animal.

Lincoln: Same here. (Thinking) People getting viciously beaten up and buildings and street lights badly beaten and trashed. If it's who I think it is, that filthy animal's going to get her smelly butt handed to her and I'm going to kill her and make sure that blood is going to be spilled!

Kaz woke up to see Mega Magcargo staring at him.

Mega Magcargo: Morning Kaz. Time for breakfast.

Kaz: Oh boy! Spicy Pancake Tuesday!

He went and got dressed and we were having super spicy pancakes. They were pancakes covered in chilis and hot sauce.

We loved it.

Qin: I know.

Nico: Yeah no kidding. Billy, I want to thank you, Mr. Compress, and your teams for coming

Billy Cranston: I'm truly honored to help Nico.

Ollie: We all are.

Nico: Ollie, sorry if I was a bit rough on you when we fought Lord Zedd.

Ollie: No worries Nico. It was the only way to save me.

Me: But to be honest Ollie, you looked REALLY Badass in that armor.

Ollie: (LAUGHS) I sure did. And it was really cool too.

Me: It sure was.

Nico: That armor was really cool.

Me: It was amazing.

Nico: We should've gone with you guys on that day

Ollie: Don't blame yourself Nico. It was bound to happen to me like it did on TV.

Me: In a way we lived that adventure too and it was cool.

Xenia: Yeah.

Chad Lee: Yeah.

Me: Don't get me wrong Chad, all the battlizers of the Power Rangers and Super Sentai Teams are All badass

awesome.

Nico: (LAUGHS) Yeah!

Chad Lee: Yeah they sure are cool.

Laney: Yep.

Nico: Yeah. Man YESTERDAY was EXPLOSIVE!

Me: Boy no kidding! We destroyed Apocalypse and made sure he paid for 3,000 years of crimes he did!

Eli: That is for sure!

Nico: This was the Prime Version.

Me: That's right. But he put up one amazing challenge.

Twilight Sparkle: Just like the Yost World version did.

Me: Well actually the Prime Universe version put up much more of a fight.

Xenia: That is true.

Lola: Yeah I agree.

Me: Wow! But still what a battle.

Maria: He put up a fight? Because the Yost version had the Yost versions of Mr. Sinister and the Horsemen.

Me: You heard what the Prime Version of Apocalypse said. He was weaker than him.

Maria: True.

Me: But thank goodness he didn't have the 4 Horsemen.

Lola: Yeah.

Girl Jordan: I was amazed with how he turned into Carnage and Menma.

Me: Me too! Wow! I have never been that ANGRY before at 2 people.

Nico: Yeah.

Me: That was crazy.

Nico: I actually didn't expect the shapeshifting part

Me: Me neither. But then again he does have all the Superpowers. Every kind of power you could think of.

Nico: Yep. That's true.

Camie: Wow that was awesome though.

Me: Yep. But we managed to destroy one of the X-Men's most dangerous enemies.

Camie: Yeah we sure did.

Qin: Yep.

We arrived in Arderial.

Me: We're here.

Lola: Wow! Arderial is looking awesome.

Nico: It sure is.

Tony Jones: It sure is awesome to be in Arderial.

Edyn: I agree there.

Ace Ukiyo: Wow so this is one of the Moonlands?

Me: Yep this is one of them Ace.

Maria: It's nice to meet you, Ling

Ling: Same here Maria. I'm just glad to be reunited with Qin.

Nico: We are too.

Ling: And I'm glad to be back with mom and dad.

Me: That's awesome. The Aparoids brought them back and we resurrected them.

Nico: Long story.

Qin: Yeah.

Nico: And Qin is now an Underground Girl,

Me: She sure is. Your sister has come a long way ever since she joined us.

Ling: Really?

Me: Oh yeah.

Qin: I have so much to tell you.

Ling: Can you tell me?

Qin: Sure.

She went over what happened when she joined up with us in 2019 on up. When it was done Ling was amazed and more.

Ling: (GASP) Oh wow! My sister is amazing and more!

Qin: Yeah.

Chris: I'm her husband.

Qin: This is Chris. He is my husband.

Ling: Oh wow! I have a really huge amount of catching up to do. I've missed out on so much.

Nico: She even had some big days

Ling: Wow.

Nico: Yeah.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Arderial, but here's the surprise: it appears Carly's Akuma has been sighted.

We gasped.

Nico: Whoa! And who is she, Lincoln?

Lincoln: Her name is Aztec Kaleido, the Hypothetical Akuma of Carly Atlas and a really fast and powerful and beautiful one. She is a master of fire, speed and the illusion. She was made when Jack Atlas got seriously hurt by Sayer and she vowed to kill him with the intense fires of Hummingbirds.

WE GASPED!

Me: WHOA MAN!

Then, Lincoln showed his sketchpad, and we saw her hypothetical Akuma: she was an orange hummingbird.

Me: WHOA!

Qin: Ooh she is beautiful.

Carly Atlas: Wow! My Akuma fits perfectly with me as the Dark Signer of the Hummingbird.

Nico: A hypothetical Akuma of a TLPS and MOE member who's also The Dark Signer of The Hummingbird? That's a first.

Lincoln: It won't be the last though. Who knows, we may run into a hypothetical Akuma for Misty Tredwell and Kalin Kessler one day as well.

Me: That would be something to see.

Nico: Same here.

Me: Yeah.

Suddenly, Lincoln had a premonition, and it's not good: Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell are coming for us, just as Lincoln's dream foretold.

Lincoln: Took you lot long enough.

Me: Uh oh, I can already guess what you're gonna say.

Lincoln: Yep, Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell are coming for us, just as my dream last night foretold. But, I'm gonna send them to The Book of Vile Darkness after I absorb them.

Eli: Nice.

Nico: I can handle Universe 666 Raditz and Universe 666 Nappa joining The M.O.E., after all, they're still members of the Saiyan Race, but their Prime Universe counterparts, no way, I'm not letting them join the M.O.E., I despise them for everything they've done in Frieza's name, they betrayed our race, and I hope they rot in Hell when we catch them!

Suddenly, Crash Bandicoot appeared along with Spyro, Cynder, and all the dragons, and the rest of the team also arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, we got to deal with Carly's Akuma, along with Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell, this is going to get really messy.

Lincoln: Without a doubt.

Crash Bandicoot: Aztec Kaleido will no doubt have some tricks up her sleeve, so we got to watch out for her.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Aztec Kaleido) AHA! There you are! I just spotted Aztec Kaleido, she's 20 yards away, and it appears she's looking for Sayer. Let's take her down. (Sensed Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell) And I just spotted our secondary targets.

Nico: Alright, let's move out.

Lincoln heard a Pokémon cry

Lincoln: Hear that?

Me: Where?

ZZZZZZZZZAAAAAAAAAAAAAAAAAAPPPPPPPPP!

I got electrocuted by something!

Me: OUCH!

Ed: Zappity zap zap.

Me: Wait I think I know this kind of Pokemon.

I looked at my leg and saw an Electrode!

Me: Whoa an Electrode.

Nico: Whoa shocking!

Electrode: Sorry about that. Can't help it.

Lincoln: No worries. Are you hungry?

Electrode: Sure am.

Lincoln gave it some food and apples.

Ling: That is cool that you guys have so many amazing Pokemon and Digimon.

Electrode: I just got here.

Me: Yeah we can see that.

Electrode: Thanks for the food though.

Lincoln: You're welcome. Wanna come with us?

Electrode: Sure!

Me: Awesome.

Nico: You won't regret it.

But then suddenly we felt it get REALLY COLD!

Me: WHOA! (SHIVERING) Man it really got cold very fast!

Xenia: That can't be! The temperature is 75 Degrees up here.

Neon: Wait. Aren't you guys immune to the cold?

Me: Yes but not if it hits very fast.

Lola: Wait look!

We saw a Regice!

Me: WHOA! A Regice!

Eli: WHOA! That explains it.

Nico: Dunno who you are but you're really freezing us!

Trixie Lulamoon: Let me see if I, the Great And Powerful Trixie, knows this one!

She used her telepathy and gasped!

Trixie Lulamoon: (GASP) Oh man! My sister Stardust! Stardust Lulamoon!

Me: Lets go help her out!

Me and Trixie went to her.

Trixie Lulamoon: Stardust it's me Trixie!

All she did was start to freeze her in a block of ice.

She had her legs frozen to the floor.

I fired a wave of fire and blasted her down.

I fired waves of fire and thawed her out.

Me: After this we'll get you some hot chocolate.

Trixie Lulamoon: Good idea.

I snapped my fingers and she reverted back and was a girl with aqua blue hair, purple eyes and had Regice in the middle of her forehead and had blue angel wings and had a dark blue version of Trixie's cutie mark on her arm.

Me and Trixie wrapped her in a blanket.

Me: Nico lets make a fire and get her and Trixie some hot cocoa.

Nico: Right!

We made a campfire and I put a teapot on and made hot cocoa.

She woke up.

Stardust Lulamoon: (Groans)

Trixie Lulamoon: Stardust?

Stardust Lulamoon: Trixie? (Gasp) Trixie! You're okay!

They hugged.

Trixie Lulamoon: Thank goodness you're safe.

Stardust Lulamoon: (Shivering) Man I am so cold!

Me: I have some hot cocoa being made for you.

Teapot Whistling.

Me: Here we go.

I poured a cup and made some nice warm hot cocoa.

Me: Want some marshmallows?

Stardust Lulamoon: Yes please.

I put them in her cocoa.

Me: Careful it's hot.

Simone Houou: To quote Ms. Frizzle's Great Grandfather Nicholas when he used to say (Imitating Ms. Frizzle as Nicholas) "Ho ho ho ho it can hurt a lot when the mug gets hot." She said that to me when we went to the Arctic.

Me: Wow good advice.

I gave her a coaster for it.

Stardust Lulamoon: Ahh thank you.

Poromon snuggled up to her naked body for warmth.

Stardust Lulamoon: Oh thank you.

Nico: Did Ms. Frizzle's Great Grandfather say that?

Simone Houou: She sure did. She has a lot of experiences with her family history and more.

Me: So awesome.

Stardust Lulamoon: (Slurps) Ahh. Man that feels good.

Me: You were turned into Regice by Dark Gale.

Stardust Lulamoon: Oh man. I remember.

She was in an aqua blue outfit and was injected. Then she busted out and turned into Regice and busted out of the lair.

FLASHBACK ENDS

Stardust Lulamoon: It was awful.

Me: Well we're going to kill Dark Gale soon.

Nico: What's your role in Sonya's team?

Stardust Lulamoon: I'm the Cryokinetic Magic Master of the team. I use Ice Magic. Watch.

She formed a snowflake diamond from ice in her hand.

Sam Manson: Wow! That is amazing you can do that.

Me: Just like Gray Fullbuster's power over ice. That is so cool.

Gray: I like you already.

Me: That is true.

Natsu: WHAT MAKES YOU SO SPECIAL GRAY!?

Gray: WANT TO SAY THAT TO MY FACE FIRE BOY!?

But then...

BASH!

I bashed their heads together.

Me: Shut the fuck up you two!

Stardust Lulamoon: That must happen a lot.

Me: You have no idea. But then again it's no surprise. Fire and Ice have been fighting with each other ever since the beginning of time. Ever since the creation of the universe.

So with Natsu and Gray you just have to get used to it or until Erza or I bash their heads in.

Stardust Lulamoon: Ouch.

Poromon continued to snuggle up to Stardust

Nico: Poromon is starting to like you.

Stardust Lulamoon: I can see that. And he's keeping me warm too.

Me: Yeah. What do you do outside the team?

Stardust Lulamoon: I'm also a magician. I go by Stardust the Magnficent.

Trixie Lulamoon: Me and Stardust both were gifted in Magic and we always tried to outdo each other in it.

Stardust Lulamoon: Yeah We went our separate ways because of it. But fate had different plans for us.

Me: I see. Well Trixie has come a long way ever since she joined us.

Trixie Lulamoon: I've matured.

Me: Yeah.

Stardust Lulamoon: Wow! I'm proud of you Trixie.

Rarity: Lets get you some new clothes on darling.

The Fashion Brigade gave her awesome purple and blue clothes and she had a magic sword in her hand.

Stardust Lulamoon: Wow I look awesome.

Maria: You sure do.

Poromon: I WAS COLD, OKAY?!

Me: Poromon calm down.

Stardust Lulamoon: Besides I'm fully warmed up now.

Me: Good.

Poromon: I'm warm now too.

Me: Awesome. Well we got an Akuma running around.

I put out the fire.

SIZZLE

We then took off into the air and we set out to take down Aztec Kaleido and send her to The M.O.E. and destroy Universe 666 Broly, Universe 666 Zarbon, Universe 666 Dodoria, Universe 666 King Cold, Universe 666 Cui, Universe 666 Frieza, Universe 666 Guldo, Universe 666 Recoome, Universe 666 Jeice, Universe 666 Burter, Universe 666 Captain Ginyu, Universe 666 Bonyu, Universe 666 Super Buu, Universe 666 Dr. Gero, and Universe 666 Perfect Cell by having Lincoln absorb them and send them to The Book of Vile Darkness.

We were flying in the air, and we spotted our first target: Aztec Kaleido, the hypothetical Akuma of Carly Atlas.

Lincoln: And there she is.

Lincoln fired orbs of orange fire from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Aztec Kaleido and they hit her and exploded, and we landed.

Me: WOW!

Aztec Kaleido: You guys made it.

Me: We sure did.

Nico: And if you're looking for Sayer, he's not here. But, when we do find him, he will pay for every last one of his crimes.

Lincoln: That he will.

Aztec Kaleido: I know you all will make sure of that.

Me: Carly you look amazing as this.

Carly Atlas: I was gonna say. I look awesome.

Akiza: I think it'll be during my big day

Aztec Kaleido: That we all are looking forward to Akiza.

Akiza: Yeah.

Fluttershy: You know you remind us of the Giant Hummingbird we faced when we met Dr. Nick.

Aztec Kaleido: I sure do don't I?

Me: Yeah you sure do.

Nico: Anyway, sorry we gotta do this.

Aztec Kaleido: No worries. Come and get me!

ZOOM!

SHE FLEW REALLY FAST!

Me: WHOA! She is fast!

Rainbow Dash: So am I!

ZOOM!

She flew fast after Aztec Kaleido and surprisingly Rainbow Dash was catching up and blasting her with Rainbow Lightning.

Me: WOW! Way to go R.D.!

Aztec Kaleido: Also not only am I fast I can do this.

She formed an illusion and it was Akiza back when she was young and she had her mark glowing and her Duel Disk on.

Me: Oh wow! Akiza that little girl is you.

Akiza: That is me back when I was around 6 years old. That was when I was discovering my powers because of my Mark of the Dragon.

May: Aw Akiza you were so cute back then.

Carly Atlas: That is so awesome.

Misty Tredwell: It sure is.

Electrode charged at Aztec Kaleido and blasted her with lightning.

Young Akiza was crying.

I went over to her.

Me: Are you okay?

Young Akiza: Daddy hit me! (Crying)

Me: It's okay. Your dad is just scared because you have an amazing gift and he is just scared of how you will use it.

I healed her.

Me: You are gonna do great things Akiza.

She smiled and vanished.

Akiza: Wow that was awesome!

Speed, bonnie boat, like a bird on the wing.

Onward, the sailors cry!

Carry the lad that's born to be King

Over the sea to Skye.

Loud the winds howls, loud the waves roar,

Thunderclaps rend the air.

Baffled our foes stand on the shore.

Follow they will not dare.

Speed, bonnie boat, like a bird on the wing.

Onward, the sailors cry!

Carry the lad that's born to be King

Over the sea to Skye.

Many's the lad fought on that day

Well the claymore did wield,

When the night came, silently lay

Dead on Culloden's field.

Speed, bonnie boat, like a bird on the wing.

Onward, the sailors cry!

Carry the lad that's born to be King

Over the sea to Skye.

Though the waves leap, soft shall ye sleep,

Ocean's a royal bed.

Rocked in the deep, Flora will keep

Watch by your weary head

Speed, bonnie boat, like a bird on the wing.

Onward, the sailors cry

Carry the lad that's born to be King

Over the sea to Skye.

They fired waves of green fire and energy and blasted Aztec Kaleido all over.

Me: WOW! That was awesome!

Nico: YEAH!

Me: Skye Boat Song tells the story of the journey of Prince Charles Edward Stuart ("Bonnie Prince Charlie") from Benbecula to the Isle of Skye as he evaded capture by government soldiers after his defeat at the Battle of Culloden in 1746.

Universe 666 Perfect Cell charged at us first, but Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger which opened into a large sucker, and he latched it onto Universe 666 Perfect Cell's head and he couldn't get out and Lincoln sucked him into his body, and he and all of us assimilated Universe 666 Perfect Cell's High intelligence, Superhuman strength, Superhuman speed, Superhuman agility, Superhuman durability, Superhuman endurance, Superhuman stamina, Absorption through his tail, Master martial artist skills, Combat proficiency, Ability to copy other people's abilities and powers, Gaining Zenkais, Telekinesis, Cellular-level regeneration, Oxygen independence, Voice mimicry, Teleportation, Duplication, Asexual reproduction, and Flight, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) He'll face his eternal damnation when we finally get after him. Now, let's take care of Aztec Kaleido.

Lincoln, Carly Atlas, Crash Bandicoot, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Aztec Kaleido, and we fired extremely powerful blasts of rainbow, white, and blue energy, orange and black, white, and blue energy, black and blood red energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Aztec Kaleido and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Carly Atlas, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Aztec Kaleido, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Aztec Kaleido. We're stopping your rampage right here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Aztec Kaleido.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United

Then, Lincoln charged and smashed his rainbow energy infused left fist into Aztec Kaleido's stomach and a cluster of white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now...!

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth,

Lincoln did one final powerful energy slash that hit Aztec Kaleido hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Aztec Kaleido was now on her last legs and she was really really mangled.

Then, Lincoln tied her up in a rainbow, white, and blue energy straitjacket and sent her to The M.O.E. We cheered wildly as we holstered our weapons and powered down, and Carly Atlas' new body, clothes, weapons, jewelry, 28th Century backpack, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large black and orange planets orbiting around her legs, twenty smaller black and orange planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized black and orange planets orbiting around her wrists and ankles, and massive black angel wings and four sets of black angel wings underneath her massive black angel wings are permanent.

Nico: That was a really really intense battle, but we did it!

Me: You said it.

Lincoln: This was intense, but this won't be the last time we see an Akuma of someone in The M.O.E.

Suddenly, Lincoln spotted something right where we spotted Aztec Kaleido, and he spotted a mysterious box: an ornate metal box with a thunderbird's head on it and embedded gems of different colors. He grabbed it and brought it to us.

Nico: What's that box you found, Lincoln?

Me: Only one way to find out.

Lincoln opened the box, and inside them were large jewels of the colors of the rainbow with the heads of a phoenix, Thunderbird, werewolf, vampire bat, mermaid, demon, dragon head, angel, buffalo, Mammoth, Pegasus, Tortoise, Succubus, Incubus, Hydra, Qilin, Centaur, Sauropod, Theropod, Basilisk, Cockatrice, Cerberus, Peryton, Griffin, Sphinx, Hippogriff, and Manticore on them.

Lincoln 2: (Through his crest) Oh, no way. Lincoln, do you know what you just found? Those are The Mythical Beast Jewels, hundreds of thousands of years ago, these jewels were crafted from the crystals and imbued with the incredible powers of the phoenix, Thunderbird, werewolf, vampire bat, mermaid, demon, dragon head, angel, buffalo, Mammoth, Pegasus, Tortoise, Succubus, Incubus, Hydra, Qilin, Centaur, Sauropod, Theropod, Basilisk, Cockatrice, Cerberus, Peryton, Griffin, Sphinx, Hippogriff, and Manticore and the elemental forces, and they were then scattered around the world to protect them from those who sought to use them for evil, and it's no surprise that you would be the one to find them, same with the Elemental Gems three years ago in The Hidden Sand Village.

Then, Lincoln's massive greatsword glowed and The Mythical Beast Jewels were embedded in the 9'5" massive, wide, double-edged gold blade above The Elemental Gems, and lightning crashed down behind him.

Lincoln: Awesome!

Nico: I'm glad we saw your young self.

Akiza: Me too. Those were times I remember vaguely.

Me: Well at least your father isn't like that anymore.

Camie: Yeah.

Nico: Nice job Electrode.

Electrode: Thanks Nico. At least I didn't explode.

Nico: No thank goodness.

Me: Yeah.

Poromon: Want a beer?

Electrode: Oh no thanks. I can't drink beer or else I explode.

Poromon: Whoa okay then.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough and you don't want him to explode do you?

Poliwag: No you're right.

Artha Penn: That is for sure.

Stardust: You must be Artha.

Artha Penn: That's right. Artha Penn. Pleasure to meet you.

Me: Artha is from a world where everyone rides dragons.

Lana: We went there on Trixie's Ambassador Missions.

Me: Yep and we showed our dragons there too.

Trixie Lulamoon: It was a really amazing adventure back then.

Artha Penn: That's right and Trixie is my sister.

Me: Not by blood but bonds.

Beau came.

Artha Penn: This is Beau.

Stardust Lulamoon: Wow! Awesome to meet you Beau.

Artha Penn: It's okay Beau. She won't hurt you.

Beau nuzzled her.

Me: Aww.

Nico: Cool.

Poromon: We have something to show you guys later.

Me: Poromon and the mascots are putting on a play at their preschool later today and they want to show it to you guys.

Poromon: Yep and Mr. Krabs and Plankton are gonna help out for it too.

Nico: Cool! Looking forward to seeing it.

Plankton: This is gonna be fun.

Maria: For a minute, I thought it was gonna involve beer.

Poromon: No way! We learned our lesson there. We're doing a play on a day in the Krusty Krab.

Lily: Me and the Neptune Crusaders helped set up the stage for it. You guys are gonna be in for a fun treat.

Mr. Krabs: (LAUGHS) We sure will lass. It'll be just like old times.

Plankton: You said it Krabs.

Lily: And we even are gonna have Plankton use some of his old inventions in this one. It's gonna be fun.

Nico: Looking forward to seeing it.

Camie: Yeah.

Poromon: Yep.

Homer: Is there popcorn?

Me: We set up a snack bar for those that are hungry.

Homer: WOOHOO! If there's food I'm in.

May: What time is the play?

Poromon: After the Odyssey adventure. So somewhere right around 2:00 PM.

Me: Perfect.

Horsea: Don't be late!

Maria: Horsea!

Horsea: Sorry.

Me: You know we won't miss it

Poliwag: Just being sure

Me: Okay.

Lola: Yeah. Now for the next part of the mission.

Me: The Anothers.

Eli: (Concentrates) WHOA! We got Mr. Compress, Kaz, Black Velvet (Loonatics), Hans Gruber, Seryu Ubiquitous, Doomsnake and Yost Ulysses Klaw.

Nico: Same here girls.

Me: By the way are the Another Kaz and Mr. Compress friendly or hostile?

Violet Storm: Friendly and they are amazing.

Camie: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

May 6Me: Now, we wait

May 6Nico: Now we wait.

Me: We don't have to wait long!

We saw ANOTHER KAZ AND MR. COMPRESS!

Me: There they are.

Camie: Yep.

Another Mr. Compress: (In a girls voice) This is gonna be cool.

She reverted back and it was the gene-slammer of Hungry Burger!

Nico: Katie Burger!

Katie Burger: Awesome to see you again Nico.

Nico: Same here. Katie is one of my friends from my cooking classes and also she came make billions of kinds of burgers. And she has the power to compress matter into smaller size. She made small sliders. Small in size...

Chowder: (Big Masculine Voice) BUT BIG ON TASTE!

Nico: Exactly!

Mr. Compress: That is too cool! Just like me.

Katie Burger: That is right.

Nico: And your friend?

Another Kaz: (FARTS FIRE) (In a girls voice) Sorry.

Kaz: (LAUGHS) I had a feeling it was you!

She reverted back and it was a small female version of Kaz.

Kaz: Cora!

Cora and Kaz.

Cora: I've missed you big bro! (LOUD FIERY FART) Oops sorry.

Kaz: No worries. Cora is my sister and she has a nasty condition where she farts fire.

Me: WHEW MAN!

Kaito (Gets out Go Busters gear): Did Swartz promise you anything?

Zocks (gets out Gokaiger gear): Because we can grant it instead.

They got Gokaiger and Go Busters weapons.

Katie Burger: No he didn't because Cora farted in his face and burned him down.

Me: Ouch but that is funny.

Lola: Yeah!

Sougo (Gets out Beast Morphers Ridewatdch): Are you a Chaotic player like your brother?

Geiz (gets out Super Megaforce Ridewatch): If not, that's okay.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor

Cora: Yes I actually am. I hate Simon and his goons though and I am going to fart in their faces if I see them! (LOUD NASTY SUPER FIERY FART)

Me: WHOA! I like your style!

Lincoln: Me too. Lets separate you first.

We did so.

We got the battle underway

Nico: (Gets out Mr. Compress' ridewatch) Time to make you small!

May: (Gets out Hans Gruber's ridewatch) Time for some pain.

Maria: (Gets out Doomsnake's Ridewatch) This will be fun!

Ollie: (Gets out Black Velvet's Ridewatch) It sure will!

They used the powers of Mr. Compress, Kaz, Black Velvet (Loonatics), Hans Gruber, Seryu Ubiquitous, Doomsnake and Yost Ulysses Klaw and blated them all over.

Then Jet Stingray, Manta Mobile, Taipa Undead, Sirena the Evil Mermaid, Whale Undead and Bee Undead came.

Me: WHOA!

Nico: Nice team Jet Stingray!

Jet Stingray: Thanks Nico.

Dive Man: My team's next!

Me: Yep.

But then a huge shadow loomed over us and then we looked up and saw APOCALYMON!

Me: Apocalymon!

Nico: (GULPS)

Xenia: Oh boy.

Apocalymon: (In a girls voice) (Israeli Accent) Looks like the fun started.

Nico: Isabella Shapira! Wow!

She reverted back and jumped down and was a girl with blue hair, blue eyes, black clothes and had blue angel wings and had Apocalymon on her forehead, skirt and shirt and had Har Megiddo in Hebrew on her arm. הר מגידו She also had the Israeli Coat of Arms on her arm too. And she had a sword of Armageddon in her hand and had the

Isabella Shapira: Good to see you again Nico. I got this. GIGA CANNON!

She fired a blast of energy with the power of Machinedramon and blasted the Anothers and I caught the Ridewatches and purified them.

Me: OH YEAH!

Nico: Nice job!

Me: YEAH!

Nico: We're gonna end the real deal in the future.

Me: Yeah! Whoa are you one of Israel's Digidestined?

Isabella Shapira: No I'm not a Digidestined but I did help in different parts of the world in dealing with Digimon. I also did help my country's Digidestined from time to time.

Me: So not even the holy city of Jerusalem was safe from the International Digimon Skirmish.

Nico: Nope.

Ollie: Do you have a favorite memory of Nico?

Isabella Shapira: I sure do. When Nico and I learned about my ancestry with Saladin.

Me: He was the Sultan of Syria and Egypt back during the 12th Century.

Isabella Shapira: That's right.

Nico: Yeah it was cool.

Nico and Isabella hugged.

Nico: I've missed you.

Isabella Shapira: Same here.

We went back home.

We got reports of citizens getting viciously beaten up and the buildings and street lights were badly beaten and trashed, it was like some sort of wild animal was on the rampage. But, we're going to find out from Lincoln that there was only one person who could do this: Dark Lynn, and she was brought back from the dead by Morgana Midnight Sparkle, and she still wants to kill Lincoln. But, we've had it up to hear with that superstition-crazed super-aggressive monstrous belching farting animal, we're going to put her down once and for all and send her to The Black Abyss forever.

Lincoln: Ah, we're here in the western part of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the fourteen girls here, and Ets is going to rescue the six girls here, but we got bad news.

Selene Arcangela: And from what we heard from King Kai, we got reports of citizens getting viciously beaten up and the buildings and street lights were badly beaten and trashed, it was like some sort of wild animal was on the rampage.

Lincoln: Wait a second, citizens getting viciously beaten up and the buildings and street lights were badly beaten and trashed, and saying that it's like some wild animal's on the rampage.

Billy Cranston: But, no animal can do this.

Lincoln: You're right, Billy, it's not an animal, but there's only one person who could do this: Dark Lynn, the superstition-crazed super-aggressive monstrous belching farting animalistic Dark Side of Lynn.

WE GASPED!

Nikiya: I thought we got rid of her during Hay Lin's big day mission two years ago.

Lincoln: I thought so too, but it looks like she was brought back from the dead by Morgana Midnight Sparkle, and she still wants to kill me.

Nico: I don't believe her!

Me: Same here!

Lincoln: Lynn's Dark Side was always too stubborn, hard-headed, narrow-minded, and really stupid, she only thinks with her head in her butt and she never listens to reason. You know what, I've really had it up to hear with that superstition-crazed super-aggressive monstrous belching farting filthy animal, this time, I'm going to put her down once and for all and send her to The Black Abyss forever.

Eli: Let's get her!

Lincoln: Wait, Eli, I have a plan to lure her out.

Riley Mackenzie: Aw, I wanted to just hunt her down and end her.

Laney: That's too easy, we need to do this the right way and outsmart that animal.

Luna: We already knew Lynn tried to kill you in the past, Lincoln, and that she hated you with an absolute vengeance. What if you used a Blood Clone of yourself to draw that stupid gorilla out?

Lincoln: Good idea, Luna.

Ace Ukiyo: What if she finds out it's not the real you?

Lincoln: That won't be a problem, Dark Lynn's nothing more than a stupid animal driven only by bloodlust, so this will work.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, black angel wings, red and black clothes, red hairband, the sigil of Beelzebub long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels on the coattails, and on the back is Beelzemon Blast Mode and Beelzebub, she has a demonic greatsword in hand and with her are the the fourteen girls Lincoln is to rescue and the six girls Ets is to rescue.

Lincoln: (GASPS) Claudia Beelzebub, Avatar of Beelzebub, Demon Lord of Gluttony and Gene-Slammer of Beelzemon Blast Mode.

Claudia Beelzebub: That's right, and I got the girls away from that stupid animal. We better put your plan into action and fast.

Lincoln: Right.

Lincoln made a Blood Clone of himself and sent him out while we hid. Then, as Lincoln's Blood Clone was looking around, a pair of hands pushed back a nearby bush, and the figure was breathing and snorting heavily as steam came out, then the hands retreated back, and then...!

LOUD BELCH!

Lucy: She's here...!

Lincoln: No doubt, her B.O.'s hanging in the air along with the smell of her feet and sweaty pits.

Suddenly, Dark Lynn came out and she was running on all fours towards the Blood Clone of Lincoln with murder in her eyes, but as she got close, Lincoln's Blood Clone vanished and all of the info was passed onto Lincoln, leaving Dark Lynn growling and looking around unaware she fell for Lincoln's trap.

Lincoln: NOW!

Lincoln gave the signal, and a barrage of swords of light appeared and slashed at Dark Lynn, and she was really mangled up, and then, we appeared to her. Dark Lynn got up, and she let out an animalistic roar and she beat her chest like a gorilla.

Dark Lynn: (ENRAGED SCREAM) STINKOLLLLNNN! I'LLLLLL KILLLLL YOOOOOUUUUU!

Dark Lynn let out a belch and charged at Lincoln on all fours and grunting like an animal, but then, Lincoln grabbed Dark Lynn's right fist with his left hand, and then, he began sucking out her immense strength and energy and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

May: What the?! He sucked out her immense strength and energy!

Luna: And made her incredibly weak! Nice!

When Lincoln was done, Dark Lynn was now incredibly weakened after he sucked out her immense strength and energy, and he slashed her into shreds and sent her to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: It's over for you, Dark Lynn, and I don't ever want to see your belching farting hide here ever again. (To Claudia Beelzebub) And it's so good to see you again, Claudia.

Claudia Beelzebub: You too, Lincoln, it's been seven years since we last met.

Suddenly, Claudia Beelzebub had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Claudia Beelzebub was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Claudia Beelzebub: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Claudia Beelzebub and hugged her, and Claudia Beelzebub is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his

jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Claudia Beelzebub: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape

measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Claudia Beelzebub, Avatar of Beelzebub, Demon Lord of Gluttony and Gene-Slammer of Beelzemon Blast Mode, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Beelzebub, Demon Prince of Gluttony and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Beelzebub himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's a member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Beelzebub himself, and Claudia Beelzebub is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Claudia Beelzebub a very powerful demonic greatsword of hellfire, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Nico: We were really stunned when we found out Lincoln also knows Seven Queens of The Netherworld just like J.D.

Me: Me too, and they're just as powerful as the legends say.

Lincoln: They've proven that time and time again, and no one, not even Lucifer's legions were a match for them, and now that you're here, Claudia.

Lincoln with his massive muscular arms still wrapped around Eyre Westbrook leaned his head down the right side of Claudia Beelzebub's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Claudia Beelzebub: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Claudia Beelzebub with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Claudia Beelzebub: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Claudia Beelzebub.

Claudia Beelzebub had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Claudia Beelzebub's waist, and he leaned down to her face and kissed her on the lips, and with Claudia Beelzebub's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Claudia Beelzebub had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Claudia Beelzebub: (In Heaven) My God.

Then, Ets went up to the six girls, and when he saw them, he recognized them, they are Fredina "Frenni" Fazclaire, Bonfie, Chiku, Fexie, Type 0, and Marie from Fazclaire's Nightclub.

Ets: Wow, it's Fredina "Frenni" Fazclaire, Bonfie, Chiku, Fexie, Type 0, and Marie from Fazclaire's Nightclub.

Then, when the girls saw Ets, they ran up to him and kissed him.

Nicole: Looks like Ets got a sweet reward for saving them from that filthy animal, Dark Lynn.

Claudia Beelzebub: You said it. Oh, Lincoln, I also have to tell you: the fourteen girls are...!

Travis Tackett: And I believe that's our signal to leave.

Everyone left leaving Lincoln, Nicole, and his harem, and they went up to the fourteen girls, and when Lincoln saw them, he wound up getting an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood. The fourteen girls are Revy from Black Lagoon and Alpheratz Law Vilstie, Beryl Flayer, Calendula Medium, Claret Easel, Erica Raybalt, Kalmia Luge, Lapis Flayer, Mira Crystela, Morgan Qualis, Niveole Camaieu, Shaula Crown, Shirafuji Kohryu, and Viola Lines from Maou Jou Re:build!

Lincoln: Oh whoa, it's Revy from Black Lagoon and Alpheratz Law Vilstie, Beryl Flayer, Calendula Medium, Claret Easel, Erica Raybalt, Kalmia Luge, Lapis Flayer, Mira

Crystela, Morgan Qualis, Niveole Camaieu, Shaula Crown, Shirafuji Kohryu, and Viola Lines from Maou Jou Re:build!

Nicole: I can't believe it, as soon as Travis heard what Claudia was about to say, he said the word and he and the others left.

Lincoln: It's like Travis had a built-in radar in case this would happen. Are you girls okay?

Alpheratz Law Vilstie: Yes, we're okay, thanks to you.

Then, when Alpheratz Law Vilstie and the other thirteen girls saw who it was that saved them from Dark Lynn, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight

Revy: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Revy: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Revy, Alpheratz Law Vilstie, Beryl Flayer, Calendula Medium, Claret Easel, Erica Raybalt, Kalmia Luge, Lapis Flayer, Mira Crystela, Morgan Qualis, Niveole Camaieu, Shaula Crown, Shirafuji Kohryu, and Viola Lines with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out the villain we went after and the one responsible for the reports of citizens getting viciously beaten up and the buildings and street lights badly beaten and trashed in the west of Gotham Royal York was our old enemy, Dark Lynn, who was brought back from the dead by Morgana Midnight Sparkle, and she still wanted to kill Lincoln.

But, when Lincoln showed what he did in creating a blood clone of himself to lure her out and all of us trashed her and then Lincoln grabbed her and sucked out her immense strength and energy which went into him, and he slashed her into shreds and sent her to The Black Abyss forever, everyone cheered wildly and hugged us and Lincoln's harem kissed him and he also returned the kisses. Lincoln and Claudia Beelzebub have a lot of catching up to do, now that she's back in town.

Maria: We heard everything from J.D. as soon as they came back. I can't believe that the one responsible for the reports of citizens getting viciously beaten up and the buildings and street lights badly beaten and trashed in the west of Gotham Royal York was our old enemy, Dark Lynn.

Lincoln: I suspected that it was her. That animal always violently beats up people and she even trashes the buildings and street lights whenever she goes on her rampages.

Nico: I was stunned myself, I thought we were finally done with that moron.

Me: Same here.

King Kai: (Telepathically) But, ever since Morgana and her minions have also found a way to also bring back those sent to The Black Gates, it figures they'd bring back the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan. But, so far, Dark Lori, Dark Lynn, and Dark Lisa have bitten the dust, now all that's left are Dark Lola and Dark Luan.

Luan: If we face her on April Fools' Day along with Dark Connor, they are both heading for The Black Abyss. But, Dark Lola, we got to watch out for her, she could be hiding anywhere.

Caleb Maxwell: Second she shows her face, I'll riddle her dress with bullets!

Lana: You better be ready to face the consequences if you get her mad!

Caleb Maxwell: Like Hell am I going to be afraid of a spoiled little brat like her, and I don't give a damn if she starts acting like a rampaging she-demon.

The Louds gasped.

Luna: Dude, if Dark Lola heard those words from you, you'd be worse than dead!

Lola: Big time, hearing those words from your mouth would set her off in a really ugly way.

Me: No kidding!

Nico: Even I was scared when you said those words, Caleb, it's like you enjoy toying with certain death.

Cage Blunt: You do realize he'd been dead for eight years, so he knew what death was like.

Travis Tackett: And he'd done other dangerous things after he came back from the dead.

Roxy Drake: And getting chased by you two when you were drunk on Demon Blood, don't forget that.

James Blunt: Exactly what I was about to say.

After Lincoln and all of us finally got rid of Dark Lynn once and for all and banished her to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Claudia Beelzebub saw Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Claudia Beelzebub: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Claudia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Claudia Beelzebub: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Claudia Beelzebub: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Caleb Maxwell went into The Simulator, and he activated it, and the scene he chose was on the Earth of the Z-Fighters during the evil version of Majin Buu's rampage, and we saw it on the screen.

Caleb Maxwell: Okay, guys, where am I?

Goten: Caleb, you're in our world during the evil version of Majin Buu's rampage. It was right there that he killed every last human on Earth except for a few with his Human Extinction attack.

Trunks: Looks like you'll have to head for Kami's Lookout and kill him.

Buster Bunny: But, it also gets more complicated than that, Sebastian's also there as well along with the resurrected old foes of The Z-Fighters, plus, you're also going to run into the Simulator versions of Goten and Trunks when they were kids along with Piccolo, and us as well.

Caleb Maxwell: I see, and since this is a pure evil version of him, there's no need to hold back on him.

Suddenly, Caleb Maxwell saw the skies turn a demonic red and black.

Caleb Maxwell: Shit, I better get going.

Caleb Maxwell flew and headed for the lookout, there, he saw Simulator versions of Goten and Trunks when they were kids along with Piccolo, and the Simulator versions of Buster and his friends, and they were engaging in battle against the evil version of Majin Buu and the deranged murderous pure evil version of Sebastian Mendez along with the resurrected old foes of The Z-Fighters.

Simulator Buster Bunny: You really don't even know when to quit, do you, Sebastian?!

Evil Sebastian Mendez: Shut your trap, vermin! Once all of you are finally dead, soon every last living being on this miserable planet and the universes beyond will all perish! (LAUGHING LIKE A TRULY INFINITE-TIMES FUCKED-UP MADMAN)

We were pissed at his madness!

Lincoln: Now, I see why you guys had a really horrendous time with dealing with Sebastian.

Sebastian Mendez: And it was due to Chase Young's Dark Side turning me into that "thing".

Simulator Kid Goten: You really are that sick and twisted, not to mention, you're an out-of-control monster!

Simulator Kid Trunks: You're just as bad as Majin Buu and the other enemies Dad and the others faced, no, you're even worse than that.

?: And you're truly the most irredeemable pile of scum ever to walk the Earth!

Caleb Maxwell appeared and fired blasts of dark energy at Evil Sebastian which hit him and he screamed in insane pain!

Evil Majin Buu: Another fighter? But, he's different. (Sensed the darkness in Caleb Maxwell) That darkness, it's almost the same as...!

Caleb Maxwell: I know what you're about to say, but there's a clear difference between me (To Evil Sebastian) And him.

Suddenly, we felt Caleb Maxwell's energy rise as his blood red eyes turned neon blood red and he was surrounded by a black and blood red, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine

Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, skulls, vampire bats, demons, phoenixes, and angels.

Caleb Maxwell: The difference is I was given the powers of darkness through a divine blessing after I came back from the dead eight years ago, he was given the powers of darkness when he was eighteen, but he fell into madness and evil, and the dark powers he'd been given were corrupted and he wields the infernal darkness of Hell itself, but to abuse that kind of power for your own desire for destruction and chaos, that monster's going to be put down along with you, and now, it's time for you to die.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CALEB MAXWELL WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE VAMPIRE BAT, AND RAINBOW FIRE DEMON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE VAMPIRE BAT, AND RAINBOW FIRE DEMON WENT BACK TO EARTH AND CALEB MAXWELL GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Caleb Maxwell was surrounded by a very massive vortex of black and blood red, white, and blue energy with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are skulls, demons, vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Evil Majin Buu and Evil Sebastian: the blood red eyes of eternal death and eternal judgment, and we saw heavenly lights shining down on the vortex, and it pierced through the darkness Evil Sebastian brought with him, and he screamed in pain.

WE WERE STUNNED: CALEB MAXWELL TRANSFORMED, AND THAT REALLY FRIGHTENED EVIL MAJIN BUU, BUT THAT MADE EVIL SEBASTIAN TRULY ENRAGED, AND HE RAN AT CALEB MAXWELL TO KILL HIM!

Caleb Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really are that insane, huh? Oh well, if you want to play it this way.

Caleb Maxwell raised his new twin pistols and fired, and the bullets hit Evil Sebastian right in the shoulders, and he screamed in agonizing pain. But, we also saw it, he broke the spell and the old foes of The Z-Fighters were freed.

Nico: WHOA!

Me: Incredible!

Simulator Kid Goten: I felt it, they've been freed. But, how?

Caleb Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I'll keep it short and simple, that guy used Blood Magic, the darkest form of The Dark Arts, to keep them all under his control. But, this unfortunately has a drawback: if he shows any form of anger and rage, it'll cause his bloodlust to rise to dangerous levels, and that'll break his control, and it looks like he used his own blood for that, a dangerous move.

Simulator Kid Trunks: So, we got to take him down and fast!

Suddenly, Frieza tried to attack Evil Sebastian, and that of course drove him completely mad!

Evil Sebastian Mendez: FRIEZA! WHY, YOU MISERABLE...! (DEMONIC ENRAGED SCREAM)

Caleb Maxwell fired a paralyzing blast that paralyzed Evil Sebastian and the resurrected old foes of The Z-Fighters.

Evil Majin Buu: I admit, I'm impressed, but that still won't save any of you from me.

Caleb Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your arrogance is about to be your undoing.

Suddenly, Caleb Maxwell fired a blast of white energy that hit Evil Majin Buu and it separated the good Majin Buu from him and it also brought out his reincarnation, Uub, and he merged the good Majin Buu with Uub and sent him to us.

Evil Majin Buu: That trick you pulled still will not save you from me! Prepare to die!

Caleb Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and

Suddenly, Lincoln appeared, and he bearhugged Evil Majin Buu so he couldn't escape, and then, he began absorbing Evil Majin Buu into his body and he and all of us assimilated Evil Majin Buu's Powerful vast superhuman abilities, Flight, Complete body manipulation, Very strong extremely destructive pink Ki manipulation, Ki sensing, Ki strength hiding, ability to absorb other beings and gain their techniques, Infinite regeneration, Change Beam, Object materialization, Combat prowess, Energy absorption, Teleportation, Flight, Very powerful and destructive scream, Ability to conduct electricity through his body, Ability to learn any Technique by observing someone else using it, Cloning, Very high power level, Ability to survive in the vacuum of space, Healing touch, Telekinesis, Paralysis beam, Magical materialization, Vice shout, Human extinction attack, and Enhanced senses, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done, he also drained Evil Majin Buu of all his energy and sent him to The Black Abyss for good. Then, Lincoln snapped his fingers and he brought back everyone who was killed by Majin Buu as heavenly lights shined down on the Earth and everyone killed was brought back and restored to life, and he went back to The World Tree Estate.

Caleb Maxwell fired extremely powerful blasts of black and blood red, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, skulls, vampire bats, demons, phoenixes, and angels, along with bullets at the resurrected foes of the Z-Fighters and they exploded. Then, he made a white magic circle appear around them, and he chanted an incantation, and that caused a massive pillar of white and blue heavenly fire to erupt from the ground, and they were all incinerated and sent to The Black Abyss forever.

Your minions are all dead, and you can't even bring them back for fear of them turning on you again. Well, you can't control them since your Blood Magic required using blood from your own heart, but that no longer matters, and now, it's time for you to die.

Evil Sebastian Mendez let out a primal scream of rage and went charging at Caleb Maxwell, but he then proceeded to start shooting at the madman, as he let out horrific screams as the bullets pierced his flesh, and he was bleeding like a stuck pig.

Then, Caleb Maxwell ran at Evil Sebastian Mendez, and then...!

SQUELCH!

Caleb Maxwell rammed his right pistol into Evil Sebastian's chest, and he pulled the trigger as he pulled his right pistol out of his chest, and he let out a horrific scream. But, he wasn't even out yet. Then, heavenly lights shined down on him, and he let out a scream and we saw steam coming off him, and that made him really enraged, but before he could charge again at Caleb Maxwell, he out another scream of pain as black fires exploded out of his back and his screams got louder and more horrific.

Simulator Buster Bunny: You rotten blood-crazed monster! It's over! Now, burn!

Evil Sebastian let out one last scream as more black flames erupted out of him and he was destroyed forever and sent to The Black Abyss.

Caleb Maxwell powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty black and red planets orbiting around his legs and twenty black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and red planets orbiting around his wrists and thighs, eleven massive and long dark brown wolf tails, and massive dark brown angel wings and four sets of larger dark brown angel wings underneath his massive dark brown angel wings are permanent.

Caleb Maxwell: And that, is the end.

Simulator Kid Goten: I...I can't believe what we just saw, that was incredible.

Then, Simulator Gohan arrived.

Simulator Gohan: Ah, so you were the one who took care of Majin Buu and our uninvited "guest", I sensed your energy a while ago, that was some impressive work.

Caleb Maxwell: Just did what needed to be done, I wasn't gonna let any of those monsters live a single second further.

Simulator Trunks: If you don't mind us asking, can you tell us about yourself?

Caleb Maxwell despite his initial hesitation told them about himself and his past, but when he told them of how he died eight years ago and came back from the dead eight years later, that really hit them in the heart.

Simulator Gohan: Unbelievable.

Caleb Maxwell: I should've mentioned that part of my past was really dark, and I tried not to remember it again since it left me scarred with nightmares. But, the nightmares that haunted me came to an end after eight years, and so, I'm no longer afraid to talk about my past.

Simulator Gohan: Still, you really went through a lot, but you've finally found peace from the nightmares you've had to deal with for eight years.

Caleb Maxwell: You have no idea how right you are.

Caleb Maxwell bid his farewells and merged the Simulator counterparts of the Z-Fighters with the real world counterparts and he exited The Simulator, and as soon as he did, he was greeted by a huge hug from Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, Allie Maxwell, and Marlene Maxwell.

Nico: Caleb, you really did an awesome job in The Simulator, and Cage and the others were really proud of you as well.

Jack Howard: No fooling, you really laid quite the beatdown in there!

Roxy Drake: Plus, you also transformed as well, and the long white leather trench duster coat with blood red inlay inside the coat and blood red coat collar and large blood red cuffs and blood red fur trim on the coattails is very different from your long black leather trench duster coat with blood red inlay inside the coat and blood red coat collar and large blood red cuffs.

Allie Maxwell: Because that was to help him blend in to the darkness, though the blood red did give them the sign that death was coming for them, bad move.

Travis Tackett: Hey, it let them know death was coming, so they had nowhere left to run though.

Caleb Maxwell: I can't argue with that, of course, my new transformation and final freeing of myself from the darkness that haunted me is gonna get the attention of The Big Claw Gang again.

Suddenly, The Big Claw Gang appeared.

Caleb Maxwell: Oh, I hate it when I'm right.

Panther: Well, well, you've transformed yet again. You wanna settle what we began eight years ago?

Allie Maxwell: Try it, and I'll punch that pretty face of yours, Panther! In fact, I'll do that right now!

Allie Maxwell ran at Panther, but he caught her arm before she could punch him and pinned her down.

Carla Claw: Bad move, Allie, we'd trained a lot ever since your brother came back from the dead and he terrorized the criminal gangs.

Panther got off of Allie Maxwell, and she got up.

Allie Maxwell: How humiliating, taken down and pinned down by Panther? Damn it.

We got a shower, and then, Lincoln, Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe are heading to Wave Ocean.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Maia Sterling: Wow, so this is Wave Ocean, it sure is beautiful.

Lincoln: It sure is, Carol, and it's perfect for our first date, shall we?

Lincoln, Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Maia Sterling: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe and hugged them in their abnormally massive and powerful muscular arms, and Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy

Monoroe are in your harem, Linky.

Maia Sterling, Gena, Neesha, Rebecca (Kanto), Rebecca (Movie 7), Shinobu, and Darcy Monoroe showed the marks Lincoln made on the right sides of their necks.

May: I knew it was a good idea introducing Gena, Neesha, Rebecca from the Kanto Region, Rebecca whom we met long ago, and Shinobu to Lincoln.

Jenna: You guys had no trouble at all.

Maia Sterling: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta,

NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis

Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Wooded Kingdom for another round.

Me: Awesome!

Nico: Who wants to go with me next?

Me: You know I'm gonna go next.

Keiko: Me and Yusuke too.

Nico: Okay then.

Lincoln: I'll go too.

Me: Cool.

We went in and the simulator activated and we were at Wooded Kingdom!

Me: WOW!

Nico: Wooded Kingdom is amazing as ever.

Nicole: You guys are gonna love the baddie you're facing.

Yusuke: Who are we facing this time?

Lincoln then had a premonition.

Lincoln: WHOA! It's Samui's Akuma! Lady HeatCold. The Hypothetical Akuma of Samui from the Hidden Cloud and a master of both fire and ice. She has both the power of an intense erupting volcano and a massive megatsunami. She was made when the Akatsuki killed Yugito Nii and vowed to make sure they all pay for it big time and also help Naruto achieve peace the right way

WE GASPED!

Lincoln pulled out his sketchpad and it was a girl with red hair, red eyes and had a smoking hot blue bikini and had angel wings both made of fire and water.

Me: WHOA! That is one smoking hot master of Fire and Water.

Keiko: Wow! And she was made because of the Akatsuki killing Yugito Nii?

Me: Whoa man. Hidan and Kakuzu no doubt.

Nico: Where is she right now?

Lincoln: She's up on top in the garden grove.

Me: Lets go.

We were off and we got to the top and landed and we saw LADY HEATCOLD!

Me: WHOA!

Lady HeatCold: So you all came.

Nico: Like we would miss this.

Me: You look awesome like this Samui. You would definitely make your brother proud like this. You and Atsui were both known as the Siblings of Heat and Cold after all.

Lady HeatCold: (Giggles) That is too true there.

Me: Yeah.

Lady HeatCold: I take it you know why I was turned into this?

Me: The death of Yugito Nii. You want to kill the ones that did her in. Hidan and Kakuzu no doubt.

Lady HeatCold: That's right.

Me: You'll get no argument from me there. Hidan and Kakuzu were beyond some of the most fucked up I've ever encountered. Hidan was a Jashinist and delighted in seeing people suffer. Kakuzu was just as dangerous. I killed every single one of the Jashin Cult members.

Nico: That's good. they were monsters from what I heard.

Me: They were. I threw them all into the sun and banished their spirits to another dimension beyond the reach of time and space. Somewhere not even Anti-Monitor can get to.

Nico: WHOA! That is amazing!

Me: It was.

Lady HeatCold: Good they can stay there.

Me: Oh they will forever. I also cursed them to stay forever bound to that dimension for all eternity and trapped them in limbo forever for all the atrocities they committed.

Nico: WOW! That is amazing.

Lincoln: Good riddance.

Me: Yep and I killed Kakuzu by firing a massive energy wave that obliterated him instantly.

Nico: WHOA! Never saw that coming no doubt.

Me: Nope.

Lady HeatCold: Thank you.

Me: You're welcome.

Nico: Please calm down

Lady HeatCold: I am calm now. But we still have to fight though.

Me: I know. Let me get my gameface on. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: Yeah!

Yusuke: Lets kick some ass!

Lady HeatCold: This will be cool. ICE STYLE NINJA ART: BLACK DRAGON HYDRA BLIZZARD!

She fired a wave of ice and it formed into a huge and powerful black hydra and formed massive waves of ice!

Me: WOLF MOON FIRE STYLE: INFERNO OF THE JANUARY WOLF PACK!

I fired waves of blue fire and it formed into a massive wolf pack and the blasts collided and then...

MASSIVE AND INCREDIBLE FIERY EXPLOSION!

Nico: WHOA!

Lincoln: Intense!

Me: Now for some fire!

Lady HeatCold: Lets dance with the fire. FIRE STYLE NINJA ART: FLAMES OF THE VOLCANIC TSUNAMI!

She fired a massive wave of lava and fire!

Lincoln fired ice blasts and blasted the wave and froze it!

Nico: Had enough?

Lady HeatCold: I'm just getting started.

Me: So are we.

Yusuke: Lets see you survive this.

He charged up a Spirit Gun blast.

Yusuke: SPIRIT GUN!

BANG!

He fired a powerful Spirit Gun Blast and Lady HeatCold dodged it and the hit the building and exploded with incredible power!

EXTREMELY MASSIVE FIERY EXPLOSION OF INCREDIBLE POWER!

Me: WHOA!

Yusuke: That missed with a blast that powerful!?

Me: WHOA! She is fast too.

Yusuke: I won't miss this time!

Keiko: Lets see how you like this! FLAMES OF THE ROSE!

She fired a wave of rose fire and blasted Lady HeatCold all over.

Me: Nice one!

Yusuke: SPIRIT GUN!

He fired a smaller energy blast and blasted Lady HeatCold all over.

Me: Nice!

?: Take this!

Blasts of darkness blasted Lady HeatCold all over.

Then out came the gene-slammer of Souls of the Forgotten and the embodiment of Tunnel Rhino!

Nico: Lorriana Soul!

Trina Rhino: And Trina Rhino, Embodiment of Tunnel Rhino!

Gi: Wow! Trina!

Linka: (Russian Accent) Awesome to see you!

Trina Rhino: You too Gi and Linka. Been a while.

Nico: Lets get her!

Me: Yeah!

Nico: (gets out Mr. Compress and Vampire's Ridewatches) This vampire's gonna make you small!

Nico activated them and fired waves of energy and blasted her.

I fired waves of blue fire blasts and Lincoln fired waves of lightning. Yusuke and Keiko fired waves of energy all over.

Lorriana and Trina fired blasts of energy and smashed her down.

Me: Oh yeah!

We won and high five!

Me: That's another Akuma in the M.O.E. and the Redemption squad.

Nico: Yep.

Lincoln: Cool.

Nico: How did you meet Linka and Gi?

Trina Rhino: I met them when they were battling Duke Nukem and helped them bring him down. I'm immune to radiation and I blasted a huge hole in his chest.

Me: Wow! That is cool.

Trina Rhino: Yep.

Me: Yep. Lorriana do you have a favorite memory of Nico?

Lorriana Soul: I sure do. When me and Nico went to a haunted house and found my family's fortune and made us rich.

Nico: That was fun.

Me: Cool.

Nico and Lorriana hugged.

Nico: I've missed you.

Lorriana Soul: Same here.

Me: Want to join us?

Trina Rhino: Sure!

We left the simulator and everyone cheered for us

We were at the mascots school for their play.

Tsuyu: It's starting!

Me: Good afternoon everyone and welcome to today's play and we're doing a reenactment of a day in the life of the Krusty Krab. Todays adventure? Imitation Krabs.

The play started. Poromon was playing SpongeBob, Mr. Krabs was himself, Poliwag was Squidward and many more.

[The episode begins with the camera showing the exterior of the Krusty Krab behind the coral reefs.]

French Narrator: Ah, the Krusty Krab. Home of the Krabby Patty, [cut to a live-action patty] with its top secret formula, [cut to inside the Krusty Krab] known only to those who are brave enough and intelligent enough to comprehend its culinary complexity.

[SpongeBob is balancing a spatula on his nose behind the register]

SpongeBob: Look, Mr. Krabs. I'm doing it, I'm doing it!

Mr. Krabs: Quit foolin' around, SpongeBob, we got customers.

French Narrator: But wherever there's a secret recipe, there is someone who wants to steal it. [Plankton laughs evilly while standing in the head of a Fish Robot. The head falls down]

Plankton: Oof, ouch! [his Fish Robot's arm turns into a mirror] And now for the final touch. [puts on a mustache] Perfect! With this disguise, that formula is as good as mine. [laughs then stops and clears his throat and his mirror turns back into his robot's arm as he wheels himself into the restaurant]

Fish Robot: Are you SpongeBob SquarePants?

[SpongeBob looks at his reflection in the spatula]

SpongeBob: Why, yes. Yes I am.

Fish Robot: [holds up a big check] Then you've just won one million dollars!

[SpongeBob gasps]

Fish Robot: You just have to answer one question. What is the Krabby Patty secret formula?

SpongeBob: [inhales]

Fish Robot: Yes?

SpongeBob: [inhales again]

Fish Robot: Yes?

SpongeBob: [inhales yet again]

Fish Robot: Yes?!

SpongeBob: [speaking rapidly fast, like narrating a commercial] The Krabby Patty formula is the sole property of the Krusty Krab and is only to be discussed in part or in whole with its creator, Mr. Krabs. Duplication of this formula is punishable by law. Restrictions apply, results may vary.

[Sudden silence. The Fish Robot smiles, then the mustache falls off the robot, shakes, then Plankton crashes through the teeth]

Plankton: [growls] That's it! [jumps on SpongeBob's nose and holds his eyelids] You'd better cough up that secret formula or else!

Mr. Krabs: Plankton!

Plankton: [looks at Mr. Krabs] Krabs!

Mr. Krabs: Plankton!

Plankton: Krabs!

SpongeBob: SpongeBob.

[Mr. Krabs grabs Plankton and a straw, then puts Plankton in the straw]

Plankton: You can't do this to me, Krabs! [Mr. Krabs blows Plankton back to the Chum Bucket] I went to college! [crashes into his restaurant] Ouch.

Mr. Krabs: That Plankton is a clever beast. You've got to keep a sharp eye out for him, SpongeBob. The Krabby Patty law must be enforced. The future of the Krusty Krab depends on it.

SpongeBob: Don't worry, Mr. Krabs, as long as these pants are square, [grabs himself] and this sponge is Bob, [lifts his arms up] I will not let you down!

Mr. Krabs: Uh, SpongeBob? [the camera zooms out to reveal SpongeBob holding Mr. Krabs above his head] Could you let me down? [cut to later, at the Krusty Krab]

Fish: Man, these patties sure are delicious. I wonder what's in that secret formula.

[The siren goes off. SpongeBob slides down the pole from the crow's nest]

SpongeBob: Code twelve, code twelve! [bounces off a trampoline and grabs the customer's head] Your disguises can't fool me this time, Plankton! [pulls the head off to reveal a smaller head on the customer; everyone gasps]

Fish: Everyone at the head enhancement clinic said nobody would notice! [runs off crying]

Mr. Krabs: SpongeBob! You're scarin' away me money!

SpongeBob: Sorry, Mr. Krabs, I was just trying to protect the secret formula.

Mr. Krabs: That's no reason to rip other people's heads off, boy. Just remember the most important rule.

SpongeBob: No free napkins?

Mr. Krabs: No! The other most important rule. Regardin' the secret formula.

SpongeBob: Only discuss the formula with Mr. Krabs.

Mr. Krabs: As long as you do that, the secret is safe.

Squidward: I always thought the most important rule was "why do today what you can put off till tomorrow?" [laughs]

Mr. Krabs: What is today, but yesterday's tomorrow?

Squidward: Huh?

Lily: When I started out at the Krusty Krab kids, Mr. Krabs only loved money and all that

Kid: Wow.

Kumiko Himura: Poromon's playing Spongebob, right?

Lily: Yep and Poliwag is Squidward and Mr. Krabs and Plankton are themselves.

[Cut to Mr. Krabs and Squidward in a storage room]

Mr. Krabs: Today, I want you to take inventory on everything in here; every last pickle and patty must be accounted for.

Squidward: Aye aye, captain.

[Mr. Krabs leaves. When Squidward walks over to the stock, glowing eyes appear; Squidward writes something on a notepad]

Squidward: Two boxes of buns. Three pounds of patties.

[A poorly-constructed robot made to look like Mr. Krabs approaches Squidward.]

Robot Krabs: [mechanical voice] Mr. Squidward...

Squidward: What now, Mr. Krabs?

Robot Krabs: That's right, I am Krabs. [cut to inside the robot to show that it's being controlled by Plankton.]

Plankton: Your boss, your ruler, your master! [laughs evilly]

Robot Krabs: Ha, ha, ha. [exhaust smoke spurts out]

Lily: That robot right there kids is Plankton in a robot suit that looks like Mr. Krabs.

Kid: Very well made.

Squidward: [not fooled] You're not Mr. Krabs.

Lily: At least Squidward wasn't fooled by it.

Robot Krabs: Hey, why don't you take the rest of the day off?

Squidward: [chuckles and runs to the door] Well... whatever you say, "Mr. Krabs." [laughs] Whoopee! [runs out as SpongeBob walks in]

SpongeBob: Hi, Mr. Krabs.

Plankton: Oh, sweet domination. This is it!

SpongeBob: No sign of Plankton, yet. Gosh, Mr. Krabs. You don't look so good. [touches his body] Ooh, you're so cold. [knocks on his pants]

Robot Krabs: That's just my metal suit. I made it to protect the formula.

Mr. Krabs: SpongeBob! SpongeBob! [second "SpongeBob!" echoes]

Plankton: It's that thick-headed Krabs. He'll ruin everything.

Robot Krabs: Look, a jellyfish. [points in another direction]

[SpongeBob takes out his net and runs around]

SpongeBob: I got it, I got it.

[Plankton presses the "Abort" button. When he does, Robot Krabs transforms into a toaster.]

SpongeBob: I got it, I got it.

[Mr. Krabs enters the storage room]

Mr. Krabs: SpongeBob! [SpongeBob stops and looks at the toaster, which releases its toast, then looks at Mr. Krabs]

SpongeBob: [knocks on Mr. Krabs' pants] Hey, Mr. Krabs, what happened to your metal pants?

Mr. Krabs: Don't go all loopy on me, boy. I need your help. Where in the high seas is Squidward?

SpongeBob: You gave him the day off.

Mr. Krabs: [pupils shrink] Day... [bellows] ...off?! [makes steam come out of the chimney] I don't know the meanin' of them horrible words! [SpongeBob falls down] Now quit your layin' around, SpongeBob, and take out that garbage! It's startin' to give me a rash. [exits]

SpongeBob: Yes, sir, Mr. Krabs, sir! [puts a clothespin on his nose and is going to take the trash out, but Robot Krabs stops him] Hey, Mr. Krabs, just takin' out that garbage.

Robot Krabs: Never mind that. I need to talk to you. [takes the trash bag and vaporizes it with his laser eyes]

SpongeBob: Whoa-ho, Mr. Krabs. I didn't know you had heat vision.

Robot Krabs: Never mind. I need you to tell me...

Mr. Krabs: SpongeBob!

Robot Krabs: Yoicks! [runs off]

Mr. Krabs: SpongeBob, I'm not payin' you to stand around. [gives him a spatula] Get back to the kitchen!

SpongeBob: But I thought you wanted to ask me a question.

Mr. Krabs: Yes... why aren't you workin' harder?

SpongeBob: [slowly and confused] I don't know, Mr. Krabs... I don't know. [both walk out]

Plankton: I'll never get that formula with that pest Krabs popping in and out like that. I've got it! I've been saving this for a rainy day. [holds up a penny] It looks like an ordinary penny... because it is an ordinary penny! That fool Krabs is too greedy to ignore you, my little pretty. [laughs evilly. The penny pops out of the nose and rolls around into Mr. Krabs' office]

Mr. Krabs: That sound, it sounds like... the pitter-patter of... [sees the penny] money! [squeals] Hey, where you goin', beautiful?

[SpongeBob knocks on Mr. Krabs' door]

SpongeBob: Mr. Krabs... [the penny slides out of the office] Wha... [Mr. Krabs busts down the door on top of SpongeBob]

Mr. Krabs: Stop! Please! [the penny slides between the crack of the doors and rolls away with Mr. Krabs running after it] Wait!

[Robot Krabs is hiding behind the sign pole, then peeks out to see that Mr. Krabs is out of the Krusty Krab.]

Robot Krabs: Nothing stands between me and that secret formula now. [snaps off some of the Krusty Krab sign pole. As he laughs evilly, the sign falls on top of him] Ouch!

[Cut to SpongeBob, who is scrubbing the floor]

SpongeBob: Scrub-a-dub-dub, I love to rub. [Robot Krabs rolls by] Hey, Mr. Krabs, just doin' a little scrubbin'.

Robot Krabs: Hello, SpongeBob, it is me, Mr. Krabs. [exhaust pipe smokes] In the flesh. [exhaust pipe smokes again] Standing right in front of you. [pipe smokes again] With no one else around.

SpongeBob: I can see that, Mr. Krabs.

Robot Krabs: I thought we might discuss the Krabby Patty secret formula. [a microphone comes out of Robot Krabs]

SpongeBob: Isn't that a microphone?

Robot Krabs: What? Why, yes it is. [puts the microphone back inside his body] I must get this shirt cleaned. Alright, now tell me the secret formula.

SpongeBob: But, sir, we haven't done the secret handshake yet.

Robot Krabs: Oh yes. Here, let's shake.

SpongeBob: [laughs] We don't shake with our hands, remember?

Robot Krabs: Uh, right, why don't you start?

SpongeBob: We stand on one foot. [they do] Balance a glass of chocolate milk on our heads and sing the Bikini Bottom National Anthem. [they do]

SpongeBob and Robot Krabs: Oh, Bikini Bottom, we pledge our hearts to you, as faithful, as deep, as true, as blue, Bikini Bottom, we love you!

Robot Krabs: Formula time?

SpongeBob: Almost.

Cybertron Scourge: And by that, he meant never

French Narrator: Six and a half hours later...

[Plankton grunts frantically, adjusting controls in his control room, as he gets Robot Krabs into a cannon which spits him out, through a flame ring, and onto a chair at a table, which has a plate of spaghetti on top. He opens up the robot's belt buckle and dumps the spaghetti in there]

Robot Krabs: Yum, yum, this spaghetti sure is good. Belch!

SpongeBob and Robot Krabs: Meatball. Meatball. Spaghetti underneath. Ravioli. Ravioli. Great Barrier Reef. [clap]

Kid: Boy there's a lot of stuff to do for that isn't there?

Lily: Oh yeah. Lots of things to do.

Robot Krabs: Okay, now let's hear that formula.

SpongeBob: Sorry, [takes off his chef mustache] no can do, Mr. Krabs.

[Robot Krabs' eyes are now on fire]

Robot Krabs: Whaaaaaaaaaat?!

Plankton: [exploding in rage] But we did everything you said- I followed all the rules! I even ate 105 black licorice jellybeans through a straw! [holds up a straw]

YUCK! I HATE BLACK LICORICE!

Robot Krabs: Now why can't you tell me the formula?

SpongeBob: It's your rule. Never speak the formula. You told me to keep it in... [holds up a bottle with a piece of paper in it] ...this bottle.

[Robot Krabs opens its eyes. A ding sound is produced]

Plankton: [overly excited and tense] This is it, Plankton. [starts pushing on a lever] Gently, now...

[Plankton continues to push on the lever that makes Robot Krabs' arm stretch out more. Plankton gets increasingly excited as he stretches out the arm further and further, laughing excitingly and sweating continuously. The penny from before rolls through the door and Mr. Krabs comes in. Everyone in the kitchen gasps, including the guy on the penny]

Mr. Krabs: [gasps]

SpongeBob: [gasps]

Guy on the Penny: [gasps]

Robot Krabs: Gasp!

UH OH!

Mr. Krabs: How could you do this, SpongeBob? Givin' me secret formula to this... impostor?!

Robot Krabs: Don't listen to him, SpongeBob. Remember: Ravioli, ravioli, give me the formuoli.

Mr. Krabs: SpongeBob, no! Don't listen to him. I'm the real Mr. Krabs.

Robot Krabs: [runs towards Mr. Krabs] Don't listen to him. He's obviously a robot. [exhaust pipe smokes]

Mr. Krabs: Well, if I was a robot, which I'm not, at least I'm well put together. Not some rusted-out, steam-driven pile of junk!

Robot Krabs: Who are you callin' steam-driven...?

SpongeBob: [unable to handle the pressure, explodes in frustration] QUIIIIEEEEETTT! [SpongeBob is holding a giant hose in his hands and his eyes bloodshot] Until I know who the real Mr. Krabs is, nobody moves, [it is soon revealed that the hose is attached and bubbled to a large tartar sauce machine] nobody gets hurt.

TARTAR SAUCE! THE HORROR!

Mr. Krabs and Robot Krabs: Tartar sauce?!

Mr. Krabs: Take it easy with that thing, son.

[SpongeBob squirts some tartar sauce at Mr. Krabs causing him to jump into Robot Krabs' arms]

OH BOY! HE IS NOT BLUFFING!

SpongeBob: I'll do the talkin' around here. I think I'll just ask you two a couple of questions. Questions only the real Mr. Krabs could answer.

Mr. Krabs: Okay, then.

SpongeBob: First question: What time does the Krusty Krab open?

Robot Krabs: [beats Mr. Krabs to it] 9:30 A.M.

SpongeBob: Right. [to Mr. Krabs] That's one strike, Mr. Fake.

Mr. Krabs: But...

SpongeBob: Nuh-uh-uh! I'm runnin' this quiz show, I'll ask the questions. If there's gonna be any 'buts,' they're gonna be from me. [walks forward, while rubbing the hose nozzle] Okay, question number two: How much does a Krabby Patty cost?

Mr. Krabs: $2.99!

SpongeBob: On Wednesday...

Robot Krabs: 99¢

SpongeBob: Right again! [to Mr. Krabs] You're startin' to look pretty phony right about now. I'd be nervous if I were you. [walks forward] Now only the really real Mr. Krabs could answer this — If we're discussing the secret formula on the third Wednesday in January and it's not raining outside after we've gargled with vanilla pudding, what do we do?

SOUNDS LIKE A TONGUE TWISTER QUESTION!

Mr. Krabs: That's an easy one. You just... just... let's see... if it's... uh... if it's January... with... with vanilla pudding... you... uh... pass? [Mr. Krabs is shot out of the Krusty Krab with tartar sauce into a fry basket] Wait, SpongeBob! Give me another chance! [Rolls away in the basket] No!

SpongeBob: So long, Imitation Krabs! Buh-bye! [walks back inside] I knew it was you all along, Mr. Krabs, here you go. [holds up the formula bottle]

Robot Krabs: Thank you, SpongeDupe. [grabs the bottle and laughs mechanically. SpongeBob sees the penny on the ground]

SpongeBob: Oop! [grabs the penny from the ground] Don't forget your lucky penny. [puts the penny inside a slot on Robot Krabs that is labeled "Self-Destruct: 1 cent"]

Robot Krabs: Yoicks.

UH OH!

SpongeBob: This must be your lucky day. [laughs]

[cut to inside the control room of Robot Krabs where an alarm is going off]

Karen: The self-destruct coin slot has been activated. Ten seconds till detonation.

Plankton: Coin-operated self-destruct... Not one of my better ideas.

HE'S GONNA BLOW!

Plankton: Heeeelp! [screams as he takes the secret formula and wheels back to the Chum Bucket, but explodes when he gets inside and it's too late.]

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Plankton: [The giant hand thuds on top of him] Ouch! [the formula bottle rolls back to SpongeBob]

Lily: Ooh man that is gonna hurt!

Kid: Wow.

Lily: Yeah this is what happened when Plankton failed.

SpongeBob: [picks up the formula, realizing his mistake] If that was Plankton... Uh-oh!

Mr. Krabs: [off-screen] Help! Get away! No!

SpongeBob: [gasps] Mr. Krabs!

[Mr. Krabs, still in the fry basket, is holding a fry against Hans. Hans holds a fork and tries to prod it at Mr. Krabs. Mr. Krabs tries to fight off Hans by swiping the fry to deflect the fork. SpongeBob runs to Mr. Krabs.]

Hans: Ooh... yum, yum! [attempts to prod his fork at Mr. Krabs continuously]

Mr. Krabs: [swiping the fry as he speaks] Back, you hungry hand, back! Help!

[SpongeBob wheels Mr. Krabs back to the Krusty Krab safely. Hans tries to follow Mr. Krabs, but fails.]

SpongeBob: Gee, Mr. Krabs. I'm sorry. I thought you were a phony.

Mr. Krabs: Phew, that's okay, me lad. Long as the secret formula's safe again. [takes the bottle] However, that penny's comin' out of your paycheck. [both laughing]

[The scene cuts to the sky view exterior of the Krusty Krab.]

SpongeBob: Really?

THE PLAY WAS DONE!

EVERYONE CHEERED WILDLY!

Swoop: Me Swoop love play!

Nico: GREAT JOB EVERYONE!

Qin: YEAH!

Plankton came.

Plankton: Boy just like old times huh Krabs?

Mr. Krabs: (LAUGHS) You said it Plankton.

Lily: So many fun memories.

Varie: (LAUGHS) Yeah that was fun.

Kid 2: Guys look at this outside!

We went outside and to our shock we saw Harry Potter's aunt MARGE DURSLEY! She was a balloon!

Nico: What the!?

Harry Potter: (British Accent) Aunt Marge!?

Me: I remember her. I got this.

I pulled out my bow and I had an explosive arrow ready.

I had the arrow ready and it was pulled back.

Me: Watch this guys.

I used my thoughts and showed Vernon in Azkaban and he saw Marge in the sky and was screaming for her. Then he saw me with an arrow ready to fire.

Me: Okay Vernon lets see you like this.

I fired!

ZING!

The arrow went at her and it hit her and then...

KRABOOOOOOOOOOOOOOOOOMMMM!

SHE EXPLODED! MASSIVE AMOUNTS OF BLOOD AND INARDS SPLATTERED ALL OVER THE PLACE AND SHE WAS DEAD! THERE WAS NOTHING LEFT!

Nico: WHOA Nice shot!

Lola: YUCK!

Camie: Nice one!

VERNON SCREAMED IN RAGE AND GRIEF AND WAS REALLY MAD THAT SHE WAS KILLED BY ME!

Harry Potter: I remember inflating her like that.

Blaise Zabini: Oh yeah. You inflated her in the year Sirius escaped

Harry Potter: That's right.

Me: That was funny!

Harry: Now Vernon knows how it feels!

Me: Yep. He better not escape if he knows what's good for him or else.

Nico: The Black Abyss.

Camie: Yep.

Squidward: That was actually pretty accurate.

Skallox: It sure was.

Squidward: But I honestly think Manaphy should've played Mr. Krabs while Horsea played Plankton

Horsea: We don't have the proper size requirements for those.

Plankton: It still was amazing though.

Me: Yep.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags,

even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Van Bloot, and he's come back once again and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Van Bloot, and he's come back once again and he still wants revenge on us.

WE GASPED!

Qin: Van Bloot's back?! WHAT THE FUCK?!

May: You've got to be fucking kidding!

Kaz: I can't believe he's come back.

Adrianna Azathoth: I thought we threw him in The Pits after we took him down last year.

Lincoln: We did, but it appears he broke out of The Pits again when he used his powers. Well, I'm gonna strip him of his powers, after we take him down once again.

?: (Sobbing) He doesn't deserve any forgiveness at all for his crimes.

Suddenly, we saw a girl with black hair, green, brown, and black clothes, blue eyes, black angel wings, she has the Ryuki symbol on her forehead, sleeveless top, and skirt, she has on a necklace with the Ryuki symbol for the pendant, and she has a Dragsaber in hand, and she had tears in her eyes as she was crying.

Lincoln: (GASPS) Laura Shinji Ryuki, Embodiment, Avatar, and Queen Goddess of The Ryuki and Dragon Riders of Japan and America.

Lincoln ran up to Laura Shinji Ryuki and he hugged her.

Nico: Whoa!

Me: Lincoln, you know her?

Lincoln: Indeed I do, J.D.

Selene Arcangela: And so do we, but she has a really dark story, this is Laura Shinji Ryuki, Embodiment, Avatar, and Queen Goddess of The Ryuki and Dragon Riders of Japan and America, she's Lincoln's Guardian Angel from Japan, and she's a deadly powerful master of good and a very powerful master of all the powers of all the riders for them. She's also the younger sister of Shinji Kido, and she has a really dark story that dates back to when Ryuki ended. She was there when Kamen Rider Odin of the Ryuki Riders killed her own brother right in front of her eyes and she was absolutely devastated. Because of this, she fell into a deep depression and she blamed herself for not being strong enough to protect her brother from him. She could never forgive herself for everything that happened to her because of Odin. She was always crying and hates Odin because she wants nothing but to kill Odin for his crimes and how he ruined her life. She vowed TERRIBLE VENGEANCE on Kamen Rider Odin and on Xaviax for their crimes. Xaviax is the American Version of Odin and she hates Xaviax with a vengeance as well as Odin. She was chosen as the Avenging Angel of Ryuki and vowed to kill both Odin and Xaviax. She is now stronger than all the Riders of Ryuki & Dragon Knight and their monsters all combined together times 700,000,000,000,000,000,000,000. She moved to Michigan, and she trained Lincoln in the powers of all the powers of all the Riders of Japan and America. Plus, she also helped him with getting stronger and faster, and because of that, Lincoln became as strong as all the Riders of Ryuki & Dragon Knight and their monsters all combined together times 700,000,000,000,000,000,000,000. Lincoln also found out her dark story and he stayed with her and comforted her as he found out how much her brother's murder at Kamen Rider Odin's hands hurt her to her very soul and heart. Lincoln made her a Kamen Rider Ryuki and Dragon Rider-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and she specifically hates Lola with a vengeance the most.

Nico: (GASPS) Oh God!

That really hit us hard in the heart.

Me: Oh man. Laura, we're so sorry, but if it makes you feel better, I brought Shinji back, and I'm having him and the Ryuki Riders join us, so we can destroy Odin, along with Xaviax, and make them both pay.

Lincoln made a vision orb, and Laura saw that I did indeed bring Shinji back, and she cried, but instead of tears of despair, they were tears of happiness.

Laura Shinji Ryuki: Thank you, J.D.

Lincoln: Your brother's going to be glad to see you again, Laura.

Me: Yeah.

The previous group came.

Professor XXXL: Can me, Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, I, Professor XXXL, and Artie Ziff go with you guys?

Nico: Yes you sure can.

Qin: Awesome.

Me: Oh Nico I got this letter from Shinji. He and the Ryuki riders are gonna join us on the mission.

Nico: Cool!

Qin: Awesome!

Nico: You're going to see your brother again Laura.

Me: Yep.

Grenade Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: MarineDevimon next now.

Camie: Nice!

Qin: Cool!

Me: Yeah!

Suddenly, Lincoln pinned Laura Shinji Ryuki to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Laura Shinji Ryuki: That was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln: Sorry about that. Anyways, I also found out that Van Bloot is in Perim.

Me: Where it all began long ago.

Nico: And where he will be brought down once again. Alright, team, let's move out, Van Bloot's time is up, he will pay for all of his crimes.

Lincoln: And he's heading back to The Pits in The Underworld once again.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Light Yagami, who was brought back from the dead by Morgana Midnight Sparkle, and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln: What the?! Morgana, you little...!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figure we saw our old enemy, Light Yagami, who was brought back from the dead by Morgana Midnight Sparkle, and he still wants revenge on us.

Selene Emperyous: I can't believe it, that delusional god wannabee!

Aurora Cromwell: I remembered you telling me about him, Lincoln, and that he came to the city two years ago to get The Death Note Back, and even worse, it was due to the conniving schemes of The Chernabog Sisters. Damn, I thought we were rid of him, but it looks like he decided to come back for more. Oh well, I think it's time we put him down once and for all.

Lincoln: That's for sure, Aurora.

Nico: That bastard's going to be put down once and for all, after everything he's done, he deserves to die and never come back. Alright, team, let's go, this is the last time we ever have to deal with Van Bloot.

Lincoln: He has lived for far too long, and now, an eternity in The Pits awaits him, and once we get done with Van Bloot, your angels of death await you, Yagami!

Aurora Cromwell: I'm not letting a delusional god wannabe like you get away with this! Yagami, the only thing awaiting you is death!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Perim to take down Van Bloot and send him to The Pits, the prison in The Underworld, and once we get done with him, Aurora Cromwell and Lincoln are going to destroy our old enemy, Light Yagami, who was brought back from the dead by Morgana Midnight Sparkle, and this time, they're going to make sure he never comes back.

We were off to Perim.

We were flying through the Underworld.

Stinky Butt: We should call Molten Man when we get to Underworld City

Me: Good idea.

Xenia: Yeah.

We arrived at Underworld City and we called Molten Man.

Molten Man: Here I am.

Me: Awesome.

We went into Chaor's palace.

Totally Spies Alice: Hey, Chaor!

Chaor: Good to see you all here! Van Bloot is back from what I heard.

Me: Yes that's right.

Chaor: I knew he was gonna be back when the Anti Monitor made his first move.

Cavalier: I remember you were there with us.

Me: Yeah.

Nico: That's right.

Chaor: Yeah. Oh I believe you have some friends.

Out came Shinji Kido and the Ryuki Riders!

Laura Shinji Ryuki: (GASP)

Shinji: Hey guys.

Me: Shinji awesome to see you and an honor to meet the Ryuki Riders.

Laura Shinji: BROTHER!

She ran and hugged him and cried hard.

Shinji Kido: Laura! I'm so glad to see you.

Masashi Sudo: We're glad to finally join you guys.

Me: Same here Masashi.

Headstrong: You never died. You just chose to give up your memories as a Rider.

Masashi: I know.

Me: But we're also glad you're all with us now.

Ren Akiyama: Yeah it sure is.

Kit Taylor: And it's awesome to meet our Japanese Counterparts.

Masashi: Same here. That's amazing that there are both Japanese and American versions of the Ryuki Riders.

Nico: Yeah it sure is cool.

Camie: Yeah.

Mammoth: We should gather an army of eagles to attack Van Bloot

Me: Good idea.

Nico: Yeah.

Me: Now we officially have all the Kamen Riders from the 21st Century. All except Gotchard because that's still in progress.

Shinji Kido: I know. Also Thank you for finding my sister.

Me: Well more like she found us. She was absolutely heartbroken about what happened to you back then in 2002.

Knight Man: And we smited Xaviax already.

Me: Yep. I had 15 years of pain to dish out on Xaviax. I helped your American Versions kill him before 16 years ago and last year we killed him again.

Nico: But with the Black Gates compromised I'm sure he will return.

Me: And when he does We'll be ready for him and Kamen Rider Odin.

Lola: Yeah!

Condiment King: Want some ketchup and fries?

Shinji Kido: I am a little hungry.

Me: No use fighting on an empty stomach.

Nico: Good idea.

I grew a burger tree and we got to eating.

I was having an Ultimeatum.

Me: (Eating) Mmm! Delicious.

Poromon ate a burger.

Poromon: Yummy!

Nico: Awesome.

Chaor: Oh guys Van Bloot it not alone. He has a massive army of vampires and even Deacon Frost's men as his minions.

WE GASPED!

Me: OH MAN!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out.

Lucy Loud: Gasp!

Xenia: So now we have a massive army of vampires to face.

Nico put his skeleton back in.

Nico: I hate it when that happens. But that is crazy!

Me: Yeah no kidding! But to be honest I've wanted another crack at Frost and his men. I'm going to fuck those guys all up! Frost will no doubt appear on Lucy's big day

I unsealed my Vampire Hunting gear.

Me: Perfect. More than enough.

Moonlight Glimmer: What is all that?

Me: Silver stakes, garlic bombs, Ultraviolet Light Flashbang bombs, EDTA Auto injectors, the works.

Lucy Loud: Deacon Frost will be faced when it's my turn

Me: Yes we know.

Qin: Frost will pay.

Varie: Yeah.

Camie: Yeah.

Poliwag ate some fries.

Poliwag: Delicious.

Me: Let me send a message to our old friend Frost.

Nico: Go for it.

Me: He wants a fight, He's gonna fucking get one.

I pulled out my computer and dialed Frost.

Frost then answered.

Me: Afternoon Frost. Been a long time.

Deacon Frost: Been a while J.D. How have you been?

Me: More powerful than ever before so I can let loose all my power on your motherfucking ass. I'm amazed that Anti-Monitor brought you back after so long. To be honest I had a feeling he would.

Deacon Frost: So I take it you heard about all your enemies coming back.

Me: Word has been going around. But I didn't call you to catch up on old times, I called you to give you a message.

Deacon Frost: Oh yeah what is it?

Me: You remember Lucy here?

She HISSED AT THE SCREEN!

Lucy Loud: That is my hiss to show that I mean business.

Me: And to show that we are coming for you. In the future you better be ready to face us with everything you got. And remember this. You don't have any idea who you are fucking around with!

The call clicked off.

Nico: Might want to delete that number now

I did so.

Me: Done.

Nico: Good.

Me: Yep.

Lincoln then had a Premonition!

Lincoln: Whoa I just saw who we're going to face for the Akuma. It's Kaz's Akuma Lord Volcandrake! The Hypothetical Akuma of Kaz and a deadly dragon and master of pure fire. He was made because of Van Bloot wreaking havoc and vowed to destroy that traitor with the intense fury of the power of 100,000,000 volcanoes

WE GASPED!

He showed the sketch of him and it was a dragon made of pure lava!

Me: WHOA! That one is hot.

Aokua: That is so not fair!

Undermine: I know. He's bigger then you!

Me: Yeah! And hotter.

Aokua: Okay that is rough!

Chaor: Aokua enough.

Kerric: He can fly as well. I'll search for him in the air.

Artie Ziff: Good call

Me: Good idea.

Nico: Go for it.

He did so.

Divebomb: I'll look for him in the air as well

Me: Okay.

He did so.

Camie: Wow.

2016 Morbucks: We should look for him as well

Nico: I was gonna say. Lets go.

We went to find Lord Volcandrake.

We walked around.

Buzzsaw: Where is he?

We heard a dragon roar and then we saw LORD VOLCANDRAKE!

Me: WHOA! There he is!

Qin: WOW! He is an amazing dragon!

He came over to us.

Me: WOW! Kaz is that you? You look amazing as a dragon.

Lord Volcandrake: I'm glad you think so. Being a dragon is awesome!

Spike the Dragon: Welcome to the dragon club.

Peyton: Dude, you're probably as big as a Warbeast now!

Lord Volcandrake: I sure am.

Me: Wow! You probably want to kill Van Bloot right?

Lord Volcandrake: I sure do.

Kaz: We got a date with Van Bloot too. Only we're throwing him back in the Pits

Me: Yeah.

Lord Volcandrake: The Pits are just as good.

Camie: Yeah.

Molten Man: Sorry but you need to calm down.

Lord Volcandrake: Not until Van Bloot is gone.

He fired a blast of fire from his mouth and we absorbed it

Molten Man charged at him and fired waves of fire and lava and blasted him.

I fired waves of water and it hit him and a huge cloud of steam came off him

Lord Volcandrake: My turn!

He fired a massive blast of fire from his mouth and we absorbed it.

Me: Whoa! Strong!

We fired waves of water and drenched him and knocked him out.

Barbossa: That Akuma has walked the plank!

Me: Aye! That he has!

Nico: Now to go after Van Bloot. And he must be in his castle.

Raven Branwen: In Gothos Tower

Me: Yeah.

Nico: Lets go then.

We were off.

We arrived.

Eris: This must be the place.

Kaz: This is it.

Qin: Yep.

Kaz: Entrance time?

Shocker: First, you and your friends should scan him.

Kaz: Good idea.

They went and did so and scanned him.

Nico: NOW Entrance time people.

We went at the tower.

Van Bloot was pissed!

Van Bloot: THOSE MEDDLING FOOLS!

Then the spirits of the monsters of Chaotic appeared and they swirled around him and converged and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMMM!

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out!

Me: Van Bloot! Been a while!

Van Bloot: You won't kill me. Otherwise, you won't be able to scan me anymore!

Kaz: Actually, we DID scan you. Before the entrance.

Anti Wanda: You aren't worth killing anyway.

Chaor: If I could I would kill you for everything you did!

Me: Especially for having Klay and Krystella with you!

Xenia: Yeah!

Stinky Butt charged at Van Bloot and blasted him with farts.

Omaima Lexxington: Sniff on this! (LOUD FART!)

It also made Chaor stronger as a result.

Me: Take that!

Me and Nico: You've got some goddamn nerve coming back from The Pits, Van Bloot! This time, we're making sure you never ever return again, you dishonorable bastard!

Van Bloot: YOU! (ENRAGED SCREAM) MINIONS, DESTROY THEM!

OUT CAME A BUNCH OF VAMPIRES!

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I activated an Ultraviolet Flashback and it released a massive flash of blue light and obliterated all the vampires in one fell swoop!

Van Bloot summoned armies of demons to attack us, and Nico, Qin, and their friends saw why those demons were so familiar: they were the demon armies of Sebastian from nine years ago.

Nico: I'm surprised, you wound up getting the demon armies of Sebastian to follow you, huh? Well, they were just as despicable as Sebastian from nine years ago.

Lori: Hey, there's the Monitor Orb, it's embedded in that harpy's head!

Crash Bandicoot fired a ricocheting rainbow, white, and blue energy as it hit The Monitor Orb embedded in Van Bloot's head and it shattered, and not only did we get a massive power boost, but Van Bloot was screaming in agony and holding his bleeding head.

Stardust was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Stardust then concentrated and reigned in Regice's power.

Stardust Lulamoon: I control the power. It doesn't control me!

She turned into Regice and blasted him with ice.

She reverted and fired magic blasts too!

Then Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE and Electro came.

Nico: Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE and Electro.

Deker: So, you guys fought Van Bloot during the early MOE Days, right?

Nico: We sure did.

Me: That was back in 2020 I think.

Nico: Yeah.

Abis Mal: I remember Snake telling me that him and the rest of the Springfield Citizens participated too.

Nico: That's right.

Nergal: It must've been memorable for you guys.

Nico: It was.

Motor Ed: (to Nico) Heard you fought Carly's Akuma. Seriously.

Nico: We sure did and let me tell ya she looked awesome as a Giant Hummingbird. Which was fitting for her too.

Electro (to Lincoln): You should take care of that Electrode

Lncoln: I will.

?: Awesome.

A figure came out and it was BUNDORUTE PEGGY from episodes 5 and 6 of LupinRangers VS PatRangers!

Bundorute Peggy was first seen as a human ready to commit a crime. Then, Destra appeared and met him, which forced the Lupinrangers to keep watching rather than confronting them before he left to somewhere. Bundorute later appeared in front of a car, revealing his monster form and attacked Hilltop along with his bodyguards. While in persuit, the Lupinrangers noticed the contents in the case and decided to snatch the new VS Vehicles along with their current target and confront him. However, the Patrangers arrived quicker than they thought and Kairi passed a card to Bundorute for later meeting, which the target agreed to before he fled from the Police. As agreed in the appointment, the Lupinranger went to confront Bundorute, only to learn that the Patranger had arrived earlier and managed to grab the Cyclone Dial Fighter. Lupin Red and Patren 1gou confront each other while the others take on Bundorute. However, during the battle, Destra joins the fray, giving difficulty for the phantom thieves and police which gives Bundorute a chance to escape before he could be destroyed.

He was eventually defeated by Keiichiro's Biker Surpression Shot but was enlarged by Goche With Keiichiro out cold, the Patrangers were forced to retreat so the Lupinrangers summoned their Dial Fighters and formed LupinKaiser with GoodStriker. They were initially evenly matched but Peggy gained the upper hand with his energy slices so the Lupinrangers summoned the Cyclone Dai Fighter and formed Kaitou Gattai LupinKaiser Cyclone. They easily overpowered the monster with this new combination before picking him up with the Stirring Tornado attack and obliterating him with the GoodStriker Rapid Fire: Send You Flying Shot.

Kairi Yano: Bundorute Peggy!

Bundorute Peggy: Been a long time rangers.

Me: I remember you! you were sent to commit a crime and you gave the LupinRangers a nasty fight. Took two different times to face you.

Bundorute Peggy: That's right. Good memory.

Me: Thanks.

Bundorute Peggy: (To Keiichiro) I remember that your teammates had to knock some sense into you.

Keiichiro: (chuckles) Tsukasa can slap really hard.

Tsukasa: He's right.

Me: Like how Keiko does when she hits Yusuke. She leaves a nasty hand print on their face.

Keiko: He's right on that.

Yusuke: Yeah like this.

He touched her butt and then...

KRASLAP!

SHE SLAPPED HIM REALLY HARD WITH INTENSE FORCE AND IT HURT LIKE HELL!

Me: (WINCES) OOH! OUCH!

Tsubasa: Nasty!

Me: See what I mean?

Bundorute Peggy: OUCH! That must've hurt!

Qin: Yeah!

Me: Something still bothers me. I wonder if WE can use the Lupin Collection Items because of our immense power.

Nico: That is a good experiment to try out. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We were really amazed by Aurora Cromwell's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Light Yagami saw it, he raised his gun at her to kill her, but Aurora Cromwell fired a massive barrage of orange, rainbow, white, and blue energy, stars, aura energy, white and blue heavenly flames, heavenly lights, light, rainbow planets, phoenixes, and angels which hit light Yagami and sent him flying into a wall, he got back up, but he went absolutely insane.

No. You... are just a murderer, and the notebook J.D. found is the worst murder weapon in the history of mankind. If you'd been a normal person and used this notebook once out of curiosity, you would've been surprised and scared of what happened, and regretted what you had done and never used this notebook again. To speak of extremes, I can actually understand those who would use this notebook for their personal interests and kill a couple of people, and even think that they're normal. But you have yielded to the power of The Death Note and the Shinigami and have confused yourself with a god. You're just a crazy mass murderer, nothing more..., and nothing less! Light Yagami, may you suffer for eternity with not a kindred soul to give you solace!

Lincoln, Aurora Cromwell, Nico, and I went after Light Yagami, and we fired extremely powerful blasts of rainbow, white, and blue energy, orange, rainbow, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and

Mythological Animals at Light Yagami and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Aurora Cromwell did the same by firing orange, rainbow, white, and blue energy slashes from her gold plated claws and her massive greatsword, and Lincoln, Aurora Cromwell, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was really really making Light Yagami even more angrier and even more insane than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Light Yagami, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Light Yagami.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) For far too long, you have gotten away with murdering tens of thousands of innocent people when you had The Death Note in your bloodstained hands.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Light Yagami's stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

You belittle life and have nothing but cruelty in your black hearts, and you've caused all sorts of pain and suffering to too many innocent people. And now, this is where you meet your end.

Lincoln raised his massive greatsword above Light Yagami's head, and then...!

SLASH! SQUELCH!

LINCOLN BEHEADED LIGHT YAGAMI AND HE SLICED HIS BODY TO RIBBONS AND HIS HEAD AND HEADLESS BODY BURST INTO WHITE AND BLUE FLAMES AS THE HEAVENLY FLAMES CONSUMED HIS HEAD AND HEADLESS BODY AND HE WAS BANISHED TO THE BLACK ABYSS FOREVER!

We cheered wildly as we holstered our weapons and powered down and Aurora Cromwell's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large orange and rainbow planets orbiting around her legs and twenty smaller orange and rainbow planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized orange and rainbow planets orbiting around her wrists and ankles, eleven massive and long orange wolf tails, and massive rainbow angel wings and four sets of large rainbow angel wings underneath her massive rainbow angel wings are permanent.

Aurora Cromwell: It's all over, Light Yagami, now burn in The Black Abyss forever. Thanks for helping me take down Light Yagami, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Aurora.

Me and Nico: Our pleasure, Aurora.

Suddenly, Aurora Cromwell wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to

Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Cromwell's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Elemental HERO Honest Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field and water and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Aurora Cromwell sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Cronus Chase: It's been a long while since Lincoln and one of his future wives have taken down an uninvited villain.

Me: I know, but it's good to get back to that routine again. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

SATANIC MUSIC PLAYS!

Suddenly, we heard Satanic music playing in the air, and we saw an inverted pentagram appear on the ground along with the Sigil of Mammon.

Selene Arcangela: (GASPS) Lincoln, the sign...!

Lincoln: I know. The Sigil of Mammon appearing means we are running into the next of The Seven Queens of The Netherworld: Elisha Mammon, Avatar of Mammon, Demon Lord of Greed and Gene-Slammer of Barbamon.

Nico: Oh man. So, what can you tell us about her?

Selene Arcangela: Oh right, Elisha Mammon, Avatar of Mammon, Demon Lord of Greed and Gene-Slammer of Barbamon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Mammon, Demon Lord of Greed. and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Mammon himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of a group called The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Mammon himself, and Elisha Mammon is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Elisha Mammon a very powerful greatsword of hellfire, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Me: So, we're not the only ones who want to make Lucifer pay for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Lincoln: Yep. And tomorrow's Lynn's big day.

Lynn: Yeah! That's right, this is gonna be so awesome!

We returned home. Then, as the sun set, Nikiya went to Lincoln's room where she was greeted by Lincoln and they sat on his bed, and they were also joined by his harem.

Nikiya: I didn't get a chance to thank you properly for saving me from the Universe 666 version of my brother, Lincoln, and you didn't need to give a reason though for it. You just reacted immediately, but I did see the embarrassed blush on your face when you found out you were still hugging me.

Lincoln: Do you remember the day after we helped you and your dad settle in after we got rid of your brother?

That caught Nikiya's attention.

Nikiya: Yes, I remember. That night, I had nightmares of what I went through when I was sealed in Broly's mind 30 years ago. But, then, all of a sudden, I woke, and... it was you, you came to me that night, and after I told you about my nightmares, you stayed with me the entire night. But, then, I suddenly felt myself developing feelings for you, Lincoln. Wait, does that also mean...?

Lincoln: Yes, I also developed feelings for you too, but I had to wait patiently though, you went through a lot of nightmares due to being sealed in your brother's mind three decades ago, and you needed time to recover greatly and settle in to being on the outside again.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Nikiya, and then, he brought her in to a warm embrace which took her by surprise and brought an atomic red blush to her face, and she also did the same as she placed her hands on Lincoln's massive hairy pecs and her chest also pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face. Then, as Lincoln leaned down to Nikiya's face, they kissed deeply and passionately as her hands onto Lincoln's massive hairy pecs.

When Lincoln separated, Nikiya had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Nikiya: (In Heaven) Damn, you really are a good kisser.

Suddenly, Lincoln pinned Nikiya to the bed, and he continued kissing her on the lips and he marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Nikiya: Whoa, you really do have such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown from an 11-year-old little boy into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we know. (Rubs Lincoln's massive hairy pecs) But, also having an animalistic romantic side to you, that also really came as a huge surprise, and I know what this means.

Lincoln: (Seductive Voice) Yep, hope you and the rest of the ladies are ready for one...wild...night.

Lincoln used one of his eleven massive and long white wolf tails to close the door and the barrier came on.

Private HIVE: And with that, Van Bloot has been dishonorable discharged.

Gizmo: The barfbrain was probably fired a long time ago.

Radioactive Man: You got that right.

Me: That is for sure!

Po Kong: Let's celebrate near here. I'm hungry!

Mojo: Can I have bananas too?

Me: I can make lots of food for us.

Nico: Good idea! Great job today everyone.

Xenia: Yeah!

Kaz: (To the viewers) Well here is number 2 of Perim done.

Me: Yep. 2 more to go.

We had a good meal and later returned home and then went to sleep

Meanwhile over in Japan, Gai Kurenai and the Ultraman Orb team were really excited for us to come.

Gai Kurenai: I'm ready to help Team Loud Phoenix Storm out.

Biranki: Me too. It'll be fun.

Gai Kurenai; Lets do it!

He turned into Ultraman Orb and they went at the screen and it froze.

Alright, and for tomorrow, the match-up is for Lynn Loud Jr., Minuette, and Cammy Bolton, and they're going to destroy the next of Anti-Monitor's lackeys

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the alternate villages where the Akumas of The Jinchuriki came from, capture the corrupted councils and villagers who put them through Hell, and have them tried and strip them of their Chakra and Jutsu and put them in jail, and for added measure: The Goddesses of The Villages are gonna destroy their villages. LOOK OUT, TRAITORS OF THE VILLAGES! THE 6 HORSEMEN OF THE APOCALYPSE ARE COMING FOR YOU, YOUR DIVINE PUNISHMENT IS AT HAND, AND THE TIME FOR DIVINE JUDGEMENT IS AT HAND! NONE OF YOU SHALL SURVIVE OUR WRATH, THE FLAMES OF HELL WILL BURN AND DEVOUR YOUR VILLAGES WHOLE AND ALL SHALL BE REDUCED TO ASHES, AND YOU SHALL BE ERASED FROM HISTORY FOREVER AS ALL OF YOUR ACHIEVEMENTS WILL BE ERASED AND THE ONLY THING YOU SHALL BE REMEMBERED AS ARE NOTHING BUT TRAITORS DESTINED TO BE FORGOTTEN FOREVER! YOUR DAYS OF LIVING ARE NUMBERED!

And we're going to meet Elisha Mammon, Avatar of Mammon, Demon Lord of Greed and Gene-Slammer of Barbamon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Mammon, Demon Lord of Greed. and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Mammon himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of a group called The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld.

Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Mammon himself, and Elisha Mammon is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Elisha Mammon a very powerful greatsword of hellfire, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Get ready for a massive and explosive battle as we head into battle against Phantom Demon Jugglus Juggler and Dark Lynn in Lynn's Big day.

See you all next time.

ULTRAMAN ORB JUSTICE

BUCKLE YOUR SEATBELTS EVERYONE! THIS IS GONNA BE BRUTAL!

This chapter is for Ultraman Orb

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Lynn's big day mission, apparently, his dream took him back to the western part of Gotham Royal York, Michigan, where we defeated Dark Lynn, and as he was flying, he saw something and it's not good: it appears Dark Lynn has escaped from Hell after Lincoln sent her there after he sucked out her immense strength and energy, and she was really, AND I MEAN REALLY PISSED OFF AT LINCOLN, AND SHE'S STILL OUT FOR REVENGE AGAINST LINCOLN AND WON'T STOP UNTIL HE AND HIS HAREM ARE DISMEMBERED ALIVE! Lincoln woke up, but so did his harem too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow, Lily. Dark Lynn's escaped from Hell even after I sent her there after I sucked out her immense strength and energy and tore her apart.

Lincoln's harem gasped.

Selene Arcangela: I shouldn't be so surprised though, Dark Lynn was too stubborn and hard-headed to ever accept defeat. But, thanks to what you did yesterday to her, now she's really, and I mean really pissed off at you, Lincoln, and she's still out for revenge against you, and she won't stop until she dismembers you and your entire harem alive.

Lincoln: No doubt about it.

Paige: But, we got to also tell everyone tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear the truth, and knowing Crash, he's gonna spill the beans, but it's best that I be the one to tell them tomorrow.

Girl Jordan: Good idea.

Lincoln went back to sleep with his harem. Then, morning came, and Lincoln and his harem got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, I had a dream, but this one is a premonition to what's gonna happen on Lynn's big day mission today, my dream took me back to the western part of Gotham Royal York, Michigan, where we defeated Dark Lynn yesterday, and as I was flying, I saw something and it's not good: it appears that Dark Lynn has escaped from Hell after I sent her there after I sucked out her immense strength and energy, and she's really, and I mean really pissed off at me, and she's still out for revenge against me, and she won't stop until she dismembers me and my harem alive.

WE GASPED IN SHOCK AND OUR JAWS HIT THE FLOOR!

CLANG!

ELI CLOSED OUR JAWS!

Me: Are you kidding me?! I thought we were finally rid of that stupid filthy walking gym bag!

Nico: Unbelievable!

Lincoln: But, in my dream, I also saw that she had a Monitor Orb, but it's embedded on her butt, that's why I didn't see it on her head.

Luna: Figures, she always had her head far up her butt, and the only thing she ever listens to is her own farts.

Eli: Gross.

Nico: Jeez, Lynn's Dark Side is such an unsophisticated rude disgusting pig.

Me: And I shouldn't be so surprised though, Dark Lynn was too stubborn and hard-headed to ever accept defeat.

Lori, Leni, Luna, Luan, Lynn, Lee, Lyra, Liberty, Laney, Lucy, Lana, Lola, Lisa, Lily, Rita, Lynn Sr., and Lincoln: She never learns and she always get really carried away.

Lance Loud: The second that we see that stupid animal on Junior's big day, she's getting a full all-out Loud Family beatdown!

Lynn Sr.: That's for sure! I've had it up to hear with that superstition-crazed super mega aggressive monstrous belching farting gorilla! And I hope you tell her off for this, son.

Lincoln: That's for sure, I'm not letting that gorilla get away with this any longer, this time, I'm gonna put her down forever!

Nico: Big time. So, on Lynn's big day mission today, after we take care of Jugglus Juggler and banish him to The Black Abyss, it'll be the turn of Dark Lynn.

Lincoln: Right, and I'm going to tell her off and use an Evil Sasuke Style Rant on her, and it's gonna be so insulting to Dark Lynn that she will explode into a massive rage and try to dismember me and my harem alive. (Scoffs) IN WHAT WORLD AM I GONNA LET YOU GET AWAY WITH THAT, YOU PIECE OF CRAP!

King Kai: (Telepathically) I also saw it for myself, I can't believe that gorilla broke out of Hell to get revenge once again on you, Lincoln. Ugh, she really is a stupid idiot. But, keep a close eye on her, remember what happened with Yost Aunt May thanks to that moron?

Lincoln: You're saying she might try to attack Jugglus Juggler in case she gets really testy? Jugglus Juggler is indeed powerful, but we've known what Lynn was like when that gorilla was inside her: she never listens to others and if she doesn't get her way, she gets angry easily and she always resorts to violence. But, I'm gonna say this: if that stupid gorilla so much as dares to attack my future wives, my kids, my friends, and my family, I'm gonna shove a chainsaw far up her smelly butt and tear her in two! (Deep Sapphire Eyes turn red with slit pupils and white flames of judgement burning in them)

Me and Nico: WHOA!

May: Oh shit!

Qin: If that moron tried that, he's gonna tear her apart like he did to Killjoy Huggins. (Shudders) And it just got even more gruesome.

Maria: Especially when it means getting a chainsaw and shoving it far up her smelly butt! YIKES!

Lynn woke up to see Hitmontop staring at her

WHISTLE BLOWS!

Lynn screams!

Hitmontop: OKAY RISE AND SHINE LYNN! YOUR BIG DAY IS TODAY SO LETS GET OUR MORNING WORKOUTS DONE!

Lynn woke up and got dressed and did her morning exercises!

Hitmontop: HUP TWO! HUP TWO! HUP TWO! HUP TWO! HUP TWO!

She did jumping jacks, squats and more! 30 minutes later she was done!

Hitmontop: OKAY THAT'S ENOUGH! NOW TIME FOR BREAKFAST!

Lynn went to the table and was piling on the protein. Eggs, Steak, sausages, ham, pork and more!

Nico: Whoa! Hitmontop you sure are quite the coach.

Hitmontop: Yeah got to keep Lynn in tip top shape. Especially because of today.

Nico: Yep.

Jared: Aye aye sir.

Lynn: Been a while since we used our cool Submarine.

Camie: I know.

Xenia: So awesome.

Ace Ukiyo: Boy this submarine is cool!

Lola: Yeah we have all sorts of vehicles.

Nico: We sure do. Dive Man, I want to thank you, Jet Stingray, and your teams for coming.

Dive Man: No problem Nico. Especially since we're underwater which is fitting for me and everyone.

Depth Charge: I agree there and it's cool.

Nico: Depth Charge, you're probably one of the Cybertronians to have an aquatic vehicle mode

Depth Charge: I sure am.

Optimus Primal: He's the only Maximal that has that.

Nico: Wow! That is awesome.

Me: Yep. Also he was hellbent on killing Rampage.

Camie: Why?

Me: He destroyed Colony Omicron and Depth Charge was the only survivor.

Rhinox: That's right.

Optimus Primal: After that Depth Charge hunted Protoform X. After 4 Stellar Cycles he brought him back to Cybertron. He asked the Maximal High Council to try and find a way to destroy his spark.

Rhinox: They turned him over to us instead and Depth Charge wasn't happy with the decision.

Sasuke Uchiha: That is rough. I'm sorry Depth Charge.

Depth Charge: It's okay Sasuke. But thank you.

Nico: Not to be confused with Rampage from G1.

Me: No Rampage or Protoform X is a Predacon.

Nico: Yeah.

Depth Charge: I know.

Nico: Yeah.

Me: Wow! Yesterday was great.

Lola: It sure was.

Kaz: I'll say! We took down Van Bloot.

Nico: But not before we let you guys scan him

Kaz: That's true. But it was still awesome.

Lola: Yeah!

Sarah Gunnerson: I agree there.

Me: Yep.

Poromon: How did you guys like the play we put on?

Nico: It was actually pretty good!

Mr. Krabs: (LAUGHS) Yeah it sure was lads.

Plankton: It was just like old times Krabs.

Nico: It sure was.

Me: I can tell you all put a lot of planning into that play and it was really awesome.

Lily: Yeah we sure did.

Mevya: Horsea should play Plankton next time

Horsea: Good idea!

Lily: Well I do have a bunch of plays planned for the future.

Camie: Cool!

Lola: Yeah!

SpongeBob: (LAUGHS) Yeah! And me and Squidward can portray as ourselves in the next one.

Squidward: Good idea!

Me: Don't worry guys. Everyone in Bikini Bottom will get a shot in the plays.

Varie: I think it's a great idea to have everyone in Bikini Bottom do plays there.

Camie: It sure is.

Poliwag: Are we looking for a treasure here?

Nicole: We sure are. And you guys are going to love our quarry. We're going to find one of the 12 Staves of The Zodiac.

Nico: Cool!

Nicole: Yep. Legends say that there are 12 Staves that represent the powers of the Constellations of the Zodiac. They govern the planets and powers of the elements of those powers of the Zodiac.

Nico: Wow! Which one is first?

Nicole: Well since we're in the ocea, We're going to find the Staff of Aquarius the Water Bearer.

Lucy Heartfilia: Wow! That sounds amazing!

Eclair: Boy I'll say! This is gonna be awesome.

Me: It sure is!

Aquarius: The Staves of the Zodiac are legendary amongst the spirits of the Celestial Zodiac. Their power is just as strong as the Infinity Stones.

WE GASPED!

Nico: Say what now?!

Aquarius: You heard me right. Their power is that strong.

Nico: WOW! That is amazing!

Qin: No kidding.

Nicole: Yeah.

Nico: How will we find where it is?

Nicole: According to this map, we are looking for a lonely underwater mountain.

Lily: Like that one up ahead?

We saw a HUGE Underwater mountain!

Nicole: That's it!

Me: Wow!

The mountain was big enough to form a new island.

Me: Wow it's big enough to form into a new island.

Nico: No kidding.

Cillia Cyberdark: Boy that is amazing!

Lincoln: It sure is Cillia. Cillia I'm so glad you're back now.

Cillia Cyberdark: I am too Linky.

Me: Look like I proved my theory right. We CAN use the Lupin Items with our power. That is amazing.

Lola: Yeah!

Nico: That is amazing that you did that J.D.

Me: Yeah.

Fiona: Hank and Hawk are gonna die at the hands of either me, Becky, or Dana.

Dana: YEAH! I hate those clods! I hope it's my day.

Axel Adell: (Swedish Accent) Ja Dana. I know you can kill them.

Dana: Thanks Axel. That means a lot to me.

Camie: Aww.

Hunter: (German Accent) Und you can do it too.

Dana: Thanks guys.

Nicole: You're welcome.

Touma: I was hoping for you to use the Life in the Fast Lane piece.

Me: I remember that one. That one gives you super speed. But I wanted to try the Yesterday Once Again item first.

Touma: Different Strokes for different folks then.

Me: Yeah.

Nicole: Okay we're looking for a huge cave entrance in the front. It has to be a big crevice.

Nico: I think we see it!

We saw a huge crevice.

Me: Helmsman dive 20 Degrees down angle.

Jared: Aye aye sir. 20 Degrees down angle.

We went down into the crevice and I put up shields and the lights were on and we went down a curve and went up and surfaced into a HUGE Air pocket.

Me: WHOA!

Nicole: Wow!

Milo Thatch: Wow! Just like the Grease Trap in your sink.

Nicole: Exactly like it.

Eli: Boy that brings back memories.

Varie: Like how we found the highway that lead to Atlantis.

Camie: That is cool.

Milo Thatch: It sure was.

Nico: Keep an eye out.

Nicole: LOOK!

We saw a temple in the middle of the air pocket.

Me: Wow!

Nicole: At last! The temple of Aquarius!

Nico: WOW!

Laney: That is cool! But I can't see hardly anything in here.

Me: Nico?

Nico: Lets light up the place with a little artificial sunlight.

Me: Good idea.

I formed a mini sun and lit up the place perfectly.

Me: There we go.

Nico: Wow! That is better!

We went to the shore of the temple and went inside it and it was amazing.

Me: Wow! This is amazing!

Camie: It sure is!

Maria: Where is it?

Nicole: According to the map it's down this hall.

Nico: Watch for traps.

We nodded.

We went down the hall and it was full of beautiful crystal and cascading waterfalls.

Nicole: This is amazing.

Rarity: It sure is darlings.

Camie: Yeah.

We got to a huge door and went through it and we got to a huge room and in the middle of a room in an altar surrounded by waterfalls and crystal was THE STAFF OF AQUARIUS!

Nico: There it is!

Nicole: Wow! At long last we found it! The Staff of Aquarius!

Aquarius: Amazing! This is the first time we've seen it.

Nico: Who gets it?

Nicole: Well according to the legend, only those that were born on the months of the Zodiac can weirld them. So only one of us that was born around January 20th to February 18th can wield it.

Sapphire Ocean: My birthday is on February 11th so that means I can wield it.

Nico: Go for it Sapphire.

Sapphire gulped and went over to it.

She was nervous.

Nico: You can do it Sapphire.

Sapphire reached for the staff and Nico gave her a thumbs up. She grabbed the staff and lifted it and it glowed and was enveloped in a vortex of water!

(ESCAFLOWNE (FOX KIDS INTRO) EXTENDED SONG PLAYS)

She underwent a powerful transformation and she grew aqua angel wings and had the symbol of Aquarius appear on her arm by her cutie mark and had a massive and incredible power increase. When the vortex faded she was forever changed!

Me: WHOA!

Rarity: My goodness! Sis how do you feel darling?

Sapphire Ocean: I feel absolutely amazing Rarity! Wow!

Sweetie Belle: Way to go sis!

Juru: Nice job!

Rarity: Yes indeed!

Lola: Yeah!

Sapphire Ocean: Wow! This was amazing!

Me: It sure was. Now lets head back to the surface and have our battle with whoever it is we're facing.

Nico: Good idea.

We went back to the sub and went to the surface. Then we got to the islands of Fiji.

Me: Cool we're on the island of Fiji.

Camie: Beautiful place.

Me: Too bad we didn't bring our swim clothes for some fun.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here underwater for an underwater treasure hunt, but here's the dangerous part: J.D., are you familiar with someone by the name of Rita Beltois?

Me: (GASPS) WHAT THE FUCK?! RITA BELTOIS IS HERE?! (SAVAGE WOLF GROWL) THAT ABSOLUTELY INSANE PSYCHO!

Nico: Oh no. J.D., you know her?

Suddenly, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Selena Knudson, Maria Knudson, Caitlin Knudson, Morgana Knudson, Lunaria Knudson, Evelyn Knudson, Arlene Knudson, Valerie Knudson, Gianna Knudson, Celine Knudson, Clara Knudson, Megan Knudson, Beth Knudson, Carly Knudson, Natalie Knudson, Rachel Knudson, Carrie Knudson, Alicia Knudson, Aurora Knudson, Valencia Knudson, Natalia Knudson, Hayley Knudson, Michelle Knudson, Felicia Knudson, and Colleen Knudson appeared.

Marlene Knudson: And so do we, and we absolutely despise her. Rita Beltois is an absolutely insane psycho who always causes trouble wherever she goes, and she enjoys the sheer pleasure of seeing everyone suffer, what a psycho. But, our hatred for her went even deeper when she did the worst thing ever to our friend, Seline Beltois, Rita's elder sister. That bitch dragged Seline out into the sun, and the sun attacked her supersensitive skin because of her condition.

EVERYONE GASPED!

Me: She was born with extreme photosensitivity and couldn't go out in the sunlight without getting burned. You know like how vampires do.

Helena Knudson: Then, Seline screamed and attacked Rita, and that got the attention of the maids and us who were visiting at the time. When Rita saw it, she ran away, and thankfully, Seline wasn't hurt, but we were really furious. We called the cops and we sent Rita to an insane asylum, but not a few seconds later, we got word Rita escaped. But, her sadness turned to happiness when she found out she was pregnant, and nine months later, she gave birth to a beautiful daughter at home named Sally who was a really curious girl. One day, she went out to the backyard, and she found a basket with a baby boy inside it and a note that said, "This is John, I gave birth to him nine months ago and wanted to raise him, but I discovered it was hard, so I sent him to you, Seline. Take care of him, I guess"

Sophia Knudson: We soon found out that it was from Rita Beltois. Seline looked at the baby's face, and we saw tears rolling down her cheeks, so she took him in as well to raise him. We thought Rita was showing signs of remorse, but we were wrong. When Seline and the rest of us were about to shut the door and run to her parents, someone pushed it against Seline: it was Rita, and as soon as she saw Seline crying, she pulled her to the backyard again to try and hurt her again with an insane grin on her face. Thankfully, we caught her and called the police, and this time, Rita was sent to jail and we convinced Seline to get a restraining order. Seline's husband was glad to hear the news and they're now raising both Sally, John, and two newborns as well.

Eli: My God, Rita Beltois is absolutely insane.

Me: You have no idea. After that incident, Mr. and Mrs. Beltois cut all ties with Rita saying they don't want to associate themselves with an insane psycho who tries to hurt her own sister for a daughter and for her own amusement. I shouldn't have shown her any mercy, but ever since her parents cut ties with her long ago, it looks like there's no need to hold back.

Caitlin Knudson: Right, this time, we're going to kill her!

Lincoln made a vision orb appear in his left hand, and so far, nothing bad has turned up.

Lincoln: Hmm, it's too quiet, usually I'd expect Morgana and her minions to stir up trouble, but as soon as word of Dark Lynn's escape from Hell emerged, they decided to stay quiet.

Me: That'll end after we take of that gorilla for good.

Ed Cowart: We got here as soon as possible.

Lori: So, we got another old enemy of J.D.'s to take care of.

Me: Yep, and she's an absolutely insane psycho.

Crash Bandicoot: And since she had her family ties severed, there's no need to hold back.

Lincoln: That's right.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Rita Beltois) AHA! There you are, you insane psycho varmint! I just spotted Rita Beltois, she's 20 yards away, but she's coming right at you and your sisters, J.D.

Me: Let's tear that insane psycho apart.

Brittney heard a Pokemon cry.

Brittney: Look guys!

We saw a Chandelure!

Me: Chandelure! Perfect for you Brittney.

Brittney: Sure is.

She gave it some food.

Chandelure: Ahh thank you.

Brittney: Want to come with us?

Chandelure: I would be honored.

Nico: You won't regret it.

Me: Yeah!

Lola: Look there!

We saw a Registeel!

Me: Whoa! Registeel!

Nico: How did that get here?

Me: Good question.

Sweet Leaf: Lets see.

She used Telepathy and gasped!

Sweet Leaf: (GASP) That's my sister Emerald Tea Leaf!

WE GASPED!

Me: Lets go help her!

Me and Sweet Leaf went over to her.

Sweet Leaf: Emerald! It's me! Sweet Leaf!

All she did was headbutt her!

BOP!

Sweet Leaf: OUCH!

She had a NASTY LUMP ON HER HEAD!

Me: WHOA MAN that must've hurt! Okay then!

I fired a powerful blast of energy and knocked her down.

She got up and I snapped my fingers and she reverted back and was a girl with emerald green hair, green eyes and had Registeel in the middle of her forehead and had green leaf angel wings and had a dark green version of Sweet Leaf's cutie mark on her arm.

Me and Sweet Leaf wrapped her in a blanket and we brought her over.

Lana: Here S.L.

Lana gave her some ice for her head.

Me: Boy that really must've hurt.

Sweet Leaf: Yeah it did. But thanks Lana.

She woke up.

Sweet Leaf: Emerald?

She saw her.

Emerald Tea Leaf: (Groans) Sweet Leaf? (Gasp) Sweet Leaf!

She hugged her!

Sweet Leaf: I'm so glad you're okay.

Emerald Tea Leaf: Oh man! Sweet Leaf I'm sorry I hit you. I wasn't in control.

Sweet Leaf: I know and it's okay.

Me: You were turned into Registeel by Dark Gale.

Emerald Tea Leaf: Oh man! I remember.

Emerald Tea Leaf was in a green jumpsuit and was strapped to a table and injected and then she busted out and turned into REGISTEEL AND BUSTED OUT!

FLASHBACK ENDS

Emerald Tea Leaf: It was awful.

Me: I know. We're going to kill Dark Gale soon.

Nico: What's your role in Sonya's team?

Emerald Tea Leaf: I'm the Nature Charmer of the team. I can talk and charm animals and plants.

She grew flowers along the beach and they were pretty.

Me: Wow!

Nico: So pretty.

Fluttershy: That is amazing that you can do that.

Camie: It sure is.

Emerald Tea Leaf: Yeah and outside the team I make teas.

She grew chamomile and saffron and made spiced chai tea from it and gave it to Nico.

Nico: (Sips) Mmm. Chamomile and Saffron Chai. Wow that is good.

Emerald Tea Leaf: It sure is. I know thousands of different kinds of teas that are hot and cold.

Me: Wow that is awesome.

Nico: You should give us more later.

Emerald Tea Leaf: I would be honored.

Rarity: Lets get you some clothes darling.

The Fashion brigade gave her awesome new clothes and she had an outfit like Sweet Leaf's.

Sweet Leaf: Wow! Now we dress alike.

Emerald Tea Leaf: We sure do sis.

Nico: Yeah!

Maria: Now, where were we?

Me: To battle Rita.

We then took off into the air and we set out to destroy Rita Beltois, and send that insane psycho to The Black Abyss.

We were flying in the air, and we spotted our target: Rita Beltois, she was a brown-haired girl, and she was in an orange prison jumpsuit, and she was absolutely insane!

Lincoln: There she is.

Me: Lets get her.

Lincoln fired orbs of elemental forces from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Rita Beltois and they hit her and exploded, and she screamed in insane rage as we landed, and when she saw me and my sisters, she went mad with rage and tried to gouge my eyes out with her claws, but we fired energy blasts that sent that insane bitch flying into a tree. She got out, but she bellowed and screamed with rage!

Me: You've got some goddamn nerve showing your face again, Rita.

Sakura Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Selena Knudson, Maria Knudson, Caitlin Knudson, Morgana Knudson, Lunaria Knudson, Evelyn Knudson, Arlene Knudson, Valerie Knudson, Gianna Knudson, Celine Knudson, Clara Knudson, Megan Knudson, Beth Knudson, Carly Knudson, Natalie Knudson, Rachel Knudson, Carrie Knudson, Alicia Knudson, Aurora Knudson, Valencia Knudson, Natalia Knudson, Hayley Knudson, Michelle Knudson, Felicia Knudson, and Colleen Knudson: WE WARNED YOU ABOUT WHAT'LL HAPPEN IF WE EVER CATCH YOU HERE, YOU FUCKING PSYCHO!

Nico: You really really pissed off The Knudson God Siblings in a huge way. Now, you're about to face death.

Rita Beltois: FUCK YOU! FUCK YOU ALL! YOU AND THIS ENTIRE PLANET ALL DESERVE TO DIE!

Lincoln felt a dark premonition in his mind when she said that, but he suppressed it for a while.

Lincoln: Go to Hell, you insane basket case.

POW!

I punched her in the face!

Lincoln blasted her with a rainbow, white, and blue energy blast that hurt her bad, and it made her really enraged now, but before she could attack, we also proceeded to attack her hard by blasting her with energy blasts and elements, and it was really really really making that insane basket case even more angrier than she already is now!

Eli: Whoa, we're really really making her insane than ever.

Then, the rest of my family and relatives also decided to trash her by hitting her in the head with tons of blunt instruments.

Sumner: After all the pain you caused to Seline, you deserved to be thrown in jail and disowned for your actions, Rita!

Patti: Instead of the asylum, you should've been thrown in jail from the very beginning, you insane nut case!

Rita Beltois: FUCK YOU, YOU OLD HAG!

I GASPED IN HORROR, ALONG WITH MY SISTERS, MY DAD, AND ALL MY RELATIVES! AND MY MOM'S FACE TURNED RED WITH RAGE AND THE SCLERA OF HER EYES WERE ABLAZE WITH FIRE!

UH OH! NOW SHE HAS DONE IT!

Patti: WHAT THE HELL DID YOU SAY TO ME?!

Me: Oh no! Oh God no, that insane fruitcake really did it!

Nico: W-what's going to happen?!

Sumner: If anyone dares to call my wife that word, she goes absolutely ballistic and she tears them apart! Last time that happened, it was when an old enemy of ours tried to harass and kill us, and when he said that insult to her, she tore him apart.

Nico: (GULPS)

THEN, MY MOM POUNCED ON RITA BELTOIS, AND THEY WERE ENVELOPED IN A REALLY MASSIVE FIGHT CLOUD AND SHE WAS HITTING HER WITH EVERYTHING SHE CAN GRAB!

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and it was making Rita Beltois even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Rita Beltois, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Rita Beltois. We're stopping your rampage right here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Aztec Kaleido.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done to your own sister by trying to use her condition to hurt her and harass her to no end, you deserved to be put in jail and disowned.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Rita Beltois' stomach and a cluster of white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your insane rampage ends here and now!

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NOW, DIE AND GO TO HELL!

Lincoln did one final powerful energy slash that hit Rita Beltois hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Rita Beltois was now on her last legs and she was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) JUMPING JACKRABBITS!

Suddenly, James Blunt approached Rita Beltois with his greatsword in hand.

Rita Beltois: WHAT NOW?! YOU EXPECT ME TO BEG LIKE A DOG FOR MY LIFE?! YOU SHOULD BE BEGGING ME LIKE A DOG TO SPARE YOUR LIVES?! FUCK YOU! FUCK YOU ALL! YOU SHOULD ALL JUST DIE ALONG WITH THIS MISERABLE PLANET!

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) You don't understand the concept of life whatsoever, Rita Beltois, all you ever care about was yourself, and hurting your own sister by taking advantage of her condition. And on top of that, you belittle life and have nothing but cruelty in your black heart, and you've caused all sorts of pain and suffering to your sister and family for the last time. And now, this is where you meet your end.

James Blunt raised his massive greatsword above Rita Beltois' head, and then...!

SLASH! SQUELCH!

JAMES BLUNT BEHEADED RITA BELTOIS AND HE SLICED HER BODY TO RIBBONS AND HER HEAD AND HEADLESS BODY BURST INTO WHITE AND BLUE FLAMES AS THE HEAVENLY FLAMES CONSUMED HER HEAD AND HEADLESS BODY AND SHE WAS BANISHED TO THE BLACK ABYSS FOREVER!

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Good riddance forever.

We cheered as we holstered our weapons and powered down.

Nico: That was a really really intense battle, but we did it!

Me: You said it. Now, I'm finally free of that insane fruitcake, Rita Beltois, forever!

Lincoln: She deserved to die. Plus, I felt it: James is going to transform in the same way Caleb did yesterday.

That amazed everyone!

Nico: No way!

Cage Blunt: I felt it too.

James Blunt: Same here. This morning, I felt even stronger than ever after I trashed Dark Lynn who tried to kill me by beating me to death, and her punches didn't work. In fact, when she tried to punch me in the stomach, she dented her fists. Then, I punched her hard in the face, and it sent her flying out of Michigan and straight to Japan.

WE GASPED!

Eli: Unreal!

Caleb Maxwell: I saw the whole thing, and I was stunned myself. In fact, some of the toughest bikers from the local biker bar weren't going to take the risk of fighting with Cage's dad, and it's not only just because of his vampiric superhuman strength, but after what they saw him do to Dark Lynn, they were afraid they were gonna piss their pants in fright.

Nico: Damn!

Sheila: In fact, it was because of that, many of them came to us begging to be put in jail.

Captain Whitten: I was stunned myself. Your old man could've made a good cop though, Blunt.

James Blunt: I actually prefer to remain a worker, Captain. Plus, you know of the kind of damage I can do to murderers, right?

Caleb Maxwell: Yes, that's true, but I still remembered when you killed a couple of murderers from nearby Mingo County and drained them dry of blood and drove their knives into their hearts. So, being on the police force for you was out of the question.

James Blunt: And I still remembered when you saw me get shot in the shoulder by a criminal and I almost lost it. You ran up to me and hugged me from behind and told me to stop.

Caleb Maxwell looked down until he felt James Blunt's arm wrap around his shoulder and with a gently smile on his face.

James Blunt: It's alright, Caleb, I understand why you did that though.

Caleb Maxwell: Thanks, and even though you chose to remain a freelance worker, Cage took the route and joined the police, though you have been feeding on a couple of criminals including when you bit Crowe.

Cage Blunt: True, and I've fed on a couple of them and I didn't kill them, but I made sure to wipe their minds clean and his as well when I went to the holding cells.

Nico: Nice one.

Lincoln: That's true, you can't have anyone finding out about it and blabbing it out to the world.

James Blunt: Nah, the second they did that, they'd be on a one-way trip to the nuthouse.

Nico: That'll show that bitch!

Qin: You said it!

Camie: YEAH!

Me: Now Selene can be at peace. Hold on.

I took out my phone and called Selene.

Selene: Hello?

Me: Selene it's J.D.

Selene: Hey J.D. how have you been?

Me: Awesome thank you. I have news for you.

Selene: Oh no is Rita?

Me: Well the good news is we battled Rita. The better news is we killed her and banished her to the Black Abyss.

Selene: Oh thank goodness! That monster had it coming.

Me: I'm sorry about all the pain she caused to you. But you don't have to worry about her ever again. She is now a forgotten memory.

Selene: That is good news and awesome to hear. Thank you so much.

Me: You're welcome Selene.

Selene: See you soon J.D.

Me: Okay. Bye.

We hung up.

Me: Just want to tell Selene the good news.

Nico: Awesome. And nice job Chandelure!

Chandelure: Thanks Nico. It was fun!

Poromon: Want some beer?

Chandelure: No thanks I don't drink.

Poromon: Okay.

Nico: Catarina, are you doing anything later?

Catarina Gruyere: No I'm free.

Nico: Good.

Me: Awesome.

Eli: (Winks at me)

Me: (Winks back)

Poromon: Why are you winking?

Me: Surprise.

Poromon: Oh.

Nico: Okay.

Poromon got out a Krabby Patty.

Poromon: I'm hungry.

He was eating it.

Poromon: Mmm!

Nico: Okay then.

Me: Time to face the Anothers.

Lynn: And Another me must be among them.

Eli: Yep. Another Jet Stingray, Lynn, Manta Mobile, Taipa Undead, Sirena the Evil Mermaid, Whale Undead and Bee Undead.

WE GASPED!

Me: WHOA MAN!

Lincoln: I hope she's not like Dark Lynn.

Me: (GULP)

Nico: Who's up?

Me: Dive Man, Depth Charge, AmeArashi, Kamen Rider Abyss, Dino Icthyo and Tidal Wave (Armada)

Qin: Cool!

Eli: And I sense they are all individual people.

Nico: Wow!

Qin: This will be awesome.

Nico: There they are!

We saw Another Manta Mobile, Taipa Undead, Sirena the Evil Mermaid, Whale Undead and Bee Undead!

Me: WHOA!

Nico: This will be brutal!

Manta Mobile: (In a girls voice) It sure will.

Nico: (GASP) That voice!

They reverted back and were 5 girls and they were the gene-slammers of Water Dragon, Levia-Dragon Daedalus, Spike Seadra, Roaring Ocean Snake and Kairyu Shin!

Nico: (GASP) Hillary, Laura, Seline, Rhonda and Catherine Seadra!

Laura Seadra: Awesome to see you again Nico.

Me: Cool! The gene-slammers of Water Dragon, Levia-Dragon Daedalus, Spike Seadra, Roaring Ocean Snake and Kairyu Shin.

Nico: Yep.

Hillary Seadra: Yep. We are the Seadra Sisters and we were made this way not by Team Rocket.

Seline Seadra: But rather a mad scientist.

Nico: Who is it?

Me: I was gonna ask that.

Nico: Sorry.

Seline Seadra: Nico faced him before.

Catherine Seadra: His name is Dr. Emilio Vellenxia

Me: (GASP) Wait I've heard of him! He was a very well respected biochemical geneticist. He came up with a lot of good things that revolutionized humanity.

Nico: That's right. But then one day he came up with this crazy idea to splice humans with the raw powers of Duel Monsters for the Elemental Forces of Nature and make them Elementals. He called it Project Elementia. But the Scientific Community laughed at him and called him a lunatic and made him a total laughingstock. HE LOST HIS MIND AND WENT INSANE! He was fired from his job at the lab and went rogue after his funding was cut and he moved to an isolated uncharted island to do his insane project in isolation. I stopped him 10 years ago and sent him to a maximum security insane asylum with no possibility of parole and rescued all of his captives.

Hilary Seadra: But little did Dr. Vellenxia know that his experiment was a 100% success

Me: And you girls are some of his work? That is crazy!

Rhonda Seadra: I know. But watch.

They fired waves of water and it hit a boulder and blasted it into pebbles.

Me: WHOA!

Laney: That was cool!

Camie: WOW!

Rhonda Seadra: His experiment worked on many of us. Fire, Water, Earth, Wind, Light and Darkness. They all worked.

Me: Wow!

Me: Is the Another Jet Stingray and Lynn friendly or hostile?

Rhonda Seadra: Friendly and Hostile. The Another Lynn is hostile. And she has it out for you Lynn.

Me: Uh oh.

Lynn: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) COMPRESSOR 6!

She summoned Mr. Compress, Black Velvet (Loonatics), Hans Gruber, Seryu Ubiquitous, Doomsnake and Yost Ulysses Klaw!

Qin: YEAH!

Nico: I got a feeling this is gonna be brutal.

Me: Yep. We're about to find out!

We saw Another Jet Stingray!

Me: Another Jet Stingray is here.

Lola: Yeah!

Another Jet Stingray: (In a girls voice) Yeah that's right.

She reverted back and it was the Yormungarde Gene-slammer.

Nico: Yulia Seadra! Wow!

Me: The Yormungarde Gene-slammer.

Yulia Seadra: That's right. Awesome to see you Nico.

Jet Stingray: And you have the same powers as me over the water right?

Yulia Seadra: That's right.

Jet Stingray: Awesome.

Then Another Lynn came and she was pissed!

Me: Uh oh!

Another Lynn: YOU WILL PAY FOR YOUR CRIMES AGAINST ME LYNN!

Lynn: (GASP) Betsy Davis!?

She reverted back and it was BETSY DAVIS!

Me: Whoa! Betsy Davis! You sure have taken it hard ever since we stopped you last time!

Ace: Who's she again?

Me: That's Betsy Davis. She hates Lynn with a vengeance and has always been better than her in all sports.

Lynn: Until I got my powers over the earth and lava. It was thanks to her that I got my powers over the Earth.

Qin: WHOA!

Lynn: I know. But I thought we were free of you after how you tried to kill us with the Black Daffodil Gang!

Me: That's right!

Betsy Davis: I will never forgive you for everything you did to me!

Lynn: Uh it's the other way around Betsy! I will never forgive YOU for everything you did to ME!

Nico: YEAH!

Lynn: Also Betsy in a way I should be thanking you. If it weren't for you, I wouldn't have gotten my powers over the Earth and Lava. You made me what I am because of you.

Lola: YEAH!

Betsy roared!

Kaito (gets out Ex Aid gear): Did Swartz promise you anything?

Zocks (gets out Build gear): Because we can grant it instead

Kaito and Zocks got Ex-Aid and Build Swords.

Yulia Seadra: No he didn't to me. But to Betsy yes and that...

Me: Revenge no doubt on Lynn.

Yulia Seadra: Yeah.

Me: Oh boy.

Sougo (gets out Ex Aid Ridewatch): Lynn beat you before.

Armor Time! (Retro video game-themed music) Level Up! Ex-Aid!

Geiz (gets out Cross Z Ridewatch): This time won't be any different!

Armor Time! Wake up burning! Cross-Z!

Sougo got ExAidArmor while Geiz got CrossZArmor

Lynn: Besides I've gotten stronger since our last fight. Now it's personal.

Lincoln: Yeah! Lets separate you first.

We did so to Yulia but not Betsy.

Nico: Lets do it!

We got the battle underway

Nico: (gets out Jet Stingray's Ridewatch) Time for this jet to sting you!

May; (Gets out Taipa Undead's Ridewatch) This snake bites!

Maria: (Gets out Whale Undead's Ridewatch) This whale is gonna flop!

Depth Charge: (Gets out Manta Mobile's Ridewatch) The manta is coming!

They used the powers of Jet Stingray, Manta Mobile, Taipa Undead, Sirena the Evil Mermaid, Whale Undead and Bee Undead and blasted them both.

Lynn punched Betsy and kicked her face.

Then Volt Kraken, Maga Basser, Hot Pepper (TTG), General Grievous, Berserker (MHA), Thunderhog, Fugai, Ranke and Kamira and Thylaco came.

Nico: WHOA! Nice team Volt Kraken.

Volt Kraken: Thanks Nico!

Star Man: My team's next!

Me: Yep.

Then a Syakomon came.

Me: Syakomon! Whoa!

Nico: Cool!

?: He's with me.

Out came MARINEDEVIMON!

Me: MarineDevimon! Wow!

MarineDevimon: Glad to see you Nico lad!

Nico: Catherine Marina! Wow!

She reverted back and was a girl with blue hair, blue eyes. Blue clothes and aqua green angel wings and had a new crest in the middle of her forehead and had MarineDevimon on her skirt and shirt and had a sextant medalion on her neck and had the coat of arms for Alaska on her arm and had a blue digivice and had a water sword.

Catherine Marina: We got this. (ECHOING) DARK DELUGE!

She fired a wave of poisonous ink from her hand and Syakomon fired a pearl and the blasts hit the Anothers and I caught the ridewatches and purified them. Betsy was knocked out and we tied her up and sent her to the Jupiter prison.

Me: YEAH!

Nico: That showed her!

Qin: Awesome!

Me: You're one of Alaska's Digidestined. I can tell because of Alaska's coat of arms on your arm.

Catherine Marina: Aye lad. That's right.

Qin: Cool!

Nico: Nice job!

Catherine Marina: Thanks lad.

Depth Charge: Do you have a favorite memory of Nico?

Catherine Marina: Aye. When me and Nico met many moons ago. We battled a bunch of Crabmon running around in Nome.

Lily: Wow! So Nome, Alaska wasn't safe from the International Digimon Skirmish.

Catherine Marina: Aye lass.

Lily: Oh man.

Catherine Marina: But we prevailed and I treated Nico to an Alaskan king crab feast.

Lily: My kind of feast.

Nico: Yep.

Nico and Catherine hugged.

Nico: I've missed you.

Catherine Marina: Me too lad.

We went back home.

Lincoln: Whoa, we're here in alternate villages where the Akumas of The Jinchuriki came from, and I know what I'm going to do here, not only am I going to rescue the one-hundred forty-nine girls here, but we're going to capture the corrupted councils and villagers who put them through Hell, and have them tried and strip them of their Chakra and Jutsu and put them in jail, and for added measure: The Goddesses of The Villages are gonna destroy their villages.

Me: WHOA!

Nico: Oh, this is gonna be good!

Eli: They deserve to be put in prison forever, this is what my big bro couldn't stand.

Me: Yep, the prejudice and paranoia of the corrupted councils and villagers.

Dive Man: It'll be much better to have them stripped of their Chakra and Jutsu and thrown in prison than kill them.

Lincoln: That's right, and the destruction of their villages is going to be their divine punishment from The Goddesses of

The Villages.

Talia Senju Konoha: Without a doubt, Lincoln.

Gods of The Shinobi Villages: LOOK OUT, TRAITORS OF THE VILLAGES! THE 6 HORSEMEN OF THE APOCALYPSE ARE COMING FOR YOU, YOUR DIVINE PUNISHMENT IS AT HAND, AND THE TIME FOR DIVINE JUDGEMENT IS AT HAND! YOUR DAYS OF LIVING ARE NUMBERED!

LIGHTNING CRASHED DOWN FROM THE HEAVENS! NOW, THE TRAITORS ARE SO SCREWED!

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, black angel wings, red and black clothes, red hairband, the sigil of Mammon long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels on the coattails, and on the back is Barbamon and Mammon, she has a demonic greatsword in hand and with her are the the one-hundred forty-nine girls

Lincoln: (GASPS) Elisha Mammon, Avatar of Mammon, Demon Lord of Greed and Gene-Slammer of Barbamon.

Elisha Mammon: That's right, and I got the girls away from the corrupted village councils and villagers, and they are on their way now to kill us!

Eli: It's time.

Lincoln: Yes, it is, Eli. (Sensed corrupted village councils and villagers) AHA! THERE YOU ARE, YOU PARANOID PREJUDICIAL VARMINTS! CATATUMBO LIGHTNING STYLE: CATATUMBO LIGHTNING RASENSHURIKEN!

Lincoln formed a massive lightning Rasenshuriken made of the lightning from Catatumbo and he threw it and it hit the corrupted village councils and villagers and they got electrocuted hard, but that really, AND I MEAN, REALLY MADE THOSE VARMINTS EVEN ANGRIER THAN EVER AS THEY STARTED SPEWING OUT DEATH THREATS AT US!

Then, Lincoln tied them up, and we brought them back to The Hidden Leaf Village in our world, and for a little added measure: The Gods of The Hidden Villages fired massive energy blasts that hit every last village and they were wiped out of existence. We cheered as we holstered our weapons and powered down.

Tsunade: Yikes, what's with the energy blasts and cheers?

Lincoln: Sorry about that, Lady Tsunade, but there's something we got to tell you.

Lincoln told Tsunade of everything during his rescue, and needless to say, she was furious.

Tsunade: Of all the goddamn...! Lincoln, thanks for bringing them here to face judgement for their crimes, and the girls did the right thing wiping their villages out. Now, let's get them prepped for the trial.

We met with the council, and after we presented every single piece of evidence, the corrupt village councils and villagers were found guilty of their crimes.

Tsunade: And as punishment for all of your crimes, you shall be stripped of all your Chakra and Jutsu and you'll be sent to the newly renovated Vostok Blood Prison. Lincoln, if you would?

Lincoln nodded, and he went to each of the corrupt village council members and villagers, and he placed his hands on each of their heads, and one by one, he sucked out and stripped them all of their Chakra and Jutsu and made them his own, and then, we tied them up in neutralizing straitjackets and threw them in the newly renovated Vostok Blood Prison.

Lincoln: Let this serve as a lesson, any who betray the villages and its people will be dealt a divine punishment from the Gods! (To Elisha Mammon) And it's so good to see you again, Elisha.

Elisha Mammon: You too, Lincoln, it's been seven years since we last met.

Suddenly, Elisha Mammon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Elisha Mammon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Elisha Mammon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Elisha Mammon and hugged her, and Elisha Mammon is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elisha Mammon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Elisha Mammon, Avatar of Mammon, Demon Lord of Greed and Gene-Slammer of Barbamon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Mammon, Demon Lord of Greed. and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Mammon himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of a group called The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Mammon himself, and Elisha Mammon is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Elisha Mammon a very powerful greatsword of hellfire, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Nico: We were really stunned when we found out Lincoln also knows Seven Queens of The Netherworld just like J.D.

Me: Me too, and they're just as powerful as the legends say.

Lincoln: They've proven that time and time again, and no one, not even Lucifer's legions were a match for them, and now that you're here, Elisha.

Lincoln with his massive muscular arms still wrapped around Elisha Mammon leaned his head down the right side of Elisha Mammon's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Elisha Mammon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elisha Mammon with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Elisha Mammon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elisha Mammon.

Elisha Mammon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Elisha Mammon's waist, and he leaned down to her face and kissed her on the lips, and with Elisha Mammon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Elisha Mammon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Elisha Mammon: (In Heaven) My God. Oh, Lincoln, there's something I got to tell you, the one-hundred forty-nine girls are...!

Travis Tackett: And I believe that's our signal to leave.

Everyone left leaving Lincoln, Nicole, and his harem.

Tsunade: Hmm, why did everyone leave?

Nicole whispered something to Tsunade's ear, and she understood everything.

Tsunade: Ah, now I get it.

Then, they went up to the one-hundred forty-nine girls, and when Lincoln saw them, he wound up getting an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood. The one-hundred forty-nine girls are Adelheid, Adolfine Galland, Adriana Visconti, Aira Paivikki Linnamaa, Aleksandra I. Nicole: I can't believe it, as soon as Travis heard what Elisha was about to say, he said the word and he and the others left.

Lincoln: It's like Travis had a built-in radar in case this would happen. Are you girls okay?

Adelheid: Yes, we're okay, thanks to you.

Adelheid: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made one-hundred forty-eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Maya Murashige: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, one-hundred forty-nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Adelheid, Adolfine Galland, Adriana Visconti, Aira Paivikki Linnamaa, Aleksandra I. Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything, it should serve those pinheads right.

Lincoln: That's for sure, they deserved it big time.

Nico: And just in the span of a few seconds, they went from being at the top to falling down into the pit bottom and they're also now denounced as traitors to the world of Shinobi.

Me: You got that right.

Naruto: They deserved it for their crimes. But, I doubt they're gonna survive in the newly renovated Vostok Blood Prison though, they may one day take the coward's way out and commit suicide.

Boruto: That may be the case, Dad. But, just in case, Lincoln, J.D., can you create some miniature cameras to keep an eye on them?

We did just that.

Lincoln: Already done.

Me: And Naruto may be right, after what we did in taking their pride away and you stripping them of their Chakra and Jutsu and throwing them in prison, they're gonna try and take the coward's way out.

Nico: No skin off our noses if they try to take the coward's way out. But, I know we all want them to serve out their sentences, but they're not gonna do that.

Laney: No, they aren't.

Lincoln: I'm already way ahead of you for this one, I also put a curse on them after stripping them of their Chakra and Jutsu, if they try to take the coward's way out and commit suicide, they're gonna be sent not to The Black Abyss, but straight to Hell, and with Suicide being the reason why they're now in Hell, they're gonna be among the many victims in the Wood of The Suicides.

Lucy: Gasp.

Lola: Yikes!

Linka: Unreal.

After Lincoln and all of us took down the corrupted village councils and villagers, we were training intensely in the gym, doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elisha Mammon saw Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Elisha Mammon: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Elisha, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Elisha Mammon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Elisha Mammon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, James Blunt was contacted as a vision orb appeared in his hand, and we saw who it was: it was an alternate version of Caleb Maxwell, and he looked like the original Caleb Maxwell before his death and return from the dead and transformations.

Alternate Caleb Maxwell: Team Loud Phoenix Storm, is anyone there? Can anyone hear me?

Caleb Maxwell: (Gasps) That's...me?

Nico: But, from an alternate universe. (To Alternate Caleb Maxwell) And we hear you loud and clear, what's the emergency?

Alternate Caleb Maxwell: It's The Syndicate, they launched their attack and the city's in chaos, but I managed to get everyone out of The Hallow Shade Bar. We're hiding in a nearby apartment in the East Bronx, and Cage and Travis are out there catching and killing Syndicate thugs, and in case you're about to ask, they're just like the ones you know who were drunk on Demon Blood.

Caleb Maxwell: Shit. We're heading there to help you.

James Blunt: Wait, let me go there, Caleb. It's my turn to shine.

James Blunt opened up a portal, and he arrived in the alternate New York as we saw it on the screen, and this one's set in an alternate universe and at night: this is where the victims of The Hallow Shade Bloodbath survived thanks to Caleb Maxwell getting there on time, and he got everyone out of there, but it was also during that time that The Syndicate launched a brutal attack on the city!

Lincoln: Whoa! The city's in chaos.

Cage Blunt: Damn. That Alternate Drake really went way too far.

Caleb Maxwell: He sure did. James, you have to hurry and find my alternate counterpart and the alternate counterparts of Mabel, Junie, and everyone from The Hallow Shade Bar, he said they're hiding out in nearby apartment in The East Bronx.

James Blunt used his newly enhanced vampire vision, and there he found the apartment in The East Bronx, and he spotted the alternate counterparts of Caleb Maxwell, Mabel Jensen, Junie, and all the patrons of The Hallow Shade Bar.

James Blunt: I found them, now I need to hurry.

James Blunt hurried and he arrived at the apartment. Then, he knocked on the door, and it opened, and he saw Alternate Caleb Maxwell along with the alternate counterparts of Caleb Maxwell, Mabel Jensen, Junie, and all the patrons of The Hallow Shade Bar.

Alternate Caleb Maxwell: Thank God you've made it. Did anyone follow you?

James Blunt: No, none of your brother's goons have, nor has the alternate versions of my son and Travis.

James Blunt went inside.

James Blunt: Can you explain the situation to me?

Alternate Caleb Maxwell: Yes, I can. It all happened almost immediately, Drake murdered Dad in a coup and he became the head of The Syndicate, and when night was about to fall, he'd launched an all-out attack on the city, and everyone ran for cover as the place plunged into chaos. Mom and Allie managed to get to the safety of The Supreme Yuridia Authority, along with the rest of her relatives, but I got separated in the chaos. It was there I went to The Hallow Shade Bar and I told everyone about the apartment in the East Bronx, we headed there before Drake and his minions could head there or the alternate versions of Cage and Travis. But, then, we began hearing the screams of the Syndicate thugs, and I knew they fell victim to the alternate versions of Cage and Travis. We need to get some supplies from the supermarket, and then, we find a way to get to The Supreme Yuridia Authority.

James Blunt: Let's stick with getting supplies first.

Suddenly, they heard noises on the roof: the sounds of footsteps running across the roof, and they all hid for cover. Then, they heard the sound of heavy rain falling as James Blunt made a vision orb.

Alternate Caleb Maxwell: It's raining.

Alternate Mabel Jensen: This is what we've been waiting for. Come on.

They headed out of the apartment by taking advantage of the heavy rain, and they arrived at the supermarket, and they were met by the employees who were hiding there.

Alternate Caleb Maxwell: Okay, we need to split into three groups. One group will get some canned goods, the second will get some weapons, James, let's get some medical supplies. We meet back here in two minutes, let's go.

They split into groups and one group got canned goods, the other group found weapons: guns, ammo, and knives, and James Blunt and Alternate Caleb Maxwell found medical supplies. But, as they were about to leave, they heard the sound of gunshots, and they saw a thug loyal to The Syndicate, but before he could attack, Alternate Caleb Maxwell fired a bullet from his gun, and it hit the thug in the head killing him. Then, another thug came out only to be grabbed by a vampire as Alternate Caleb's mark reacted and the thug was bitten on the neck and drained of blood: it was the alternate version of Marcus Mackenzie.

Alternate Caleb Maxwell: Marcus Mackenzie? Thanks for the assist.

Alternate Marcus Mackenzie: Your mother told me you were still out here, so I came to get you and get you to Yuridia.

Alternate Junie: I can't believe two of them was hiding out here for more victims to kill.

Alternate Caleb Maxwell: Same here, but at least, we got rid of them. But, now it's not safe here anymore.

We saw it on the screen.

Lincoln: He's just as much a marksman as you, Caleb.

Caleb Maxwell: I never needed to use a gun before, but those lessons helped out though.

We then continued looking at the screen.

Then, James Blunt saw that it stopped raining.

James Blunt: The rain's stopped.

Alternate Caleb Maxwell saw it for himself, and the Syndicate thugs were back out in full force, but they continued to also hear the screams of any Syndicate thugs getting dragged away by the Alternate Cage Blunt and Alternate Travis Tackett and drained dry of blood.

Alternate Caleb Maxwell: We have to move, we can't stay here.

Alternate Mabel Jensen: We're still too far from Yuridia, and even with the assist of Marcus, we're still badly outnumber by The Syndicate.

Alternate Caleb Maxwell started thinking until Alternate Junie offered a solution.

Alternate Junie: Caleb, you think we can make it to the police station if someone created a diversion?

Alternate Caleb Maxwell: How do we do that?

James Blunt: From what I know, Drake's love for you turned to hate ever since he became a member of The Syndicate and seduced by greed and power, he became ruthless and cruel to you, your mom, and Allie, and you took the majority of his physical abuse, and he hated you even more ever since you exposed what he and your dad have really been doing, and he's sworn to kill you. But, I've got a better idea: let me get us all to Yuridia, I do have other powers besides my vampire powers.

Alternate Caleb Maxwell: Right, I forgot about that. Alright, go ahead, James.

James Blunt nodded, and he teleported everyone there, and they arrived at The Supreme Yuridia Authority.

Alternate Mabel Jensen: So, this is Yuridia that you were talking about, Caleb.

Then, they saw the vampire council along with Alternate Marlene Maxwell and Alternate Allie Maxwell along with her relatives on her side.

Alternate Caleb Maxwell: Mom? Allie? Everyone?

Alternate Caleb Maxwell went to his family and hugged them all.

Alternate Marlene Maxwell: Thank God you finally made it, Caleb.

Alternate Allie Maxwell: What do we do now, big brother? That big meanie Drake's still out there.

Alternate Caleb Maxwell thought about it, and he decide right there: it was time to stop running.

Alternate Caleb Maxwell: It's time to stop running. I can't keep running anymore, this time, Drake has gone too far, I need to stop him once and for all. I don't want any innocent people to lose their lives for what is my problem. This needs to end, before this night ends, Drake will be dead.

They saw it for themselves: now the final battle was about to begin.

James Blunt: I'm coming with you. The Alternate versions of Cage and Travis will no doubt be there, and you're gonna need my help.

Alternate Caleb Maxwell: Okay.

Alternate Caleb Maxwell and James Blunt went outside, and they proceeded onwards.

James Blunt: I'll let you go first. When you give the signal, then I'll jump right in.

Alternate Caleb Maxwell: Right.

James Blunt vanished into darkness as Alternate Caleb Maxwell continued walking, and there he saw Alternate

Drake Maxwell and the Syndicate thugs out there looking out into the city thinking they now own the city unknown to them: The Big Claw Gang is still out there, but have gone into hiding thanks to his dumb stunt.

Alternate Caleb Maxwell: HEY, SHITHEAD!

Then, Alternate Drake Maxwell and the thugs turned around, and they saw Alternate Caleb Maxwell walking to them, and Alternate Drake Maxwell was pissed upon seeing his older brother.

Alternate Drake Maxwell: YOU...MOTHERFUCKER!

But, Alternate Drake Maxwell's yell also got the attention of Alternate Cage Blunt and Alternate Travis Tackett who look just like the Cage Blunt and Travis Tackett from The Hallowshade Bloodbath in our world, and they landed from a nearby apartment rooftop and approached the two opposite brothers.

Alternate Cage Blunt: I always knew you'd fuck things over for yourself, Drake, letting your anger get to you. (Sees Alternate Caleb Maxwell) And what's this, you've come out into the open once again, I knew it was only a matter of time though, Caleb.

Alternate Travis Tackett: We'd already filled up on your men who were scattered all over the city and it also included the four senior members of The Syndicate. (Tosses something to Alternate Caleb Maxwell) Here's a little something for your collection, Caleb.

What he tossed to him were the pins of the four senior members of The Syndicate, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell.

Alternate Caleb Maxwell: Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell.

Alternate Cage Blunt: And now, who would like to be the first to die?

Alternate Drake Maxwell: FUCK YOU, ASSHAT! KILL THEM ALL!

The remaining thugs charged out.

Alternate Caleb Maxwell: NOW!

Then, James Blunt appeared and he'd slain the remaining thugs, and that angered Drake Maxwell.

Alternate Travis Tackett: What the? Cage, is that...?

Alternate Caleb Maxwell: Right person, but not the one you both know. James, let me hold off those two off, it's my blood that can get them back to normal, it's me they're after.

James Blunt: I know, you do your best, Caleb. (To Alternate Drake Maxwell) And as for you, don't you dare think you're getting out of this alive.

Suddenly, we felt James Blunt's energy rise as his blood red eyes turned neon blood red and he was surrounded by a black and blood red, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels.

James Blunt: I guess in either our universe or in any other universe, you're still nothing more than a piece of human scum, Drake Maxwell. You truly are nothing more than an irredeemable mortal and a pathetic excuse for a son and brother, Caleb, your mother, your little sister, and the rest of the family on your mom's side were right to have severed all ties with you. You've caused far too much pain and suffering to your own family for the last time, and now, it's time for you to suffer the consequences of your misdeeds.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF JAMES BLUNT WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE VAMPIRE BAT, AND RAINBOW FIRE DEMON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE VAMPIRE BAT, AND RAINBOW FIRE DEMON WENT BACK TO EARTH AND JAMES BLUNT GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, James Blunt was surrounded by a very massive vortex of black and blood red, white, and blue energy with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are demons, vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Alternate Drake Maxwell: the blood red eyes of eternal death and eternal judgment, and we saw heavenly lights shining down on the vortex.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

(Smirks) You should be.

Alternate Caleb Maxwell: Incredible. (To Alternate Cage Blunt and Alternate Travis Tackett) Alright, you two, if you want to settle this, then bring it on!

Alternate Cage Blunt: (Smirks) With pleasure.

Alternate Travis Tackett: (Smirks) Two against one, you're already in trouble.

Alternate Cage Blunt and Alternate Travis Tackett went after Alternate Caleb Maxwell, and they tried to scratch him with their claws, but he dodged their strikes one after another. Then, he also fought back at them using punches and kicks and Judo moves, and we saw it on the screen.

Nico: Fighting back at them using only punches, kicks, and Judo moves, it's just like.

Caleb Maxwell: Like what I did eight years ago before I died.

Then, we looked at the screen.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're already all alone, Drake, all of your men were killed and your attempts to kill your brother, your mother, and your little sister have all gone up in smoke, and now, it's time we bring this to an end.

James Blunt went after Alternate Drake Maxwell, and he fired extremely powerful blasts of black and blood red, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels at him, and they exploded as they hit Alternate Drake Maxwell. Then, he attacked him with his massive greatsword leaving bleeding scars on him, and he also slashed at him with his gold-plated armored claws, and it was making Alternate Drake Maxwell angrier than ever.

Meanwhile, Alternate Caleb Maxwell was still holding off Alternate Cage Blunt and Alternate Travis Tackett went after Alternate Caleb Maxwell, but he also has to help James Blunt take care of that psycho that was formerly his brother.

Alternate Caleb Maxwell: I got to give James a hand.

Then, Alternate Caleb Maxwell took out a knife and he made an incision on his right arm and he held it out in front of him, and the smell of his blood got the attention of Alternate Cage Blunt who went first as he grabbed Alternate

Caleb Maxwell's right arm, and he sank his fangs hard into his right arm, and he drank his blood.

Alternate Caleb Maxwell: (WINCES IN PAIN)

Then, Alternate Cage Blunt let go, and he let Alternate Travis Tackett sink his fangs into his right arm, and he drank his blood. Then, he let go, and then, Alternate Cage Blunt and Alternate Travis Tackett felt something happen as the black sclera of their eyes turned back to white and the demon blood's influence was gone from them.

Alternate Cage Blunt: Ugh, what on Earth was in that blood of yours?

Alternate Travis Tackett: I don't even know either, but that was some powerful stuff.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Nice one.

Alternate Drake Maxwell having had enough sped past James Blunt and went after Alternate Caleb Maxwell to kill him.

Alternate Drake Maxwell: MOTHERFUCKER! YOU WILL DIE!

Alternate Caleb Maxwell: Screw you, you piece of shit!

Then, as Alternate Drake Maxwell got close, Alternate Caleb Maxwell threw a really hard right hand punch into his insane brother's chest and it went right through, and it also caused his heart to be punctured by the bones in his chest, and he died from internal bleeding. Then, Alternate Caleb Maxwell removed his right fist from Alternate Drake Maxwell's chest which was covered in blood and Alternate Drake Maxwell fell hard into the ground. Alternate Caleb Maxwell was breathing heavily as he looked at his own bloody right hand: the blood of his own brother was now on his hands.

Alternate Caleb Maxwell: W-what did I just do? W...what have I done? I..., I just killed...my own...!

He was about to fall to the ground on his knees, but then, James Blunt went to him and hugged him tight with his left arm.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I know. You just killed your brother: the one person whom you've known since the day he was born. But, he became this way because of the choices he made, and if you let him live, he would've tried again to kill you and everyone you loved. He was a twisted and sick person who wasn't capable of repenting, and he really hurt you.

Suddenly, Alternate Caleb Maxwell broke down and cried hard into James Blunt's chest and his tears fell onto the floor as he hugged the vampire cat. But, then, he was joined by Alternate Cage Blunt and Alternate Travis Tackett. Then, they let go.

Alternate Caleb Maxwell: It's over at least.

Alternate Cage Blunt: Yeah, it is.

James Blunt holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty black and red planets orbiting around his legs and twenty black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer dark brown tail, and his massive dark brown angel wings and four other sets of massive dark brown angel wings underneath his massive dark brown angel wings are permanent.

Then, everyone came out of Yuridia and Alternate Mabel Jensen approached Alternate Caleb Maxwell, and she saw the dead body of Alternate Drake Maxwell.

Alternate Mabel Jensen: What did you do to Drake?

Alternate Caleb Maxwell: What I should've done long ago. So, what now?

James Blunt: Now, to clean up the mess made. (SNAPS FINGERS)

James Blunt snapped his fingers, and the dead bodies of The Syndicate are consumed by white and blue heavenly flames and their spirits were sent to The Black Abyss.

Suddenly, Alternate Caleb Maxwell felt a sadness deep in his heart.

Alternate Caleb Maxwell: And I knew the truth about Dad and why he went into a life of crime. Unlike my prime counterpart who had to find out from Claw Dane Drake, I found out early from contacts in The NYPD, but I just wish Dad had told us earlier, but fear of the future led him to keep quiet, and the rebellion of Drake led to his murder at his own son's hand.

Then, the skies started to brighten.

Alternate Caleb Maxwell: It's almost dawn, we made it.

Alternate Mabel Jensen: Caleb..., the dawn.

Alternate Caleb Maxwell knew what she meant: they promised that they would be able to see the sun rise if they survive the night, and they went up to the roof of a nearby apartment, and then, they saw the sun rise. Then, James Blunt bid them farewell and opened up a portal and he went inside, and he was back home with us, only to be hugged by Christa and kissed on the lips as she hugged him.

Me: We saw the whole thing, James, you did really amazing!

Jack Howard: Plus, you really laid down quite the trashing on that alternate version of that jerk, Drake Maxwell.

Nico: And that alternate version of Caleb got the alternate versions of Cage and Travis back to normal by letting them feed on his blood, and it removed the demon blood in them, and what he did to end that asshole.

Lincoln: A punch to the chest that went right through, and it also caused his heart to be punctured by the bones in his chest, and he died from internal bleeding. That was brutal.

Cage Blunt: When I saw how Alternate Caleb held my alternate self and Travis' alternate self back, it did bring back memories of that night before Caleb died.

Caleb Maxwell: Same here, plus, your new transformation, James, is gonna get the attention of The Big Claw Gang again.

Suddenly, The Big Claw Gang appeared.

Allie Maxwell: Caleb, if you even say that sort of phrase one more time, I'm gonna hit you in the head with a rolling pin. In fact, I'm gonna do that right now!

Allie Maxwell got out a rolling pin and leapt into the air, and...!

CRACK!

The rolling pin broke when it hit Caleb Maxwell in the head.

Allie Maxwell: What the?!

Caleb Maxwell: I think you forgot that I had a metal plate put in my head when I went to the hospital after Drake's last assault on me four years ago before we cut all ties with him and Dad after finding out their secret.

Marlene Maxwell: I almost forgot about that.

Carla Claw: And besides, none of us are stupid enough to try and fight Blunt's old man, he'd rip us to shreds like he did to Dark Lynn.

Shroud: He sent her flying to Japan with one punch after she broke her fists trying to hit him, that just proves his old man's tough and someone you don't want to piss off.

Panther: Well, I'm up for fighting him.

Caleb Maxwell: You try that, and you're gonna regret that choice of yours.

Carla Claw: I think he's not gonna try that with Blunt's old man.

Roxy Drake: Nice save.

We got a shower, and then, Lincoln, Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Atrocita: Wow, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Atrocita, and it's perfect for our first date, shall we?

Lincoln, Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Atrocita: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver and Eagleocean and hugged them in their abnormally massive and powerful muscular arms, and Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean are in your harem, Linky.

Atrocita, Malaria, Eleanor Butterbean, Blue, Delta, Echo, Charlie, Aquarius, Bellwater, Chillfishia, Deltariver, and Eagleocean showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Delta: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus

Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Zipp Storm, Lena and Lightning Dust's 3rd mission.

Nico: Anyone else want to go with Zipp Storm, Lena, and Lightning Dust? Besides Osirus, Leap Frog, Roller Ghoster, Yang, Sento, Ace Bunny, and Pohatu?

Lars: I'll go.

Common Cold: So will I.

Sunny Starscout: Me and my friends will go as well.

Zipp Storm: I was gonna ask if you wanted to go Sunny.

Me: Awesome.

Nico: Lets go.

We were off to Japan.

We arrived.

Kaito Touma: Hey guys!

Zipp Storm: Guys, meet Osirus, Leap Frog, Roller Ghoster, Yang, Sento, Ace Bunny, and Pohatu.

Osirus: Awesome to meet you. I'm Osirus. The Cerberus Rinshi from Jungle Fury and I have the same name in Gekirangers.

Leap Frog: I'm Vincent Patilio but everyone calls me Leap Frog.

Roller Ghoster: I'm the Roller Ghoster

Yang: I'm Yang.

Sento: Sento Kiryu, leader of the Build Kamen Riders.

Ace Bunny: I'm Ace Bunny, leader of the Loonatics.

Pohatu: I'm Pohatu, Toa of Stone.

Lars: I'm Lars Loud of the Loud Brothers.

Common Cold: (Sneezes) I'm the Common Cold.

Sunny Starscout: I'm Sunny Starscout.

Pipp Petals: I'm Zipp's Sister Pipp Petals

Hitch Trailblazer: I'm Hitch Trailblazer

Izzy Moonbow: I'm Izzy Moonbow.

Misty Brightdawn: I'm Misty Brightdawn.

Sprout Cloverleaf: And I'm Sprout Cloverleaf.

Touma Kaito: Awesome to meet you all.

Me: Sunny and her friends are the descendants and legacies and next generations of the Guardians of Harmony.

Kaito Touma: Wow! That is cool.

Me: It sure is.

Ace Bunny: I'm actually from the future.

Me: About 700 years into the future. Ace is from a place called Acmetropolis.

Ace Bunny: He's right. I'm the Descendant of Bugs Bunny and it's awesome.

Kaito Touma: Wow! That is cool! And amazing as well.

Me: It sure is.

Sento: And those Fullbottles actually came from my team.

Me: Yep.

Kaito Touma: Wow that is amazing!

Me: It sure is. But Sento's adventures have a bittersweet feeling to them.

Kaito Touma: What do you mean?

Me: Sento came from a Japan that was like this.

I showed a hologram of what happened in his world and it was horrible!

Pohatu: Japan was divided into 3 factions because of a huge wall.

Nico: Yeah and the main bad guy was Evolt.

Kaito Touma: Oh man! That is awful!

Nico: It was.

Me: But we killed Evolt.

Pohatu: No doubt he will make a return when it's my time to shine.

Me: Yeah.

Kaito Touma: I see. So, Zipp. Tell us about your background story.

Zipp Storm: Well I'm one of the princesses of the Pegasus Kingdom, Zephyr Heights. I am next in line for the throne.

Pipp Petals: Me and Zipp are both princesses.

Me: It's true.

Kaito Touma: Oh wow! So Zipp is the legacy of Rainbow Dash and Pipp is the legacy of Rarity.

Pipp Petals: That's right. Oh my glitter you are observant.

Me: Yep. But instead of fashions she does hair. Pipp made my hair amazing.

Nico: Yep.

Kaito Touma: That is awesome.

Me: Yep. Also Zipp is very smart and has very cool gadgets. Show him.

She pulled out her Zipp Goggles.

Kaito Touma: Cool goggles.

Me: Izzy made those for her. They are very spiffy and futuristic.

Izzy Moonbow: Yeah I'm a tinkerer and love building and crafting stuff.

Me: Yep.

Kaito Touma: That is cool!

Nico: Yep. But where she came from wasn't pleasant.

Sunny Starscout: Blame Opaline Arcana for that.

Me: She destroyed and ruined everything that Twilight Sparkle worked so hard to accomplish.

I told him everything she did and it wa HORRIBLE!

Kaito Touma: Oh man! That is awful!

Me: She was pure evil incarnate.

Misty Brightdawn: I was her right hand girl and she hated everything.

Me: And all because she wanted power and wasn't going to stop until she got it.

Nico: But she's gone for good.

Me: Yep. Now we have a chance to rebuild everything that Opaline destroyed.

Kaito Touma: That's awesome news.

Nico: Yep.

Sparky cooed.

Kaito Touma: Oh and who is this little fella?

Hitch Trailblazer: This is Sparky. He's my baby dragon.

Me: Long story on that. Hitch hatched him from an egg and he was looking out for him since.

Kaito Touma: He sure is cute.

Me: Yeah.

Nico: So, has anything happened since last visit?

Kaito Touma: Well we got reports of a strange tornado of pure fire appearing.

Me: A strange tornado of pure fire.

Nico: Whoa!

Then my phone rang.

Me: Oh excuse me.

I answered.

Me: Hello?

Lincoln: J.D. it's Lincoln! I just had a premonition on the Akuma you're going to face.

Me: An Akuma on our mission! That's a first.

Lincoln: I know.

Me: One sec.

I put it on speaker.

Me: Go ahead I put you on speaker.

Lincoln: Okay. Her name is Demented Scorchnado. The Hypothetical Akuma of Pakura and a tornado of pure fire. She has intense fire powers. She was made because of the Hidden Sand Council sending her to her doom and vowed to kill them all.

WE GASPED!

Kaito Touma: Normally, we'd fight one of my enemies

Me: Yeah. That's what I was expecting. But I guess we have to diversify.

Nico: Yeah.

Me: Kaito told us what she looks like and it's a tornado of pure fire.

Nico: Yep.

Eli: Yeah.

Nico: Where is she right now?

Eli: (Concentrates) Heading to a small village by Mount Fuji.

Me: Lets go! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Sento: HENSHIN!

He transformed!

Nico: Lets go!

We were off!

Nico: Let's keep an eye out.

Me: We don't have to look far! LOOK!

We saw DEMENTED SCORCHNADO!

Me: WHOA!

Eli: WOW!

Nico: That is one SCORCHINGLY hot tornado!

Kaito: No kidding! ULTRAMAN MAX!

He turned into Ultraman Max!

We flew and confronted her!

Me: Pakura!

Demented Scorchnado: So you all came. I guess you were expecting one of the Ultraman Max enemies to show up.

Me: Well it's good to face an Akuma for a change.

Nico: Pakura is that you?

Demented Scorchnado: Yes Nico it's me.

Me: You were made this way because of the Sand Council. I know the corruption of the Sand Council was bad. But you don't have to worry about them anymore. We sent them to our newest Blood Prison down in Antarctica.

Demented Scorchnado: Wow!

Eli: Yeah we just made the Antarctica prison better than ever and made more room.

Nico: Sorry we have to do this.

Me: But it's for your own good.

Eli: Yeah! MANDA!

Out came MANDA!

Manda roared.

Manda: Ahh so one of the Akuma's this time. This will be interesting.

Manda fired a wave of water and blasted her.

Sento made Shadow Clones.

Me: It was my quirk. Long story on that but it was cool!

Ace Bunny got out his Fullbottle.

ACE BUNNY OF THE LOONATICS! ZAVOK! BEST MATCH!

He fired waves of energy and blasted her all over.

Me: YEAH!

But then an energy ball flew in and blasted Demented Scorchnado all over.

Me: WHOA!

Then out came a girl with green hair, red eyes, black clothes and black wings and had Ball Weevil in a tiara.

Me: (GASP) Wendy Weevil!

Nico: Ball Weevil's Embodiment! WHOA!

Wendy Weevil: (Grunts) Yeah I got this!

She blasted down Demented Scorchnado.

Me: WHOA!

Eli: Awesome!

Wendy lost control and spat an energy ball at Common Cold

He flew and dodged it and fired a snot blast and drenched her!

Me: YUCK!

I fired the antidote ray and injected her.

?: Let me help!

Out came a girl with orange hair, red eyes, orange and red clothes and had fire angel wings and had Firestorm Prominence in the middle of her forehead, on her skirt and shirt and had a Fire Kanji necklace and she had a fire sword in her hand.

Nico: (GASP) Talia Voncanyo!

Me: Wow! Firestorm Prominence Gene-slammer.

Talia Voncanyo: That's right and also Wendy here is my sister and I'm trying to save her from herself.

WE GASPED!

Me: Whoa!

Talia Voncanyo: Let me help save her. I can help her.

Nico: Okay.

Talia Voncanyo: Wendy I know you are in there somewhere. Let me save you from this monster you became.

Lars charged at her and blasted her with darkness.

Talia Voncanyo: This will make you remember. This is my lullaby I sang to you.

(TO WHERE YOU ARE BY CHLOE AGNEW PLAYS)

Talia Voncanyo: (SINGING DIVINELY)

Who can say for certain

Maybe you're still here

I feel you all around me

Your memories so clear

Deep in the stillness

I can hear you speak

You're still an inspiration

Can it be (?)

That you are mine

Forever love

And you are watching over me from up above

Fly me up to where you are

Beyond the distant star

I wish upon tonight

To see you smile

If only for awhile to know you're there

A breath away's not far

To where you are

Are you gently sleeping

Here inside my dream

And isn't faith believing

All power can't be seen

As my heart holds you

Just one beat away

I cherish all you gave me everyday

'cause you are mine

Forever love

Watching me from up above

And I believe

That angels breathe

And that love will live on and never leave

Fly me up

To where you are

Beyond the distant star

I wish upon tonight

To see you smile

If only for awhile

To know you're there

A breath away's not far

To where you are

I know you're there

A breath away's not far

To where you are

Wendy then came back.

Wendy Weevil: Sis? Sis? Is...

Talia Voncanyo: Yes Wendy it's me.

Wendy Weevil: You have to help me sis! I don't know what it is that made me this way but I can't fight it!

Talia Voncanyo: Yes you can sis. I know you can fight it.

Lars got out his Fullbottle

LARS LOUD! RAVEN BRANWEN! BEST MATCH!

Wendy was about to lose control again. But Lars fired beams of darkness and blasted her down and Talia fired waves of fire and smashed her down too. Then the antidote took effect and she was cured.

Wendy Weevil: (Groans) Talia?

Talia Voncanyo: Sis thank goodness.

Me: Lets bring down Demented Scorchnado nest.

Nico: You got it!

Pohatu got out his fullbottle.

POHATU OF STONE! AVALANCHE! BEST MATCH!

He fired rock storms.

Osiris, Leap Frog and Roller Ghoster blasted Demented Scorchnado and Sunny and friends fired waves of energy and blasted her.

Me: YEAH! Lets get her Kaito!

Kaito Touma: Lets!

We fired waves of energy and blasted her all over and blasted her down.

We won!

Nico: Is she down?

Me: Yes.

Eli: She is.

Me: Good.

Talia Voncanyo: That was awesome!

Kaito Touma: You have a magnificent voice.

Talia Voncanyo: I love being a singer and it's fun.

Eli: Awesome.

Me: Do you have a favorite memory of Nico?

Talia Voncanyo: I sure do. When Nico came to support me at a concert I did for Saint Patrick's Day and it was awesome.

Nico: That was fun.

Me: Cool!

Nico and Talia hugged.

Nico: I've missed you.

Talia Voncanyo: Same here.

We later went back home.

May: Hey guys. How did it go?

Me: Awesome!

We told everyone everything and it was cool.

May: WHOA1 That is awesome

Me: It sure was.

Nico: Next, Nerissa, Elena, Bombo, Lightning Dust's teammates, Zick's parents, Kairi Yano, Keiichiro, and Lupin should come with

Me: Good idea!

Qin: Yeah!

Later me and Eli were taking Catarina and Nico to a special place for a blind date. We had them blindfolded.

Nico: I wonder where it is we're going.

Eli: You'll love it.

Me: Yeah.

Catarina Gruyere: This will be fun

Scrappy Doo: Dadadada da da! We're here!

We took off the blindfolds and they saw that we were at The Cheddar Pot!

Nico: (GASP) The Cheddar Pot!?

Catarina Gruyere: Oh wow!

They saw each other and gasped!

Nico: Catarina!?

Catarina: Nico!?

Both: YOU'RE MY BLIND DATE!?

Nico: J.D. I'm going to get you for this.

Eli: It was my idea.

Me: It's true. Also you can't even begin to imagine how preposterous the wait time is here. But I pulled some strings and got us all a table.

Nico: Wow!

We went in and got some good food. Especially the cheese fondue with brie squares.

Nico: (Eating) Mmm! Oh delicious.

Me: It sure is.

Eli: I'll say!

Me: (Eating cheese fondue) Mmm!

Ilse Sweldens: (German Accent) Eli, I would run if I were you

Eli: I know.

Eli: Later!

Hun Gurr: Where is he?

Anakin: Cheese factory.

Nico: AHA!

He teleported out.

Nico: Drat!

Nico got a bunch of cheese wheels and ate them!

Anakin: Jawbreaker factory.

Eddy: JAWBREAKERS!

We teleported there.

We saw Eli hiding in a bunch of huge jawbreakers.

Eddy: JAWBREAKERS!

Eddy loaded up on Jawbreakers!

Eli teleported away.

Nico: Where'd he go now?!

Anakin: The Soda factory!

We teleported there.

We found Eli drinking pineapple soda!

Nico: AHA!

He teleported away.

Ahsoka Tano: Violin factory.

Me: Weird.

We teleported there.

He left before we got there.

Me: OH COME ON!

Nico: Now where?

Anakin: Candy factory.

We teleported there and saw that Sergio had him

Sergio: (Squawks) Here he is!

Sergio had Eli in his claws.

Eli: SERGIO YOU TRAITOR!

Me: Nice work Sergio!

Eli: Uh oh.

The embodiment of Gravity Antonion came.

Elaine Gravity: Elaine Gravity, Embodiment of Gravity Antonion.

Mandee: Same here!

Elaine Gravity: You too Jackie and Mandee. Been a while.

G1 Snarl: How did you Gravity Antonion girl meet Jackie and Mandee?

Lightning Dust: It was nice.

Me: Yep.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Lynn's big day against Jugglus Juggler and our final showdown with Dark Lynn starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Jugglus Juggler, he's on the move and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're on the move, Jugglus Juggler.

Eli: It's finally time.

Lincoln: It is.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: it was Jugglus Juggler, he's on the move and causing havoc.

WE GASPED!

Lynn: I knew it, I knew that loser was at it.

Minuette: Same here.

Cammy Bolton: Now, we can finally take him down and destroy him forever.

Nico: You got that right, Cammy, that monster's lived for far too long.

?: You said it, he's going to die here and now.

Suddenly, we saw a girl with red hair, red clothes, red eyes, red angel wings, she has the Faiz symbol on her forehead, sleeveless top, and skirt, she has on a necklace with the Faiz symbol for the pendant, and she has a Faiz Edge in hand.

Lincoln: (GASPS) Fiona Faiz, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Faiz Team.

Takumi: Fiona's here, awesome!

Cassidy: Takumi, Lincoln, you guys know her?

Lincoln: Indeed I do, Cassidy.

Takumi: And so do I, this is Fiona Faiz, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Faiz Team, she's Lincoln's Guardian Angel from Japan, and she's a deadly powerful master of good and a very powerful master of technology and more and she has all the powers and skills of all the Orphnochs, and she's also as strong and powerful as all the Faiz Riders and the Orphnochs combined times 500,000,000,000,000,000,000,000 and she absolutely loathes and despises Masato Kusaka and Kyoji Murakami with a bloodthirsty vengeance and she vowed to kill them both thousands of times and make them suffer. She moved to Michigan, and she trained Lincoln in the powers of technology and more and all the powers and skills of all the Orphnochs. Plus, she also helped him with getting stronger and faster, and because of that, Lincoln became as strong as all the Faiz Riders and the Orphnochs combined times 500,000,000,000,000,000,000,000. Lincoln made her a Kamen Rider Faiz-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and she specifically hates Lori.

Nico: Whoa! And Lori, what the Hell did you do to piss her off?

Me: She came home in one of her nasty moods again and tried to kill Lincoln only for her to blast her out with a laser beam, and they told Mr. Lynn and Ms. Rita of what she tried to do, and they made sure she was grounded and they took the car keys from her.

The previous group came

Abis Mal: Can me, Deker, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE and Electro go with you guys?

Nico: Yes you all can come with us.

Qin: Yeah.

Miranda: Nico, which Gene Slammer do you think you'll meet next?

Nico: SkullSatamon next.

Me: Whoa! Dark.

Qin: Yep.

Suddenly, Lincoln pinned Fiona Faiz to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Fiona Faiz: That was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln: Sorry about that.

Nico: And shame on you, Lori. Alright, team, let's go, we're off to Japan to help Gai and the team destroy Jugglus Juggler.

Lincoln: That monster's time is up, this is where he dies.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive

angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Dark Lynn, and she's on a violent rampage beating people up and she still wants revenge on Lincoln. When we saw it, we knew it meant trouble.

Lincoln: ARE YOU KIDDING ME?! Why, you belching farting...!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D.: the figure we saw our old enemy, Dark Lynn, and she's on a violent rampage beating people up and she still wants revenge on me.

Eli: THAT SUPER-AGGRESSIVE, VIOLENT, BAD TEMPERED, RUDE, BELCHING, FARTING SORE LOSER GORILLA AND EXCUSE FOR AN ATHLETE!

Luna: Our words exactly. She's not getting away with this, we're putting her down!

Nico: Without a doubt! Alright, team, let's get going to Japan and help Gai and the team.

Lincoln: Jugglus Juggler's time is over, this is where he dies, and once we get done with that monster, you're next, Dark

Lynn, you super-aggressive, violent, bad-tempered, rude, belching farting gorilla!

Lynn: This is the last time we ever have to deal with that sore loser gorilla, this time, she dies here and now. Gai, you and your team hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to help Gai and the team destroy Jugglus Juggler, and once we get done with him, it's on to the final showdown with Dark Lynn, and this time, that super-aggressive, violent, bad-tempered, rude, belching farting gorilla is going to die once and for all, and she's never ever coming back!

We were off to Japan

We arrived.

Me: We're here.

Camie: Awesome.

Motor Ed: We should call Shiv. Seriously

Nico: Good idea.

We called Shiv.

Shiv came.

Shiv: I'm here.

Me: Cool.

Gai Kurenai: Hey guys!

We saw Gai.

Me: Hey Gai!

Astro Man: Mind if we enter your base?

Gai Kurenai: Sure!

We went to VTL HQ

We arrived there.

Naomi Yumeno: Hey guys!

Lynn: What up Naomi!

Me: Looks like you guys are doing great.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to the Ultraman Orb team): Hello there! I'm the beer fairy! Come to give you guys 4 bottle of beer!

Snake Man: You'll get ones under your pillows if you're good!

Electro: Sorry about this.

THEY SCREAMED IN FRIGHT!

Gai: Is that Pooh and Piglet?!

Nico: Yeah it is.

Me: Yep.

Lynn: It's not pretty

Sora: Basically, it's when Pooh and Piglett go on a Killing spree after Christopher Robin goes to college

Me: Yeah.

Gai Kurenai: You're only a kid once. You can't help growing up.

Camie: That is true.

Qin: Yeah.

Gai Kurenai: Yeah I agree there.

Me: But look at us. We'll be kids forever. Immortality and invincibility comes with eternal youth.

Camie: It's true.

Qin: Yeah.

Xenia: Yep.

Naomi: Why haven't you given those guys the black gates!?

Me: Because innocent people made that movie! Our code strictly prohibits us harming the innocent. Our job as superheroes is to PROTECT the innocent. Not destroy them.

Naomi: Oh. Sorry.

Lincoln then had a premonition!

Lincoln: OH MAN! I just had a premonition on who we're going to face for the Akuma.

Me: Who?

Lincoln: Her name is Tantrum Athlete and she is The 2nd Hypothetical Akuma of Lynn and she is one with an extremely nasty and horrible disposition. She is as strong as 400,000 men and has fire powers that can burn and kill. She was made because of being banned from all sports forever and because of her enemies Scoots, Hawk and Hank and everyone turning against her and she vowed TO KILL THEM ALL WITH EXTREMELY PREJUDICE! Anyone that stands in her way will die

WE GASPED IN UTTER SHOCK AND HORROR!

Qin: OH MAN!

Lynn: Holy mackeral!

He showed a sketch and it looked like a black haired version of Lynn she was ripping someones head off.

WE GASPED!

Qin: HOLY CRAP!

Varie: JEEZ!

Me: Damn that Scoots and curse those pinheaded imbeciles Hawk and Hank!

Lola: YEAH!

Gizmo: Those three barfbrains really make me sick!

Qin: YEAH!

Giganta: Just when Hawk and Hank couldn't sink any lower

Me: Yeah!

Lola: Jerks!

Lynn: I hate those jerks!

Me: We gave Scoots the Black Abyss so that's good.

Private HIVE: Where is she right now?

Eli: (Concentrates) She's 500 yards away and closing fast! 350!

Me: WHOA! She is REALLY FAST!

We went to face her.

We went outside.

Clawful: Is that her!?

We saw a figure coming!

Tantrum Athlete: I WILL KILL YOU!

I ran fast and punched her in her face and sent her crashing into a rock!

Me: WHOA!

Nico: SHE IS REALLY OUT OF CONTROL!

Tantrum Athlete picked up a huge boulder and lifted it and threw it and then I punched it and smashed it into dust!

KRASMASH!

Radioactive Man: Lynn? Is that you?!

POW!

She punched Radioactive Man in his face and knocked out 4 of his teeth!

Lynn: MAN THIS VERSION OF ME IS COMPLETELY OUT OF CONTROL!

Qin: No kidding!

Lola: YEAH!

I punched Tantrum Athlete in the face and then we clasped hands and growled ferociously!

Me: (GROANS) MAN SHE IS STRONG!

Nico: WOW!

I headbutt her and kicked her in her face.

Radioactive Man: I'm okay!

Nico: At least this one is putting up more of a fight.

Shiv: Guess we're doing this the hard way!

Shiv slashed her with light blades.

I kicked Tantrum Athlete in her face.

She ran fast and I dodged her punches.

She fired fireballs and I dodged them and they hit the ground and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOMMMM!

Nico: WHOA!

I flew into the air and she flew after me and I punched her in the face and kicked her down.

Tantrum Athlete: My turn!

She went at me and I dodged all her punches and kicked her in her stomach!

Me: You need to take a nap missy!

SLEEPING DRAGON MAGISWORD!

I fired a beam of energy from it and she was out cold.

Nico: WHOA!

Konan: You ok, Radioactive Man?

Radioactive Man: (Spits out teeth) I do know a good dentist thankfully.

Me: Ouch.

Xenia: That was brutal.

Varie: No kidding.

Gai Kurenai: Boy that one was brutal.

Lynn: And all because I let Scoots and Hawk and Hank make me snap like that. What a bunch of jerks!

Nico: Yeah.

Mojo: How about you let Nico heal you?

Nico: Good idea.

Radioactive Man: Thank you.

Nico snapped his fingers and he was back to normal.

Me: There. Now comes the fun part of our mission.

Maria: The usual battles.

Gai Kurenai: Cool!

Thorn: That Akuma put up a fight

Qin: No kidding!

Laney: Yeah!

Nico: It won't be the last time we face Akuma's like that though.

Radioactive Man: That is too true.

Nergal: Anyone want pizza before the fun part?

Gai Kurenai: Sure!

Me: I am a little hungry.

We got to eating some pizza.

Me: (Eating) Mmm! Delicious.

Ravencroft and Felix Faust came

Nico: Rex Goodwin, Roman Goodwin, Carly Atlas, Devack, Misty Tredwell, Kalin, Greiger, General Schwarz, Ben Ravencroft and Felix Faust.

Roman Goodwin: That Akuma was probably one of the more vicious ones.

Carly Atlas: She probably won't be the last.

Devack: No, she won't.

Me: Yeah you're telling me!

Misty: (to Nico) We heard you fought an old enemy of J.D's.

Nico: We sure did and you were there Misty remember?

Misty Tredwell: That's true.

Rex Goodwin (to Brittney): You should take care of that Chandelure.

Brittney: I will.

Wolfgang then came.

Me: Wolfgang! Up for another round?

Wolfgang: I sure am!

Me: HOWLORIFIC!

Wolfgang: Can I have some pizza first?

Nergal: Here boy!

He threw him a slice and he ate it.

Nico: Nice!

Qin: Cool!

Brittney: Yeah dad said that she was a really insane psycho jealous monster and she hated her sister Selene with a vengeance.

Rachel Goodwin: You would not like her dad. She was a really heartless monster.

Rex Goodwin: How so?

Rachel Goodwin: She used her sister's condition of extreme photosensitivity against her and tried to kill her by burning her in the sunlight.

THEY GASPED!

Rex Goodwin: What a monster!

Amber: Yeah no kidding! They sent her to an insane asylum. But she ran away from there. J.D. and his sisters sent her to prison and Selene got a restraining order against her and her family cut all ties with her.

Twilight Sparkle: That was crazy.

Rex Goodwin: I can tell. What was the treasure you guys found down there?

Twilight Sparkle: It was called the Staff of Aquarius and Nicole said it was the first of 12 staves called The 12 Staves of The Zodiac and it has the powers of the Water.

Stellar Sparkle: Yeah that was really cool!

Starshine Sparkle: We were amazed that 12 Staves like that exist.

Spyro: We sure were.

Rex Goodwin: Wow! That is amazing! Lets do it!

BRITTNEY KNUDSON! HEATBLAST!

Brittney: Lets see you like my book.

Brittney's book was called The Empress of Darkness and The Violet Condor of Viracocha.

Brittney: (Reads verse) "With the powers of darkness she and the goths went into battle against the dark forces of the Violet Condor and blasted him with pitch black darkness that sent their forces back into the voids of darkness from whence they came."

They fired waves of darkness, violet fire and magic and smashed them down.

They are the gene-slammers of Yormungarde, Kairyu Shin, Roaring Ocean Snake, Spike Seadra, Levia-Dragon Daedalus and Water Dragon

Rachnera: We found out that they were the result of a mad scientist named Dr. Emilio Vellenxia.

Roman Goodwin: Dr. Emilio Vellenxia!? I've heard of him! It's hard to imagine he would do all that!

RD Girl Jordan: Yeah but we were shocked that his crazy experiment worked!

Hexe Trude: Yeah! We thought he was going to turn into another Orochimaru but apparently he is the exact opposite. His experiments are all a success. But the damage was already done.

---

Carly Atlas was next.

Carly (to Haiku): Lincoln's rescue was bringing the corrupt villages that harmed the Akuma's of the Jinchuriki to justice. How was it?

Haiku: It was epic. The gods of the villages were really infuriated about how they were treating the Jinchuriki as well as learning about how the Jinchuriki were treated that turned them into Akuma. And so they decided to take incredible action by bringing all those that were responsible for hurting them to justice.

Carly Atlas (Clone): You should have seen it. It was brutal. We rounded up the entirety of the corrupted councils and the civilians and tied them up and blew up the villages they came from and brought them to our Hidden Leaf Village to face punishment. To say that Lady Hokage was horrified and enraged was an understatement.

Tsunade: Of all the goddamn...! Lincoln, thanks for bringing them here to face judgement for their crimes, and the girls did the right thing wiping their villages out. Now, let's get them prepped for the trial.

We met with the council, and after we presented every single piece of evidence, the corrupt village councils and villagers were found guilty of their crimes.

Tsunade: And as punishment for all of your crimes, you shall be stripped of all your Chakra and Jutsu and you'll be sent to the newly renovated Vostok Blood Prison. Lincoln, if you would?

Lincoln nodded, and he went to each of the corrupt village council members and villagers, and he placed his hands on each of their heads, and one by one, he sucked out and stripped them all of their Chakra and Jutsu and made them his own, and then, we tied them up in neutralizing straitjackets and threw them in the newly renovated Vostok Blood Prison.

Lincoln: Let this serve as a lesson, any who betray the villages and its people will be dealt a divine punishment from the Gods!

FLASHBACK ENDS

Carly Atlas: HOLY SHIT! That must've been brutal!

Goku: It was! All those clods had no honor and their power went to their heads.

Fluttershy: That was really amazing though.

Lilja: (Icelandic Accent) It sure was and we were shocked to hear about Pakura being Akuma like that.

Daffodil Bloom: We sure were. Pakura was made that way because of the Corruption of the council.

Me: Same with me!

Lincoln: And there's no use hiding Dark Lynn so come on out you filthy parasite!

DARK LYNN CAME OUT AND SHE WAS REALLY PISSED!

Dark Lynn: STINKOLN YOU WILL DIE!

Yost Spidey (to Dark Lynn): You're gonna pay for hurting Aunt May.

Dark Lynn: My only regret is that I missed her heart!

POW!

Dark Lynn got socked in the face by Anna Anyanova!

Juggler: Moogers! Attack!

An army of Moogers appeared

Me: Moogers! Now you're talking!

I fired waves of energy and fire and blasted them into dust.

The Moogers jumped the Ultraman Orb team and pinned them.

The Orb team lay defeated at the hands of the Moogers.

Juggler (laughs evilly): Don't worry about Little Varie. After you're all dead, she's next!

POW!

I punched Juggler!

Me: YOU WILL NOT LAY A HAND ON HER YOU MOTHERFUCKER!

Poromon: (pecks a Bechat with his tail) Oh no. What do we do?!

Lynn, Minuette, and Cammy got an idea.

Lynn: Everyone in the audience! Lend the Orb team your strength!

Minuette: They get stronger with your support!

Cammy: When we give the signal, share your energy with the Orb team. Okay? Ready... go!

Everyone in the audience began sharing their energy with the Orb team. And soon, Gai found the strength to get up.

Gai: You're not laying a finger on Varie!

With that, Gai punched a Mooger, knocking it down.

Me: TAKE THAT!

Juggler: WHAT!?

Dark Lynn: CURSE YOU MOTHERFUCKERS!

Gai: Thanks for the help, everyone.

Naomi Yumeno: So many people are cheering for us.

Biranki: I didn't expect anyone to cheer for me.

Ittetsu Shibukawa: I'm not complaining.

Me: Lets shall!

Lynn: Can me, Minuette, and Cammy transform with you guys?

Jayden: Sure thing, Lynn.

Samurai Rangers: Go go Samurai!

Antonio: Samurai Morpher! Gold Power!

Tsukasa brings out his magenta belt and slaps it on his waist.

Tsukasa: Henshin!

With that, Tsukasa inserts his card into a slot on the driver and then pushes the sides in, twisting the device 90 degrees, obscuring the card slot.

Neo Decadriver: Kamen Ride! Decade!

As the pronouncement is made, Tsukasa's familiar pink and black suit is formed by nine blurry images of it consolidating onto him before the barcode pattern forms across the helmet's green eyes, generating the magenta hue the suit is known for.

Daiki: Time to follow suit.

With that, Daiki pulls out a card bearing an image of his Rider suit's head and his gun. Daiki slides the card into a gap in the side before extending the barrel out forward, revealing the back of the card)

Neo Diendriver: Kamen Ride!

Daiki: Henshin! (Pulls the trigger)

Diendriver: Diend!

As the trigger is pulled, Daiki is surrounded by red, green, and blue copies of his armor, over which stands a blue barcode like symbol. Eventually, the armor copies consolidate onto him, at which point the barcode applies itself to Daiki's head, giving the blue color to the rest of the armor.

Ikki and Vice: Henshin!

Revice Riders: HENSHIN!

They transformed!

Jayden: FIRE! SAMURAI RANGER RED READY!

Lauren: FIRE! FEMALE SAMURAI RANGER RED READY!

Minuette: And you've also hurt so many innocent people in the process, and now, we will make you pay the ultimate price for every last one of your crimes with your own blood.

Cammy Bolton: That's right. And as for you, Dark Lynn, you've got some goddamn nerve escaping from The Black Gates and from Hell, but we've had it up to hear with you, you bitch. After we destroy Jugglus Juggler, you're next, you four-legged gorilla!

The emblems on Ikki and Vice's chests glow before a magenta projection of the Rex Vistamp's seal appears in front of Ikki and a blue version appears in front of Vice. The two seals combine into a red projection of Revice's emblem as Vice transforms into a ball-like form and bounces into the air. Ikki jumps up and kicks Vice toward Juggler, producing dark crimson energy and a magenta shockwave. While flying toward Juggler, Vice is covered in fire and leaves a trail of lightning and cold air before striking Juggler, producing a shockwave. Vice continues spinning and grinds against Juggler, producing more fire and electricity as well as splashes of black paint. Vice then bounces off of Juggler, producing an orange shockwave as well as an explosion surrounded by fire, lightning, and wind.

GOOD RIDDANCE, YOU MONSTROUS BASTARD, AND DON'T YOU DARE COME BACK, YOU VIOLENT MONSTER OF CHAOS!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long chestnut brown wolf tails, longer sapphire blue horn, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Lynn, Minuette, and Cammy Bolton are permanent.

Gai Kurenai: Goodbye and good riddance forever, Jugglus Juggler. I don't want to see your face ever again.

Nico: That monster has lived long enough.

Me: Now, he's finally gone forever. Now, for one last piece of business.

We turned to the barrier Lincoln put up, and inside it was our next target: Dark Lynn who was still punching the force field like an idiot!

Lincoln: Yep, and our last bit of business before we head home is none other than Dark Lynn.

Lincoln put the barrier down, and we saw Dark Lynn and she was absolutely BEYOND ENRAGED AND SHE WAS SNARLING AND GROWLING LIKE A SAVAGE ANIMAL!

Lincoln formed a massive and indestructible diamond barrier infused with rainbow, white, and blue energy that protected all of us from Dark Lynn who tried to destroy the barrier with her already bloody fists, but it didn't work, and her fists wound up getting bloody and her bones shattered.

Lynn: Seriously?! You're still at it again?! Well, I shouldn't be surprised to know you're still the same dumb stupid moron with your head far up your butt.

Minuette: And after everything you've done to our future husband just because you despise him, you are not getting out this one alive!

Cammy Bolton: That's right, we're getting rid of you here and now once and for all, and we are going to make absolutely sure that you are never coming back from the dead ever again!

Suddenly, the eyes of Lynn, Minuette, and Cammy Bolton turned neon red, neon sapphire blue, and neon blue, and they were surrounded by colored and white and blue energy auras with stars, aura energy, white and blue heavenly flames, lava, earth, fire, clocks, hourglasses, magic, water, ocean waves, Alicorns, sharks, dragons, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Dark Lynn, they left colored and white and blue energy, stars, aura energy, white and blue heavenly flames, lava, earth, fire, clocks, hourglasses, magic, water, ocean waves, Alicorns, sharks, dragons, phoenixes, and angels with every step.

Lynn: I've had it up to hear with you trying to kill my little brother, you stupid belching farting gorilla, for too long, you've bullied and tried to murder Lincoln just to slake your bloodlust.

Minuette: And you've also beaten him up many times before and made fun of him like the monster you truly are, that is truly unforgiveable.

Cammy Bolton: Not to mention, you've also done some extremely low things to your own brother to make his life a living nightmare and an unbearable misery. You don't deserve to live or breathe ever again, this time, you better stay dead and gone forever, you stupid gorilla!

Seriously, you know, you remind me of all the Evil Sasukes that we've been killing, and J.D. still remembered saying the very same thing to Sasuke's evil father in 150,000 years hence just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. That day when you turned my big sister, Lynn, into something that I was unable to recognize and kill me and all for your petty hatred of me and your stupid toxicity, all you did that day was seal your fate. You poisoned Lynn with your pathetic superstitious toxic behavior thinking your so-called softball gods will grant you victory! And even worse than that, you turned Lynn into a total sore loser in every last sports game she participated in, and your own hatred towards me, her own brother, along with a toxic hatred over everything had turned her into a completely hard-headed, homicidal, completely mentally unstable psychopathic monster and an almost totally lost cause who was afraid to take responsibility for the consequences of the misdeeds that you forced her to commit, that was until J.D. saved her. You never showed any value towards friendship or comradery, you just wanted everything handed to you on a silver platter, you fucking dickhead bitch! You have and always been a sore loser at everything related to sports, and whenever you don't get your own way, you just get angry and you resort to violence and brute force to get your own way, and you just say that you're destined for greatness. SHUT THE FUCK UP! But, as I'd seen, you've turned out to be a pathetic lost cause, and you know it. You'll never be in the same league as Lynn because she changed her sore loser attitude and her abusive bullying ways after you were removed and I permanently severed you from her, and it's true she deserved every last beating for what she'd tried to do in killing me, but that was all your fault from the very beginning you came into existence, and there's the one thing that will always beat your toxic hatred: love, and it was the love Lynn had for me, our family, friends, and her boyfriend, Lightning, that she finally broke free from you, you rampaging gorilla, and she was also chosen by Guabancex to be her champion, and because of it, she'd gotten stronger and smarter in these last seven years. Plus, you will never ever be in the same league as me, I can destroy the entire universe in the mere blink of a cosmic eye, in fact, next to my kind of power, you are and always will be nothing compared to me and you have and always will be nothing but a pathetic ant compared to it. The way I see it, you have and always will be nothing more than a toxic, heartless, selfish, abusive, mentally unstable, psychopathic, rampaging, rage-crazy anger mismanagement sore loser monster and family destroyer, it's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that, I will always fucking hate your style above all others, you ruthless fuckkicker! What is it that you were hoping to accomplish? Beating me up to an inch of my life, trying to kill me and everyone around me and making me suffer for your own amusement, committing crimes all over Michigan by acting like a sore loser and assaulting people just to satisfy your own urges of chaos and destruction, murdering innocent people, pursuing petty and worthless desires like revenge, and above all, betraying the very family who'd loved you since birth and the little brother whom you swore to protect. But, then again, you don't give a flying fuck about anyone but your pathetic goddamned motherfucking self and that is exactly why I'm going to finish what you started seven years ago and finally kill you once and for all, and this time, I'm going to make absolutely sure that you're reduced to nothing more than a forgotten memory: a shadow of a dark past that Chase Young's Dark Side caused. You have and always will be a stupid, selfish, raging, monstrous, rampaging, stupid, heartless, powerhungry animal that murders, lies, steals, betrays, and beats up innocent people for your own self amusement. YOU FUCKING DISGUST ME TO NO END, YOU SORE LOSER PIG! (RAINBOW, WHITE, AND BLUE ENERGY AURA FLARES UP AND UPPER AND LOWER BODY MUSCLES BULGE EVEN MORE) I'VE HAD IT UP TO HEAR WITH YOU AND THE GARBAGE THAT COMES OUT OF YOUR MOUTH! YOU HAVE MADE MY LIFE A LIVING HELL FOR THE LAST TIME! THIS IS WHERE IT ALL ENDS FOR YOU, YOU FILTHY PIG!

Lincoln, Lynn, Minuette, Cammy Bolton, Nico, and I and the rest of us went after Dark Lynn, and we fired extremely powerful blasts of rainbow, white, and blue energy, rainbow, scarlet red, white and blue energy, sapphire blue, white, and blue energy, orange and aqua blue, white, and blue energy, aura energy, white and blue heavenly flames, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dark Lynn and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Lynn, Minuette, and Cammy Bolton also did the same by firing colored, white, and blue energy slashes from their massive greatswords and gold-plated dragon claws, and he, Lynn, Minuette, Cammy Bolton, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Dark Lynn even more angrier than ever, if that was even possible!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Everyone, let's get her Loud House Style!

Lincoln, his siblings, and his entire family pounced on Dark Lynn, and they began viciously beating her up as she was overwhelmed by a massive fight cloud, and it really really got mega ugly as they viciously beat Dark Lynn up, and then, Lincoln kicked Dark Lynn hard out of the fight cloud and she crashed into a tree, she got back up, but she was beyond angry and her clothes were badly torn, and that caused her to suddenly grow in muscle and height, and she let out another roar and she beat her chest like a gorilla! It turns out she injected herself with a muscle growth formula before she decided to come out to attack us!

Qin: WHAT THE?!

May: That bitch! She injected herself with a muscle growth serum before we came after Jugglus Juggler and that stupid gorilla herself.

Dark Lynn: (ENRAGED SCREAM) STINKOLLLLNNN! I'LLLLLL KILLLLL YOOOOOUUUUU!

Dark Lynn let out a belch and charged at Lincoln on all fours and grunting like an animal!

BUT THEN SOMETHING SNAPPED IN LINCOLN AND THEN HE GOT EXPLOSIVELY MAD AND WE SAW INTENSE FIRE BURNING IN HIS EYES AND SCLERA!

Lincoln: (ENRAGED SCREAMING) I WILL MAKE YOU SUFFER! NO MORE! NO MORE!

NUMEROUS MASSIVE FIERY EXPLOSIONS WERE GOING OFF ALL OVER AND TURNING THE ENTIRE AREA INTO A MASSIVELY RAGING INFERNO!

LINCOLN PUNCHED HER WITH INTENSE FORCE AND BASHED OUT ALL HER TEETH AND THEN A MASSIVE HUGE EXPLOSION OF INTENSE POWER BLASTED OFF AND LIT THE AREA ABLAZE!

Nico: HOLY FUCKING SHIT!

But then, Lincoln stabbed the tips of his eleven massive and long white wolf tails into Dark Lynn's chest, and he began sucking out her immense superhuman strength, newly massive muscle mass, and energy and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

May: Whoa! He sucked out her immense strength, massive muscle mass, and energy!

Luna: And he made her incredibly weak! Nice!

When Lincoln was done, Dark Lynn was now incredibly weakened and thin as a toothpick after he sucked out her immense strength, muscle mass, and energy, and he tossed her into another wall! Then, as Dark Lynn saw what happened to her, she freaked!

Shiv (to Dark Lynn): Time to finish you for good!

He slashed her all over with light blades!

Dark Lynn: (Weakened) What the heck?! My strength, my energy, my muscle mass, what did you do?!

Then, Lincoln grabbed Dark Lynn by the neck with one of his eleven massive and long white wolf tails and brought her to him, and then, he raised his left arm up in a wind-up position and he clenched his left hand tightly into a tight fist, and his abnormally massive and powerful upper and lower body muscles bulged even more, and then,...!

Lincoln and Lynn: DARK LYNN, YOUR TIME IS UP!

Suddenly, the bell of judgement rang in her meaning her time was finally up! Then, the spirits of all those she'd harmed appeared and grabbed her.

Spirits: Guilty!

The spirits found her guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead, and she was being consumed by the black flames of The Black Abyss and she began to finally fade away: she was finally being erased by The Black Abyss!

Dark Lynn: NO, YOU CAN'T DO THIS! I'M NOT DONE FIGHTING YET! I'LL KILL YOU ALL, INCLUDING YOU, STINKOLN!

Everyone: WHY DON'T YOU FUCKING SHUT UP, YOU TRASHY PIECE OF SHIT! YOU'RE DONE WITH GOING ON YOUR RAGE-CRAZY RAMPAGES AND YOU ARE DONE HURTING LINCOLN FOR THE LAST TIME! NOW, DISAPPEAR FOREVER AND DON'T YOU EVER COME BACK EVER AGAIN, YOU FOUR-LEGGED MONSTROUS SORE LOSER BITCH!

Dark Lynn: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, STINKOLN! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE SHE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU FOUR-LEGGED MONSTROSITY SORE LOSER EXCUSE FOR AN ATHLETE, AND DON'T YOU DARE COME BACK, YOU VIOLENT MONSTER!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long chestnut brown wolf tails, longer sapphire blue horn, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Lynn, Minuette, and Cammy Bolton are permanent.

Lynn: We did it, it's finally over.

Lincoln and Lynn hugged.

Lincoln: It is finally over, Lynn.

Then, they let go.

Suddenly, Minuette wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Minuette's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and an hourglass and clocks and elemental forces behind them and we cheered wildly. Then, Lincoln and Minuette sucked in and absorbed the elemental forces and the display vanished.

Nico: And that is that, Jugglus Juggler is finally dead and gone.

Lincoln: And we are done with Dark Lynn forever! Plus, I've also got the same Evil Sasuke-Style Rants in store for Dark Lori, Dark Lisa, Dark Lola, and Dark Luan. Now, I know what you're gonna say that Dark Lori and Dark Lisa got The Black Abyss after we'd dealt with the Jock Jockerson clones, but here's the twist: instead of sending them to The Black Abyss, I decided to banish them both to Hell, because on the day of the future Ambassador Big Day Missions for Lori and Lisa, I'm gonna tell them off in the same way he told off Dark Lynn, the same also goes for Dark Lola and Dark Luan.

Me: Hey, that's not a bad idea.

Nico: I agree with you, J.D., and that's also a good idea, Lincoln. We definitely want to hear the same kind of rant you used on that filthy animal on those four other Dark Side bitches.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

SATANIC MUSIC PLAYS!

Suddenly, we heard Satanic music playing in the air, and we saw an inverted pentagram appear on the ground along with the Sigil of Asmodeus.

Selene Arcangela: (GASPS) Lincoln, The Sigil of Asmodeus!

Lincoln: I know. The Sigil of Asmodeus appearing means we are running into the next of The Seven Queens of The Netherworld: Tamara Asmodeus, Avatar of Asmodeus, Demon Prince of Lust and Gene-Slammer of Lilithmon.

Me: (GASPS) The Embodiment of Lust?!

Nico: Whoa! So, what can you tell us about her?

Selene Arcangela: Oh right, Tamara Asmodeus, Avatar of Asmodeus, Demon Prince of Lust and Gene-Slammer of Lilithmon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Asmodeus, The Demon Lord of Lust and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Asmodeus himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Lucifer himself, and Tamara Asmodeus is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Tamara Asmodeus a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Me: So, we're not the only ones who want to make Lucifer pay for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Lincoln: Yep. Oh, and her powers over Lust and Sex are far more powerful than Asmodeus and the Succubi and Incubi of Hell.

WE GASPED!

Me: Uh oh...!

Nico: Yipe!

POW!

Kengo punched Constantine

He was knocked down.

Kengo (to Constantine): If you're smart, you'll surrender

He grumbled and agreed.

Kengo: What do you guys wanna talk about now?

We came back.

Me: That's it for him and Dark Lynn.

Kalin: Another Ultraman enemy destroyed.

Greiger: And Dark Lynn is gone for good.

Me: And we avenged Lincoln

General Schwarz: (to the Trigger team) You guys helped too.

Kengo: We sure did.

Gai: See you on March 7.

Kengo: We'll be waiting.

Kengo gave a thumbs up. Gai responded with a fistbump.

Ben Ravencroft: What now?

Felix Faust: Let's celebrate with some pizza.

Me: Good idea.

Nico: Yeah! Great job today everyone.

Minuette: (To the viewers) Now this was a really fun battle!

Qin: It sure was

We went to an awesome pizza restaurant for grub.

We returned home, and we helped Gai and his team settle in. Then, as the sun set and night fell on the city, Minuette and the rest of Lincoln's harem were heading to bed after an awesome mission and party to celebrate the end of Dark Lynn.

Lily the Mermaid: That was a really awesome mission!

Girl Jordan: You said it, plus, now we are finally finally rid of Dark Lynn once and for all! That belching farting buttsniffing aggressive superstition-obsessed murderous sore loser can rot in The Black Abyss forever!

Selene Arcangela: That's for sure! She deserved it, and we heard Lincoln lay down the law on that bitch, and I hope he does do the same thing to Dark Lori, Dark Lola, Dark Lisa, and Dark Luan as well, I so want to see their ears bleed!

?: Glad you all loved hearing my Evil Sister Rant.

Suddenly, the girls entered into Lincoln's room, and they saw Lincoln lying on his super extra-extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing upon seeing their hotter, sexier hulking hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Girl Jordan: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their ten-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lily the Mermaid: (In Heaven) Uh oh, I can tell you're an even more happier mood after getting rid of Dark Lynn, and you're in for a wild night with us.

Lincoln: (Seductive Voice) You guessed it. Alright, ladies, hope you're ready for one...wild...night.

Lincoln's harem went inside Lincoln's room and used one of his eleven massive and long white wolf tails to close the door and the barrier came on.

She was born with the powers of eternal darkness, the fires of Hell, and the powers of Asmodeus himself, and her powers over Lust and Sex are far more powerful than Asmodeus and the Succubi and Incubi of Hell, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Lucifer himself, and Tamara Asmodeus is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Tamara Asmodeus a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Next up is Clay's day to shine and we're battling Tubbimura and this time that fat oaf is going into the M.O.E.

See you all next time.

EARTH VS FAT NINJA

This is for where we battle Tubbimura

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during his rescue, apparently, his dream took him back to Mallet Island: the place where we met Dante, Nero, Trish, and Lady from Devil May Cry and destroyed Mundus, and as he was flying, he saw something and it's not good: it appears Mundus, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam have all returned for revenge against Sherlock Hound for killing them, and they are also threatening to kill Sherlock Hound's friends and allies. Lincoln woke up, but so did his harem too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow, Lily. Mundus, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam have all returned for revenge against Sherlock Hound for killing them, and they are also threatening to kill Sherlock Hound's friends and allies.

Lincoln's harem gasped.

Selene Arcangela: Oh no. This is really bad, if Sherlock Hound finds out, he's going to explode with rage.

Lincoln: No doubt about it.

Paige: But, we got to also tell everyone tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear the truth, and knowing Sherlock Hound, he is going to find out about it, but even though I know he's gonna stay cool, I know that's a lie. I saw him explode with that kind of rage when we went after Mundus two years ago after we came back from the Caribbean. But, it's best that I be the one to tell them tomorrow.

Girl Jordan: Good idea.

Lincoln went back to sleep with his harem. Then, morning came, and Lincoln and his harem got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet.

King Kai: (voice) Nico, J.D., Goku, Everyone can you hear me?

Goku: We sure can, King Kai!

Me: We hear you loud and clear. What's wrong?

King Kai: Good! Now listen carefully. I'm afraid I have bad news. And it's not good. Someone has made a wish on the Black Star Dragonballs.

Me: Wait the Black Star Dragonballs? Master Goku, didn't you deal with them before?

Goku: Yes we did.

King Kai: Yes. I've done some research on the Black Star Dragon Balls a while back and what I dug up is quite unsettling.

Goku: Just how unsettling?

Eli: What is it?

King Kai: Now that a wish has been made, the Earth is in danger of exploding unless all of the Black Star Dragon Balls are found and returned to Earth within one year! (everyone gasps) You see, when a wish is made using the Black Star Dragon Balls, the negative energy left behind begins to take over the planet. Causing massive instability and eventual self-destruction.

WE GASPED IN UTTER SHOCK AND HORROR!

Gohan: What?! King Kai, you've got to be kidding! You mean we have one year to get the balls back or kaboom?!

King Kai: That's exactly right.

Me: Oh shit on my corpse and fuck me sideways!

Qin: SO WE GOT TO GET THE BALLS BACK OR EARTH EXPLODES!?

Nico: OH NOT GOOD! THIS IS NOT GOOD! THIS IS NOT GOOD!

Me: Someone has lit the fuse to the planet's doom! We got to find out who!

Nico: First top priority we got to get the balls back.

Me: Are they scattered all over the Earth?

Goku: No the Black Star Dragonballs scatter all over the Galaxy when a wish is made.

Lola: OH MAN!

Lori: That's Literally gonna be like going to be trying to find a needle in a haystack!

Me: A haystack that's over 100,000 lightyears wide with over 100,000,000,000 stars!

I went to the computer and got to work! The Clock was ticking!

COUNTDOWN TO PLANETARY DETONATION: 364:23:56:17!

I used my computer and found out where they were.

Me: Found them!

Nico: Wow! That was quick.

Pan: Wow! Giru couldn't find them that fast.

7 dots lit up and they were on the planets Tatooine, Krypton, Mustafar, Namek, Cholganna, Dagobah and Mon Calamari.

Nico: Wow! Tatooine, Krypton, Mustafar, Namek, Cholganna, Dagobah, and Mon Calamari.

May: I may not like Dagobah, but we don't have any other choice.

Laney: And we have 1 year to bring them back or else the Earth explodes!?

Me: Earth just became a Ticking Time Bomb. But with the way we move fast and with our technology, we can bring the balls back in Seven Days.

Nico: Yep. And the first stop is Tatooine.

Lincoln: Awesome. Oh, guys, there's something I need to tell you: last night, I had a dream, but this one is a premonition to what's gonna happen on my rescue, apparently, my dream took me back to Mallet Island: the place where we met Dante, Nero, Trish, and Lady and destroyed Mundus three years ago, and as I was flying, I saw something and it's not good: it appears Mundus, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam have all returned for revenge against Sherlock Hound for killing them, and they are also threatening to kill Sherlock Hound's friends and allies.

WE GASPED!

Me: WHAT THE?!

But, that's not all, when Sherlock Hound found out from Lincoln, his blood red eyes turned brighter and his pupils turned into slits.

Sherlock Hound: (British Accent) I can't believe it! Mundus, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam have all returned, and on top of that, threatening to kill those close to me.

Suddenly, the skies turned blood red, and we saw outside that it was now raining blood.

Sherlock Hound: (British Accent) Mundus, I have had it up to hear with you for the last time. After Nico's rescue today, we are coming after you, and I swear, I will end you once and for all, along with Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam, and this time, I will make sure none of you ever return!

WE SAW THE WHITE FLAMES OF HEAVENLY JUDGEMENT AND THE INFERNAL FLAMES OF HELLISH RETRIBUTION BURNING IN HIS EYES!

Nico: Oh...!

Me: Crud...!

Eli: We hadn't seen that look in his eyes since we went after Mundus two years ago!

Lincoln: Just as I thought.

King Kai: (Telepathically) I was just about to tell you about it, but it appears you all were made aware of Mundus' return, along with those cretins from Pentagram City and Heaven that Loona knows, and Mundus' threat is real: he's planning on killing Sherlock Hound's friends and allies in the same way he had Sparda's wife, Eva, murdered after he died.

Sherlock Hound: (British Accent) By sending his minions after Inspector Lestrade, Watson, Mrs. Hudson, and everyone I've met. Now, he's gone too far. (SNAPS FINGERS)

Sherlock Hound snapped his fingers, and we saw on the screen that Mundus' army of demons who were hiding out in London suddenly started convulsing and writhing in agony and pain, and they all exploded into a bloody mess and they were sent to The Black Abyss.

WE GASPED IN SHOCK AND OUR JAWS HIT THE FLOOR!

CLANG!

ELI CLOSED OUR JAWS!

Me: OH GOD! THE INHUMANITY!

Maria: Oh crud, now he's really angry!

King Kai: (Telepathically) This is gonna get ugly later on today. Oh well, they brought this bloody fate on themselves.

Clay woke up too Rayquaza starring at him.

Rayquaza: Morning Clay.

Clay: Howdy and good morning Rayquaza.

Rayquaza: Time for breakfast!

Clay got up.

Clay: YEEHAW! Love a hearty breatfast.

He went and got dressed and went to the table and had eggs, bacon and pancakes.

He was really piling on the food.

Later it was time for the rescue and heading to Luke's home planet of Tatooine was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 12322.4: The U.S.S. Valorous Phoenix is en route to the planet Tatooine for number 1 of finding the Black Star Dragonballs. We're heading to Luke's home planet of Tatooine and battle the first enemy that has the ball.

Me: Boy this is gonna be interesting.

Camie: I know. But it's shocking that someone made a wish on the Black Star Dragonballs.

Lola: Yeah that is crazy! They didn't even realize the terrible consequences that come with them!

Goku: I know. But we're going to find out who it is and make sure they are brought to justice.

Nico: That is for sure Kakarot. Somebody just signed their death warrant.

Volt Kraken: That is too darn true!

Nico: Star Man, I want to thank you, Volt Lraken, and your teams for coming

Star Man: No problem Nico. This is gonna be awesome and cool.

Connie Cosmos: I'm ready for this too.

Varie: Same here.

Nico: Connie, what do you like to do in your free time?

Connie Cosmos: I like to work at the observatory as an astronomer and look at the stars. Find new planets and all that.

Camie: Awesome job.

Nico: Yeah.

Connie Cosmos: I agree too.

Lola: Yep.

Nico: That's a good job to have.

Qin: Yep.

Connie Cosmos: It sure is.

Me: Yep.

Lincoln: Man yesterday was awesome!

Lynn: Boy you said it! We killed Juggler.

Lincoln: And your dark side Lynn.

Nico: We paid her back for injuring Yost Aunt May

Lincoln: Times infinity. And for all the times she tried to kill me.

Anna Anyanova: Yeah no kidding.

Lola: Yeah that is for sure!

Nico: That's another enemy of Lincoln and his guardian angels out of their lives.

Camie: Good riddance.

Qin: Yeah!

Nico: We didn't expect to see Constantine Frog though.

Me: Yeah no kidding. But you heard what he said. Juggler couldn't decide on who to use for that so he picked Constantine.

Lola: Yeah

Varie: We haven't seen Constantine since the battle with Opaline.

Starlight Glimmer: Yeah no kidding.

Volt Kraken: Now he is officially in the M.O.E.

Me: Yep.

Nico: Which means another of Opaline's former goons dealt with.

Qin: Yeah no kidding.

Me: Yeah.

Nico: Still it's hard to imagine that someone made a wish on the Black Star Dragonballs!

Pan: Whoever did so had no idea how dangerous those are!

Me: From what I heard you guys had to go through a lot of trouble to get those back the first time.

Nico: What planets did you guys have to go to in order to get them back?

Pan: Well it was a harrowing adventure and journey.

Pan told us where they went.

One-Star Dragon Ball – Planet M-2, inside Dr. Myuu's body. Taken by Baby to a Deserted Starship.

Two-Star Dragon Ball – Planet Polaris.

Three-Star Dragon Ball – Planet Cretaceous, eaten by a T-Rex.

Four-Star Dragon Ball – Planet Monmaasu, stuck in an apple and then in the tooth of a giant.

Five-Star Dragon Ball – Planet Rudeeze.

Six-Star Dragon Ball – Planet Gelbo, stolen and taken to Planet Luud by the Para Brothers.

Seven-Star Dragon Ball – Planet Tigere.

Me: Whoa! Those are all amazing planets.

Camie: Yeah!

Nico: But we still have time.

Me: Yeah.

Shanan: That's amazing that they scatter all over the galaxy instead of Earth.

Nico: We're going after the 2-star one, right?

Me: Yep. And scans show that it's on the planet Tatooine.

Nico: Yep.

Camie: I'm really looking forward to this one.

Qin: Me too.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the desert planet of Tatooine.

Maria: We're here.

Luke Skywalker: Home.

Me: Yep.

Anakin: It's good to be home.

Me: It'll probably be in a Tuskan Raider Colony.

Nico: That's possible.

We got to landing and we were right outside of the city of Mos Eisley.

We got out. We were on Tatooine.

Me: Planet Tatooine.

Nico: It's here somewhere

Luke Skywalker: It's good to be back home.

Nico: It sure is awesome seeing it.

We saw Jabba's palace and it was in ruins.

Me: Looks like Jabba's palace was raided and reduced to ruins after he kicked the bucket.

Maria: Is there anything left?

Me: I don't think so.

Camie: Yeah.

Anakin: I don't sense anything there.

Camie: Oh man.

Han Solo: I always hated working for him.

Me: So did practically everyone else.

Nico: The guy DID freeze you in carbonite, Han.

Han Solo: I know.

Qin: Jerk.

Me: And he almost fed Luke to the Sarlaac.

Camie: Yeah.

Lola: Yuck.

Luke Skywalker: No need to remind me

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Tatooine to get the 2 Black Star Dragon Ball, but here's the dangerous part: it's in the hands of Emily McKale's old enemy and her ex-sister, Amy McKale The Bloodthirsty Savage.

WE GASPED IN HORROR!

Me: WHAT THE?!

Luan: Oh man! I thought we were done with Amy The Bloodthirsty Savage forever!

Lincoln: We know her better than that, Luan.

Emily McKale appeared.

Emily McKale: Lincoln's right, we know Amy wasn't going to stay dead and forgotten that easily.

Anna Anyanova: I really thought we were done with that murderous bloodthirsty savage. Plus, there's no doubt that Raquel Carrington also wants revenge on her as well, since she murdered her parents long ago after she escaped from prison that time.

Lincoln: No, she's going to appear with the rest of the team, Anna. Plus, this is Emily's time to shine and finally put an end to Amy McKale The Bloodthirsty Savage once and for all.

Eman Reynolds: You said it.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected Chakravartin and sent him after us.

Lincoln: No. Morgana, you didn't...!

Me: Lincoln, what's wrong? Oh God, who did Morgana and her minions bring back?

Lincoln: It's not good, it appears Morgana and her minions have resurrected Chakravartin.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh no, Mithra's not going to like hearing that.

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, I hope you absorb him and send him to The Black Abyss.

Lincoln: That's what I'm going to do.

Suddenly, Crash Bandicoot appeared along with the rest of the team who also arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, the 2 Black Star Dragon Ball is here on Planet Tatooine. But, when Lincoln told us that it was in the hands of our old enemy, Amy McKale, we immediately high-tailed here immediately.

Lincoln: It's good you all did, Lori. Now, this'll be the final time we ever have to deal with Amy McKale The Bloodthirsty Savage.

Crash Bandicoot: And since she had her family ties severed, there's no need to hold back.

Lincoln: That's right.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel

wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Amy McKale) AHA! There you are, you bloodthirsty savage inhuman bitch. I just spotted Amy McKale, she's 20 yards away, but she's coming right at us and she's out for blood again. (Sensed Chakravartin) And I just spotted Chakravartin.

Me: Let's tear them apart.

Nico heard a Pokemon cry.

Nico: Look!

We saw a Hippowdon!

Me: Whoa a Hippowdon!

Xenia: Wow!

Nico: And the poor thing is hungry.

Nico fed it apples.

Hippowdon: Thank you.

He ate them.

Nico: Want to come with us?

Hippowdon: I would be honored.

POROMON AND POLIWAG THEN BROKE DOWN CRYING!

Jets of tears erupted out of their eyes.

Me: What's wrong guys?

Poromon: It's fine. We know you don't love us anymore!

Poliwag: We'll be living in the garbage from now on. It's where trash like us belong!

With that they both went into a trash can.

Me: Come on guys.

I got them out of there.

Me: You're being overdramatic. Nico would never replace you. (Sighs) Just when I thought they were over that.

Nico: I still love you two. I can have you guys and have a third mascot.

Poromon: Okay then!

Poliwag: YEAH!

Hippowdon: Awesome!

Xenia: Yep.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: WHOA LOOK!

We saw HUGE STREAMS OF LIGHTNING Blasting out of Beggers Canyon!

Nico: Looks like Jabba forgot to pay his electric bill

Me: That's not normal electricity! LOOK!

We saw a Regieleki!

Me: WHOA! Regieleki!

Nico: What's that doing here?

Me: No idea!

Spitfire: Oh man! (Uses Telepathy) (GASP) That's my sister Stormhawk!

WE GASPED!

Soarin: Stormhawk is alive!?

Rainbow Dash: Oh man! She was said to be the most amazing Wonderbolt of all!

Nico: WHOA!

Me better go help her!

Spitfire: Right!

We went to face her!

Spitfire: Stormhawk! It's me! Spitfire!

All she did was zap her!

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

Spitfire: (SCREAMS IN PAIN!)

She was zapped bad.

Spitfire: Ouch.

Ed: ZAPPITY ZAP ZAP!

Nico: Ouch!

Poromon tried to lick her

ZZZZZZZZZAAAAAAAAAAAAAAAPPPPPPPP!

HE GOT ZAPPED TOO!

Poromon: Ouch. That was stupid.

I fired waves of lightning and blasted down Regieleki.

Then I snapped my fingers and she reverted back. She was a girl with blue hair and orange eyes and had a blue version of Spitfire's Cutie Mark on her arm and had Regieleki on her forehead and had blue angel wings.

We wrapped her in a blanket and brought her over to a building where it was cool.

Me: There.

She woke up.

Spitfire: Stormhawk?

Soarin: Are you okay?

Stormhawk: (Groans) Spitfire, Soarin? (GASP) It is you!

She hugged them.

Stormhawk: I thought I would never see you guys.

Spitfire: Me neither sis.

Soarin: Glad to have our awesome teammate back.

Nico: You guys thought she was dead?

Soarin: Yeah she vanished a while back.

Spitfire: Long story.

Me: Stormhawk you were turned into a Regieleki by Dark Gale.

Stormhawk: (GASP) I remember!

She was in a blue body suit and injected as she was strapped to a table and then she busted out and turned into Regieleki and busted out.

FLASHBACK ENDS

Stormhawk: It was awful.

Nico: What's your role in Sonya's team?

Stormhawk: I'm the ace fighter pilot and lightning mage of the team.

Nico: Cool!

Stormhawk: I know. Outside the team I'm an airplane mechanic at the airport.

Camie: Awesome.

Me: That is cool.

Nico: You got your own jet?

Stormhawk: I sure do. It's an SR-71 Blackbird.

Me: That's one of my favorite jets.

Lola: It's also what Live Action Jetfire can turn into.

Live Action Jetfire: It's true. Unlike my father. My father, why, he was a wheel! The first wheel! And do you know what he transformed into? Nothing! But he did so with honor! Dignity, damn it!

Nico: That is true and cool.

Lola: Yeah!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her an awesome new outfit perfect for a Pilot.

Stormhawk: Wow! I look awesome!

Spitfire: Want to join back with the Wonderbolts sis?

Stormhawk: (Salutes) Colonel Stormhawk reporting for duty!

Nico: Got your jet with you?

Stormhawk: It's back at base sorry.

Nico: Okay then.

Me: We'll worry about that later. Lets go catch our target.

We then took off into the air and we set out to get The 2 Black Star Dragon Ball and destroy Amy McKale and Chakravartin and send them to The Black Abyss forever.

We were flying in the air, and we spotted our target: The 2 Black Star Dragon Ball, and it was in the hands of Amy McKale The Bloodthirsty Savage, and she was heading right for us in a bloodthirsty fit of rage again!

Lincoln: I've had it up to hear with that bloodthirsty savage, this is where it all ends here and now for you, Amy.

Lincoln fired orbs of elemental forces from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Amy McKale and they hit her and exploded, and she screamed in insane rage as we landed, and when she saw Lincoln and Emily again, she went mad with rage and tried to gouge their eyes out with her knife, but Lincoln and Emily McKale fired energy blasts that sent that bloodthirsty savage flying into a rock. She got out, but she bellowed and screamed with rage! Then, Lincoln used his telekinesis and got The 2 Black Star Dragon Ball to his hand.

Amy McKale: GIVE THAT BACK RIGHT NOW OR I WILL SLIT YOUR THROAT AND DRINK YOUR BLOOD!

Lincoln: Oh, shut up. You've got some goddamn nerve coming back from the dead again, Amy!

Lori: You know, it's bad enough we've had to deal with your miserable hide two times in the past, now we have to deal with you again for the third time. You ever hear the saying, "Three Strikes and You're Out!" Well, this is literally it: this time, we're gonna make sure that you stay dead forever. You're just like Sebastian who was possibly far worse than you and all the other bloodthirsty savages we'd dealt with in the past.

Amy McKale: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! I'M GOING TO KILL ALL OF YOU! I WILL DESTROY

EVERYTHING!

Lincoln: And those are indeed the last words you've said, Amy, and now, it's time for you to pay the price for your crimes.

Nico: Besides, that's useless without a complete set!

Amy McKale: I WILL KILL YOU ALL!

POW!

I punched her in her face and Emily kicked her in the mouth.

Emily McKale: That was for trying to kill me and my family!

Lori punched her in the face!

Lori: That was for literally putting a beehive in my locker!

Luan bit her on her nose!

CRUNCH!

Luan let go.

Luan: That was for dumping garbage all over me!

Hippowdon charged at her and bashed her with a powerful headbutt.

Stormhawk fired a powerful blast of lightning and electrocuted her all over.

Amy McKale: I WILL KILL ALL OF YOU AND BURY YOU ALL IN A VOLCANO! IF IT'S THE LAST THING I EVER DO!

BUT THEN SOMETHING SNAPPED IN EMILY MCKALE AND THEN SHE GOT EXPLOSIVELY MAD AND WE SAW INTENSE FIRE BURNING IN HER EYES AND SCLERA!

Emily McKale: (ENRAGED SCREAMING) I WILL MAKE YOU SUFFER! NO MORE! NO MORE!

KRABBBBBBOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOOOMMM!

Lincoln: And Chakravartin, you better get out here right now, there's no use in hiding.

We then saw our secondary target: Chakravartin, The Primordial God of Chakra, and he had the demonic Alicorn on his forehead.

Chakravartin: You have ruined my plan to create a new world, and now, you shall pay for this with your life.

Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Chakravartin's chest, and he began absorbing him, and he was assimilating the Primordial God's Superhuman Strength, Superhuman Speed, Superhuman Agility, & Superhuman Reflexes, Superhuman Durability & Superhuman Endurance, Superhuman Stamina, Master Hand-to-Hand Combatant, Intellectual Genius, Immortality, Vacuum Adaptation, Limb Extension, Abilities with Mantra such as Mantra Creation & Manipulation, Mantra Bestowal, Gohma Creation, Possession, Flight, Teleportation, Space-Time Manipulation, Pocket Reality Manipulation & Illusion Creation, Telepathy, Imprisonment Sphere, Statue Creation, Astronomical Body Creation, Life and Death Manipulation, Transformations such as The Golden Spider and Abilities such as creating golden webs, Abilities as Golden Chakravartin such as Mantra Beam, Mantra Orb, and Cosmic Manipulation and Chakravartin, The Creator such as Tremendous Superhuman Strength, Speed, Agility, Combat Prowess, Durability, Endurance, and Stamina, Mantra Manipulation, Teleportation, and Time-Stop, and his abnormally massive and powerful upper and lower body

muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When he was done and the stingers changed back, nothing was left of Chakravartin except for his gold robes, and he also drained Chakravartin's soul of all his energy and power and he sent him to The Black Abyss.

Lincoln: That was for making Mithra cry, you monster.

Suddenly, Lincoln turned only to see Mithra hug him tightly as she wrapped her arms around his waist, and he returned it as he hugged her.

Mithra: Thank you, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Mithra.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed, and we saw something form around Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head: Lincoln's large gold halo with embedded Element of Harmony-shaped gems now had a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and the gold angel wings on the bottom remain the same and the four large orbiting gold rings with embedded colored gems orbiting around the corners of the large gold halo also now have four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold.

Me: Whoa!

Nico: Lincoln, your halo's also gotten quite an upgrade after you absorbed Chakravartin.

Lincoln: Let's see what it can do.

Suddenly, the four large orbiting gold rings fired waves of gold energy and light that hit Amy McKale, and she seriously got burned, and that's not all: the colored gems in the palms of the rings of hands made of gold fired colored lasers that also hit Amy McKale, and that really, AND I MEAN REALLY GOT HER ANGRY AS SHE BELLOWED LIKE AN ANGRY BULL!

Amy McKale: DAMN YOU ALL! I STILL DON'T CARE IF ALL OF YOU ARE POWERFUL, I AM GOING TO KILL YOU ALL, AND YOU ARE ALL GOING TO GO TO HELL WITH ME! I WILL DESTROY EVERYTHING!

Emily McKale fired a red energy blast at Amy McKale and she got hit in the face with it.

Emily McKale: You're still the same as always, Amy, it's disgusting! But, you know what, you've done enough damage to too many lives including mine, Mom, and Dad.

Raquel Carrington: Including mine, you bloodthirsty savage. You murdered Mom and Dad when you broke out of prison years ago and tried to kill us again, and now, we're gonna make sure Mom and Dad are avenged here and now!

We were amazed by Emily McKale's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Amy McKale saw it, she went absolutely fucked up insane beyond imagination and ran at Emily McKale to kill her yet again, but Emily McKale fired a massive barrage of crimson red, white, and blue energy, stars, aura energy, white and blue heavenly flames, winds, wind gusts, lights, hummingbirds, phoenixes, and angels which hit Amy McKale and sent her flying into another rock, she got out again, and she was even more madder than ever!

Plus, Emily was right to have called the cops on you long ago and got you sent to prison forever, and she and her parents were right to have cut all ties with you because no matter what, you weren't going to change your horrendous ways at all! You walk the path of a murderer creeping your way through the dark and anyone who got in your way, you beat them up and/or murdered them with no remorse for any of their relatives or friends. That's a lonely path and it's one that will follow you into death once more. Amy McKale, may you suffer for eternity with not a kindred soul to give you solace!

WE REALLY CHEERED WILDLY WHEN LINCOLN SAID THAT!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF AMY MCKALE EVEN MORE TO NO FUCKING END! NOW, THE BATTLE TO FINALLY DESTROY AMY MCKALE, THE BLOODTHIRSTY SAVAGE WAS ON!

Lincoln, Emily McKale, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Amy McKale, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Amy McKale and they exploded with incredible power as they hit her.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Emily McKale did the same by firing crimson red, white, and blue energy slashes from her gold plated claws and her massive greatsword, and Lincoln, Emily McKale, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was really really making Amy McKale even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Amy McKale, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Amy McKale. Your bloodsoaked rage crazed rampage ends here and now!

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Amy McKale.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done to Emily, her parents, and everyone in Michigan years ago, you deserved the fate that awaited you two years ago: disownment by family and death by our hands.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Amy McKale's stomach and a cluster of white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your insane bloodthirsty rage-crazed rampage ends here and now!

Lincoln did one final powerful energy slash that hit Amy McKale hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Amy McKale was now on her last legs and she was really really mangled.

You belittle life and have nothing but cruelty in your twisted black heart, and you've caused all sorts of pain and suffering to too many innocent people. And now, this is where you meet your end.

Lincoln raised his massive greatsword above Amy McKale's head, and then...!

SLASH! SQUELCH!

LINCOLN BEHEADED AMY MCKALE AND HE SLICED HER BODY TO RIBBONS AND HER HEAD AND HEADLESS BODY

BURST INTO WHITE AND BLUE FLAMES AS THE HEAVENLY FLAMES CONSUMED HER HEAD AND HEADLESS BODY AND SHE WAS FINALLY BANISHED TO THE BLACK ABYSS FOREVER!

We cheered wildly as we holstered our weapons and powered down and Emily McKale's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive crimson red angel wings and four sets of large crimson red angel wings underneath her massive crimson red angel wings are permanent.

Emily McKale: It's all over for you, Amy, and I don't ever want to see your face ever again.

Lincoln: You've hurt Emily for the last time, you piece of crap, and now, this shall be your final resting place.

Suddenly, Emily McKale wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily McKale's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Elemental HERO Air Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field and wind and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Emily McKale sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nico: That was a really really intense battle, but we did it!

Me: You said it.

Lincoln: Yep, not only did we get the 2 Black Star Dragon Ball back, but we also finally got rid of Amy McKale forever. Now, we have six more to collect from the six other villains who have them: Gabriel Tinsley The Psychotic Bloodthirsty Heartless Serial Killer, Evil Anakin The Evil Dark Side of Anakin Skywalker, Mesa Florence's Insane Daughter Despising Mother, Pain of The Akatsuki, A Clone of Mia The Heartless Rich Girl Despising Witch, and The Joker from Neo Gotham 2039.

King Kai: (Telepathically) I was stunned myself to find out that four of them were none other than your hated enemies from the past and it's true you got rid of Mia when you went to Isabella Van Kessler's home, but Morgana Midnight Sparkle used the sample of Mia's blood you spilled and she created that clone to cause havoc.

Isabella Van Kessler: Either way, she's going to be wiped from existence. Plus, we each get a chance to shine on the seven days. Emily got her day to shine today when she got rid of Amy McKale forever.

Sarah Tinsley: Which means tomorrow's my day to shine, and I'm going to make absolutely sure that Gabriel Tinsley is gone forever!

Lincoln: Maybe, we should also invite your mom as well, I'm sure she also wants payback on that vile bastard for ruining your life.

Me: Great idea.

Nico: That asshole's in for the shock of his life! Too bad it won't even be enough to give him a heart attack.

Gohan: That's far too easy, Nico.

Lincoln: Gohan's right, Nico. Gabriel needs to feel the unimaginable pain he'd wrought upon his many victims when he murdered them along with facing the unimaginable psychological pain he dealt unto Sarah. When we killed Gabriel two years ago, he was freed by Babidi, we'll need to also keep an eye out for that as well.

Goku: That's a good idea, Lincoln.

Vegeta: I agree as well.

Trunks: We'll have to wait until tomorrow when we do face Gabriel Tinsley.

Sarah Tinsley: And when we do, I will make absolutely sure that he never comes back!

Nico: We managed to get the first of the seven Black Star Dragon Balls. J.D., do you who it was that made a wish on The Black Star Dragon Balls?

Me: There may be a way to find out. Lincoln, I need your help with this.

Lincoln: Got it.

Lincoln and I unholstered our greatswords and drew a pattern in the dirt: the pattern was a circle made of Celtic Knots and it had a Celtic Triquetra in the center. Then, we chanted a Celtic incantation, and then, the circle glowed with emerald green energy, and the Celtic Triquetra glowed, and then, a vision orb of emerald green energy formed, and it played out what'd happened last night: we did see someone make a wish on The Black Star Dragon Balls before they scattered to Tatooine, Krypton, Mustafar, Namek, Cholganna, Dagobah and Mon Calamari. Suddenly, we saw who it was that made the wish on them: it was a male with brown hair, eyes filled with hate and anger, and he was dressed in punk clothes. When I saw who it was, I clenched my hand tightly in pure rage.

Me: (SAVAGE WOLF GROWL) I don't fucking believe it!

Eli: Whoa, big bro, you know who it was that made the wish?!

Me: Unfortunately, I do, the person you see in the vision orb is my old enemy, Gerald Vexos.

WE GASPED!

Lincoln: What the?!

Eli: So, that's who it was that did this?!

Lincoln: And I recognize why he looks familiar, he's the younger brother of Venn Vexos.

Me: What?! He's the younger brother of that asshole who brutally beat up Cadenza's little sister, Emily?!

Cadenza Cthugha: So, Venn Vexos' slimebag younger brother was the one who made that wish?! Why, that motherfucker! He was the one who triggered Black Star Dragonball Doomsday!

Nico: Do we know the reason why he did that.

Lincoln: I can think of only one reason: it's revenge on us for killing Venn Vexos last year.

Me: That fucking asshat! He's gonna pay for this! When we get all seven Black Star Dragon Balls back, we are going to hunt down that asshole and I am going to tear his ass apart!

Maria: Save seconds for us, J.D. He put our planet in danger because he wanted revenge on us for the death of his asshole brother, he's a dead man.

Lincoln: Ah, we're in luck, he's hiding out somewhere in Pueblo County, Colorado.

Me: I've been there before, and I know the prison there, that's where I sent Gerald long ago after I took him down six years ago when he and Venn went on a rampage. But, while Gerald was taken into custody by the police, Venn escaped.

Cadenza Cthugha: And that's how he wound up in Royal Woods: he was hiding out to get away from the cops.

Nico: King Kai, please tell me getting the first Ball slowed the countdown

King Kai: No Nico it doesn't work that way. The countdown on the Black Star Dragonballs resets when all the balls are brought back to Earth.

Me: There's always a catch. But we do have one so that's good.

Laney: Yeah.

Hippowdon: That is for sure.

Me: 6 more to go.

Nico: Nice job Hippowdon!

Hippowdon: Thanks Nico.

Poromon: Want some beer?

Hippowdon: Sure!

He drank some all down.

Barney Gumble: Welcome to the beer party! (BELCH!)

Hippowdon: (BARNEY GUMBLE BELCH)

He was drunk.

Poliwag: Sing the ABC's.

Hippowdon: (BELCHING THE ABC'S) ABCDEFGHIJKLMNOPQRSTUVWXYZ!

WE LAUGHED!

Poromon: I knew you would love beer. You ARE Nico's new mascot, after all

Nico: (LAUGHS) YEAH!

Camie: That is funny!

I snapped my fingers and he was back to normal.

Poromon: We're sorry we got jealous of you

Hippowdon: Aw Hakuna Matata.

Timon: Hey you like the line Hakuna Matata too.

Pumbaa: You know what it means?

Hippowdon: It means no worries.

Timon: Yep!

Pumbaa: It's our motto.

Hippowdon: What's a motto?

Timon: Nothing! What's a motto with you!?

WE LAUGHED HYSTERICALLY!

Poromon: To make up for it, how would you like to go somewhere with us later?

Hippowdon: Sure!

Lana: Awesome.

Nico: Cool.

Hippowdon: Lemme guess. Does this place have more beer?

Poromon: Oh no it doesn't.

Hippowdon: Okay.

Me: Maybe it's for this!

I grabbed Nico's face and shoved it in my butt and then...

LOUD FART TOOT!

EVERYONE LAuGHED HYSTERICALLY!

Nico: VERY FUNNY!

LOUD FART TOOT!

I farted in Nico's face.

Me: (LAUGHS) Sorry. I couldn't resist.

Poromon: What you'll need is some money

Me: We got plenty of that.

Hippowdon: Cool.

Camie: Yep.

LOUD FART TOOT!

Me: Sorry.

Nico: Now, let's keep this Ball somewhere safe

Me: I'll keep the balls with me.

I put the ball in a bag and put it on my hip.

Nico: Good thinking.

Me; Yeah.

Qin: Yeah.

Me: One down six to go.

Camie: Yeah.

Nico: We got plenty of time, right?

I looked at the timer.

Me: 364:18:13:21.

Nico: Oh. MORE Than enough.

Neon: They're all gonna be this easy to find, right?

Nico: No.

Me: Yeah but we know which planets they are on so that will save us a huge amount of effort and time.

Lola: That's true.

Nico: And this one wasn't easy either

Nicole: Nope.

Qin: Yeah.

Lola: I agree.

Camie: But we need to be ready for anything.

Nico: When we get all of them, we should probably bury them

Me: Or I got a better idea. We form a pact.

Nico: What kind of pact?

Me: The founding members of the team each get one Dragonball.

Nico: Oh I get it. Me, you, Lincoln, Varie, Maria, Eli and whoever get one ball each and we NEVER use them.

Bender: Let's call this pact the Fuck No Pact!

Nico:...no.

Bender: That's Fuck No, dude!

Me: Bite my big fat fucking ass!

Bender: HEY! Okay I walked right into that one.

Nico: Any other name ideas?

Me: Hmm...

Lola: How about the Anti-Black Star Act.

Nico: Good name!

Lola: Thanks!

Me: Yeah!

Nico: We'll decide who gets each ball later after we get them all.

Lola: Good idea.

Nico: Which ball is next.

Me: Well it didn't say which balls were what. So the next one is gonna be on planet Krypton.

Nico: Wow!

Qin: Ooh!

Superman: One is on my home planet. This will be cool.

Nico: We were there recently.

Lola: We sure were.

Superman: That is true.

Qin: Yep.

Camie: Yeah.

Nico: And this time, with no Brainiac.

Camie: That is for sure.

Qin: I agree there.

Lola: Yeah.

Me: Yep.

Nico: Yeah. Lets talk about more of that later. Now for the Anothers.

Eli: Oh right. (Concentrates) We have Another Volt Kraken, Maga Basser, Hot Pepper (TTG), General Grievous, Berserker (MHA), Thunderhog, Fugai, Ranke and Kamira and Thylaco who are the gene-slammers of Fire Kraken, Volcanic Doomfire, Fire Princess, Darkfire Dragon, Infernal Flame Emperor, Lava Golem, Solar Flare Dragon, Inferno, Invasion of Flames, Gorlag and Hinotama Soul.

WE GASPED!

Me: WHOA! All Fire Monsters!

Eli: And there's another Clay too.

Me: Wow! So Star Man, Connie Cosmos, Sina Star, Marianna Andromeda, Dawn (Pokemon), Orla Orbital, Natalia Night and Olivia Ornis are up.

Eli: Yep and I sense that the Anothers minus Volt Kraken and Another Clay are 10 people.

Me: So that is 10 out of 11.

Nico: THERE THEY ARE!

We saw Another Maga Basser, Hot Pepper (TTG), General Grievous, Berserker (MHA), Thunderhog, Fugai, Ranke and Kamira and Thylaco!

Me: WHOA!

Xenia: This will be fun.

Nico: Yeah!

Another Maga Basser: (In a girls voice) Yeah it will!

They nerged and split into 10 and reverted back and were the gene-slammers of Fire Kraken, Volcanic Doomfire, Fire Princess, Darkfire Dragon, Infernal Flame Emperor, Lava Golem, Solar Flare Dragon, Inferno, Invasion of Flames and Gorlag!

Nico: (GASP!) Fiona, Vonya, Iona, Princess Faith, Sillica, Iris, Gina, Irena, Layla and Diane Hinotama!

Nicole: COOL!

Me: Wow! The Hinotama Sisters.

Princess Faith: That's right J.D.

Iona Hinotama: We are Fire Elemental girls.

Me: Made because of Dr. Emilio Vellenxia no doubt.

Sillica: How did you know?

Me: Encountered some of his work with the Seadra Sisters and Talia Voncanyo here.

Nico: Yep.

Me: By the way girls are the Another Volt Kraken and Clay friendly or hostile?

Irena Hinotama: Friendly and both pack a wallop.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: Now we wait.

But then...

KRASPLAT!

Nico got hit in the face with a Chocolate Brussels Sprouts and Cauliflower pie!

YUCK!

Iona Hinotama: The Another Clay is a prankster. Forgot to mention that.

Nico: HEY! OKAY WHO IS THE WISEASS!?

Me: YUCK! Chocolate, Brussel Sprouts and Cauliflower pie!? That is gross!

Jared ate some Brussels Sprouts and Cauliflower.

Jared: But it is my kind of pie.

Me: You wouldn't mind that one son.

Nico: Where is she?!

Me: Over there!

We saw Another Volt Kraken and Another Clay!

Nico: There! PRANK ME WITH A VEGETABLE PIE WILL YOU!?

Another Volt Kraken: (In a girls voice) Sorry about that!

She reverted back and was the gene-slammer of Hinotama Soul.

Nico: Anna Hinotama! Wow!

Anna Hinotama: Boy our friend sure nailed you huh?

Nico: No kidding.

Anna Hinotama: Now what did we say about pulling pranks?

Another Clay: (In a girls voice) Sorry and only to use it on bad guys.

Clay: (GASP) Well I'll be sliced and served with buttered toast!

Ed: BUTTERED TOAST!? Where!?

Another Clay reverted back and it looked like a female version of Clay.

Clay: Jane Bailey!

Jane Bailey: Howdy big bro!

They hugged for the first time in a while.

Nico: You know her Clay?

Clay: I know her as much as the Pride of Texas. She's my little sister. Next to Jesse, Jane is the youngest in my family. She's the reason why I became a Xiaolin Master.

Me: Wow!

Qin: That is cool!

Clay: She vanished a long time ago and I was training hard to find her.

Anna Hinotama: That is amazing.

Me: It sure is. Also Anna you're one of Dr. Vellenxia's experiments right?

Anna Hinotama: I sure am. But I also have lightning powers too.

Another Volt Kraken: Wow! Just like me with lightning.

Me: Cool!

Kaito (gets out Goseiger gear): Did Swartz promise you anything?

Zocks (gets out Shinkenger gear): Because we can grant it instead

They got Goseiger and Samurai weapons.

Anna Hinotama: No he didn't.

Jane Bailey: I threw a pie in his face and it turns out he was allergic to walnuts and chocolate.

Me: WHOA! I have never heard of anyone allergic to both Walnuts and Chocolate.

Lincoln: Mr. Grouse is allergic to walnuts so that's no surprise there.

Sakura Knudson: That explains why he was swollen and covered in ugly red spots and ugly welts.

Me: OUCH!

Anna Hinotama: That was crazy.

Sougo (gets out Basic Megaforce Ridewatch): You have nothing to worry from Jesse

Geiz (gets out Samurai Ridewatch): She and Clay made up.

Sougo got BasicMegaforceRedArmore while Geiz got SamuraiRedArmor.

Me: Yeah it was years before the Battle with Thanos.

Jane Bailey: I'm glad.

Me: We are too.

Lola: Yeah.

Lincoln: Lets separate you.

We did so.

Me: Lets get it on.

Nico: (Gets out Volt Kraken's Ridewatch) You're in for a shock!

May: (Gets out Hot Pepper (TTG) Ridewatch) I'm a Hot Pepper! Hot Hot Hot Pepper Pepper!

Hot Pepper (TTG): (Spanish Accent) Welcome to paradise!

Maria: (Gets out Fugai, Ranke and Kamira's ridewatches) I love horror and these girls pack a wallop!

Connie Cosmos: (Gets out Maga Basser's ridewatch) For the Stars of Justice!

They used the powers of Volt Kraken, Maga Basser, Hot Pepper (TTG), General Grievous, Berserker (MHA), Thunderhog, Fugai, Ranke and Kamira and Thylaco and blasted the Anothers!

Then Frost Walrus, Mazelda, Hatman Ninjas (Rayman), Chef Swinegang Pork (X-Squad Universe), Pterrack and Spike & Chester came.

Nico: Cool! Nice team Frost Walrus!

Frost Walrus: Thanks Nico.

Me: Spike & Chester!? Whoa! I loved all your cartoons!

Spike: Yeah we thought they were great. Especially with us pounding that cat.

Sylvester: For your information buster, it was I that did that with that Hyde Formula!

Maria: What are you guys talking about?

Me: In one of Sylvesters cartoons he was on the run from Spike and Chester and he went into Dr. Jekyll's lab and drank some Hyde Formula thinking it was soda. Then he turned into a horrible Hyde Cat and beat the crap out of Spike.

Maria: Oh yeah! I love that one! That was funny!

Nico: Yeah!

Chester: Yeah and I called Spike yella.

Horsea: What about a Jekyll cat?

Me: This is him.

Sylvester: He was me.

I showed a picture of him.

Sylvester: See? This was by accident.

The mascots thought about drinking it

Nico: Don't even think about it guys.

Eli: Yeah! We know what you're thinking. You want to become like Sylvester in that episode.

Me: Yeah! But I can say this now, Don't do it. In the name of all of humanity it's not worth it.

Poromon: It was just an idea

Manaphy: But we won't do it.

They crossed their fingers and all that behind their backs.

Me: And don't get any ideas by crossing your fingers behind your back.

Qin: Yeah. (Makes the I'm Watching you Fingers)

Poromon: Okay okay okay! Sorry.

Bright Man: But all and all my team is up next.

Nico: Yep.

?: Yeah and it will be fun!

SKULLSATAMON and Ghostmon came!

Me: SkullSatamon! And Ghostmon!

Qin: Wow!

SkullSatamon: (In a girls voice) (Russian Accent) Lets get this party started.

Nico: Nataliya Zaitseva! Wow!

She reverted back and was a girl with black hair, red eyes, black clothes and had black angel wings and had a new crest in the middle of her forehead and had SkullSatamon on her shirt and skirt and had Russia's Coat of Arms on her arm and had a black digivice and SkullSatamon's staff in her hand.

Nataliya Zaitseva: Good to see you again Comrade Nico. We got this! (ECHOING) NAIL BONE!

They fired waves of energy and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Qin: Awesome!

Nico: Oh, Star Man, what do you like to do in your free time?

Star Man: Oh right. I'm an astronomy robot. I watch for new stars.

Me: Cool!

Lola: Yeah.

Nataliya Zaitseva: That is a good job.

Me: It sure is. And also you're another one of Russia's Digidestined. We met Yuri, Anna and Sonya in Russia a while back and they are with the team now.

Nico: It's true.

Nataliya Zaitseva: Good that 3 Digidestined Comrades are with you all.

Me: Yeah.

Lola: Do you have any favorite memories of Nico?

Nataliya Zaitseva: I sure do. When we first met. The Tunguska forest was being attacked by a bunch of Boarmon running around.

Me: Wow! That was where the Tunguska Meteor exploded over that area in 1908. That was scary. Also not even Eastern Russia was safe from the International Digimon Skirmish.

Nataliya Zaitseva: No it wasn't.

Me: Yeah.

Nico: Yeah.

Nico and Nataliya hugged.

Nico: I've missed you.

Nataliya Zaitseva: Same here comrade Nico.

We went back home to Earth

Lincoln's dream last night has warned us that Mundus, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam have all returned for revenge against Sherlock Hound for killing them, and Mundus was also planning to kill Sherlock Hound's friends and allies.

But, that threat from Mundus and the others was going to be the final straw that breaks Sherlock Hound's back as the memories of Mundus' cruelty and his minions' remorseless actions and the cruel actions of Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam are going to cause him TO BRUTALLY SNAP WITH PURE RAGE, AND NOT ONLY IS HE GOING TO TRANSFORM, BUT HE'S GOING TO UNLEASH THE WRATH OF THE ANGELS AND ARCHANGELS OF HEAVEN AND THE DEVILS AND DEMONS OF HELL AS THE DETECTIVE OF 19TH CENTURY LONDON AND NEWLY MADE CARRIER OF THE LEGACY OF THE LEGENDARY DARK KNIGHT AND LEGENDARY DEVIL SWORDSMAN FROM DEVIL MAY CRY, SPARDA, WILL UNLEASH UNIMAGINABLE JUDGEMENT AND FURY THAT'S ON THE SCALE OF THE DIVINE AND DEMONIC, AND DESTROY THEM ALL AND SEND MUNDUS, BEOWULF, GRIFFON, PHANTOM, VELVETTE, VOX, VALENTINO, CRIMSON AND HIS MAFIA GANG, STRIKER, ANDREALPHUS ARS GOETIA, STELLA ARS

GOETIA, AND ADAM TO THE BLACK ABYSS FOREVER AND MAKE SURE THEY NEVER EVER COME BACK!

Lincoln: Whoa, we're here on Mallet Island again, and I know what we're going to do here, not only am I going to rescue the nine girls here, but here's the bad news.

Sherlock Hound: (British Accent) I believe I know what that bad news is: your dream last night has warned us that Mundus, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam have all returned for revenge against me for killing them, and Mundus was also planning to kill my friends and allies. However, I prevented that from happening, though that threat of his was the last one he will ever make.

We gulped in fright: the darkness in that threat he made to Mundus was so dark, it sent chills down our spines.

Star Man: Oh no, this is not going to end well.

Lincoln: It sure isn't, Star Man. Mundus crossed the line big time with that threat of his, and now, he and the others are going to die a horrible and bloody death times infinity.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, black angel wings, red and black clothes, red hairband, the sigil of Asmodeus on her forehead, long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels on the coattails, and on the back is Lilithmon and Asmodeus, she has a demonic greatsword in hand and with her are the the nine girls.

Lincoln: (GASPS) Tamara Asmodeus, Avatar of Asmodeus, Demon Prince of Lust and Gene-Slammer of Lilithmon.

Tamara Asmodeus: That's right, and I got the girls away from Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam, and they're out for blood.

Sherlock Hound: (British Accent) My blood specifically. Come, my friends, it's time.

Lincoln: You're right.

Suddenly, we saw Dante, Nero, Lady, and Trish arrive.

Nero: We just heard the situation. So, Mundus is back.

Nico: You guessed it.

Dante: I always knew death wouldn't keep Mundus down.

Trish: Mundus has always been like this.

Sherlock Hound: (British Accent) He's never been one to die that easily.

Lady: He sure is a headache.

Sparda: (Through his amulet) And it's not just Mundus who's back, but also, his three loyal minions, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam during our missions to Pentagram City.

Sherlock Hound: (British Accent) But, that ends today. (Blood Red Eyes turn murderous) Mundus, you better be ready, your time is up!

We proceeded onwards as Sherlock Hound made a portal that led to the cathedral where we first met Mundus for the first time two years ago, and we entered inside it for one final showdown with The Emperor of The Underworld and his minions along with the most troublesome and most dangerous of Charlie Morningstar's enemies.

The portal opened, and we came out, and there we saw our targets: Mundus, Beowulf, Phantom, and Griffon, along with Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam.

Sherlock Hound: (British Accent) Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam, I thought that I finally got rid of all of you for good, but it looks like I was wrong.

Vox: You ruined all of our plans, and even worse, you helped that smiling freak, Alastor, and the rest of those fucks at that rat-infested hotel!

Sherlock Hound: (British Accent) If I were you, I wouldn't take that kind of tone with me, Vox. Plus, all of you brought this on yourselves, Vox, Velvette, and Valentino for your usual depravity, Crimson and his gang for making the lives of everyone a living nightmare, Striker for trying to kill Stella's ex-husband, daughter, and all of us, the same went with you and Andrealphus, Stella. And as for you, Adam, you were nothing more than a misogynistic genocidal monster who's caused so much death in the yearly Exterminations and derailing Charlie Morningstar's promise she made to Lilith.

That made Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam truly enraged. Then, he turned his attention straight to Mundus, Griffon, Phantom, and Beowulf, and he really let them have it.

Sherlock Hound: (British Accent) And as for you, Mundus, you have absolutely no idea of the carnage you caused to the human world in your attempts to conquer it over two millennia ago, and your three minions were the same, and I will never ever forgive any of you for it.

Mundus: (Echoing Voice) You dare to speak to me like that?! How dare you!

Suddenly, Mundus charged up energy in his Third Eye.

Mundus: (Echoing Voice) Now, it's time for me to end your lives now!

Mundus fired a laser blast at us, but Sherlock Hound's blood red eyes turned neon blood red, and he redirected the laser blast and it hit a nearby wall, and he was truly enraged.

Adam (Hazbin Hotel): Well, now you just fucked us all over!

Sherlock Hound: (British Accent) I have had it with all of you to last an eternity, this is where you all die here and now!

Suddenly, something within Sherlock Hound's mind snapped as the memories of Mundus' cruelty and his minions' remorseless actions and evil atrocities from two millennia ago, along with the bloody murder of Sparda's wife, Eva, and the cruel actions of Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam rushed through his head, and he was filled with a demonic rage towards these individuals as his deep blood red eyes turned neon deep blood red and he was surrounded by a black and blood red, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, blood red nebulae, stars, Divine Darkness, Demonic Darkness, dark magic, black magic, Satanic Magic, demons, devils, demon dogs, phoenixes, and angels surrounding him, he unholstered his massive Sherlock Hound's Cosmic Eternal Harmony Demonic Darkness Dark Knight Almighty Sparda True Immortal Eternal Angelic Demonic Demon Hound Phoenix God Angel Greatsword of Cosmic Eternal Harmony Demonic Darkness Dark Knight Almighty Sparda True Immortal Eternal Angelic Demonic Demon Hound Phoenix God Angel Justice from his back, and as he angrily approached Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam, he left black and blood red, white, and blue energy, stars, aura energy, white and blue heavenly flames, blood red nebulae, stars, Divine Darkness, Demonic Darkness, dark magic, black magic, Satanic Magic, demons, devils, demon dogs, phoenixes, and angels with every step.

Sherlock Hound: (British Accent) I truly thought that I was finally rid of all of you, but it seems even now, you refused to fade from existence forever as your remorseless crimes still haunted me even after I destroyed all of you. (SUDDENLY GETTING EXTREMELY PISSED OFF AS HIS ENERGY AURA FLARED UP EVEN MORE EXTREMELY) But, I will never ever forgive the fact that you also threatened to kill all of my friends and allies in the same way you had your minions murder Eva long after the death of your hated enemy, Sparda, and all for your petty revenge..., (DEMONIC VOICE) THAT THREAT YOU MADE TOWARDS MY FRIENDS AND ALLIES IS THE LAST STRAW! AND IF YOU THINK YOU CAN GET AWAY WITH THAT, YOU'RE WRONG! BEOWULF, GRIFFON, PHANTOM, VELVETTE, VOX, VALENTINO, CRIMSON AND HIS MAFIA GANG, STRIKER, ANDREALPHUS ARS GOETIA, STELLA ARS GOETIA, AND ADAM, YOU HAVE CROSSED ONE TOO MANY LINES OVER THE EONS, AND FOR THAT, I WILL END EVERY LAST ONE OF YOU ONCE AND FOR ALL! AND AS FOR YOU, MUNDUS, IT'S TIME WE FINISH WHAT WE STARTED TWO MILLENNIA AGO, AND THIS TIME, YOU WILL DIE HERE IN A POOL OF YOUR OWN BLOOD, AND THIS TIME, I WILL SEE TO IT THAT NONE OF YOU WILL EVER RETURN FROM THE DEAD!

WE GASPED IN PURE HORROR: SHERLOCK HOUND HAS LET THE DEVIL WITHIN HIM OUT, AND WE ALSO SAW THE INSIDE OF THE CATHEDRAL TURN BLOOD RED AND BLOOD BEGAN FALLING ALL OVER THE PLACE!

Nico: Oh God, oh no! Now, they've really done it!

Me: No fooling! Sherlock Hound has let The Devil Within him out, and Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam are in seriously huge trouble!

Lincoln: Big time! HERE IT COMES!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF SHERLOCK HOUND WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE

VAMPIRE BAT, RAINBOW FIRE DEVIL, RAINBOW FIRE DEMON, AND RAINBOW DEMON DOG, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE VAMPIRE BAT, RAINBOW FIRE DEVIL, RAINBOW FIRE DEMON, AND RAINBOW DEMON DOG WENT BACK TO EARTH AND SHERLOCK HOUND GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Sherlock Hound screamed with such demonic unholy fury, and he was surrounded by a very massive vortex of black and blood red, white, and blue energy with stars, aura energy, white and blue heavenly flames, blood red nebulae, stars, Divine Darkness, Demonic Darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are demons, devils, demon dogs, phoenixes, and angels flying around the vortex, and in the vortex a blood red phoenix with blood red eyes glaring at Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam: the blood red eyes of eternal death and eternal judgement, and we saw heavenly lights shining down on the vortex and hellish flames surrounding the vortex in a ring of fire.

Suddenly, The Unity Crystals on my J.D. Suddenly, Sherlock Hound teleported us to Planet Satann, a planet that looks like Hell itself full of demonic horrors and a blood red moon in the sky and the blood rains became even stronger than ever.

Snowstorm Seal Musk-Ox Yuki-Onna Thundersnow Ice Dragon Phoenix God Angel Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit them.

Then, Sherlock Hound fired powerful massive black and blood red, white, and blue energy beams and they hit Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam, and they were obliterated forever, and they were sent to The Black Abyss, and we teleported back home. We cheered as we holstered our weapons and powered down, and Sherlock Hound's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind his head, twenty large black and blood red planets orbiting around his legs, twenty smaller black and blood red planets orbiting around his waist, smaller planets orbiting around his fingers, medium black and blood red planets orbiting around his wrists and ankles, and massive red angel wings and four sets of large red angel wings underneath his massive red angel wings are permanent.

Sherlock Hound: (British Accent) It's finally over. Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam are finally gone.

Lincoln: You said it. Now, we are rid of those monsters forever, and they are never coming back ever again. (To Tamara Asmodeus) And it's so good to see you again, Tamara.

Tamara Asmodeus: You too, Lincoln, it's been seven years since we last met.

Suddenly, Tamara Asmodeus had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Tamara Asmodeus was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Tamara Asmodeus: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Tamara Asmodeus and hugged her, and Tamara Asmodeus is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Tamara Asmodeus: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo

with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Tamara Asmodeus, Avatar of Asmodeus, Demon Prince of Lust and Gene-Slammer of Lilithmon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Asmodeus, The Demon Lord of Lust and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Asmodeus himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven

Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Lucifer himself, and Tamara Asmodeus is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Tamara Asmodeus a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Nico: We were really stunned when we found out Lincoln also knows Seven Queens of The Netherworld just like J.D.

Me: Me too, and they're just as powerful as the legends say.

Lincoln: They've proven that time and time again, and no one, not even Lucifer's legions were a match for them, and now that you're here, Tamara.

Lincoln with his massive muscular arms still wrapped around Tamara Asmodeus leaned his head down the right side of Tamara Asmodeus' trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Tamara Asmodeus: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tamara Asmodeus with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Tamara Asmodeus: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tamara Asmodeus.

Tamara Asmodeus had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Tamara Asmodeus' waist, and he leaned down to her face and kissed her on the lips, and with Tamara Asmodeus' hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Elisha Mammon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Tamara Asmodeus: (In Heaven) My God. Oh, Lincoln, there's something I got to tell you, the nine girls are...!

Travis Tackett: And I believe that's our signal to leave.

Everyone left leaving Lincoln, Nicole, and his harem.

Then, they went up to the nine girls, and when Lincoln saw them, he wound up getting an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood. The nine girls are Ashley Mizuki Robbins from Another Code: Two Memories, Haru Akatsuka, Misa Natori, Chiaki Sawa, and Kaede Momouchi from Secret Love (Kari), and Miharu Amino, Rinka Miyazaki, Tsubomi Hamanaka, and Yuria Takehara from Gachinko! Bitch Club.

Lincoln: Oh whoa, it's Ashley Mizuki Robbins from Another Code: Two Memories, Haru Akatsuka, Misa Natori, Chiaki Sawa, and Kaede Momouchi from Secret Love (Kari), and Miharu Amino, Rinka Miyazaki, Tsubomi Hamanaka, and Yuria Takehara from Gachinko! Bitch Club.

Nicole: I can't believe it, as soon as Travis heard what Tamara was about to say, he said the word and he and the others left.

Lincoln: It's like Travis had a built-in radar in case this would happen. Are you girls okay?

Ashley Mizuki Robbins: Yes, we're okay, thanks to you.

Then, when Ashley Mizuki Robbins and the eight other girls saw who it was that saved them from Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of
